**RULES AND GUIDELINES FOR THE CONFERENCE  
NOMINATING COMMITTEE**

**A.**

1. That the Peninsula Conference again record its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Council Director.
3. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed. That for the 1988-93 time period, persons elected to Boards and Agencies of the Peninsula Annual Conference at the Annual Conference of 1988 will serve for a quinquennium (5 years). (This change in rules for this one time period, only, will bring the next change in leadership in 1993 following the Jurisdictional Conference of 1992 when Episcopal leadership changes occur.)
4. That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall not be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term.
5. That no member of the Conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the Conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., the Episcopal Residence Committee, and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the Conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.

6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
7. That ministerial membership on Annual Conference boards and agencies shall be limited to Conference members and associate members of the Peninsula Annual Conference. In order to be eligible to serve on the Conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select other persons as affiliate members without vote.
8. "In recognition of the Rights of the Aging" as stated in the Social Creed of the United Methodist Church (Page 92 of the Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
10. That the Cabinet select only one representative from the Cabinet to serve on a Conference board and all the divisions of the board, and one cabinet representative each on all other support agencies except where the Discipline states otherwise.
11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.
12. That the Conference Nominating Committee designate persons to serve as a Nominating Committee for the Boards, Commissions and Committees. The District Superintendent assigned to the agency is the convener of this committee. The nominating committee shall be prepared at the organization meeting to nominate officers for the quadrennium for any that have not so designated their own by April 15th.
13. That the date of election to any board, commission or committee be clearly indicated in the journal.
14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. That recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of

the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

#### B.

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laity in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to the members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each one is serving in terms of Conference boards and agencies. Laity should likewise be listed on a similar file. A third file would be divided between ministers and laity as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident).
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs," "Miss," or "Mr." shall not be used in the preparation of the Nominating Committee report.

#### Miscellaneous

1. That the council director, and associate council directors, not be elected to boards and agencies under the Conference rotation, but serve only as ex-officio where assigned by the council director.

2. That two (2) high school youth (preferably 10th and 11th grades) shall be members of the following boards, divisions and committees: Commission on Christian Unity & Interreligious Concerns, Division of Education, Division of Evangelism, Division of Health and Welfare Ministries, Division of Missions, Board of Church and Society, Division of Career Planning and Counseling, Division of Worship, Conference Council on Ministries, Board of Laity, Conference Nominating Committee, and Committee on Conference arrangements. These shall be selected by the Conference Youth Council each year.

## THE PROCESS OF MAKING APPOINTMENTS

Par. 57, Article X - The bishops shall appoint, after consultation with the district superintendents, ministers to the charges; and they shall have such responsibilities and authorities as the General Conference shall prescribe.

Article X, quoted above from the 1984 Discipline, is the primary authority for itinerancy in the Constitution of The United Methodist Church. (The Constitution can only be changed by 2/3 vote of the 74 Annual Conferences. All other Discipline paragraphs quoted in these pages are in Part IV, Organization and Administration, and require only a majority vote of the General Conference to change.) This constitutional delegation of responsibility and authority cannot be negotiated or modified. All pastors accept this as part of their ordination and Conference membership vows, and all United Methodist churches are by covenant and law so committed.

Par 436 - The Itinerant System - The itinerant system is the accepted method of The United Methodist Church by which ordained ministers are appointed by the bishops to fields of labor. All ordained ministers shall accept and abide by these appointments.

Par. 529 - Responsibility - Pastors and clergy in appointments beyond the local church shall be appointed by a bishop, who is empowered to make and fix all appointments in the episcopal area within which the Annual Conference is a part. Appointments are to be made with the consideration of the gifts and graces of those appointed, to the needs, characteristics, and opportunities of congregations and institutions, and with faithfulness to our commitment to an open itinerancy. Open itinerancy means appointments are made without regard to race, ethnic origin, sex, color, or age, except for the provisions of mandatory retirement. Through appointment-making, the connectional nature of the United Methodist system is made visible.

Par. 412.2 - Both men and women are included in all provisions of the Discipline which refer to the ministry.

Par. 530 - Consultation and Appointment-Making - Consultation is the process whereby the bishop and/or district superintendent confer with the pastor and Pastor-Parish Relations Committee, taking into consideration the criteria of Par. 531, a performance evaluation, needs of the appointment under consideration, and mission of the church. Consultation is not merely notification. Consultation is not committee selection or call of a pastor. Consultation is both a continuing process and a more intense involvement during the period of change in appointment. Consultation is not negotiation or voting upon the appointment of a pastor. It is information sharing and advice to the cabinet and bishop prior to the bishop's fixing the appointment.

Par 532. - Process of Appointment-Making - 1. A change in appointment may be initiated by a pastor, a Pastor-Parish Relations Committee, a district superintendent, or a bishop.

Pastor-Parish Relations chairpersons and/or pastors are asked to make such requests by using the evaluation form which is required to be sent annually to the district superintendent by January 15th. (See "Timeline for Appointment-Making" - #2.) The Pastor-Parish Relations Committee is to represent the charge in the appointment-making process. The chairperson is the designated officer

through whom the charge contacts the district superintendent, and through whom the district superintendent contacts the charge.

Par. 532.2 - The Bishop and the Cabinet shall consider all requests for change of appointment in light of the criteria developed for each charge and the gifts and graces, professional experience, and family needs of the pastor.

Par. 532.3 - When a change in appointment has been determined, the district superintendent should meet together or separately with the pastor and the Pastor-Parish Relations Committee where the pastor is serving, for the purpose of sharing the basis for the change and the process used in making the new appointment.

This meeting will provide the pastor the opportunity, in the presence of the district superintendent, to declare his/her acceptance of the change of appointment, stating his/her reasons for responding to the new opportunity and thereby to facilitate the grief process for the pastor and for the congregation.

Par. 532.4 - All appointments shall receive consideration by the Bishop and the district superintendent(s) and the Cabinet as a whole until a tentative decision is made.

We interpret this to mean that all appointments require the participation of the entire Cabinet. This is to insure that all ministers of the Conference are considered whenever there is an opening.

Par. 532.5 - The process used in making the new appointment shall include: a) The district superintendent shall confer with the pastor about a specific possible appointment (charge) and its congruence with gifts, graces, professional experience and expectations, and the family needs of the pastor identified in consultation with the pastor (Par. 531.2).

Only "open" charges (churches) shall be considered by the Cabinet. A charge (church) becomes "open" by virtue of its pastor's retirement, change of appointment, leave of absence, sabbatical leave, disability, location, death or withdrawal from the United Methodist ministry. In certain situations the Cabinet, with the written agreement of the present pastor and the knowledge of the Pastor-Parish Relations Committee, may declare a charge "open" for appointment purposes.

Par. 532.6 - The district superintendent shall confer with the receiving Pastor-Parish Relations Committee about pastoral leadership (Par. 531.1).

Par. 532.7 - When appointments are being made to less than full-time ministry, the district superintendent shall consult with the minister to be appointed and the Pastor-Parish Relations Committee regarding proportional time, salary, and pension credit.

Par. 532.8 - If during this consultative process it is determined by the Bishop and Cabinet that this decision should not be carried out, the process is to be repeated until the bishop, basing his/her decision on the information and advice derived from consultation, makes and fixes the appointment.

Par. 532.9 - A similar process of consultation shall be available to persons in appointments beyond the local church.

Par. 532.10 - When the steps in the process have been followed and completed, the announcement of that decision shall be made to all parties directly involved in the consultative process; that is, the appointment Cabinet, the pastor, and the Pastor-Parish Relations Committee (of both charges) before a public announcement is made.

Par. 531 - Criteria - Appointments shall take into account the unique needs of a charge in a particular setting and also the gifts and graces of a particular pastor. To assist bishops, Cabinets, pastors, and congregations to achieve an effective match of charges and pastors, criteria must be developed and analyzed in each instance and then shared with pastors and congregations.

1. Congregations - the district superintendent shall develop with the pastor and Pastor-Parish Relations Committees of all churches profiles reflecting the needs, characteristics, and opportunities for mission of the charge consistent with the church's statement of purpose (Par. 520.1). These profiles shall be reviewed annually and updated when appropriate to include:
  - a) The general situation in which a congregation finds itself in a particular setting: size, financial condition, quality of lay leadership, history.
  - b) The convictional stance of the congregation: theology; prejudices, if any; spiritual life.
  - c) The ministry of the congregation among its people for the sake of the community: service programs, basis for adding new members, reasons for losing members, mission to community and world, forms of witness.
  - d) The qualities and functions of pastoral ministry needed to fulfill the mission and goals of the congregation.
2. Pastors - The district superintendent and the pastor shall identify the pastor's gifts, graces, and professional experience and expectations, and also the needs and concerns of the pastor's spouse and family.
  - a) Spiritual and personal sensibility: personal faith, call and commitment to ordained ministry, work through the institutional Church, integration of vocation with personal and family well-being, life style.
  - b) Academic and career background: nature of theological stance, experience in continuing education, professional experience, record of performance, age.
  - c) Skills and abilities in church administration, leadership development, worship, liturgy, preaching and evangelism, teaching and nurturing, counseling and group work, ability to work in cooperation, and ability in self-evaluation, and other relational skills.
  - d) Family situation: health and educational needs of the family, and the spouse's career.

Par. 533 - Frequency - While the bishop shall report all pastoral appointments to each regular session of an Annual Conference, appointments to charges may be made at any time deemed advisable by the bishop and Cabinet.

Appointments are considered "fixed" until changed. They are reviewed and reported annually but not "made" annually.

Par. 267.2.f.8 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To confer with the pastor and/or other appointed members of the staff if it should become evident that the best interests of the charge and pastor(s) will be served by a change of pastor(s). The committee shall cooperate with the pastor(s), the district superintendent, and the bishop in securing clergy leadership. Its relationship to the district superintendent and the bishop shall be advisory only.

It is also vital that the committee understand that its relationship to the district superintendent and bishop is advisory only, and that it is to represent the needs of the entire charge. Members of the Pastor-Parish Relations Committee must understand how the itinerant system of The United Methodist Church functions to fulfill their responsibilities faithfully.

Par. 267.2.e - The committee...shall meet only with the knowledge of the pastor and/or the district superintendent. It may meet with the district superintendent without the pastor being present; however, when the pastor is not present, the pastor, or any member of the staff under consideration, shall be informed prior to such a meeting and immediately thereafter be brought into consultation either by the committee or by the district superintendent.

Par. 267.2.f.3 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To evaluate annually the effectiveness of the pastor and staff, based upon criteria, processes, and training developed by the Board of Ordained Ministry and Cabinet (Par. 445), and, where applicable, the Board of Diaconal Ministry.

Par. 445 - Evaluation - Evaluation is a continuous process which must take place in a spirit of understanding, acceptance, and with a genuine desire to embody and carry forth more effectively Christ's ministry in the world lest we create defensiveness and discouragement in the Church or in the person being evaluated. Pastoral effectiveness shall be evaluated annually (Par. 267.2 f 3) by the Pastor-Parish Relations Committee and district superintendent by criteria and processes developed by the Board of Ordained Ministry and the Cabinet. The Board of Ordained Ministry and/or the Cabinet shall conduct an annual training program for Pastor-Parish Relations Committee members to enable them to evaluate the effectiveness of pastors in carrying out the functions of ordained ministry (Pars. 422.1b, 528, 732.2 n, o).

#### NOTES ON RETIREMENT

**Mandatory Retirement** - Pastors who attain the age of 70 before July 1 must retire as of July 1 of that year (Par. 453.1).

**Voluntary Retirement** - Voluntary retirement is available to those who attain the age of 65 or complete 40 Conference years of service before July 1 (Par. 453.2 c).

- Voluntary retirement is also available at a reduced annuity rate to those who attain the age of 62 or complete at least 37 Conference years of service before July 1 (Par. 453.2 b).
- A pastor may also retire after 20 Conference years of service with benefits beginning the first of any month after the session of Annual Conference in the year which the minister attains the age of 62 before July 1 (Par. 453.2 a).

ALL MINISTERS WHO QUALIFY FOR VOLUNTARY RETIREMENT MUST INDICATE IN WRITING BY JANUARY 15 THEIR INTENT TO ACTIVATE THIS OPTION; Otherwise, the Cabinet will assume their continued eligibility for appointment. The annual self-evaluation form may be used for this purpose.

#### TIMELINE FOR APPOINTMENT-MAKING

1. FALL AND EARLY WINTER: District Superintendents make an informal inventory and evaluation of their charges (churches) and pastors, including a review of the criteria (Par. 531). They are available for consultation (Par. 530) with Pastor-Parish Relations Committees and pastors, and, in some instances, may initiate such contacts. The official contact person for the charge is the chairperson of the charge Pastor-Parish Relations Committee.
2. JANUARY 15: DEADLINE FOR REQUESTS for change of appointment, including retirement. By January 15, Pastor-Parish Relations chairpersons and/or pastors are asked to make their requests and recommendations to the Cabinet by using the annual evaluation form. The reason(s) a change appears to be desirable shall be included (Par. 267.2 f 8). Initiating a request for change is not to be interpreted as an automatic guarantee that a change will be made. All requests will be treated with integrity by the bishop and Cabinet (Par. 532.1). Persons planning retirement must also observe the above date. Notification of intention to retire must be in writing. (See "Notes on Retirement").
3. FEBRUARY: Cabinet needs to begin the appointment-making process. Requests for change will be carefully reviewed. When neither the Pastor-Parish Relations Committee nor the pastor has made a request, the Cabinet, however, has the prerogative of initiating changes of appointment which are deemed to be for the good of the charges or the pastors or the program and missional strategy of the Conference.
  - a) "Open" charges (churches) will be determined, (see commentary under Par. 532.5) and the district superintendent will meet with the Pastor-Parish Relations Committee to gather all available data about the charge and its pastoral needs (Pars. 531 & 532.2) and present pastoral support including parsonage compliance with Conference policies.
  - b) The Cabinet determines which available pastor best fits the needs of the charge (Par. 532.2). Note: The present pastor is to remain neutral in all appointment proceedings concerning his/her successor.
  - c) The district superintendent of the "open" charge contacts the prospective pastor and consults with him/her, supplying

essential data and information about the "open" charge, community setting and time frame for the prospective pastor's response.

- d) When the pastor-designate is determined, the district superintendent then contacts the chairperson of the Pastor-Parish Relations Committee of the "open" charge and arranges a time for the pastor-designate and the committee to meet. This meeting is an introduction of and to the pastor-designate and not an interview. The district superintendent will preside at this meeting.

The purpose of the meeting is:

1. To aid the district superintendent and the Cabinet, through consultation, in their responsibility to the appointment process.
2. To verify the appropriateness of the proposed appointment, matching local needs and pastoral aptitudes.
3. To initiate the process of getting acquainted with the pastor-designate.
4. To arrange for the moving and receiving of the pastor-designate and his/her family.

The district superintendent will bring the meeting to a close with an appropriate summary of his/her insights and understandings. It is understood that barring prohibiting factors which may become apparent in the conversation with the Pastor-Parish Relations Committee, the pastor-designate will be appointed to the "open" charge.

- e) When the results of the meeting have been shared with the Cabinet and the appointment has been fixed by the bishop, public announcements shall be arranged through the office of the district superintendent (Par. 532.10).

NOTE: The meeting of the pastor-designate with the Pastor-Parish Relations Committee may not always be possible for pastors receiving their first appointment following seminary.

4. FEBRUARY - MAY: Using the above process, the Cabinet will arrange for the appointments to be reported to the Annual Conferences (Par. 532.10). The list of appointments will be published in the Conference paper prior to the Annual Conference session, and publicly announced at the Annual Conference session along with additional changes and corrections.
5. JULY 1: Changes of appointment become effective.
6. POST-CONFERENCE: The district superintendent will meet with the new pastor and the Pastor-Parish Relations Committee for post-Conference role clarification to help facilitate the new shared ministry of charge and pastor. This meeting will be held at a mutually agreeable time.
7. DISTRICT SUPERINTENDENT AVAILABILITY: The district superintendent is available to Pastor-Parish Relations Committees and pastors for consultation at any time it is deemed appropriate.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.

- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

## THE PROCESS OF MAKING APPOINTMENTS

Par. 57, Article X - The bishops shall appoint, after consultation with the district superintendents, ministers to the charges; and they shall have such responsibilities and authorities as the General Conference shall prescribe.

Article X, quoted above from the 1984 Discipline, is the primary authority for itinerancy in the Constitution of The United Methodist Church. (The Constitution can only be changed by 2/3 vote of the 74 Annual Conferences. All other Discipline paragraphs quoted in these pages are in Part IV, Organization and Administration, and require only a majority vote of the General Conference to change.) This constitutional delegation of responsibility and authority cannot be negotiated or modified. All pastors accept this as part of their ordination and Conference membership vows, and all United Methodist churches are by covenant and law so committed.

Par 436 - The Itinerant System - The itinerant system is the accepted method of The United Methodist Church by which ordained ministers are appointed by the bishops to fields of labor. All ordained ministers shall accept and abide by these appointments.

Par. 529 - Responsibility - Pastors and clergy in appointments beyond the local church shall be appointed by a bishop, who is empowered to make and fix all appointments in the episcopal area within which the Annual Conference is a part. Appointments are to be made with the consideration of the gifts and graces of those appointed, to the needs, characteristics, and opportunities of congregations and institutions, and with faithfulness to our commitment to an open itinerancy. Open itinerancy means appointments are made without regard to race, ethnic origin, sex, color, or age, except for the provisions of mandatory retirement. Through appointment-making, the connectional nature of the United Methodist system is made visible.

Par. 412.2 - Both men and women are included in all provisions of the Discipline which refer to the ministry.

Par. 530 - Consultation and Appointment-Making - Consultation is the process whereby the bishop and/or district superintendent confer with the pastor and Pastor-Parish Relations Committee, taking into consideration the criteria of Par. 531, a performance evaluation, needs of the appointment under consideration, and mission of the church. Consultation is not merely notification. Consultation is not committee selection or call of a pastor. Consultation is both a continuing process and a more intense involvement during the period of change in appointment. Consultation is not negotiation or voting upon the appointment of a pastor. It is information sharing and advice to the cabinet and bishop prior to the bishop's fixing the appointment.

Par 532. - Process of Appointment-Making - 1. A change in appointment may be initiated by a pastor, a Pastor-Parish Relations Committee, a district superintendent, or a bishop.

Pastor-Parish Relations chairpersons and/or pastors are asked to make such requests by using the evaluation form which is required to be sent annually to the district superintendent by January 15th. (See "Timeline for Appointment-Making" - #2.) The Pastor-Parish Relations Committee is to represent the charge in the appointment-making process. The chairperson is the designated officer

through whom the charge contacts the district superintendent, and through whom the district superintendent contacts the charge.

Par. 532.2 - The Bishop and the Cabinet shall consider all requests for change of appointment in light of the criteria developed for each charge and the gifts and graces, professional experience, and family needs of the pastor.

Par. 532.3 - When a change in appointment has been determined, the district superintendent should meet together or separately with the pastor and the Pastor-Parish Relations Committee where the pastor is serving, for the purpose of sharing the basis for the change and the process used in making the new appointment.

This meeting will provide the pastor the opportunity, in the presence of the district superintendent, to declare his/her acceptance of the change of appointment, stating his/her reasons for responding to the new opportunity and thereby to facilitate the grief process for the pastor and for the congregation.

Par. 532.4 - All appointments shall receive consideration by the bishop and the district superintendent(s) and the Cabinet as a whole until a tentative decision is made.

We interpret this to mean that all appointments require the participation of the entire Cabinet. This is to insure that all ministers of the Conference are considered whenever there is an opening.

Par. 532.5 - The process used in making the new appointment shall include: a) The district superintendent shall confer with the pastor about a specific possible appointment (charge) and its congruence with gifts, graces, professional experience and expectations, and the family needs of the pastor identified in consultation with the pastor (Par. 531.2).

Only "open" charges (churches) shall be considered by the Cabinet. A charge (church) becomes "open" by virtue of its pastor's retirement, change of appointment, leave of absence, sabbatical leave, disability, location, death or withdrawal from the United Methodist ministry. In certain situations the Cabinet, with the written agreement of the present pastor and the knowledge of the Pastor-Parish Relations Committee, may declare a charge "open" for appointment purposes.

Par. 532.6 - The district superintendent shall confer with the receiving Pastor-Parish Relations Committee about pastoral leadership (Par. 531.1).

Par. 532.7 - When appointments are being made to less than full-time ministry, the district superintendent shall consult with the minister to be appointed and the Pastor-Parish Relations Committee regarding proportional time, salary, and pension credit.

Par. 532.8 - If during this consultative process it is determined by the bishop and Cabinet that this decision should not be carried out, the process is to be repeated until the bishop, basing his/her decision on the information and advice derived from consultation, makes and fixes the appointment.

Par. 532.9 - A similar process of consultation shall be available to persons in appointments beyond the local church.

Par. 532.10 - When the steps in the process have been followed and completed, the announcement of that decision shall be made to all parties directly involved in the consultative process; that is, the appointment Cabinet, the pastor, and the Pastor-Parish Relations Committee (of both charges) before a public announcement is made.

Par. 531 - Criteria - Appointments shall take into account the unique needs of a charge in a particular setting and also the gifts and graces of a particular pastor. To assist bishops, Cabinets, pastors, and congregations to achieve an effective match of charges and pastors, criteria must be developed and analyzed in each instance and then shared with pastors and congregations.

1. Congregations - the district superintendent shall develop with the pastor and Pastor-Parish Relations Committees of all churches profiles reflecting the needs, characteristics, and opportunities for mission of the charge consistent with the church's statement of purpose (Par. 520.1). These profiles shall be reviewed annually and updated when appropriate to include:
  - a) The general situation in which a congregation finds itself in a particular setting: size, financial condition, quality of lay leadership, history.
  - b) The convictional stance of the congregation: theology; prejudices, if any; spiritual life.
  - c) The ministry of the congregation among its people for the sake of the community: service programs, basis for adding new members, reasons for losing members, mission to community and world, forms of witness.
  - d) The qualities and functions of pastoral ministry needed to fulfill the mission and goals of the congregation.
2. Pastors - The district superintendent and the pastor shall identify the pastor's gifts, graces, and professional experience and expectations, and also the needs and concerns of the pastor's spouse and family.
  - a) Spiritual and personal sensibility: personal faith, call and commitment to ordained ministry, work through the institutional Church, integration of vocation with personal and family well-being, life style.
  - b) Academic and career background: nature of theological stance, experience in continuing education, professional experience, record of performance, age.
  - c) Skills and abilities in church administration, leadership development, worship, liturgy, preaching and evangelism, teaching and nurturing, counseling and group work, ability to work in cooperation, and ability in self-evaluation, and other relational skills.
  - d) Family situation: health and educational needs of the family, and the spouse's career.

Par. 533 - Frequency - While the bishop shall report all pastoral appointments to each regular session of an Annual Conference, appointments to charges may be made at any time deemed advisable by the bishop and Cabinet.

Appointments are considered "fixed" until changed. They are reviewed and reported annually but not "made" annually.

Par. 267.2.f.8 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To confer with the pastor and/or other appointed members of the staff if it should become evident that the best interests of the charge and pastor(s) will be served by a change of pastor(s). The committee shall cooperate with the pastor(s), the district superintendent, and the bishop in securing clergy leadership. Its relationship to the district superintendent and the bishop shall be advisory only.

It is also vital that the committee understand that its relationship to the district superintendent and bishop is advisory only, and that it is to represent the needs of the entire charge. Members of the Pastor-Parish Relations Committee must understand how the itinerant system of The United Methodist Church functions to fulfill their responsibilities faithfully.

Par. 267.2.e - The committee...shall meet only with the knowledge of the pastor and/or the district superintendent. It may meet with the district superintendent without the pastor being present; however, when the pastor is not present, the pastor, or any member of the staff under consideration, shall be informed prior to such a meeting and immediately thereafter be brought into consultation either by the committee or by the district superintendent.

Par. 267.2.f.3 - (The duties of the Pastor-Parish Relations Committee shall include the following:) To evaluate annually the effectiveness of the pastor and staff, based upon criteria, processes, and training developed by the Board of Ordained Ministry and Cabinet (Par. 445), and, where applicable, the Board of Diaconal Ministry.

Par. 445 - Evaluation - Evaluation is a continuous process which must take place in a spirit of understanding, acceptance, and with a genuine desire to embody and carry forth more effectively Christ's ministry in the world lest we create defensiveness and discouragement in the Church or in the person being evaluated. Pastoral effectiveness shall be evaluated annually (Par. 267.2 f 3) by the Pastor-Parish Relations Committee and district superintendent by criteria and processes developed by the Board of Ordained Ministry and the Cabinet. The Board of Ordained Ministry and/or the Cabinet shall conduct an annual training program for Pastor-Parish Relations Committee members to enable them to evaluate the effectiveness of pastors in carrying out the functions of ordained ministry (Pars. 422.1b, 520, 732.2 n, o).

#### NOTES ON RETIREMENT

**Mandatory Retirement** - Pastors who attain the age of 70 before July 1 must retire as of July 1 of that year (Par. 453.1).

**Voluntary Retirement** - Voluntary retirement is available to those who attain the age of 65 or complete 40 Conference years of service before July 1 (Par. 453.2 c).

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.

- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

## VII. Business of the Annual Conference

### A. Daily Proceedings

TUESDAY MORNING - MAY 19, 1987

Executive Session - At 10:00 A.M. Bishop Joseph H. Yeakel convened the Executive Session in the Wesley College Center (Room 206). The opening worship was led by the Rev. Dr. Bruce E. Cooke, President of the Board of Ordained Ministry.

Bishop Yeakel then clarified the fact that the mandated Executive Session was for Elders in Full Connection only. All other clergy, lay members, guests, and visitors were then asked to leave the room. However, it was moved and seconded that the Rev. John Coleman, a visiting district superintendent from the Baltimore Conference, be permitted to stay. The motion was approved.

The Rev. Dr. F. David Weber, Registrar of the Board, then distributed the report entitled "Part II: Pertaining to Ministerial Relations." This report, in its entirety, may be found under the Disciplinary Questions in this Journal.

Under questions 31 and 38, Dr. Cooke presented the following candidates for Elder's Orders and Full Connection:

Ronald Bell  
Jerome Robert DeVine  
Timothy Allen Duffield, Sr.  
Thomas George Edwards  
Julian Arthur Hurley, Jr.  
Cynthia Griffith Koski  
Anne Ruth Pruett-Barnett  
Stephen Lawrence Wallace

After an opportunity for dialogue, all of the above were unanimously approved.

Under questions 28 and 37b, Dr. Cooke then presented the following candidates for Deacon's Orders and Probationary Membership:

Dale Ernest Evans  
Kenneth Robert Evans  
Lisa Denise McAfee Graine  
James Franklin Hawkins  
David Bruce Humphrey  
George Bernard Moody, Sr.  
Homer Wellington Minus  
George Reid Patterson

During discussion the Rev. Douglas Lindsay made a motion, seconded by the Rev. Donald Hamilton, that an emphasis on stress and time management be included in the orientation program for new deacons. Although the motion was defeated it was understood that the Board of Ordained Ministry would address this concern.

Also, it was noted that the Charge Conference which had approved the candidate and the Charge he/she is currently serving should be included in the permanent record. Dr. Weber assured the session that this would be cared for in the Journal. All of the above were then unanimously approved.

Bishop Yeakel, Dr. Cooke, and Dr. Weber then led the session through the balance of the report, making corrections, additions, and editorial changes as needed. The entire report (questions 17 - 54) with the exception of the numerical portion (questions 55 - 57) was then approved by the session.

The Bishop thanked all who were present for the conscientious way in which this important report was cared for. As the Elders departed ballot books for the upcoming election of General and Jurisdictional Conference delegates were distributed.

RECOGNITION OF RETIRING CLERGY: Bishop Yeakel recognized the following persons who had been granted the retired relationship:

G. Wayne Cuff  
Joseph V. Holliday, Jr.  
Edward W. Lee

Each of these pastors was personally congratulated by the Bishop and given a Certificate of Appreciation for their respective years of service. The Conference affirmed their aggregate ministry with warm applause.

BALLOTING FOR GENERAL AND JURISDICTIONAL CONFERENCE DELEGATES: Bishop Yeakel explained the Rules for Balloting as included in the Conference packet. After prayer the first clergy and lay ballots were taken.

STATE OF THE CHURCH: In presenting his "State of the Church" address, Bishop Yeakel stated that he had presided at forty-one annual conference sessions and that this was the first one where an increase in the total membership had been reported. However, he deplored the fact that 17% of our congregations had not received a single person on Profession of Faith.

Quoting from a report from the General Board of Discipleship, Bishop Yeakel mentioned several factors relating to church growth: 1) the action for growth in the church is the local church, 2) If we want to grow, we will - the opposite is also true, 3) Growing churches are intentional about growth, 4) Climate and atmosphere perceived on the first Sunday are very important - do "insiders" really welcome "outsiders"? 5) Churches grow when they really meet the needs of persons, 6) Growing churches have many opportunities for small groups, etc.

85% of the churches of our Conference shared in the "Offer Them Christ" program. Themes for the next quadrennium are expected to be: 1) Getting back to basics - leading people to Christ, 2) Spiritual formation - deepening our faith, 3) Building a just world, and 4) Addressing critical human needs.

May 24, 1988 will mark the 250th anniversary of John Wesley's conversion at Aldersgate. Bishop Yeakel expressed the hope that many gatherings to celebrate "assurance" would be held on May 22, 1988.

EMLC is not an option for us but a part of the continuing life of our church. While we must continue to stress inclusivism we must also stress itineracy, especially with regard to the role of clergy spouses. Today the clergy are in crisis. Are we in a vocation or a profession? Are we serving the church or is the church serving us?

In the recent past, three Washington Area clergy have been killed by handguns: Louis Foxwell, Perry Hill, and Lewis Ransom. Let's advocate some adequate handgun legislation! The bishop requested that the Conference draft a resolution on such legislation before the adjournment of the current session.

Superintendents Ewart C. Hackshaw and Howell O. Wilkins were thanked for their service on the Salisbury and Easton Districts and their successors, P. Thomas McKelvey and Robert P. Whitlock, were acknowledged by the bishop. It was reported that Betty Wertz was to undergo more surgery in her continuing battle against cancer. Bishop Yeakel thanked Dr. J. Gordon Stapleton, C.C.O.M. Director, and his

staff, Theodore W. Briggs, Treasurer, and his staff, Dr. Paul Wragg of the U.M. Foundation, Allen Clark of Barratt's Chapel, Dr. C. Edwin Lasbury, Wilmington District Superintendent, Dr. Edwin L. Ellis, Dover District Superintendent, and Mrs. Ruby Knock, his own secretary, for all of their support and cooperation. He also welcomed the Rev. Susan Morrison, C.C.O.M. Director, and the Rev. John Coleman, a district superintendent, from the Baltimore Conference, as well as the Rev. Heather Murray Elkins, keynote speaker for our Conference sessions.

**POINT OF PERSONAL PRIVILEGE:** Dr. Edwin L. Ellis requested that Mrs. Lois Yeakel be escorted to the stage by the Rev. Mr. Hackshaw and the Rev. Mr. Wilkins. Upon arriving Mrs. Yeakel received a corsage from Mrs. Mary Joyce Barton, President of the Ministers' Mates Association of the Dover District. The Conference greeted her with warm applause.

**RATIONALE:** This change in rules for this one time period, only, will bring the next change in leadership in 1993 following the Jurisdictional Conference of 1992 when Episcopal leadership changes occur.

Rule 3. (As currently printed)

That, since quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the principle of Rotation is still to be observed. (1986 Peninsula Conference Journal, page 26.) After prayer by the Rev. J. Gordon Stapleton was declared elected.

BOARD OF CHURCH AND SOCIETY (Continued): Dr. Bosserman explained that the Board had undergone a complete reorganization and that the resolutions being presented were a result of a consensus of the members. Dr. Bosserman then presented the following resolution on "In Defense of Creation".

A RESOLUTION ON IN DEFENSE OF CREATION

The spaceship earth has reached the situation where war is indefensible as a means of resolving conflicts between nations or internally within nations. The new technologies of miniaturization now make it possible to carry a small nuclear device in an oversized suitcase. The numbers of tactical nuclear arms in the European theatre alone almost equal the fire power of the nuclear warheads on the missiles located there. The total number of warheads shared by the nuclear powers is rapidly approaching 60,000 containing thousands of pounds of TNT for each of the five billion plus human beings on this earth.

The main enemy to peaceful co-existence among all peoples is national sovereignty. The pride of nations makes a Third World War inevitable unless we can strengthen the agencies and instruments for international cooperation and peace is the world-wide Christian Church of which the United Methodists are a part. The gospel of Jesus Christ can change the present ethos which relies on the violence of war to resolve international conflicts. The Bishops of the United Methodist Church of the United States of America issued a pastoral letter in 1986, entitled *In Defense of Creation* in which they emphatically state the creation is under attack. Air and water, trees and fruits and flowers, birds and fish and cattle, all children and youth, women and men live under the darkening shadows of a threatening nuclear winter.....therefore, we say a clear and unconditioned No to nuclear war and to any use of nuclear weapons. We conclude that nuclear deterrence is a position that cannot receive the church's blessing.

WHEREAS, the Bishops of the United Methodist Church of the United States of America have issued this pastoral letter which condemns the use of nuclear weapons and notes the imminent dangers of war; and,

WHEREAS, a *Foundation Document with a Guide for Study and Action* now exist with the *Pastoral Letter*, providing rich materials for in depth discussions and prayerful thought, and suggestions for positive action to promote peace; and,

WHEREAS, all evidence points to a public which favors arms control and reduction, a decrease in military spending, and a deep longing for world peace,

THEREFORE, BE IT RESOLVED that Peninsula Annual Conference of the United Methodist Church hereby direct the Board of Church and Society to implement a program utilizing the Bishops' *Pastoral Letter*, *Foundation Document* and *Guide for Study and*

Action to take place in every local church of the conference touching every age level of each congregation; that films, filmstrips, and other basic documents be made available to each local church, to the end that such a program will begin the process of changing the cultural climate of violence to one that affirms the gospel of Jesus Christ, a gospel of peace and peacemaking.

During discussion, Bishop Yeakel recognized the Rev. Thomas Blakelock who made the following motion to amend the resolution:

Replace 'implement a program' with 'encourage critical study by local congregations.' Delete 'to take place...of each congregation;...'

The motion to amend was seconded but defeated.

Dr. Bosserman then presented the following resolution dealing with the "Farm Crisis".

#### A RESOLUTION ON THE FARM CRISIS

"In the Beginning, the Creator formed light and darkness, energy and matter, space and time, and the earth with all that is around, on and within it. Primal life forms were brought forth, and finally human beings were made in the Creator's image and likeness. The Creator looked over this work and called creation good. Thus could the Psalmist sing, 'The earth is the Lord's and the fullness thereof, the world and those who dwell therein.' (Ps. 24:1 RSV)" (The Book of Resolutions, 1984: 261)

Several fundamental tenets come out of the biblical account: first, God is the owner of the land, "thus it is a gift in covenant which involves the stewardship of keeping and tending the land for present and future generations; as God's creation it has rights and needs, the need to be regenerated that it may sustain life and be a place of joy; and it is a corporate gift to all of humanity requiring just patterns of land use." (Ibid.)

However in the past 55 years U.S. agriculture has changed dramatically in its organization an interdependence with the domestic and international economic dynamics. Land ownership is now increasingly in the hands of fewer entities. The family farm is declining rapidly. Over 2100 farmers leave farming every week. According to the American Bankers Association Mid-Year Survey, the rate of loss of farmers in Delaware and Maryland leave the land every seven days. One half of all black farmers have quit the land. By the year 2000, few black farmers will be left. For every 5.5 farmers who leave, one business goes under. Perhaps there are 30 million displaced rural people, many of them now homeless.

WHEREAS, a great number of the Churches and their members in the Peninsula Annual Conference are rural; and,

WHEREAS, each year more lands in Maryland and Delaware are taken for highways, airports, reservoirs, strip-mining, power plants, factories, housing developments, malls and other use--perhaps 150,000 acres--having a large effect upon the ecosystem as well as denying the productive use of the land in a world where hunger is a critical problem; and,

WHEREAS, the quality of rural life is declining: the rural areas on the peninsula are disproportionately poor (40 percent of the 34,000,000 living in rural areas in the United States live below the poverty line; education, health services, housing, justice and legal services, water resources, and transportation are all substandard in many of the peninsula's rural areas and the decline continues,

THEREFORE, BE IT RESOLVED, that all the congregations, both rural and urban, of the Peninsula Annual Conference study and prayerfully consider the complex aspects of this growing farm crisis in order to deepen our understanding and motivation for the caring of creation;

THAT we make every effort to strengthen small and moderate sized family farms by affirming resident land ownership, monitoring private and government lending policies to farmers, and disposing of church-owned lands as a way that demonstrates a continuing stewardship of the land;

THAT we seek to influence community decision-makers to introduce improvements in the delivery of social services that increase the quality of life in rural places;

THAT we develop in rural parishes comprehensive equitable salary plans; and plan adequate ministries for small membership churches and cooperative pastorates;

THAT we undertake ethnic and ecumenical models of ministry in our rural areas, including adequate orientation and training of pastors serving rural churches.

During discussion Bishop Yeakel recognized the Rev. Curtis Smith who moved that "no black farmers" be changed to "few black farmers" in third paragraph of the resolution. The motion was seconded and approved.

The bishop then recognized the Rev. Kofi Bart-Martin who moved that the following be substituted for the "Therefore, be it resolved:"

Therefore, Be it Resolved, that all the congregations, both rural and urban, of the Peninsula Annual Conference study and prayerfully consider the complex aspect of this growing farm crisis and seek effective way to address the crisis and minister to the communities affected.

The motion was seconded but defeated.

In response to a concern of the Rev. James Caldwell it was agreed to change the word "we" in the first three paragraphs after the "Therefore, be it resolved," to "local churches" and in the next two paragraphs to "Peninsula Annual Conference".

Bishop Yeakel then recognized the Rev. Dr. Charles Carpenter who moved that the resolution be tabled. The motion was seconded and approved.

Ms. Price then introduced Dr. David Taylor, General Secretary for Strategy and Interpretation of the Consultation on Church Union. Stating that God continues to work in unexpected ways in our midst, Dr. Taylor said that the church has an inner yearning to be visibly and tangibly one. Rather than being like a business merger, however, this unity has to do with new relationships, not new structures. Among the miracles we have seen in our time are: the Second Vatican Council, the presence of the Eastern Orthodox churches in the World Council of Churches, emerging theologies of liberation, and the document Baptism, Eucharist, and Ministry. Dr. Taylor pointed out that our General Conference will be making some crucial decisions

regarding ecumenism when it meets in St. Louis in the summer of 1988.

The Rev. Mr. Parker also presented the following resolutions relating to a more intentional focus on evangelism by the General Board of Global Ministries.

PROPOSED RESOLUTION FORM PENINSULA CONFERENCE BOGM  
TO BE PRESENTED TO ANNUAL CONFERENCE, MAY 1987

WHEREAS, the General BOGM in plenary session at Louisville, KY in March of 1987 adopted a proposal calling for a new programmatic structure in BOGM on missions and evangelism which will facilitate the Board's continuing efforts in the proclamation of the Gospel; and,

WHEREAS WE, The Peninsula Conference BOGM, affirm both the urgency of the evangelistic task and the biblical and Wesleyan imperative of missional evangelism.

THEREFORE, we move that the Peninsula Conference, meeting at Dover, Delaware in May, 1987, record its support for the action of the General Board of Global Ministries, and urge the swift implementation of the proposal, and that copies of this resolution be sent to Bishop James Ault, President of the General Board, and to Dr. Randolph Nugent, General Secretary.

**Explanation:**

The presentation of this resolution to the Peninsula Annual Conference for approval is aimed at affirming the significant and reconciling vote of the directors of the GBOGM in Louisville,

proposing a programmatic emphasis on evangelism within the BOGM. Support of this resolution expresses our agreement with the proposal and our encouragement to the GBOGM.

**RECOMMEND adoption of the following proposal:**

It is proposed that a new programmatic structure on mission and evangelism be considered for addition to the General Board of Global Ministries. Its purpose shall be to enable the Board in fulfilling its responsibilities for proclaiming the Gospel in areas where it has not been heard. Its function will be to assist the Board through the World and National Divisions, and other units with such matters as:

- 1) Locating and identifying places and groups of people without a Christian witness, or where the witness has not penetrated the culture;
- 2) Developing strategies for initiating ministries within and among these places and groups in consultation with mission partners, taking ecumenical relationships into account;
- 3) Nurturing newly gathered communities of Christians leading to the establishment of United Methodist congregations, enabling them to be linked to the United Methodist Church through the missionary outreach of the General Board of Global Ministries;
- 4) Providing advice to the missionary selection, training and placement processes of the Board with particular attention to the functions of evangelism and proclamation;
- 5) Developing support mechanisms for missionaries especially those assigned to pioneer evangelism including prayer partnerships and support through Advance projects.

Therefore, it is further recommended:

- 1) That this proposal be forwarded to the divisions and departments of the GBGM for study and recommendation; to the representative of the Council of Bishops and to the participants representing the Mission Society for United Methodists in the ongoing dialogue relative to the work of GBGM for their information and comment;
- 2) That the units of the GBGM and those others receiving this proposal for comment return their comments and recommendations to the Board Committee on Research and Development at the October 1987 meeting of the Board.

After some discussion the above resolutions were approved.

The Rev. Dr. J. Gordon Stapleton, C.C.O.M. Director, then presented the following proposal relating to a Burundi Mission Project.

A PROPOSAL FOR A BURUNDI MISSION PROJECT  
by Rev. Garry O. Parker

Last fall Bishop Alfred Nduricimpa of the United Methodist Church of Burundi (Africa Central Conference) itinerated in our Annual Conference at the request of our General Board of Global Ministries. At that time, he and I discussed the problems his church is facing in regard to the inadequate level of training of their pastors. The Bishop, knowing of my background in training pastors in Indonesia asked if I might visit Burundi in order to offer some workshops for the pastors there. Recently he sent me a letter formally requesting that I try to come in August for two weeks.

He requests we deal with three issues: The theology of John Wesley and the nature of Methodism, Church planting evangelism, and pastoral leadership. The agenda is ambitious and will likely need to be more sharply focused if it is to be helpful. His proposal is that we gather all the pastors for two weeks of workshops in August of 1987.

Burundi is a central African country lying between Zaire and Tanzania with a population of close to four million. Roman Catholics are in the majority in this former German and Belgian colony. The United Methodist Church in Burundi with a membership of about 12,000 members is based on an indigenous church which opted to become United Methodist and was accepted by our General Conference in 1984. That church's roots lay in mission work done by World Gospel Mission, an interdenominational mission begun through the camp meeting movement in the USA during the 19th century. WGM no longer works in Burundi. Indeed it is very difficult to secure permanent resident visa for missionaries living in the country. The major European language of Burundi is French. (I would be teaching in English through an interpreter.)

If this project is approved, I would seek to raise funds for travel and incidentals totaling approximately US \$2,500-\$3,000. There are advance specials listed in the GBGM catalogue which our churches could also fund if there is an interest. I would expect to go to Burundi around the 10th of August, returning the last week of August. As I did following my trip to Indonesia in 1985, I would both write for the Communicator and speak in churches on my return.

It was noted that this proposal had already been endorsed by the

Conference Board of Global Ministries. It was then approved by the Conference.

**BALLOTING:** Bishop Yeakel announced the results of the seventh clergy ballot as follows.

Susan Keirn Kester was declared elected.

**MISSIONAL PRIORITY COMPREHENSIVE PLAN:** Bishop Yeakel summoned the Rev. Vaughn Johnson, Associate Council Director, and Ms. Darlene Webb, Chairperson, Missional Priority Coordinating Committee. In giving an overview of the Plan, Ms. Webb explained that this was part of our response to the General Conference mandate that the Missional Priority be incorporated into the ongoing life of the church.

The Rev. Mr. Johnson moved that: 1) the EMLC Committee be continued, 2) the Goals and Objectives of the Plan be approved, 3) the Hispanic Church budget (p. 64) be approved, and 4) the EMLC Committee budget (p. 76) be approved.

Bishop Yeakel recognized the Rev. Thomas C. Short who moved that the following be deleted from p. 9:

"F. Lack of cabinet leadership encourages EMLC to stay at minimum salary."

The motion to amend was seconded and approved after which the whole plan, as amended, with the exception of the salary portion, was approved by the Conference.

After being perfected by Bishop Yeakel and the Conference, the

following resolution was approved by the Conference:

In order to promote inclusive leadership of ethnic minorities on Conference Boards and Agencies, and Because of Concerns about changes of leadership on Conference Committees, the Commission on Religion and Race requests the Conference Nominating Committee to:

The Resolution was adopted by the Conference.

UNITED METHODIST FOUNDATION: Bishop Yeakel summoned the Rev. William Hemphill, Jr. who stated that Judge K. Thomas Everngam was completing his term as President of the Foundation. Although Judge Everngam was not present, he was given a round of applause for his faithful and conscientious service to the Foundation.

Mr. Hemphill explained that the Baltimore Conference Foundation is now becoming a separate entity, but that the needs of the Peninsula Conference Foundation would continue to be met by Dr. Paul Wragg, the present director, on a part-time basis. Dr. Wragg thanked the Conference for its support of the Foundation and pledged his continued assistance. He was applauded for his effective service as Executive Director. Mr. Hemphill stated that a search committee is now looking for a successor for Dr. Wragg, the ultimate hope being to combine the Foundation work and a stewardship emphasis in one

position. The entire report was approved by the Conference.

CORPORATE RESOLUTION

WHEREAS, the Board of Trustees deems it advisable to amend Article Ninth of its Certificate of Incorporation:

NOW, THEREFORE, BE IT RESOLVED, that Wesley College, Inc. amend the Certificate of Incorporation of the Corporation as follows:

1. Article Ninth of the Certificate of Incorporation is amended by deleting the existing Article Ninth in its entirety and inserting in lieu thereof the following:

NINTH: The property and affairs of this corporation are to be managed and conducted by its Board of Trustees consisting of twenty-nine members, which shall be its governing body.

One member shall be the Dover Area District Superintendent of the Peninsula Conference of the United Methodist Church who shall be an ex-officio member of the Board of Trustees. The elected Board of Trustees shall consist of twenty-eight (28) persons divided into four (4) classes of seven (7) members each elected to serve a term of four (4) years upon their installation at the Fall meeting of the Board and terminating upon removal for cause, death, resignation, or the installation of their successors. Of the elected Trustees twenty (20) shall be lay persons, at least ten (10) of whom shall be members of local churches of the Peninsula Annual Conference. Eight (8) elected trustees shall be ordained clergy, at least five (5) of whom shall be members of the Peninsula Annual Conference. No salaried or hourly employee of the College is eligible for membership on the Board.

In its selection of nominees for Trustee, the Committee on Trustee Development shall take into consideration an appropriate balance with regard to race, sex, age, alumni representation and geographical location of candidates so as to reflect the overall inclusiveness of the Peninsula Annual Conference and the Geographical area of residence of students it serves.

All Trustees at the time of the adoption of this Article Ninth shall continue to be eligible to serve their elected terms.

At the next Annual Meeting of the Membership of the Corporation following the adoption of this Article Ninth, the first class of seven (7) Trustees shall be elected for a four (4) year term and each year thereafter an additional class of seven (7) Trustees shall be elected for a four (4) year term. A trustee shall not serve more than three (3) full successive terms, following adoption of these by-laws. After an absence of one (1) year from the Board he shall be eligible for election to the Board, if otherwise qualified.

Vacancies on the Board of Trustees which may result from any cause other than the expiration of the term of office of a Board member, may be filled by the Board of Trustees; and each person elected to fill such a vacancy shall serve as a member of the Board of Trustees for the entire unexpired term of the member who he shall have been elected to replace.

The Board of Trustees of this corporation shall have power to make, alter or repeal By-Laws for this corporation, and shall have such other powers, and duties as may be prescribed by the By-Laws and as may be permitted by the Laws of Delaware and by this amended Certificate of Incorporation.

BOARD OF CHURCH AND SOCIETY (continued): Bishop Yeakel summoned the Rev. James VanDerWall who presented the following resolution:

A RESOLUTION ON HOUSING AND THE HOMELESS

Homelessness is a growing problem in both Maryland and Delaware. A recent study by the University of Delaware and funded in part by churches and other private agencies (the United Methodist Church was not among those funding this research) shows that 61 percent of those now homeless have never been without housing before. The reasons for their being without housing ranged from the largest category,

"could not afford" (34%), "spouse or child abuse" (21%), "eviction" (19%), "dwelling unsafe" (9%), "stranded" (5%), to "disaster" (4%), and "other" (32%). There is a disproportionate number of female heads of households, age 20-29 who are homeless, and they make up the majority of those between ages 30 and 45. This means many children are involved. Over 25 percent of the homeless are currently working and another 33 percent have been out of a job less than a year. These are not persons who refuse to work. Forty-three percent have been without shelter less than three weeks.

Why homelessness? Again the problem is a complicated one, but the fundamental reason seems to be that of powerlessness in terms of adequate income and influence. So many of these persons are women heads of households and the status of women has been an inferior one in this society despite the fact they are numerically superior. The political economy favors increasingly the wealthy and neglects the lower socio-economic levels. Only five percent of the households in the United States make \$50,000 or more. 34 million are below the poverty line (\$11,000 for a family of four) and an additional 30 million are teetering on the edge of poverty. Housing for a low income family takes up the greatest percentage of that income. The gap between the wealthy and the poor is widening. That has been occurring since 1978.

One of every four Americans lives in substandard housing. We might call this condition "near homelessness". Though there are housing codes for many Peninsula communities, they are more often than not ignored. The occupancy rate of housing is very high making it easy to be a "slumlord". In many other communities no housing codes exist.

There are simply one too many shacks and one too many substandard apartments on the Peninsula. The disproportionate number of ethnic persons occupying substandard houses and apartments is unconscionable and offensive to Christian beliefs in the personhood and dignity of human beings. The Gospel of Jesus Christ calls us to speak out on this grave issue of homelessness and substandard, inadequate housing. (See Millard Fuller, **No More Shacks**)

WHEREAS, the need for housing for the homeless as well as for those living in intolerable shacks, abandoned warehouses, ancient house trailers, and other types of makeshift shelters is apparent on the Peninsula; and,

WHEREAS, the call of Christ's Gospel to the people of His church is one of action in behalf of the homeless and the ill-housed,

THEREFORE, BE IT RESOLVED THAT the Board of Church and Society of the Peninsula Annual Conference bring together all agencies of the Conference in a joint, coordinated effort for a United Methodist housing ministry on the peninsula which works with other agencies in every way possible; and,

THAT each Board of Church and Society of each local church identify this as a program of utmost importance, and individually or in cooperation with other churches, identify specific housing needs existing in its community. Calling attention to the people who need housing is one of the first steps in the process of alleviating the problem. Imagination as to what a congregation can do and sometimes the use of existing church buildings for housing the homeless is a place to begin;

THAT each Board of Church and Society of each local church with other agencies demand that housing codes be followed and if no housing codes exist, then work to put them in place along with rent controls;

THAT we urge each Board of Church and Society of each local church to link with Habitat for Humanity efforts in this conference area supporting it with funding, volunteer help, and leadership.

Bishop Yeakel recognized the Rev. Dr. C. Edwin Lasbury, Wilmington District Superintendent, who made a motion that the following be substituted for the last paragraph of the resolution:

That we urge each Work Area on Church and Society of each local church to link with the Inter-Faith Housing Task Force, Inc., which incorporates the work of 'Habitat for Humanity', and the Delmarva Ecumenical Agency Eastern Shore Low-Income Housing Task Force, which is working in conjunction with the Episcopal Diocese of Easton Housing Committee. Local churches are urged to support these programs with funds, volunteer help, and leadership.

The amendment was seconded and approved, after which the amended resolution was adopted.

The Rev. Mr. VanDerWall then presented the following resolution:

A RESOLUTION ON ETHNIC MINORITY LOCAL CHURCHES  
AND THE RISE OF RACISM

"God through creation has established a mode whereby, through a reconciling process, human beings can achieve the full potential of their existence.

The worth of every human being resides in the intrinsic value which God has given to each individual. This affirmation is echoed in Jesus' parable where each human being is valued according to God's special love for that person.

A person who places another person, by thought or deed, outside of the possibility of human growth and development violates God's sacred mandate to humanity: 'Love your neighbor as yourself.'

This mandate sets the conditions for human existence through justice, mutual respect, and trust. Our failure to fulfill this mandate has resulted in oppression and racism." (The Book of Resolutions, 1984: 352-53)

Racism has surfaced overtly on the Peninsula during the last months. We have seen it across the nation, New York City, Philadelphia, Tampa, Florida, at Columbia University, and the Citadel. Yet racism has been with us covertly within the social and cultural structures all the time. The disproportionate representation of the ethnic minorities, especially black people, among the poor, the unemployed, the functionally illiterate, poorly educated, the ill-housed, without health insurance, in prison and on death row and put to death because their victims were white, speak volumes about this subtle, covert, ingrained, institutional racism.

WHEREAS, persons, before they are born are assigned to a group severely limited in freedom of movement, choice of work, and place of residence because of their race; and,

WHEREAS, groups of people, because of their race, are denied effective participation in the political process and are excluded from the normal channels available for gaining economic power, through denial of educational opportunities and entry into occupational/professional groups; and,

WHEREAS, the identity of persons is still defamed through stereo-typing of racial and ethnic groups in textbooks, cinema, mass media, interpersonal relations and other ways;

WHEREAS, people are still denied equal protection of the law, because of race;

WHEREAS, implicit, covert institutional racism permeates every institutional arrangement of society, the church does not escape and struggles with its own inclusiveness, the extent it realizes equality and justice,

THEREFORE BE IT RESOLVED THAT we as the Peninsula Annual Conference of the United Methodist Church re-commit ourselves to the Missional Priority of the Ethnic Minority Local Church by moving this program to the center of concerns for this final year of the quadrennium;

THAT the local Boards of Church and Society actively support the enforcement of affirmative action in employment, housing, health care institutions, and government systems;

THAT the local Boards of Church and Society take the lead in working with the Ethnic Minority Local Church program in its effort to confront the problems of housing, employment, educational opportunity, health care, youth unemployment, the double jeopardy which ethnic minority women face;

THAT, the Peninsula Annual Conference affirm its continuing efforts to realize greater inclusiveness at every level of the church incorporating equitable salary plans for pastors, cooperative programs across ethnic lines and in so doing begin the defeat of both the overt and latent expressions of racism which currently plague this land.

The above resolution was approved by the Conference.

The Rev. Mr. VanDerWall then presented the following resolution:

A RESOLUTION ON THE SACREDNESS AND DIGNITY  
OF THE HUMAN PERSON AS EXPRESSED IN CHRISTIAN VALUES  
AND THE PROBLEM OF VIOLENCE

So many aspects of contemporary mass culture attack and affront the dignity of human persons by denigrating their bodies and brutalizing their spirits. Martin Buber noted in the 1920's that seeing others as objects creates a culture in which the form of social relationships which predominate are those of I-It rather than those of I-Thou. A conclusion from this is that contemporary humans see each other as commodities to buy and sell. Turning others into objects leads easily into justifying the use of violence. Mass culture through the several media depicts violence in

all its forms--indeed inventing new ones--through photos, movies, videos, in speech, and music.

WHEREAS, so many forms of public media portray and express forms of violence that are demeaning to the Christian concept of the person; and,

WHEREAS, an acceptance of violent conduct has led, and does lead, to greater acceptance of pornography, the easy use of violence for the resolution of any and all conflict, the encouragement of anger, especially in adult males (See Susan H. Gray, "Exposure to Pornography and Aggression Toward Women: The Case of the Angry Male", Social Problems 29 (April 1982) 387-398); and,

WHEREAS, violence is so prevalent in our society that we have become insensitive to its attack upon Christian values; and,

WHEREAS, there is a need for a ministry of the church that stresses those Christian values which dignify the human body that God has made and in which the Bible affirms His Spirit dwells;

THEREFORE BE IT RESOLVED THAT the Annual Conference:

- 1) prepare an in-service study seminar for both clergy (will satisfy CEU requirements) and laity at the Conference level.
- 2) That materials be developed or found which will enable local churches to hold study sessions for special populations such as youth, parents of youth, young adult males, young adult females, and the like, teaching them the history of violence in American society, Christian views of violence, discussing the linkages of violence with pornography, spouse and child abuse, both physical and mental, and to feelings of apathy and powerlessness.
- 3) Encouraging local churches, sub-districts and other groups or associations of members to promote the thoughtful and prayerful practice of discriminating among the many mass media materials, programs, videos, and the like, in order to select those which promote the Christian way of life, explicitly rejecting violence in all its forms including hard core pornography, toys, music, and literature.

The resolution was approved by the Conference.

Bishop Yeakel recognized the Rev. Thomas C. Short who presented the following resolution on AIDS:

In as much as AIDS (Acquired Immune Deficiency Syndrome) is a devastating disease which threatens hundreds of lives within the bounds of the Peninsula Conference: Be it resolved that the Board of Church and Society provide, for the 1988 Annual Conference, a program whereby we can express our care and concern for the victims of AIDS and our encouragement for all who work to combat this deadly disease.

The resolution was seconded by the Rev. Jonathan Baker. Bishop Yeakel recognized the Rev. Clifford A. Armour, Jr. who moved that the

Board of Church and Society provide a program on AIDS by December, 1987, to be approved by the Conference Council on Ministries. The amendment was seconded and approved, following which the resolution, as amended, was also approved. It was referred to the Board of Church and Society for implementation.

Robert Whitlock, Thomas Short, and Thomas McKelvey were declared elected.

As this completed the balloting, Bishop Yeakel asked the entire delegation to the General and Jurisdictional Conferences to stand. The Conference affirmed them with enthusiastic applause.

BOARD OF PENSIONS: Bishop Yeakel recognized Ms. Kay P. Cloud, President, who directed the attention of the Conference to the report in the Pre-Conference Booklet. She then presented the following recommendations which were approved by the Conference:

1. The Past Service Rate for 1988 be \$210 per year of approved service.
2. Up to 100% of the pension and disability payments received be designated as the permitted housing allowance for 1988.

COMMISSION ON EQUITABLE SALARIES: Bishop Yeakel recognized the Rev. Ms. Laura Martin, Chairperson, who expressed thanks to Mr. Loren Frye, the former Chairperson, who was not present because of serious illness. The Rev. Ms. Martin then called on the Rev. Laurence M. Berry to present the report of the Task Force on Basic Salary as a response to a mandate from the 1986 Annual Conference. Following several editorial changes offered by the Rev. Mr. Berry, the report was before the Conference as follows.

#### TASK FORCE ON BASIC SALARY

The Annual Conference of 1984 authorized the appointment of a Task Force on a Basic Salary Plan in response to action on a motion by Ewart C. Hackshaw.

Accordingly, the following proposal for a basic salary structure is suggested. These suggestions are made in accordance with the 1984 Discipline of The United Methodist Church, and with consideration to the needs of the church, and the people of the small churches currently being served by pastors who are at minimum salary or below minimum salary. We recognize that in some cases there will be a need for Conference support administered through The Commission on Equitable Salaries. However, we feel that there is a greater need to be fair and just to each of the individual pastors who serve year after year in the many small charges in our conference.

WHEREAS, there is a need to recognize the training, talent, and service of each pastor to insure qualified candidates for ministry to the churches of the Peninsula Annual Conference, and,

WHEREAS, it is the responsibility of each charge conference to establish the salary for its pastor, and,

WHEREAS, it is the responsibility of the Annual Conference to establish the minimum salary level to be paid by each charge, BE IT RESOLVED that all full members of the Annual Conference, serving full time, shall receive a minimum salary equal to seventy (70) percent of the current Conference average compensation as provided by The Board of Pensions. In addition,

upon recommendation of the District Superintendent or the Pastor-Parish Relations Committee, the minimum salary for each pastor shall be increased by a service increment of one-half (1/2) of one percent of the Conference average compensation for each year of service to a maximum of twenty (20) years. Only those years when full pension credit was earned will be counted. This will include years of service in the former E.U.B. and Methodist Churches.

All Probationary and Associate Members of The Annual Conference, serving full time, shall receive a minimum salary equal to sixty-five (65) percent of the Conference average compensation. In addition, upon recommendation of the District Superintendent or The Pastor-Parish Relations Committee, the minimum salary for each pastor shall be increased by a service increment of one-half (1/2) of one percent of the Conference average compensation for each year of service to a maximum of fifteen (15) years. Only those years when full pension credit was earned will be counted. This will include years of service in the former E.U.B. and Methodist Churches.

All Full-Time Local Pastors of The Annual Conference serving full time, shall receive a minimum salary equal to sixty (60) percent of the conference average salary. In addition, upon recommendation of the District Superintendent or the Pastor-Parish Relations Committee, the minimum salary for each pastor shall be increased by a service increment of one-half (1/2) of one percent of the Conference average compensation for each year of service to a maximum of fifteen (15) years. Only those years when full pension credit was earned will be counted. This will include years of service in the former E.U.B. and Methodist Churches.

All Student Local Pastors and Part-Time Local Pastors of The Annual Conference shall receive a minimum salary of \$11,000.00, except as negotiated between pastor, P.P.R., and D.S.

Conference Average Compensation for 1988	-- \$22,515.00
70% of Conference Average Compensation	-- \$15,760.00
65% of Conference Average Compensation	-- \$14,634.00
60% of Conference Average Compensation	-- \$13,509.00
*The Service Increment would equal	-- \$ 113.00
* (1/2 of 1% of Conference Average Compensation)	

Bishop Yeakel then recognized the Rev. Dr. Bruce E. Cooke who offered the following amendment:

1. First Paragraph: first sentence to end with 'shall receive a minimum salary of \$15,000 for 1988'.
2. Second Paragraph: first sentence to end with 'shall receive a minimum salary of \$14,500 for 1988'.
3. Third Paragraph: first sentence to end with 'shall receive a minimum salary of \$13,500 for 1988'.
4. To change existing Paragraph Four to Paragraph Five and add a new Paragraph Four as follows: 'That such increments begin in 1988, using the 1986 Conference Average Salary (excluding housing) to compute increments representing previous service. Henceforth, such increments shall be computed annually using the most recent available information regarding Conference Average Salary.'

The amendment was seconded, but after much discussion, defeated.

Bishop Yeakel then recognized the Rev. Thomas W. Blakelock who offered the following amendment:

That the following be substituted for Paragraph Five: 'All student local pastors of the Annual Conference shall receive a minimum salary of 50% of the Conference Average Salary.'

The motion to amend was seconded but defeated. The original resolution, as perfected, was then approved by the Conference.

Bishop Yeakel then recognized the Rev. Clifford A. Armour, Jr. who moved:

That the Commission on Equitable Salaries be asked to study the question of and prepare recommendations for salary/compensation as it relates to second career persons entering the effective ministry of the United Methodist Church.

The motion was seconded but defeated.

POINT OF PERSONAL PRIVILEGE: Bishop Yeakel recognized the Rev. Cynthia Koski who presented the following concern:

Loren Frye, a member of Hockessin UMC who chaired the Commission on Equitable Salaries in recent years, is indeed very ill with cancer. I spent time with Loren before coming to Conference and he expressed his regret at not being able to be among us today. I request that the Conference Secretary communicate our concern and Good Wishes to Loren from this Conference gathering.

By unanimous consent this concern was affirmed by the Conference.

Bishop Yeakel then recognized the Rev. Dr. J. T. Seymour who moved to amend the travel reimbursement portion of the report of the Commission on Equitable Salaries by adding the cost of tolls and parking incurred in the performance of ministerial duties. The motion was seconded and approved following which the entire report was approved by the Conference.

POINT OF PERSONAL PRIVILEGE: Bishop Yeakel recognized Mr. Richard Stone of the Laurel/Mt. Pleasant Charge who moved that the Conference send statements to Gov. Castle of Delaware and Gov. Shaffer of Maryland affirming the Bicentennial of the U.S. Constitution. The motion was seconded and approved.

COUNCIL ON FINANCE AND ADMINISTRATION: Bishop Yeakel summoned Mr. Calvin H. Webster to present the report. Mr. Webster called attention to the material in the Pre-Conference Booklet and moved the adoption of the budget in the amount of \$3,676,164. The motion was seconded and approved.

Bishop Yeakel recognized Dr. Roberta K. Tarbell, Lay Member from Hockessin U.M.C. who moved that a line item be added to the budget for the new dental plan. The motion was seconded and approved.

Bishop Yeakel recognized the Rev. William H. Revell, Jr. who moved:

That there shall be a fourth recommendation added to the list of recommendations in the report of the Council on Finance and Administration as found on p. 67 of the 1987 Pre-Conference Journal and that this recommendation number four shall provide

the same dental care for retired ministers and spouses as is provided for active ministers and spouses, and that the effective date of this coverage for retired ministers and spouses shall be February 1, 1987.

The motion was seconded and some discussion ensued. Mr. Webster stated that he was uncertain as to whether our insurance carrier, Blue Cross Blue Shield, would make the plan retroactive to February 1, 1987. The above resolution was adopted with the understanding that the Council on Finance and Administration would reimburse all submitted dental bills, according to the Blue Cross Blue Shield formula, between February 1, 1987 and the date when Blue Cross Blue Shield would begin its coverage as per the adopted resolution.

Mr. Webster then moved that .38 be the apportionment factor for 1988. The motion was seconded and approved.

He then moved that property and liability insurance paid by the local church remain a part of the operating expenses used for calculating apportionments. The motion was seconded and approved after which the entire report was adopted by the Conference.

**POINT OF PERSONAL PRIVILEGE:** Bishop Yeakel recognized the Rev. George C. Godfrey, Vice-Chairperson of C. F. and A. who expressed profuse thanks to Theodore W. Briggs, Conference Treasurer/Business Manager, for his untiring efforts with Conference finances. The Conference affirmed Mr. Briggs with warm applause.

Bishop Yeakel then recognized the Rev. Dr. J. T. Seymour who moved:

That the Peninsula Annual Conference direct C. F. and A. to re-establish the Committee on Ministers' Benefits, consisting of two members of C. F. and A., two members of the Board of Pensions, and a Cabinet representative.

The motion was seconded and approved.

Bishop Yeakel then recognized the Rev. Dr. F. David Weber who moved that the following be deleted from the C. F. and A. report:

11. That the Non-Contributory Group Life Insurance be discontinued as of December 31, 1989. Any person desiring continuance of this insurance may have their coverage converted to a direct pay policy.

The motion was seconded and discussion ensued. Bishop Yeakel recognized the Rev. Dr. R. Jervis Cooke who moved that the matter be referred back to C. F. and A. for study with a report at the 1988 Annual Conference. The motion was seconded and approved by the Conference.

**CONFERENCE RULES OF ORDER:** Bishop Yeakel recognized the Rev. Dr. J. Gordon Stapleton who moved that the following be added to the Conference Rules of Order as § 28:

**SUBJECT: CALLING A DISTRICT CONFERENCE**

Rule #28. In keeping with paragraph 744 in the 1984 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be

held upon the call of the district superintendent, which call shall specify the time and place", a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

The motion was seconded and approved by the Conference.

Bishop Yeakel then recognized the Rev. Douglas M. Lindsay who presented the following resolution:

**A RESOLUTION CONCERNING THE REPORTING OF CLERGY INCOME**

WHEREAS it has come to the attention of several clergy in the Peninsula Annual Conference that their income taxes have been improperly prepared because of incorrect income reporting forms being used by church treasurers, and...

WHEREAS the General Council on Finance and Administration issued a letter (Feb. 16, 1984) to all conference treasurers, recommending the issuance of Form 1099 to all United Methodist clergy, and citing Revenue Ruling 80-110 that clergy members of Annual Conferences "are not common-law employees, but instead are independent contractors (Craig Hoskins, 1984, p. 3)", and...

WHEREAS United Methodist clergy should list their occupation for income tax purposes as "United Methodist clergy" or United Methodist minister", and cite Internal Revenue Service regulation 31.4401(C)-1(b) as the basis for that status designation, and...

WHEREAS the GCFA letter of February 16, 1984 was followed by a letter dated May 9, 1986, affirming the position of the 1984 letter, stating:

Nowhere is there any indication that there has been any statutory or regulatory change which requires local churches to issue W-2 forms to ministers. As local churches clearly do not directly hire and fire their ministers as "employees", our office continues to take the position that the issuance of a Form 1099, rather than a Form W-2, would be appropriate for local church treasurers to issue their pastors. (Hoskins, 1986)

WHEREAS this resolution is deemed necessary because the clergy members of the Peninsula Annual Conference receive a 1099, a W-2, or nothing: whether they serve in the parish or in some other appointed position, there is no uniform method of reporting clergy income to the Internal Revenue Service, and...

WHEREAS the conclusions of the General Counsel of the GCFA are of importance to ALL clergy members, and are herewith attached...

BE IT RESOLVED that the Peninsula Annual Conference officially adopt a standard procedure for reporting income paid to clergy members and to the IRS, and...

BE IT FURTHER RESOLVED that Form 1099 be adopted as the standard reporting form for the income of the clergy members of the

Peninsula Annual Conference, and that all church treasurers and clergy be advised of this policy by the Conference Council on Finance and Administration, with samples of all reporting forms to be used, by October 1, 1987.

Respectfully submitted,

Rev. Douglas M. Lindsay  
Associate Pastor, St. Mark's United Methodist Church

Mr. Edward McGrath  
Member, Oxford United Methodist Church  
Director, Waddell & Reed, Inc. Financial Services, Easton, MD

Mr. Robert Horner, Jr.  
Member, St. Mark's United Methodist Church  
Partner, Waddell & Reed, Inc. Financial Services, Easton, MD

The motion to adopt was seconded, and, after brief discussion, approved by the Conference.

**GENERAL CONFERENCE PETITIONS:** Bishop Yeakel recognized the Rev. William Hemphill, Jr. who presented the following petitions.

One: WE commend our Council of Bishops for their extraordinary, Spirit-led witness In Defense of Creation, and request continued imaginative initiatives from the Council in addressing concerns which include: church revitalization, congregational renewal, and the relationship between racial/economic injustice and humanity's quest for peace. We, therefore, urge the General Conference to equip our Council of Bishops with the resources necessary to offer further initiatives in relating the Gospel to a suffering world.

Two: WE urge the Commission on the General Conference in its planning for worship and special programs to emphasize our United Methodist witness to abundant life in Christ against the powers of death embodied in the twin demons of racism and nuclear arms testing and build up.

Three: WE urge the General Council on Ministries to coordinate initiatives in preparation for General Conference that make plain the interlocking issues of racial justice and world peace.

The above petitions were all approved by the Conference.

Bishop Yeakel then recognized Ms. Lois Coursey, Lay Member from Kent Island U.M.C. who presented the following petition.

WHEREAS the Biblical witness affirms the goodness of created existence, the value of individual life, the equality of persons in God, and proscribes the shedding of innocent blood;

WHEREAS the Christian Church has historically advocated the rights of the weak, the handicapped, and the innocent;

WHEREAS the United Methodist Church has betrayed its calling to uphold the sanctity of innocent life, by sanctioning abortion on demand, in supporting the work of the Religious Coalition for Abortion Rights;

WHEREAS the Religious Coalition for Abortion Rights, as a political action committee, advocates legal abortion on demand;

BE IT RESOLVED: That the United Methodist Church cannot morally justify its membership in the Religious Coalition for Abortion Rights.

BE IT FURTHER RESOLVED that the United Methodist Church, represented by the Women's Division of the Board of Global Ministries and the Board of Church and Society, withdraw its membership in and support of the Religious Coalition for Abortion Rights.

THIS RESOLUTION was approved by the Administrative Council of the Kent Island United Methodist Church, Harbor View, Chester, Maryland on April 14, 1987 and we seek the Peninsula Annual Conference to similarly adopt this resolution.

Bishop Yeakel recognized Dr. Roberta K. Tarbell, Lay Member from Hockessin U.M.C., who presented the following motion:

Be it resolved that the Conference Council on Ministries be directed to study the record and action of the Religious Coalition for Abortion Rights and make a report of its findings to the 1988 Peninsula Annual Conference.

The motion was seconded and a discussion ensued.

Bishop Yeakel then recognized the Rev. George C. Godfrey who offered the following amendment to the above motion:

That we direct the Board of Church and Society to present a program on abortion in the Fall of 1987, preferably in October.

The motion was seconded and a discussion ensued.

Bishop Yeakel then recognized the Rev. Dr. R. Jervis Cooke who made a motion to table this whole matter. The motion was seconded and approved by the Conference.

Bishop Yeakel then recognized Ms. Verdie Page Burris and Ms. Doris S. Phillips, who presented the following petitions.

**PROPOSED GENERAL CONFERENCE LEGISLATION**  
Presented by  
**GENERAL COMMISSION ON RELIGION & RACE**

The commission membership shall include representation from each district. Care shall be taken to insure that the total membership shall maintain the one-third laywomen, one-third laymen and one-third clergy balance. It is strongly urged that the Annual Conference Commissions be constituted so that the majority of the membership be represented by racial and ethnic minority persons (Asian Americans, Black Americans, Hispanic Americans and Native Americans) reflecting the racial and ethnic minority

constituency of the Annual Conference. Selection of commission members shall insure adequate representation of women, youth, young adults, persons over 65 and persons with handicapping conditions. **AMENDMENT TO PROPOSED GENERAL COMMISSION ON RELIGION & RACE  
LEGISLATION OF PARAGRAPH 739.2**

**BY**

**PENINSULA CONFERENCE COMMISSION ON RELIGION & RACE**

The Peninsula Conference Commission on Religion and Race supports the General Commission on Religion and Race proposed changes of paragraph 739.2. However, we do not wish to delete the references to District Directors, and their functioning on the District Council on Ministries, and on the Conference Commission on Religion and Race. Therefore, we wish to amend proposed paragraph 739.2 as follows:

The basic membership of the Annual Conference Commission shall be nominated and elected by established procedure of the respective Annual Conferences. Each Annual Conference shall determine the number and composition of the total membership which shall consist of a minimum of twelve. The commission membership shall include representation from each district. Where a district has elected a district director of religion and race, that person shall serve on the Conference Commission on Religion and Race with vote. These persons will be elected by the usual procedure of the Conference and they shall serve as members of the Council on Ministries of their respective districts in order to act as liaison between the district and the Conference. Care shall be taken to insure that the total membership shall maintain the one-third laywomen, one-third laymen and one-third clergy balance. It is strongly urged that the Annual Conference Commissions be constituted so that the majority of the membership be represented by racial and ethnic minority persons (Asian Americans, Black Americans, Hispanic Americans and Native Americans) reflecting the racial and ethnic minority constituency of the Annual Conference. Selection of commission members shall insure adequate representation of women, youth, young adults, persons over 65, and persons with handicapped conditions. Members of the General Commission on Religion and Race residing in the Annual Conference shall be ex-officio members of the Annual Conference Commission on Religion and Race with vote. The Annual Conference Commissions may create as many committees and task forces as it deems necessary in order to implement its responsibilities.

Both of the above were approved by the Conference.

Ms. Burris and Ms. Phillips also presented the following petition relating to Africa Church Growth:

WHEREAS the General Conferences of 1980 and 1984 approved and provided funding channels for a program known as **Africa Church Growth and Development** with components of:  
evangelism and community development,  
leadership development, and  
church construction, and

WHEREAS the Africa Church Growth and Development Program has proved to be a justified "new model" for serving existing and new opportunities and challenges of church growth and development, offering opportunities for self-determination and mutual sharing and cooperation of United Methodist Churches in Africa, Europe, and United States of America, and

WHEREAS continuation of this program is vital to the churches in Africa, Europe and the USA,

THEREFORE BE IT RESOLVED that Peninsula Annual Conference does hereby recommend that the General Conference of 1988 authorize the continuation of the Africa Church Growth and Development Program as a global program, covering Africa, Europe, and the United States of America with undergirding through the Advance For Christ and His Church and with programmatic relationship through the General Board of Global Ministries (GBGM), and

BE IT FURTHER RESOLVED that this program report to the 1992 General Conference through the GBGM reporting system.

The petition was approved by the Annual Conference.

Bishop Yeakel then recognized the Rev. John F. Holden, Pastor of the Chestertown-Pomona Charge, who presented the following petition relating to the position of Lay Assistant Pastor.

#### PETITION TO 1988 GENERAL CONFERENCE

In order to offer additional options for pastoral leadership in small churches, the position of Lay Assistant Pastor, serving under the supervision and tutelage of the pastor of the charge, is proposed.

Par. 435 (second paragraph)

In addition to the ministers, persons who have been granted a license as local pastors and who have been approved by vote of the ministerial members in full connection, may be appointed as pastors in charge under certain conditions which are specified in pp. 406-408, and persons who have been approved by District Committees on Ordained Ministry may be appointed to local churches as Lay Assistant Pastors under the supervision and tutelage of elders.

(New Section)  
Lay Assistant Pastor

Par. 406A. Authority and Duties.

1. A Lay Assistant Pastor is a person approved by the District

Committee on Ordained Ministry to perform all the duties of a pastor (p.439) including the Sacraments of Baptism and Holy Communion as well as the service of marriage (where state laws allow), burial, confirmation, and membership reception, while assigned part-time or full-time to a particular local church.

2. Such authorization granted by the approval may be renewed annually by the District Committee on Ordained Ministry and extends only within the local church to which the Lay Assistant Pastor is appointed.
3. The license shall remain valid only so long as the appointment continues and must be recertified by the bishop when assignments change between sessions of the Annual Conference.
4. A Lay Assistant Pastor shall be under the supervision and tutelage of an elder who is pastor of the charge which includes the local church to which the Lay Assistant Pastor is appointed and who shall supervise the Lay Assistant Pastor's work and on-the-job training and study and give counsel and direction on matters of pastoral responsibility.
5. Lay Assistant Pastors shall be amenable to the supervising elder in the performance of their pastoral duties and may attend the sessions of the Annual Conference.
6. The church membership of Lay Assistant Pastors shall be in the local church to which they are appointed, and they shall be members of the Charge Conference.
7. Student Lay Assistant Pastors may retain their membership in their home churches and Charge Conferences, but in the discharge of their ministerial functions they shall be amenable to the supervising elder under whom they serve.

**Par. 407. License As a Local Pastor.**

All persons not ordained as deacons or elders who preach and conduct divine worship and perform the duties of a pastor under pastoral appointment shall have a license as a local pastor or a certificate as a Lay Assistant Pastor.

(New Sections)

**Par. 407A. Certificate As a Lay Assistant Pastor.**

The District Committee on Ordained Ministry may authorize the certification of those persons who have:

1. Completed the conditions of certification as specified by the Annual Conference.
2. Been examined by the District Committee on Ordained Ministry; and
3. If they are applying for certification as a full-time Lay Assistant Pastor, appeared before the Board of Ordained Ministry and provided the Board with a satisfactory certificate of good health on a prescribed form from a physician approved by that Board if they are to be participants in the Comprehensive Protection Plan. The Conference may require psychological and/or psychiatric tests and evaluations to provide additional information to qualify for such coverage.

Par. 409A. Continuance as a Lay Assistant Pastor.

Persons certified as Lay Assistant Pastors shall meet the requirements of the Annual Conference to qualify for continuance as Lay Assistant Pastors.

Par. 410A. Existing, Reinstatement, and Retirement of Lay Assistant Pastors.

1. Discontinuance of Lay Assistant Pastor. Whenever a Lay Assistant Pastor is no longer approved for appointment (Par. 409A), or whenever any Lay Assistant Pastor severs relationship with The United Methodist Church, or whenever the appointment of a Lay Assistant Pastor is discontinued by the bishop, certificate and credentials shall be surrendered to the district superintendent for deposit with the secretary of the District Committee on Ordained Ministry. After consultation with the pastor, the former Lay Assistant Pastor shall designate the local church in which membership shall be held. The District Committee on Ordained Ministry shall file with the resident bishop a permanent record of the circumstances relating to the discontinuance of Lay Assistant Pastor status.

2. Withdrawal Under Complaints and Charges. When a Lay Assistant Pastor is accused of an offense under Par. 2621 and desires to withdraw from the Church, the procedures described in Par. 2626.2 shall apply.

3. Trial of Lay Assistant Pastor. When a Lay Assistant Pastor is accused of an offense under Par. 2621, the procedures described in pp. 2623-2624 shall apply.

4. Reinstatement of Lay Assistant Pastor Status. Lay Assistant Pastors whose approved status has been discontinued from an Annual Conference of The United Methodist Church may be reinstated by the Annual Conference which previously approved them only upon recommendation by the Board of Ordained Ministry and the Cabinet. When approved by the District Committee as provided in Par. 407A, their certificate and credentials shall be restored, and they shall be eligible for appointment as Lay Assistant Pastors.

Whenever persons whose approval as Lay Assistant Pastors has been discontinued by an Annual Conference are being considered for appointment or temporary employment in another Annual Conference, the Board of Ordained Ministry where these persons are being considered shall obtain from the Board of Ordained Ministry of the Conference where approval has been discontinued certification of their qualifications and information about the circumstances relating to the termination of their approval as Lay Assistant Pastors. Before such persons shall be appointed, they shall be recommended by the Board and approved by the District Committee. A district superintendent may arrange for them to serve temporarily when the Board and the Cabinet agree.

5. Retirement of Lay Assistant Pastor. On recommendation of the Board of Ordained Ministry and by vote of the ministerial members in full connection, a Lay Assistant Pastor who has served not less than four years as a Lay Assistant Pastor may be recognized as a retired Lay Assistant Pastor. Retirement provisions for Lay Assistant Pastors shall be the same as those for ministerial members in Par. 453.1, .2, .4, .6 with pensions payable in accordance with Par. 1606.5a.

After a period of discussion the petition was not approved by the Conference.

COMMITTEE ON COURTESIES: Bishop Yeakel summoned the Rev. Laurence M. Berry, Chairperson, who presented the following report.

Much work has been accomplished in this 48th Session of the Peninsula Annual Conference. We have seen how by being yoked together in ministry we also cry together and laugh together. However, our purpose and task in the ministry of the church has become clear -- we are in ministry together. As such, we give thanks for the leadership of Bishop Joseph H. Yeakel which both challenges and encourages us. We thank him for reminding us of our covenant in ministry -- both lay and clergy.

Special thanks to the Reverend Heather Murray-Elkins for her message of service. Each of us is richer for seeing that the stories of the Gospel are the stories of our lives also.

As we come each day to this place, we find all those things in place that enable us to do our work and so we thank all those many people who make it possible:

- A. Mr. Theodore W. Briggs and his staff, the Reverend Dr. J. Gordon Stapleton and the staff of the Conference Office for the typing, printing, and distribution of the volumes of material we have been given and for the organization and registration of this Conference; the Reverend Robert M. - C. Reverend Alfred Taylor and the Division of Worship for our worship services.
- D. Mr. George Wiltshire for his accompaniment on the organ.

## C. Reports

### Mothers and Fathers, Brothers and Sisters!

Grace and Peace are yours through our Lord Jesus Christ, Who, according to His great and abundant mercy, has brought us together again to rejoice in the blessed hope as children of the Resurrection.

We thank God for your faith and faithfulness for these many years; that you were not discouraged when you were asked to go the extra-mile - even though you were already tired and burdened; that you were not overwhelmed by your successes nor bewildered by your failures; that your devotion and commitment never wavered, because you were confident that the new dawn will one day burst upon the world's horizon with shouts of jubilation, putting to silence the prophets of doom and gloom who misinterpret the signals of hope for signs of death and defeat. We thank God for every humbling and uplifting experience through which you have come to proclaim the ever present reality of God's Kingdom.

The Bishop of London is reported to have once said to John Wesley, "Sir, you have no license to preach in this Parish." Whereupon, Wesley replied, "My Lord Bishop, the world is my Parish." It was in this spirit of global responsibility that we sought to engage our corner of the world in a simultaneous offering of Christ to the people of the Peninsula. From every pulpit, in one form or another, the salvation story was told, and we had a good time doing it. Perhaps this is a reminder, if a reminder were needed, of the kind of business in which we ought to be continuously engaged. We feel that the benefits of this intense form of evangelism should not be allowed to dissipate, and our churches are urged to take whatever steps will be necessary to preserve these experiences. An evaluative instrument has been developed and sent to every Pastor and congregation. Your response will indicate your interest in this, and inform the next steps we are to take in empowering the Church for mission and ministry in the 1990's.

### GAMBLING

This is how the 1984 Discipline Para. 214 describes what ought to be the stance of the denomination on issues of morality and social responsibility: "A member of the United Methodist Church is to be a servant of Christ on mission in the local and worldwide community. This servanthood is performed in family life, daily work, recreation, social activities, responsible citizenship and all attitudes towards other persons . . . . each member is called upon to be a witness for Christ in the world; a light and leaven in society and a reconciler in a culture of conflict . . . . the standards of attitude and conduct set forth in the Social Principles shall be considered an essential resource for guiding each member of the church in being a servant of Christ on mission." The Cabinet is concerned that little or no attention was paid to its plea for witness and action on the proposal to legalize the use of slot machines in some counties in Maryland, and the wider issue of gambling. Community standards and personal lifestyles should be such as would make undesirable and unnecessary the resort to commercial gambling or public lotteries for recreation or income. It is a scandal for government to use the lottery as a means of funding

public works or education. The sinister aspect of this is that we have accepted it as part of the evening news. The public apathy and lack of awareness is frightening. We call upon pastors to instruct their congregations on this issue. Gambling is seeking or offering material gain at the expense of another's weakness or folly. The inducements are tremendous and it becomes an act of violence inflicted on the unwary, especially when that one is poor and without hope and the odds are one in a million. The Church has a key role in fostering responsible government and in developing moral maturity which frees persons from dependence on damaging social customs. Our members are expected to abstain from the use of raffles, bingo, door prizes, and other drawing schemes and games of chance for the purpose of gambling and fund raising in the local church. We should also refrain from all forms of gambling practices carried on in our communities and should work to influence organizations and government to seek and develop alternative forms of funding.

#### CHILD ABUSE

Today there is a growing awareness of child abuse in our nation. It is present in communities of the Eastern Shore and in Delaware where our Peninsula Conference churches are located. Victims of child abuse have been found in families of all social and economic levels. This abuse may be physical, emotional, or sexual. In our particular area, there are more than four thousand cases emerging annually. These statistics are phenomenal. Yet there is hope that caring persons can make an impact upon the problem. The Delaware Committee for Prevention of Child Abuse has appropriately challenged church persons to join in the effort to work individually and collectively to seek help where abuse and neglect are suspected. The members of the Cabinet urge our churches to be sensitive to this crucial issue of our time, and to respond through our family ministry and outreach to persons who are stressed because of family situations, those who have been and are victimized, or to those who have questions about child-rearing or family living. A greater emphasis upon family life concerns in and through the ministry of the church will not only address the issue of child abuse, but will have a definite effect upon such related concerns as drug and alcohol abuse among youth, teen-age prostitution, juvenile delinquency, and violent crimes.

#### THE SMALL CHURCH

The future of the small church in the Peninsula Conference is a matter of significant importance. The effectiveness of the small church has too often been assessed by the numerical strength of its membership, or by the potential for reaching budgetary goals, both of which are essential components for setting the direction of ministry. However, even more important to the life or death of a congregation is the planning and potential for meeting the needs of its constituency regardless of size. During a recent workshop directed by Bishop Roy Nichols, an assertion was made that "every church can grow quantitatively or qualitatively". This suggests that the small church may not increase numerically but may well increase in the quality of its ministry. Both contribute to the fullness of its life, and affirm its right to exist. Some steps have already been noted by our Congregational Development Task Force to seriously enable the best possible ministry to develop across the Conference. The recommendations have been varied . . . "starting new churches", "merging congregations", "closing some churches", "placing some on limited service", and "strengthening others". The small church is crucial to the life of the Peninsula Conference because approximately

two-thirds of our churches have less than two hundred members. We strongly urge pastors and leaders of our small churches to consider parish alignments, and/or more effective use of lay speakers. A small church doesn't have to die. Adjusting worship hours, altering the use of buildings, and joint worship services will also contribute to effective ministry. Last, but not least, think about this . . . better stewardship practices, like "the tithe" on the parts of all members of our congregations, could keep the church door open, be it large or small, and supply every budgetary need. Through our loyal commitment to Christ and His Church, emerge those deeper spiritual blessings that God shares with us!

#### AIDS

The rapid rise of AIDS, Acquired Immune Deficiency Syndrome, since its first diagnosis in 1981, prompts the Cabinet to speak to the clergy and congregations of the Conference about the importance of sex education and pastoral support. Sex education is a preventative measure which is strongly supported by the Social Principles of the United Methodist Church which state, "We recognize the continuing need for full and frank sex education opportunities for children, youth and adults." That continuing need is intensified by the rise of AIDS and all the myths which surround the disease. While it was first discovered in the gay communities in New York and Los Angeles, the entire community is at risk today.

Pastoral support is essential for the AIDS patient, family, church and community. The patient will need pastoral support to face the realities of up to two years of suffering leading to death. The family will need pastoral assistance to obtain the facts and resist the prevalent temptation to reject the patient in the hour of greatest need. The congregation will need pastoral leadership to become the supportive community where relationships can be reconciled with God, others and self. The entire community may need pastoral guidance when a specific case is discovered in their neighborhood.

How can we address so large and urgent an issue? Pastors are encouraged to preach, teach, counsel and comfort. Congregations, through their Council on Ministries/Administrative Councils, are urged to plan for special classes, workshops or seminars.

#### HOUSING

The cost of housing has skyrocketed over the last decade. At the same time, the Federal Government's financial support for the development of housing for families of low and moderate means has dwindled. The housing problems facing families with annual incomes under \$13,000 are enormous and, often, insurmountable.

Across the country, communities are grappling with the problem of how to increase the stock of decent, affordable housing for families with low and moderate incomes. It is no longer possible for one segment of the community to bear the burden of solving our housing needs. Solving this problem in our communities and Conferences will require a new, dynamic and creative collaborative effort among the faith communities, the private sector and government.

The Cabinet of the Peninsula Annual Conference would like to go on record as supporting

- 1) the Denominational Executives in the Wilmington area who have made a commitment to the housing problem,
- 2) the Interfaith Housing Task Force, Inc. working in the State of Delaware and
- 3) the Delmarva Ecumenical Agency Eastern Shore Low Income Housing Task Force which is working in conjunction with the Episcopal Diocese of Easton Housing Committee and The Habitat initiative on the Salisbury District to improve low income housing conditions on Maryland's Eastern Shore.

#### CENTRAL AMERICA

We see the events occurring in the region moving across our television screens. We hear the cries of those who wish to support the Contras and those who ask us not to support the Contras. Our government has increased its military involvement against the government of Nicaragua. We support the government of El Salvador. We are increasing the militarization of Honduras. Our government is granting aid to Guatemala and its army. Most of the religious groups in the United States have declared our policies to be immoral because they violate the fundamental rights of people to determine their own destiny and establish liberty and justice. Enormous human suffering is occurring in the area.

We call upon everyone to pray, to study the issues, to witness our convictions. We need to be in solidarity with people of Central America, to bring peace and justice, not destruction and death. Arch Bishop Romero, who was assassinated a few years ago in El Salvador, said, "All of us can do something." We can do these things -- pray, study, and witness.

#### YOUTH MINISTRY

We are encouraged with reports of new experiences for young people in the churches. We should not, however, be satisfied with things as they are at the moment. Many thousands of young people are not being reached for Christ and for His Church. We call upon the people of this Conference to see that teenagers are given an opportunity to participate in the life of the Church and that there be a ministry to teenagers in every charge and in clusters and sub-districts. Each District Council on Ministries is called upon to provide a ministry to teenagers, and that what has begun in the Conference be continued. Let us make it possible to communicate to this Peninsula that the United Methodist Church is reaching out to young people in a way unprecedented in recent years.

Television can be an instrument for the Gospel in a time when regular programming is becoming more violence, more sex and more death. Unfortunately, television evangelism is found to have feet of clay.

The constant emphasis on "being born again" becomes self-centered. Jesus constantly emphasized that the kingdom is a social relationship. Our church needs to emphasize both the personal commitment and the social issues. We live in a world of social relationships. The integrity of television ministry is being questioned. Let us uphold the integrity of ministry within the church.

We would like to remind you of some of the legislation passed at the General Conference of 1984, even as we prepare for the Conference of 1988. It might be interesting and helpful to note how many of these have been implemented, forgotten, or simply ignored:

**Lifting up tithing and proportional giving as the biblical standard.**

**Creating a pastoral advisory committee in each church of a multiple church charge.**

**Establishing the office of Steward.**

**Specifying that Pastor's housing is not considered compensation.**

**Including the Lay Leader of the Charge on the Nominating Committee.**

**Including the Chairperson of the Council on Ministries on the Finance Committee and the Chairperson of Finance Committee on the Council on Ministries.**

**Requiring all Church Treasurers to be bonded.**

**Creating work area on the Status and Role of Women.**

**Set a goal of twenty million members by 1992.**

As you seek to sensitize the people whom you serve on some of the issues with which we all have to deal and relate to our Christian calling, we urge you to remember in whose name you dare to speak. It is perilously easy to project one's own biases and prejudices on an unsuspecting and adoring congregation. One may even enjoy the illusion of being the long awaited Messiah, with all the right answers, hastening to dispense judgment on an unrepenting Church. There is great temptation to confuse one's own kingdom with the kingdom of God. We call upon you to acknowledge and confess with us that we have too often failed to be an obedient Church, but willing once again to submit ourselves to that Covenant of grace which we joyfully embrace.

With grateful hearts the past we own;  
The future, all to us unknown  
We to God's guardian care commit  
And, peaceful, leave it there.

## **SUPERINTENDENTS' REPORTS**

### **DOVER DISTRICT**

The pastors and congregations of the Dover District have enjoyed an exciting year of activity, fellowship, and spiritual enrichment. There is evidence that God has been operative in our midst creating a vibrant spirit of renewal in the life of our churches. It is apparent that there has been growth in Christian discipleship, stewardship, and outreach. Pastors and laity have responded to the challenge of opportunities for learning offered in the district. The words of Paul to Timothy have a striking reality in relationship to the enthusiasm and participation of both clergy and laity in courses

planned through the efforts of the Conference and District Councils on Ministry-- "Study to show thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the work of truth." (1 Timothy 2:15)

The emphases of monthly meetings of Ministers and Mates focused upon specific themes and issues to inform and strengthen us for more effective ministry. The officers for the year served as a planning team for structuring programs to meet our needs. The ministers were represented by Victor Acquah-Harrison, President, Karen Moore, Vice-President, Douglas Ridley, Secretary, and Howard Ketterman, Treasurer. The mates who served were Mary Joyce Barton, President, Linda Etter, Vice-President, Madeline Greene, Secretary, and Linda Ketterman, Treasurer. Mary and Ed. Ellis assisted in an ex-officio capacity.

The monthly meetings were attended by an average of two-thirds of the ministers and mates of the district. The discussions centered on the following themes: "Hospice", "Offer Them Christ", "Prison Ministries", "In Defense of Creation", "The New Hymnal and Liturgy", "Health Insurance", and "Spiritual Formation". The final gathering, prior to Annual Conference, focused upon significant matters related to the agendas for our 1987 Conference and the 1988 General and Jurisdictional Conference. The Council Director, J. Gordon Stapleton was the resource leader of the day.

The District held a picnic July 21st on the campus of the Delaware Technical and Community College in Georgetown. At that time we welcomed our new pastors and parsonage families, as well as to say farewell to those leaving for new appointments or retirement. The following pastors were under new appointment: Pamela J. Lardear - Cheswold; Alvin J. Willink - Wesley/Dover; James L. Hartman - Wesley, Dover (Assoc.); Rudolph d'Silva Garnes - Whatcoat, Dover; William Dore - Harrington/Houston; Lehman R. Tomlin - Lincoln/Milford/Harrington; W. Daniel Rich - Grace, Millsboro; Earl T. Cogan - Milton/Nassau; Paul David Marlowe, Roxana; Janet Rounsley - Bethel/Concord; and James M. Caldwell - St. John's, Seaford (Assoc.). Pastors who retired were: William T. Archer, Jr., George O. Commodore, William H. Hudson and Kyle N. Smith.

Other events for this year included the following programs, all of which had a majority participation by the people of the district.

1. Beginning and Advanced Lay Speaking Courses held at Whatcoat Church in Camden, and Wesley Church in Georgetown. This year we worked with a new District Director of Lay Speaking, Samuel C. Harris of St. John's Church in Seaford. His commitment, hard work, and enthusiasm, were responsible for the high quality leaders who shared... Kenneth Valentine, Pamela Lardear and Harvey Manchester, and for high level participation by our lay-speakers. More than seventy were registered in both courses.
2. The Council on Ministries fostered two significant events related to the major emphases of the Annual Conference:  
November 16, 1986 - Missional Priority Sunday - Avenue United Methodist Church - Milford. The music was furnished by the Chancel Choir of Avenue. The speaker was Dr. Benjamin Ward of Chester, Pennsylvania.  
January 3 and February 6, 1987 - The Ministers and Mates participated in a study of "In Defense of Creation". Thirty clergy persons attended. Leadership was given by

Pamela Lardear and Jim Caldwell. Responsible for the planning was a committee of ten persons - Phil Lawton, Pam Lardear, George Radway, Ed. Ellis, Ken Valentine, Wayne Grier, Dick Varell, Charles Barton, Jon Baker and Jim Caldwell. Following this effort, twelve clergy of the district opted to continue a more in-depth study for an additional period of six weeks.

3. Laity Activities, under the direction of our district Lay Leader, Alphonso Stevenson and the Board of Laity, were as follows:

Laity Banquet - October 15, 1986 - St. John's Church - Seaford. Approximately two-hundred persons attended. Communion Breakfasts - Four Sundays during the Lenten Season. All four events were well attended. Regular Quarterly Meetings of the District United Methodist Men were held. John Pitts continues to give leadership. He is highly desirous for more groups to become active and chartered.

4. United Methodist Women - Mrs. Helen Williams of Georgetown continues to give this organization excellent leadership. New units have been organized on the district and all planned functions have been well attended. Most units have met their financial obligations in full.

Our District Families experienced joys and sorrows during the year. There was sickness, deaths, births, marriages, and various honors that came into our homes. Following is my effort to list some of these:

Birth: Rachel Diane Valentine - August 4, 1986 to Cheryl and Ken Valentine (Camden - Woodside).

Deaths: Mrs. Minnie Barton (Mother of Charles Barton); Mrs. Rose Staten, wife of William Staten (Harmony - Friendship); Mrs. Deborah Dredden (widow of the late Albert Dredden); John E. French (retired); Mrs. Ruth Wilkins (widow of the late Clarence E. Wilkins); Mrs. Lottie Milliner (widow of the late Milton Milliner); Robert Van Cleaf (retired); and Douglas Milbury (retired).

Marriages: Sarah Nechay and Samuel McWilliams (Georgetown Charge); William A. Turner (Assoc. Retired Member) and Frances Tschantre of Cambridge, Md; Mrs. Eloise Crockett Smith (widow of the late Ewell Crockett).

Graduates: Mae Etta Moore (Clarksville Charge) Eastern Baptist Seminary; C. Karen Moore (Bethel Charge) Wesley Theological Seminary; Homer W. Minus (Ministerial Candidate) Howard Theological Seminary.

Church Property: Renovations to property and new construction were realized on several charges of the district. Additional facilities for fellowship and education are to be noted as being completed this year:

Cheswold - addition to kitchen  
Camden - Whatcoat - purchased new parsonage  
Woodside - new fellowship hall  
Bethesda (Georgetown Charge) - educational annex  
Bethel (Gumboro Charge) - fellowship hall renovations  
Roxana - educational annex

Other charges are now in the process of developing plans for future work on properties.

As Mary and I complete our third year on the district, we continue to appreciate the cooperation, understanding, and love that have been shared with us. This journey has been a pleasant one with many memorable experiences for both of us. Our pastors and laity have been caring in every sense of the word. You have lightened what could have been heavy on our hearts. You have eased the difficult circumstances, enabling us to affirm with all our gratitude - "We are the body of Christ" and have lived together as one family under God, through Christ Jesus, our Lord. "For as we have many members in our body, and all members have not the same office: so we being many, are one body in Christ, and everyone members one of another." (Romans 12:4-5)

#### EASTON DISTRICT

Jesus said, "I have come that they might have life and have it abundantly."

"Hands Across America" came right after Annual Conference. People were excited about what we could do to help others. This was an American expression. In a sense it represents the attitude of people in the churches as well. All around us we see evidence of ministry.

We had suppers at the District Parsonage for the new pastors and spouses. This presented an opportunity to become acquainted, provide information, talk about goals, see the video on the Bishop's Pastoral Letter. The most all-pervasive experience in the whole year was "Offer Them Christ". Beginning in the fall, continuing with the rally in Dover, the special services and visitations, church people expressed interest in others in ways many had not done for a long time.

I have been involved in the long-range planning for Wesley College, which has an in-depth continuing study of the needs and the potentials for the future. I was involved in the two-day Cross-Racial Appointments Workshop at Drayton last fall. The Church Development Committee in the District made detailed studies of more than half a dozen charges to help them become more intentional in ministry.

We rejoiced with Lisa McAfree in her marriage to Jan-Michael Graine, May 26, 1986. She is currently a seminary student in Atlanta.

With joy we share with clergy families these additions:

#### BIRTHS

Joshua Caleb Duffield, born August 14, 1986  
His parents are the Reverend Timothy and Willa Duffield, Grasonville Charge

Alexandria De Chiel Metzger, born September 9, 1986  
Her parents are the Reverend Connie Metzger, Assistant Pastor, Kent  
Island Church, and husband Chuck

Scott Wesley Van Der Wall, born December 2, 1986  
His parents are the Reverend James and Carol Van Der Wall,  
Grasonville Charge.

We also shared the grief and yet sense of satisfaction in the  
loss of clergy and spouses, who had served so long and so well.

#### DEATHS

The Reverend Henry T. Caldwell died September 30, 1986, Galena.

Cora Travers, wife of the late Reverend Alonzo Travers, died December  
18, 1986, Rock Hall.

The Reverend Walter L. Beckwith, died April 25, 1987, Cambridge.

Rosie Henry, wife of the late Reverend Noble N. Henry, died October  
27, 1986, Greensboro.

A special sadness was the sudden death of Mark Leathrum, September 3,  
1986, son of George and Nancy Leathrum, Riverview.

With the emphasis on **evangelism** in 1987 we still feel very good  
about the congregations who reached out last year. Those churches  
who have received ten or more new members are:

Grace, Cambridge	12
St. Paul's, Cambridge	18
St. Luke's, Cambridge	10
Zion, Cambridge	26
Centreville	19
Union Wesley, Chester	11
Kent Island	99
Christ, Chestertown	10
First, Chestertown	21
St. James, Chestertown	15
St. Luke's, Denton	26
Mt. Zion, East New Market	18
Thompson Chapel	19
St. Mark's, Easton	46
Union, Federalsburg	20
Galena	33
Kennedyville	16
Immanuel, Grasonville	22
Asbury, Millington	10
Rock Hall	10
St. Luke's, St. Michaels	13
Calvary Asbury, Sudlersville	13
Trappe	11

One of the truly high moments in the year was the merger of the  
churches in Wittman, McDaniel and Sherwood under the leadership of  
James Karmbor, completed before he and his family returned to  
Liberia. George Stanley is continuing to serve that charge.

For Dottie and myself it was a whole period of excitement when  
with Chip we attended the World Methodist Conference in Nairobi and  
experienced safari for ten days. The variety of God's creation, the

mix of cultures and the world-wide nature of our church are stimulating.

In a short while we will be attending a farewell. It seems not long ago that we took part in our installation service. The Sunday after Conference that year we were received warmly by the people of St. Mark's Church. The pastors and their families there have continued warm support. During this whole period there have been a variety of experiences which seem to crowd the pages of our life book . . . Lay and Clergy dinners in the fall. The course for lay speakers was attended by hundreds. The United Methodist Women doing their thing. The new cluster in Bay Hundred, which is thriving. Six new parsonages. Sharing in worship services on every charge.

The Superintendency Committee, which took the initiative of providing the District Office, a real asset, and the guidance received from the Committee. The fantastic record of the churches on payment of apportionments continues to be unequaled in the Conference. The churches serving people in communities when they have needs, not only emergencies but the continual problem of people with substandard income. The District Council on Ministry with the emphasis on evangelism and stewardship. Sixty percent of the churches have given something to Reach (my participation in the trip to Haiti to see what the church can do to minister to the people in this very poor area). The District Committee on Ordained Ministry providing guidance for people on the journey to ministerial membership in the Conference. Annual interviews with the ministers, where there is a brief time to reflect on goals, expectations, worries. Charge conferences, where the officials and the pastors review programs, set goals, elect officers. Each year there has been some large District gathering to celebrate the arrival of the Bishop, to understand the appointment system, or some other emphasis.

In all of this, to participate in the fellowship with ministers and mates in celebrations, tragedies, anxieties, hopes and dreams; to work with the Bishop and the Cabinet in the concerns of the whole Conference where we are not a District by itself. And above all, with the help of God and the support of Dottie, to be a part of the church.

#### IS THIS THE TIME TO HALT?

Is this the time, O Church of Christ! to sound  
Retreat? To arm with weapons cheap and blunt  
The men and women who have borne the brunt  
Of truth's fierce strife, and nobly held their ground?

Enlarge thy plans and gifts, O thou elect,  
And to thy kingdom come for such a time!  
The earth with all its fullness is the Lord's  
Great things attempt for Him, great things expect,  
Whose love imperial is, whose power sublime.

## SALISBURY DISTRICT

This is the report of a District that has maintained a vitality and optimism, in spite of uncertain economic conditions and shifting and dwindling populations. It is never immediately apparent what keeps pastors and congregations committed the way they are to Christ and His Church, but through the year, they have ministered to the sick among them, shared joys as well as sorrows as they walked with each other, demonstrating the importance in their lives of their faith.

Congregational Development has been up front in our thinking. The local committee has met and studied the demographics of the area. The shift in population is towards the seashore resorts for some people, and for others, to the Metropolitan areas. Because distances are not great, the Salisbury area has become the service area for the resort communities of Ocean City, Rehoboth and Fenwick. The strategy recommended is to strengthen our churches in the Salisbury, Berlin, Ocean City, Route 50 Corridor. We are looking for a community developer to work in the East Salisbury churches, and St. Paul, Berlin and New Bethel/St. John have been realigned as separate charges. This creates a new and significant station appointment in the area, and gives a much needed "shot in the arm" to all those churches involved. We became painfully aware of the growing number of Asians in the area. Some very important contacts have been developed in attempting to meet the needs that became apparent. A proposal is presented by Community Church, Ocean Pines, to initiate a Korean ministry as part of their outreach, and to develop a Korean speaking congregation.

As there are signs of growth, so there are signs of retrenchment on the District. As the population moves away, the Church is left without resources, financial and human, to maintain its structure. Accordingly, this year saw two churches vote "limited service" status - St. Stephens on the Oriole Charge, and Grace on the Nanticoke Charge. This is always sad, as it announces the certain death of those communities.

We have urged for a long time that Parsonages on the Salisbury District be a high priority. This is what makes the itinerant system work. This year saw some dreams come true. Congratulations to those pastors and congregations! Five parsonages came on line in 1986:

Crisfield - Shiloh	\$ 53,600
Sinepuxent - Bethany	\$ 66,000
Deal Island Charge	\$ 50,000
Crisfield - Immanuel	\$ 76,000
Crisfield - Mt. Pleasant	A gift from the estate of the late Elizabeth Mackey

On the drawing board and ready to go:

Girdletree Charge  
Oakville/Cottage Grove  
Nanticoke Charge  
Trinity - Salisbury

## WILMINGTON DISTRICT

The Wilmington District is made up of fifty-seven charges, seventy-one pastors, and thirty thousand seven hundred forty-four lay people. Each and every pastor and lay person on the district is to be commended for their contribution to the interesting, exciting and productive year which is to be reported here.

Some of the highlights of the year were:

APPORTIONMENTS - Paid 98 percent of total district apportionment.

MEMBERSHIP - Increased district membership by 278.

CONNECTION - Published nine editions of the district newspaper.

LAY SPEAKING - Reorganized school and offered four additional advanced classes.

CONTINUING EDUCATION - Offered course on How To Make Meetings Work which was attended by forty clergy.

All of these things were strengthened and supported by the District Staff in the District Council on Ministries and the men and women of the district in the United Methodist Men and United Methodist Women.

### PERSONNEL MATTERS AND PARSONAGE FAMILIES

This has been a busy year on the district with births, marriages, graduations, appointments and deaths to be reported.

Births - The births increased from zero to three from last year to this. The new babies and their proud parents are:

Jeremiah Leonard Burkins Clark, born to Linda and Palmer Clark, August 14, 1986.

Courtney Erin Moore, born to Jeanne and Gary Moore, November 13, 1986.

Ian Jerome DeVine, born to Ruth and Jerome DeVine, December 8, 1986.

May these little ones, like our Lord, grow as the years go by "... in body and in wisdom, gaining favor with God and men/women."

Marriages - Three pastors were united in Christian marriage during the year. They are listed below with their spouses and wedding dates.

The Reverend Herman Lipsius and Sharon Powell on May 23, 1986.

The Reverend David B. Zlonkevicz and Rosalie A. Garret on May 24, 1986.

The Reverend Charles O. Walter and Kathleen J. Alexander on October 4, 1986.

Now that these have become one, may their love continue to grow with each passing year.

Graduations - Seminary graduates on the district include five Master of Divinity students and one Doctor of Ministry student. One of the M. Div. students, Karen Moore, is the pastor-spouse of a pastor on the district.

The Master of Divinity students and their schools are:

Karen F. Bunnell, from Wesley Theological Seminary

James C. Faltot, Lancaster Theological Seminary

George B. Moody, Howard University, School of Theology

Karen Moore, Wesley Theological Seminary

David B. Zlonkevitz, Boston University, School of Theology

The Reverend Dr. Thomas C. Short is our most recent Doctor of Ministry graduate. His doctoral project/dissertation was focused on the general theme of narrative preaching.

Appointments - Since the last session of the Annual Conference, there have been several changes in appointment which were not printed in the Official Journal. They are listed here in order to make the record complete. The pastors, their status and changes are:

George H. Moore, full member, to Kirkwood United Methodist Church on September 1, 1986.

Richard G. Pyle, student pastor, to Salem United Methodist Church on October 1, 1986.

Victoria Martinez, full member, to leave of absence on December 15, 1986.

Ashley A. Maxwell, full member, to Coleman Memorial United Methodist Church on February 1, 1987.

Deaths - The service of death and resurrection was conducted for one pastor and two spouses, who transferred their membership from the Church temporal to the Church triumphant this year.

The pastor was The Reverend Widmon Butler, Jr. who died on April 8, 1987, after four years on disability. He is survived by his wife, Alice Butler.

The spouses were Rachel Milbourne, wife of O'Connell Milbourne, who died January 22, 1987, and Dorothy Mae Mann, wife of William T. Mann, who died May 11, 1987.

#### STATISTICS AND GROWTH

Churches, large and small, helped to turn the Conference and District membership statistics around. This is a good time to recognize the churches that received the largest number and largest percentage of new members on Profession of Faith or Restored. New members received by transfer will not be considered in any of these statistical analyses inasmuch as they do not represent any real growth in The United Methodist Church.

The ten churches to receive the largest number of new members on Profession of Faith are:

Elkton	59	(7%)
St. Paul's	57	(3%)

BUILDING AND RENOVATION

The Wilmington District Board of Church Location and Building has met monthly throughout the year. Their job has been to review and approve the preliminary and final understanding of needs, building plans and financial arrangements.

The projects currently in process are:

Hockessin - Planning to build a major addition to the church.

Chesapeake City: Town Point - Broke ground Sunday, May 17, 1987, for a new fellowship hall on a new site. The old church building is to be relocated next to it in the near future.

Christiana: Mt. Pleasant - Planning a major renovation project including new siding, windows and front door.

Kirkwood: St. Paul's - Building a small addition with modern conveniences.

Buttonwood - Planning a small addition to present church building.

Kirkwood - Seeking a new site on which to build a new church.

Salem - Building a new worship center as an interim step to building a completely new facility.

Bayview: Shelemiah - Planning major renovations.

#### DISTRICT STRATEGIES

Our district strategies continue to guide us into a more glorious future. The strategies with a brief report are listed below.

Congregation Strategy - Each pastor and congregation on the district is asked to develop a theological statement of purpose with objectives and goals for each year's work.

Clusters - Each pastor and congregation is asked to get acquainted with neighboring pastors and congregations and work together in ways that will strengthen the churches and better meet the needs of the community.

Resourcing Teams and/or Programs - All pastors and congregations needing help with important programs are invited to call on the District Superintendent, District consultants or Conference Staff for assistance.

New Church Development - The District, with the help and cooperation of MAP, is currently working on a new strategy for the Hispanic Ministry and a new site for the Kirkwood Church.

Financial Aid - The number of churches receiving apportionment adjustments and equitable salary support have been drastically reduced. As a result more and more churches are standing on their own feet and meeting their full financial obligations.

Each pastor and congregation is asked to consider how you might make a positive contribution to these district strategies.

#### CONCLUSION

As I draw this report for my fourth year on the district to a close, a word of farewell and welcome would seem to be in order. The word of farewell is to the two members of the Cabinet who will be leaving their positions, Ewart C. Hackshaw and Howell O. Wilkins. While they will not be seen at Cabinet meetings, we are expecting to see more of them on the Wilmington District.

The word of welcome is to P. Thomas McKelvey and Robert P. Whitlock who will be joining the Cabinet in official capacity. I look forward to working with them in cooperative and collaborative ways seeking a consensus on as many issues as possible.

Finally, a word of thanks to Bishop Joseph H. Yeakel, our leader, and all the other members of the Conference leadership team - Cabinet, Staff and Business Manager. May the Lord guide and bless us and keep us in His service always.

# THE REPORT OF THE STATISTICIAN

## Peninsula Annual Conference January 1, 1986 to December 31, 1986

There is good news to share! The Peninsula Annual Conference is growing! Even before the bold evangelistic thrust of "Offer Them Christ," we were experiencing numerical growth. In 1986, the total full membership of the conference increased by 313 members. This ends a period of three consecutive years of decline.

Dramatic increases in members received by confession of faith and from other denominations are noteworthy. There was a 13.4% increase in members received on confession of faith over 1985. In addition, the number of persons received from other denominations rose by 35.85%. There was also a sharp decrease in the number of persons removed by Charge Conference action and withdrawn. By far, death was the chief cause for removal of members.

Dover District gained 193 members in 1986. Wilmington District recorded an increase of 278. Easton and Salisbury District showed losses of 25 and 133 members respectively. District totals at the close of 1986 are as follows:

Dover -	23, 294
Easton -	21, 803
Salisbury -	22,452
Wilmington -	30,744

There were 498 full-service churches and 30 limited service churches on December 31, 1986.

There were 170 churches which received no new members by confession of faith in 1986, a slight increase over the previous year. Included in this number are 147 churches which received no new members at all. These statistics reflect significant growth in many of our other local churches.

Average attendance in the principal weekly worship service decreased slightly, despite the increase in membership. In 1986, 35.25% of local church members attended the principal weekly worship service. This percentage is essentially the same as that noted a year ago. The average membership of Peninsula Conference churches at the end of 1986 is 197. Average attendance in worship is 70.

Total church school membership decreased by 1.2% from the previous year. Church school attendance, on a positive note, increased slightly over that reported in 1985.

There are presently 161 full-service ethnic minority local churches in the conference. These reported 13,690 members in 1986, a decrease of 15 over the total membership in ethnic minority churches in 1985.

I express my deepest appreciation to Linda Etter for her assistance in verifying and tabulating the reports. The District Superintendents were helpful in obtaining reports from every local church in this Annual Conference. And of course, I am grateful to pastors, and in some cases, church secretaries for their patience as we sought to perfect the data submitted. May we all by God's grace, continue these patterns of growth in the present year!

## CONFERENCE COUNCIL ON MINISTRIES

### **The Report of the President**

I wish to begin my 1986 report by expressing my deep appreciation of the Staff of the Conference Council for their fine work and leadership. They all bring gifts and graces that are so essential in carrying out the mission and ministry of Jesus Christ in our midst. Sometimes we lose sight of the fact that the church not only consists of the persons who form each local congregation, but the church is also the Conference staff who are a part of each local church. The body of Christ would have some very significant parts missing if it were not for these persons who hold the position of Council Director or Associate Council Director.

I also thank all the members of the Council and its various committees. My special gratitude goes to the members of the Executive Committee who give freely of their time and counsel.

Nineteen eighty-six has been a year when we have spent much time thinking and dreaming as we attempt to find the best way in which, as a Council on Ministries, we can carry out the ministry of serving the churches of the Peninsula Annual Conference.

The following are some of the events that have been part of the agenda of the Council on Ministries:

1. Early in 1986, each district held a training event for local church officers. Eighteen hundred and two Peninsula Conference leaders heard Bishop Joseph H. Yeakel share with them his vision of what the church can be as it reaches out in ministry and mission. It is exciting when one realizes that almost two thousand elected leaders of the local churches of the Peninsula Conference took a Sunday afternoon to find out just what their mission and ministry could be.
2. Reverend Dr. Robert P. Whitlock and the Board of Directors of Drayton Manor have spent 1986 dreaming and visioning exactly how Drayton Manor can serve the United Methodist Church. They have had a very successful year in raising funds, increasing attendance, finding ways to develop the facility at Drayton Manor. The Peninsula Conference owes a deep debt of gratitude to Dr. Whitlock and the members of that board as they have moved Drayton Manor from a negative position to a very positive position in all ways.
3. The Council on Ministries, early in 1986, decided that it would evaluate the goals of each one of its boards and agencies at the end of each calendar year. The Council unanimously decided that this evaluation process would be done by the Program and Budget Review Committee and would begin at the conclusion of 1986. This will be the first time that boards and agencies will be evaluated on goals without consideration for finances. This is an exciting new beginning of accountability within the Peninsula Conference.
4. One of the problems that continually faces the Council on Ministries is the question of calendaring. How do we schedule the number of events that the various boards and agencies want to carry out without making unreasonable demands on the people who should be attending these events? The Council decided to create a master calendar. Preparation of the calendar for the succeeding year would be established at the June Council meeting. In June 1986, the 1987 Peninsula Annual Conference Calendar was created. Some

negotiating was necessary, as various boards and agencies came in with dates that were either the same, or within the same period of time. Any dates or events that are added to the calendar after that June meeting must come before the Executive Committee of the Council for consideration. The Council hopes that as we work at this, we will begin to see the need for boards and agencies to discuss with each other the ways in which they can work together, the ways in which they can calendar together, and ways in which they can carry out mutual ministries in the Peninsula Conference.

5. The Computer Committee under Richard Varell has been very active. It has worked closely with the Conference Staff in computerizing the Conference Office in Dover and has been available to the local churches who are beginning to use computers for their ministry and mission.
6. Nineteen eighty-six was the year for the Camp Pecometh feasibility study. We must offer our appreciation to the Rev. Dr. Willard Robinson, the Rev. Dr. John Simpers, and the Board for the outstanding work that they did and continue to do in the ministry of camping that is part of Camp Pecometh. The report of the feasibility study is in the Camp Pecometh report. Exciting ministries continue to occur at Pecometh.
7. The Council on Ministries has supported the "Offer Them Christ" program which was adopted by the Annual Conference in 1986. The Rev. Mr. Robert O'Kelley Wallace has been elected chair of the Division of Evangelism and also chairs the "Offer Them Christ" Task Force. One of the exciting things about this program is that it is council-wide with various committees and boards on the Council making up the Task Force that is carrying out the program.
8. The Nominating Process for boards and agencies of the Annual Conference is currently being reviewed and recommendations will be forthcoming from the Conference Nominating Committee.
9. Virginia Clendaniel was elected by the Council of Bishops to fill the vacancy created by Alice Powrie's resignation on the General Council on Ministries. Ms. Clendaniel will represent our Conference at the General Council and bring back reports from all the meetings to the Executive Committee or to the Council.
10. The report of the Retreat Ministries Task Force was received by the Council on Ministries. The paper "Towards A Theology of Retreat Ministries" is available and anyone who wishes to read it should contact the Conference Office. Our thanks go to the Rev. Dr. William Fitzhugh and his committee for developing this report.
11. The request of the Conference in 1985 to publish a book on evangelism has been referred to the Board of Discipleship for further work.
12. The mission statement that was being developed by the Council is on hold. Our statement was requested by the General Conference - we did not have it prepared in time to submit to them.
13. A new form of leadership has been developed within the Council on Ministries. Under the leadership of Bishop

Joseph Yeakel, a "leadership team" has been developed which includes the Conference Council Staff and the Cabinet. Each year the Conference Staff and the Cabinet meet with Dr. Paul Dieterich who is Director of the Center for Parish Development. One of his concerns, as he related to our cabinet and staff, was the way in which we as an Annual Conference manage our mission and ministry. This is also a concern of the Executive Committee of the Council as well as members of the staff and of the cabinet. Under the concept of the leadership team, each board or agency has one representative from the Conference Council Staff or the Cabinet sitting as a resource person. The Leadership Team meets monthly and shares where the board and agencies are, what their plans are for the future, and how those plans will impact the other boards and agencies of the Annual Conference. We are excited about this leadership team concept because it means that staff will be attending fewer meetings and therefore, be able to give more time in resourcing the boards and agencies to which they are assigned; but, it also means that more of the work of boards and agencies will need to be done by the members of those boards and agencies rather than depending on Conference Staff and cabinet members.

14. The final item that I wish to report to the Annual Conference is the dream that has been forming in the Council Executive Committee, in the Leadership Team, and in other parts of our Annual Conference during 1986. We hope that by the end of 1987, we will have moved our method of planning the work of the Annual Conference from crisis planning to strategic planning. For years we have been a Council and a Conference that responded rather than strategically planned where we were going. It is hoped that as we begin the new quadrennium, we will have begun the process of understanding the role of strategic planning in the life of our Annual Conference and will be able to see its benefits for us. Plans are underway for a full-day workshop for the Council in April 1987, at which time the Council will learn the value and the role of strategic planning.
15. Reports on Communications, Camp Pecometh, Drayton Manor, and REACH will be found at the conclusion of this report.

It has been a pleasure to serve the Council as chair during 1986, and again, I express my sincere appreciation to the staff, the Council, its committees, and to the Cabinet for their support in this ministry of mission of Jesus Christ.

Clifford A. Armour, Jr.  
President

#### The Report of the Council Director

The report of the Council President, Clifford Armour, has outlined the scope of the work of the Council in the programs the Annual Conference has undertaken in 1986. The role of the Council Staff has been to support and enable the members of the Council who volunteer their time to carry out these significant projects. The local churches of the Annual Conference should know that countless hours are expended on their behalf by pastors and lay persons who give their time and energy to design and implement Conference programs.

The Council Staff has also been engaged in serving individual local churches in the areas of planning, education, finance, evangelism, stewardship, and communications. During the year, ethnic pastors have been brought together to assess the state of Peninsula ethnic churches. Mission teams are now being assembled to meet specific needs of individual congregations. The work of our part-time consultants has increased our contacts with local churches. We are pleased that we can provide skilled leadership in the area of Christian Education through the work of Elizabeth St. Clair and Doris Phillips. We also commend the work of four of our pastors, Janet Harmon, Hayward Greene, George Commodore, and Grant Johnson, who serve primarily as consultants to our ethnic minority churches, but who also are available to all the local churches of our Conference.

It is in working with local churches that we get directions for the future. We can still commend to you the Sunday school as a major force for finding and keeping new members. In the coming year we intend to challenge churches to create new Sunday schools in growing areas, or in parts of our Conference where a new church could be started. The REACH program, which comes to an end in 1987, has enabled churches to discover that we can in reaching out also grow at home. In the coming year, there will be suggestions for a new mission thrust by each local church. The Board of Higher Education & Campus Ministry is looking for ways to improve the work of our Wesley Foundations and we hope to put more staff time into the effort. Camp Pecometh is planning to expand its facilities to serve more local churches and this follows on a year when the camp has had one of its largest registrations. Drayton Manor, too, has increased its usage by Peninsula churches and is making serious plans for the future of service to the local church.

Several leadership changes are noted with thanks to those who have served the Conference but who can no longer do so for personal reasons:

Phillip Bosserman has succeeded Robert Price as Chair of Church and Society.

H. Dwayne Whittington has succeeded Albert Burton as Chair of Higher Education and Campus Ministry.

Robert O'Kelley Wallace has succeeded Donald Clendaniel II as Chair of the Division of Evangelism.

Richard Allen has succeeded Alfred Taylor as Chair of the Division of Worship.

The work of the Council Director involves liaison with both the General Church and local churches, and he serves as the coordinator of all the program areas of the Annual Conference. It is, however, the Associate Council Directors who are most often in touch with the local congregations and who feed-back to the Conference boards and committees the needs and opinions of those churches. In this way we seek to serve you. All of us can be thankful for the work of Harvey Manchester, Vaughn Johnson, Susan Kester, Jack Simpers, and Jim Morgan. Their efforts are tireless and their commitment to the church is self-evident. Our support staff, Shirley Still, Gloria Reed, and Toni Moor, make all of us appear better than we sometimes are, and our Conference Business Office helps us manage your money to see that it goes where you voted it should go.

Special thanks, too, to our Bishop, Joe Yeakel, who has made the Conference Council on Ministries one of his high priorities. He attends and he contributes and we are grateful.

Finally, our thanks to all of you who make up our local congregations. It is your gift united with those from other churches which makes the work possible. Together we are seeking to do what we

believe God would have us do in this day and this time. This is the root of all we are attempting to do by and for the churches.

J. Gordon Stapleton  
Council Director

## Camp Pecometh

It is a privilege to present this report of the highlights of the camping ministry for the year 1986.

1. Program Theme: "We Are The Children of God" (1 John 3:1) was used in daily vespers, Bible Study, singing, and for the 40th Anniversary poster contest.
2. 40th Anniversary: Under the leadership of the Rev. Douglas Ridley, the 40th Anniversary of Camp Pecometh was observed at Annual Conference with a color-slide presentation. Three campers were awarded full camperships for their participation in the Conference-wide poster contest. Staff Alumni Day was observed with over 300 persons in attendance, culminating in a traditional Galilean candlelight service with the Rev. George C. Godfrey preaching. The final observance was an open house for former, present, and prospective campers and their families.
3. A.C.A. Accreditation: Camp Pecometh achieved re-accreditation by the American Camping Association for a three-year period.
4. Camper Registrations: increased again this year to 1,038 as compared to 942 one year ago, representing our highest enrollment since 1975. Of the 1,038 campers, 59 came from Ethnic Minority Local Churches of the Peninsula Conference in addition to the 40 campers who attended camp under the auspices of the Neighborhood House program.
5. World Hunger Offerings: totalled \$840.00, bringing the total offerings since 1975 to \$7,945.00.
6. Summer Staff: utilized 13 international counselors from Camp America, Inc. These young people came from New Zealand, Hong Kong, England, West Germany, and the Netherlands, adding a unique dimension to the program and staff.
7. Missional Priority Half-Camperships: were used by 17 children from Ethnic Minority Local Churches as compared to 20 last year.
8. Persons with Mental Retardation: this special week showed a dramatic increase with 93 in attendance as compared to 53 persons one year ago.
9. Mini-Camp: for second grade children proved to be a successful first-time venture. The original model called for two overnight programs for 24 children. However, popular demand called for three events to be held for 75 children. This brief exposure to Pecometh was designed to acquaint prospective campers with the camping program.
10. Cabin Adoption Plan: has served the camp well for ten years and continues to elicit lay and clergy involvement in the camping ministry. Today, 23 out of 28 buildings are under adoption by local churches and there is a waiting list.
11. Hayrides: became a regular evening activity this summer due to the purchase of a large hay wagon.

12. Christian Education Sunday Offering: totalled \$11,412.65, the highest income in the 18-year history of this special offering for Camp Pecometh.

13. Camp Usage: rose dramatically again this year, showing an increase of 1,975 campers over the previous year. Camper days likewise revealed an encouraging increase of 3,088 over last year.

Year	Campers	Camper Days
1983	4,492	11,807
1984	4,862	13,655
1985	6,201	15,793
1986	8,176	18,881

14. Promotion: the Camp Director/Manager brought the "Pecometh Story" to 1,562 persons in 23 church groups across the Conference, driving 1,421 miles.

15. Financial Status: the end-of-year report for 1986 indicated favorable balances of \$12,015.86 (Operating Budget) and \$11,277.90 (Specialty Budget).

Certification: by the National Certification Board of the American Camping Association was awarded for the second time to our Camp Director/Manager for having fulfilled the necessary requirements in administration, continuing education, and professional involvement in the camping field. Dr. Simpers is one of 230 camp directors who has been awarded certification out of a total of 2,607 camp directors affiliated with the ACA.

17. Continuing Education: the Camp Director/Manager participated in seminars and workshops at the ACA Convention held in Kansas City, Missouri, and the Fall Management Conference and Societal Issues Seminar held in Hyannis, Massachusetts. In addition, he was awarded the Doctor of Ministry Degree from the Theological Seminary of Drew University. His project was entitled, "Increasing Ethnic Involvement in Christian Education Outdoors."

18. The Board of Directors: replaced the Camp Committee for Camp Pecometh and is accountable to the Conference Council on Ministries.

19. The Feasibility Study Report: by Church Development Center, Inc. was received August 8, 1986, projecting a Conference-wide fund raising campaign to begin in 1988.

20. Camp development: is an ongoing process.

**Committee on Communications**

Someone once said, "If change is such a good thing then why is it so hard?" 1986 has been a year of change for this committee.

This has been the first full year for the Associate Council Director for Communications, Susan Keirn Kester. Her leadership has literally catapulted us into the 20th-century communications media, forcing our Conference to reassess its usage of the methods used to communicate the Gospel of Jesus Christ to a busy and fast-paced world.

The Rev. Raymond Hopkins resigned his position as Chairperson of the Communications Committee after a very successful term of six years. His leadership and vision "set the stage" for the strides that we have made this year -- Thanks Ray for all of your efforts!

I was appointed as Chairperson by the Conference Council on Ministries and, in turn, several new committee members joined the communications team.

The greatest change, however, is a conscious and deliberate decision by the Council on Ministries to not just rely on the printed media, The Communicator for the most part, to communicate the message of the Conference and its churches, but to take decisive and bold steps utilizing television, radio, outside billboards, and secular press to spread the Gospel of Christ.

The Communications Committee is excited and enthused as we enter the new year. We stand ready to provide leadership and direction for our universal Christian task of discovering and using new and innovative ways to share the truth of God, Jesus Christ.

## **Council on Family Ministries**

In order to help churches who want to strengthen and support families, the Family Council continued to review and preview parenting resources during 1986. Several churches used and liked the video-based parenting program, **Active Parenting**, available in the Conference Office. A new video series called **Parenting: Growing Up Together** was reviewed and purchased in March 1987. It is a six-session series that uses the insights of more than two dozen parents and children to provide hope, support, and practical advice for improving the quality of life and relationships within families. The separate sessions explore such questions as "How can we help our children grow up to be honest, caring, and responsible adults? How can we talk about deep concerns and discuss 'tough questions' within our family? How can a problem be turned into an opportunity?" **Parenting: Growing Up Together** offers six exciting programs which show us not only how we can be better parents but how in the process we can continue our own growth. Because each session is 20-22 minutes long, the series will be suitable for adult Sunday school classes. There will be a preview of the whole series for interested Family Coordinators on a Saturday in June.

Families need to have fun together, too. Last year's United Methodist Family Day at King's Dominion was a big success. Over 600 persons from the Peninsula Conference joined thousands of United Methodists from the Baltimore and Virginia Conferences to scream and yell on rides, to eat, to sing, and just to enjoy themselves on the second Saturday in May. It was such a success that Baltimore Conference invited us to go along with them again this year on Saturday, May 2.

Family ministry deals with many different concerns. In 1988, the Council hopes to work more specifically in the area of single parent families.

Liz St. Clair  
Family Life Coordinator

### **1988 Program Objectives**

Each year we plan one major event for families and family-life coordinators.

Each year we add family resources to the Conference Resource Center as new resources become available.

## **Council on Children's Ministries**

During 1986, the Children's Council was involved in several leadership activities. Mission for Sierra Leone was encouraged by mission packets prepared for children; leadership training for local church leaders was presented on each district as part of the Conference-wide training event; support was given to send a council representative to the Rally '87 Sunday School Extension Conference in Houston, Texas.

Cynthia Quillen  
Chairperson

### **1988 Program Objectives**

- To recruit and financially support participants to attend the

General Church Conference on Children's Ministries planned for summer of 1989.

- To provide resources on areas of need relating particularly to Children's Ministries for use by local churches.

#### Council on Youth Ministries

The Council on Youth Ministries is still plagued by a lack of continuity that continues to hamper it as a viable organization for the planning and carrying out of ministries for/by youth. In spite of all this, there have been opportunities provided for youth and adult workers with youth.

The Conference year began with a retreat at Camp Pecometh. This was small but enthusiastic and helped identify some persons interested in youth ministry.

Christi Johnson and Nancy Walker participated in the Mission of Peace to the Soviet Union. Stephen Huston and Karen Rigglesman have been selected to participate in that program in April 1987.

Seventeen youth and adult leaders of youth attended the Northeastern Jurisdictional Youth Convocation at Albright College in the summer. This group was formed into a planning team for a Conference-wide youth weekend.

The weekend was spent at Salisbury State College. The event, planned for 150 people, doubled that expectation. With the cooperation of the college, David Burke, the retreat leader, and efforts of the leadership team, this most inspiring event is already evolving into an annual event. Our 1988 event will be at Salisbury State College in January.

There seems to be more interest in and more enthusiasm for youth work than there has been for the past fifteen or so years. There is a genuine need for help in training both youth and adults for youth ministry in the local church.

Herman Lipsius, working as the Youth Service Fund Coordinator, has helped the Conference to increase its Y.S.F. contribution from \$138.00 in 1985 to \$1,058.00 in 1986. Working with Innisbrook Company, local U.M.Y.F. groups have earned about \$7,500.00 for their own groups as well as made contributions to the Y.S.F.

The Youth Council, as such, has not functioned; interested persons are making youth ministry a reality.

Charles E. Barton, Jr.  
Conference Youth Coordinator

#### 1988 Program Objectives

- 1) A Conference-wide rally for Youth (approx cost \$1750 based on 1986-87 experience.
- 2) A four-District meeting with Youth leaders and youth to offer help for local church youth programs.
- 3) A request for assistance by the Cabinet to make this a priority in each district and to assist in the selection of leaders to form a conference-wide council on youth work.
- 4) Participation in one Jurisdictional event. (cost = travel, registration, and lodging)

## **Cross-Racial Appointments Task Force**

The Cross-Racial Appointments Task Force has met several times in 1986, spending much time on two of the major items of our responsibility.

Following the meetings of the District Superintendents and the selected churches on each district - a meeting of the Task Force was held where the District Superintendents reported on those meetings. Following a lengthy discussion, it was decided that a sub-committee of the Task Force be appointed to look at the procedures for selecting and preparing congregations for Cross-Racial Appointments. At the next meeting of the Task Force, a revised procedure was brought back to the Task Force for consideration. That revised procedure was then discussed with the Bishop and Cabinet by the Chair of the Task Force and by the Wilmington District Secretary of the Commission on Religion and Race, who is also a member of the Task Force. Following that meeting, the Commission on Religion and Race prepared a recommendation which included another direction than that recommended by the Task Force. As of the writing of this report, those two recommendations are on the agenda for the next meeting of the Task Force and some decisions will be made about the procedure for selecting and preparing congregations for Cross-Racial Appointments.

The First Professional Growth Seminar was held at Drayton Manor in October, and a report of that seminar is in the report of the Board of Ordained Ministry.

The Task Force accepted a recommendation of the Commission on Religion and Race - that a group of editors be appointed who would prepare, or secure other persons to prepare, articles for The Communicator, which would discuss the issues of Cross-Racial Appointments.

A member of the Task Force, who is also a member of the Commission on Religion and Race, attended the national seminar for District Superintendents on pastoral exchange. The Reverend Mr. Dale Lantz prepared a report for our Task Force and the Commission on Religion and Race and that report is available.

The minutes of the Task Force and all the reports prepared are in the hands of all the members of the Task Force. If anyone would care to read the reports or the minutes of the meetings, please contact either the chair or any member of the Task Force.

### **Drayton Manor**

The end of 1986 marked the first four months of the Drayton Capital Endowment Fund Campaign. I begin my report with that fact because, while there is much to report about Drayton, the crucial fact is what will be the result of the Capital Endowment Fund Campaign. While the future of Drayton is not yet determined, there are good signs.

Over \$200,000 was on deposit as we moved into 1987. Eleven thousand of that amount was in the Endowment Fund and \$190,000 in the New Building Fund. The addition of \$21,000 in pledges by members of

the Board of Directors brings the Building Fund to \$211,000 of the \$750,00 goal.

There was also good news in that a contract for \$80,000 had been taken on Lot #3 (the six acres furthest from the entrance and adjacent to the LaMotte property; this land was a problem lot because of its scant building area and steep terrain). With the income, after expenses from this sale, the Endowment Fund would reach \$80,000 of the goal of \$250,000. Two choice 3-acre lots remain on the market at the time of this writing for \$115,000 each; with their sale, the Endowment Fund would swell to over \$300,000, exceeding the goal. We are optimistic about the sale of these lots because they are choice lots and two of only several that exist in Kent County.

A strategy has been implemented to raise the remaining \$550,000 of the Building Fund goal: a) We will continue to pursue large donors: individuals, corporations, and foundations (we are in a cultivation process - getting started at the end of 1986 placed us in a position to not be included in most budgets already allocated for the year). b) We have developed a list of individuals whom we intend to contact in the spring of 1987, seeking to secure pledges over a three-year period from at least 500 units from this list.

We have also initiated a relationship with the Baltimore Conference. A fund-raising committee is working there, chaired by Ken Jones, a recently retired District Superintendent who is at work with the approval of the Bishop and leadership team of the Baltimore Conference. We are interested in involving the Baltimore Conference more deeply in the life of Drayton Manor, trying to secure an area of support for the programs and use of Drayton which would strengthen its position, particularly if we are successful in securing the funds to add a new building which would double our capacity to accommodate groups and individuals. We hope to eventually add six members to our present Board of Directors representing the Baltimore Conference in order to foster a more meaningful involvement in the development of the programming at Drayton. We do not propose adding such persons at this time. We have a cohesive Board now and it does not seem wise to add new persons until we have worked through some of the formative stages. We are speaking of conceptual, hands-on involvement which has to do with people feeling part of a process, not legally involved in ownership. This matter will be pursued with the CCOM Executive Committee and the Conference Council so that we have some clear direction as to the involvement of the Baltimore Conference.

Many positive things are going on at Drayton. Our seminars are going well; usage is significantly higher.

The income picture at Drayton is stable. We ended the year in the black with surplus funds even after we had made major improvements which include an entirely new water line and filter system which should correct the problem of water at Drayton in a permanent manner. We continue to try to bring Drayton into first-class condition. Improvements that were achieved during 1986 were that the Bell House roof was replaced, rugs for the Bell House and West Wing, repair of the East Wing steps, kitchen equipment, new carpet in the Manor House, showers in all the rooms in the Manor House, new double beds were placed in nine rooms, the tennis court was resurfaced, and the swimming pool repaired. These improvements cost approximately \$11,000.

In addition, we were able to provide scholarship help in the amount of \$3,500 to individuals, to the Board of Ordained Ministry, the Division of Worship, and Wesley Seminary students. As we look to 1987, we have more than \$30,000 in carry-over funds which have been

designated as follows: \$5,000 will be used and available for scholarships to individuals and Boards and agencies of the Church; we intend to move the secretary to a full-time position in the spring of 1987, which will add more stability and continuity to the office and management of Drayton; the Bell House roof will be finished; there will be additional paving of driveways; an additional bathroom will be installed on the third floor; reupholstering of the East Room furniture is in process; landscaping and a new tractor for mowing. These items will bring Drayton closer to the kind of condition we need to have to properly entertain our guests.

It is hard to describe the dedication of the Board of Directors who have served at Drayton - twenty individuals who have given over the last year and a half, hundreds of hours of their time. Their dedication to the task has made our report of progress thus far possible. I take this opportunity to thank each of them individually for their commitment to Drayton. I also add special thanks to our Drayton staff, our Resident Director, our secretary, cooks, waitresses, housekeeper, and maintenance workers and volunteers who are all giving as much as they can to make Drayton work.

As a Board, we believe that Drayton has a great future and a significant one in the Peninsula Annual Conference. That is not news to any of you; you've heard us say that before. We hope to make a visual and written report to the Annual Conference in May of 1987, which will give a picture of where we are headed and whether or not it seems possible that we will reach our goal for the Endowment Fund and the New Building Fund.

We are pledged to reduce each year the amount of money we ask for subsidy from the Annual Conference. We began in 1985 with a figure of \$42,000, given by the Peninsula Annual Conference. In 1986, that figure was reduced to \$35,000. In 1987, the figure will be \$28,000. We have requested only \$15,000 for 1988 and we expect to request no funds from the Annual Conference in the budget of 1989.

We are on target at Drayton, financially, programwise, shoring up our facilities, and making long-needed improvements. Many more people are using Drayton and are being inspired by its presence. Our Open House introduced several hundred people to Drayton for the first time in most cases. We are excited. Things are happening but as I started the report, so I finish it.

The future of Drayton is not definite. It is optimistic. The next few months will indicate whether or not we can find individuals who are willing to invest in this dream and make it a reality. We do believe that Drayton must make significant changes in its facilities. The new addition which will add a new dining room, meeting rooms, and nine new guest rooms is strategic. It will house an elevator which will make for better access to the building. The new wing will return the Manor House to proper use, instead of the awkward arrangements that often have to be made for eating, meeting, and overnight accommodations. We need all of your help and we appeal very directly for that. We have kept our promise - we have not made appeals to individual churches, we have not used any Conference lists to solicit, we have merely kept our story before you. This is another opportunity and we hope that you will want to be part of Drayton's success story; if you believe in Drayton, now is the time to respond.

Robert P. Whitlock  
Chairperson, Board of Directors

James R. Morgan  
Resident Director

## 1988 Program Objectives

Continuing Education - Realizing that one of the primary objectives of Drayton as a Conference Retreat Center is that of providing education for the clergy and lay persons of this area, we will increase our effort to foster more attendance and diversification of the program of Drayton; knowing that it should reflect the pluralism of the Annual Conference, securing the best leadership possible.

Goal: To establish 24 seminars during 1988 (a 10% increase over 1987).

Method: Active leadership by the Continuing Education Committee working with the Resident Director and seeking input from members of the Annual Conference.

Facilities - The long-range future of Drayton is tied directly to our ability to renovate and add to the facility.

Goal: The improvement of the facility by addition of a new wing which would include a new dining area, meeting rooms, and new guest rooms. We also want to improve access by the addition of an elevator. Such improvements would return the Manor House to its intended and natural use and to effectively house two groups at one time.

Method: An aggressive Capital Funds Campaign to enlist 500 persons, or families, to make annual gifts over a three-year period, this to be secured by May of 1988. It will be coordinated by the Finance and Property Committees of the Board of Directors.

Finance - We are on schedule in meeting the Conference mandate to eliminate Conference subsidies by 1989. This would move the Conference subsidy from \$42,000 in 1985, to \$35,000 in 1986, \$28,000 in 1987, \$15,000 in 1988, and no subsidy in 1989.

Goal: To establish an Endowment Fund of \$300,000 through the sale of the remaining lots by 1988.

Method: To be carried out by the Finance and Property Committees of the Board.

Ethnic Minority and Local Churches Priority - We intend to continue to involve more ethnic minority churches and pastors in the use of Drayton and participation in the Continuing Education Programs. We have made progress in each of the last two years. We will intend to seek progress again in 1988. The primary method is personal contact by the Resident Director.

Local Church Use - Dealing with the reality that there are few 'open' weekends available because of the increased usage of Drayton, but knowing that the addition of a new wing will strategically provide the possibility of doubling the usage on weekends, we intend to continue our campaign to interest local churches in having spiritual renewal weekends, planning seminars, and fellowship occasions at Drayton.

Week-day Use - Recognizing that one key to the financial stability of Drayton is directly related to the increased use of Drayton during the week, we will proceed with an aggressive development of week-day use.

Goal: To increase our week-day use by 30% in 1988.

Method: An active Marketing Committee approach through mailings, contacts by the Director, and the possible use of a marketing agent.

Scholarship Aid - We will offer \$5,000 in scholarships to individuals, local churches, and Conference boards, and agencies.

General Knowledge of Drayton - Being aware that the majority of United Methodists in the Peninsula Annual Conference, lay and clergy,

have never actually experienced Drayton, we will make increased efforts to bring persons and churches to Drayton.

#### **Missional Priority Coordinating Committee**

The Missional Priority Coordinating Committee has worked diligently to empower and enable Ethnic Minority Local Churches for witness and mission. It has also worked persistently to enable Ethnic Majority Local Churches (white churches) to embrace Ethnic Minority Local Churches.

It has sought this by working intentionally in the previous Conference year to develop a Comprehensive Plan for EMLC. The purpose of this plan is to enable the Peninsula Conference to be intentional about ongoing support of EMLC beyond 1988 when the Missional Priority of EMLC is no longer a priority.

The Missional Priority has initiated, developed and is ready to implement the District Mission Team Project in which Mission Teams, comprised of ethnic minority and ethnic majority, will work together in a cooperative venture to work with Ethnic Minority Local Churches in a summer project for a period of a month in the program areas of Church School Development, Church and Community Ministries, and Building Repairs.

The Missional Priority has been responsible for funding and facilitating the funding of a number of EMLC projects. Some of these include:

- a) Korean Ministries (school, newspaper, UMYF program)
- b) The Building of EMLC Parsonages
  1. Crisfield - Shiloh
  2. Deal Island - St. Charles
  3. Trappe - Scott's
  4. Cottage Grove - John Wesley
- c) Church & Community Ministries  
Mt. Joy U.M. Church - Wilmington

The theme of the Missional Priority Coordinating Committee has been to enable Ethnic Minority Local Churches for witness and mission by moving them out of a survival fund-raising mode. With the joint efforts of Special Ministries and the Commission on Religion and Race, the Missional Priority Coordinating Committee is accomplishing its task.

##### **Proposal/Evaluation Committee**

1. We plan to fund the projects we funded last year providing they meet the E.M.L.C. guidelines.

2. We will help coordinate funding for approved projects and seek sources of funding, some possible sources being:

General Board of Global Ministries  
Conference Board of Global Ministries  
National Division, General Board of Global Ministries  
General Commission on Religion and Race  
General Board of Discipleship

3. We will evaluate the present projects funded in 1986 to see if the recipients of the funding have reached their goal.

Spiritual/Cultural, Promotion/Cultivation Committee

1. Develop MPCC-EMLC District Rallies for Interpretation of the Missional Priority.
2. Develop a Convocation on EMLC for Interpretation purposes.
3. Be intentional about seeking and identifying churches that would participate in joint spiritual adventures such as youth activities, Vacation Bible Schools, spiritual retreats, etc. (Recommend this to the Youth Council).
4. Have Special Ministries Consultants assist Ethnic churches in developing short-term and long-term goals as they relate to churches' mission in Evangelism, Stewardship, and Christian Education.

General Goals

1. To continue to monitor program goals for the Conference Boards and Agencies to determine appropriate programs for advocacy by Missional Priority Committee and to determine areas in need of program development.
2. To work with existing boards and agencies and if necessary refer program needs of the EMLC to insure the fullest involvement of every area in the Missional Priority.
  - a. To identify effective models of youth evangelism and programming in EMLC and advocate their implementation - to encourage revival of semi-annual district youth events and Annual Conference Youth Rallies. (Refer to Youth Council and have our committee monitor Youth Council on this goal).
  - b. To advocate participation by EMLC's in laboratory schools for teacher training. (Refer to Division of Education and have this group monitor Division on this goal).
  - c. To review models for changing the understanding of commitment to stewardship that are appropriate to the EMLC. Division of Stewardship has this as a goal. (Monitor this goal).
  - d. To review existing programs of Evangelism and Church Growth that are specific to the EMLC, or can be adopted by EMLC.
3. Assist EMLC in adopting a mission statement based upon a needs assessment.
4. Continue to advocate the development of charge-wide agencies such as: Charge Council on Ministries or Administrative Councils.
5. To support and advocate the African Church Growth Priority.

6. To develop and implement the District Missional Priority Team Proposal.
7. To continue to emphasize and provide support for the consultants beyond 1988.
8. Encourage churches to be specific in dealing with church and community development.

#### **REACH**

For the past four years, REACH has been the Peninsula Conference Comprehensive Mission/Stewardship Program. The program has enabled small and large Ethnic minority and Ethnic majority churches to be in mission and ministry.

As REACH reaches its culmination point, we have been able to move from the reaching mode to an embracing mode by not only sending our money, but sending people. The missionary visit to Sierra Leone by Curt Knepp and Judy Kraut enabled local churches of the Peninsula Conference to embrace other people of other cultures and heritage.

Local churches supported James Karmbor and family, while a student at Wesley Seminary, and were able also to provide adequate plane fare on his return to Liberia where he can continue to be in ministry and mission. Conference projects, such as Camp Pecometh, Special Ministries, and Neighborhood House were supported. Other projects sponsored by the local church, such as Crisis House and the Hispanic Outreach Worker Program were also supported well.

Many thanks go to the Peninsula Conference Churches who have supported REACH in its mission and ministry.

Vaughn A. Johnson  
Staff Representative

#### **Special Ministries**

Special Ministries is the particular program area of the Peninsula Conference that has the responsibility of resourcing the Ethnic Minority Local Church. EMLC in the Peninsula Conference is inclusive of the Native America, Asian American, Hispanic, and Black American Ethnic groups, with Black American being the largest.

Special Ministries has worked very closely with the Missional Priority Coordinating Committee providing resources for EMLC. It has done this in the previous Conference year by doing the following:

- a) Helping EMLC to assess their mission and ministry in order to provide funding of program and building proposals.
- b) Helping EMLC to write mission statements to discover their purpose and reason for existence.
- c) Developing saturation events for EMLC in planning and developing ministries.
- d) Providing stewardship leadership workshops to help EMLC move out of a survival fund-raising mode to a mission-minded mode.

Special Ministries Consultants continue to provide leadership in resourcing EMLC along with the Special Ministries Director. We are

excited about the leadership of the consultants: The Rev. Grant Johnson, Consultant of the Salisbury District, The Rev. George Commodore, Consultant of the Easton District, The Rev. Janet Harmon, Consultant of the Wilmington District, and the Rev. Hayward Greene, Consultant of the Dover District.

Through their untiring efforts, three new ethnic parsonages were built. They include: Shiloh Parsonage in Crisfield, MD, Deal Island Parsonage in Deal Island, MD, and Scott's Parsonage in Trappe, MD. Also, the merger of three Ethnic Churches of the St. Daniel-Wittman, McDaniel Charge was facilitated. The Special Ministries Consultants worked in the special ministries direction to solicit over 15 EMLC lay and clergy persons to participate in Rally '87, in Houston, which was funded by the Missional Priority and Division of Education. These consultants were also instrumental in helping to provide Ethnic minority leadership in Conference-wide events, such as the Conference Youth Rally and the District Mission Team Proposal.

Vaughn A. Johnson  
Director

#### 1988 Program Objectives

- a) Provide leadership resources through retreats and saturation events.
- b) Help EMLC to resource mission and ministry by providing funding resources for program and building proposals from Conference and the General Church.
- c) Continue to implement the Mission Team Proposal.
- d) Assist Missional Priority in the implementation of the Comprehensive Plan.
- e) Continue to deploy four Special Ministries Consultants to assist the Special Ministries Director in the resourcing of EMLC.

#### BOARD OF CHURCH AND SOCIETY

During this past year, the Board of Church and Society gave monies to aid the following continuing projects: Pacem in Terris, Yokefellows Prison Ministry and the Smyrna Prison Bus Ministry, for youth from our Conference to participate in the N.E. Jurisdiction Youth Tour of the Soviet Union, and for a person to attend the National Convocation on Racism.

This was a transition year with two important changes occurring. First, the Board of Church and Society was re-organized into five action areas to reflect more faithfully the General Board of Church and Society. Each of these five areas has a coordinator or co-coordinators who keep the Board informed as to what concerns or issues we should address. These areas and their coordinators are: Peace with Justice, Charles Walter; Human Welfare, Harold Walton; Economic Justice, Ronald Bell; Environmental Justice, Tom Edwards/Richard Green; Human Rights, Ruth Laws.

A new president was elected to replace The Reverend Robert Price who had served so ably in that capacity for six years. We wish to

thank Bob publicly for his stellar leadership in building up the Board as a strong voice exerting a positive influence on the life of the whole Annual Conference in this enormously important sphere of Church and Society.

I took over as the new president in January, 1987. I wish to thank the Board for sending Susan Kester and me to St. Louis for a conference planned by the General Board entitled "Making the Connections." It was a perfect experience for entering this new task.

I close with these words of the Psalmist: [We seek that day when,]

Steadfast love and faithfulness will meet;  
righteousness and peace will kiss each other.  
Faithfulness will spring up from the ground,  
and righteousness will look down from the sky.

Phillip Bosserman  
President

To support Pacem in Terris, an ecumenical organization dedicated to the cause of peace with justice, serving Delaware and the Eastern Shore of Maryland.

#### 2. EMLC Youth Training

To send at least two minority youth from this Conference to the training program in Washington, D.C., summer, 1987.

#### 3. EMLC Workshop: People in Crisis

To educate church members of the Conference about the root causes of minority peoples in crisis and what solutions we can adopt.

#### 4. Smyrna Prison Bus Ministry

To assist the financing of this ecumenical program sponsored by DEA which pays the bus fare of families with loved ones in the Delaware State Prison who cannot afford the cost to visit them.

#### 5. The Farm Crisis

To develop an awareness of this crisis among the Conference church members and to explore ways of addressing this increasingly acute problem for the whole peninsula.

#### 6. Impact Network

To link with the Impact Network, an ecumenical legislative alert service. The purpose would be to enable our Conference members to become more involved in the issues of church and society.

#### 7. Peace with Justice: In Defense of Creation

To make the Bishops' Pastoral Letter a basic document in the life of every local church.

## BOARD OF DISCIPLESHIP

The role of the Annual Conference Board of Discipleship is to provide for the connectational relationship between the General Board of Discipleship and the Conference, district and local church. The Board members and staff identified the following areas of ministry for which we provided resources and services: Evangelism, Church School Development, Strengthening the Ethnic Minority Local Church, Curriculum Resources, Worship, Developing Devotional Resources, Education for Christian Living, Stewardship, Age-Level and Family Ministries, and Leadership Development and Training.

The Board of Discipleship finds a need to grow spiritually in understanding and interpreting its role of helping in the calling, nurturing, educating, and equipping of persons in the local church. Building on the thrust of "Offer Them Christ," we will attempt to help congregations make disciples of the "people in the pew" while reaching out to and receiving others even those with whom we are unfamiliar or uncomfortable. To accomplish this, we must develop strategies to change attitudes about discipleship in our Conference, provide opportunities for inclusive worship experiences shared by/among the diverse people of United Methodism on the Peninsula, with special emphasis on E.M.L.C., and utilize resource persons from the E.M.L.C. communities for developing others in the discipleship leadership roles.

On November 7-8, 1986 at Drayton Manor, the Board held a planning retreat for the 1988 program and budget at which time we developed our direction and goals as a unified board rather than as divisions. Many of these goals represented a continuation or development of existing programs of the Board of Discipleship. Others represented our response to expressed needs not currently being met. For example, the process of disciple-making initiated by "Offer Them Christ" is to be further developed. We are proposing "To Grow As A Teacher: A Strategy For Disciple Making." We plan to see the development of a chapter of the Fellowship of United Methodists in Worship, Music and Other Arts as a practical strategy to resource the worshipping life of our churches. A variety of focused stewardship workshops will be aimed at particular needs of churches in this area and a workbook on evangelism for use in the local church has been proposed.

I want to express appreciation to the Division Chairpersons: Robert O. Wallace, Evangelism; Paul R. Bauer, Education; Richard L. Allen, Worship; and Michaele S. Russell, Stewardship. The staff, Harvey Manchester, Jr., James R. Morgan, and Vaughn A. Johnson, have been most helpful as well as Consultants, Doris Phillips and Elizabeth St. Clair, and Children's Coordinator, Cindy Quillen.

### Division of Education

The Division of Education has had a Spirit-filled year. Our Lord has truly been alive in the educational ministries of our Conference and churches. It has been a great privilege for me to be a part of this work.

For the first time, we now have an intentional plan for training church educators. We have developed a three-year program for helping teachers and administrators to grow in their skills and faith. The

program "To Grow As A Teacher" will be introduced during 1987-88 and will prove to be a benefit to our churches.

During 1986 we have met with 17 sub-district groups throughout the Conference to discover needs, get to know those persons working in education and to talk about building more effective church schools. The information gathered from these meetings is helping us in our future planning.

We have discovered a need to be a resource for professional Christian Educators and the churches employing them. So the Division is developing a model to provide support to these persons in our Conference. We are also working with the Board of Diaconal Ministries to supply guidelines for churches in order to have a quality relationship with their D.C.E.'s. This should be completed during 1987.

The Delmarva Ecumenical Agency Resource Center and the Interfaith Lay Academy continue to be supported in their fine work to help churches work together in ministry.

There have been a number of events which we have sponsored during this year that I would like to tell you about. In June, we planned a spiritual life retreat for educators at Drayton Manor under the leadership of the Rev. Jonathan Baker. Unfortunately, due to a lack of registrations, we had to cancel this event. We do hope to try again in the future.

In August, we conducted our annual teacher training workshops to prepare teachers to begin in September. There was good participation throughout the Conference and the leadership was superb.

An Area Education Event was held in Annapolis in September in cooperation with the Baltimore Conference. The Rev. Dick Murray from Perkins School of Theology provided the dynamic leadership for the all-day experience. Another event is being planned for 1988.

A Festival of Music Workshop was held in November to better equip teachers in the use of music in the church school. It was so enthusiastically received that another one is now in the works.

The final event has been Rally '87 in Houston, Texas. The actual event took place in January of 1987, but there was a great deal of advance preparation needed. Twenty-seven persons from our Conference participated in Rally '87. The theme was "Strengthening the Church Through the Sunday School". Working with the EMLC Coordinating Committee, we were able to identify many new persons for this event. This whole contingent will form a task force within our Conference using the training they received in Houston.

Lastly, I would like a word with you about our Education Consultants. This is a ministry begun several years ago and has grown more than we ever hoped. Doris Phillips and Liz St. Clair have worked with 22 different churches/charges in 1986 of which 1/3 have been EMLC. They report that due to their work, and the commitment of the persons in these churches, attendance has increased, new classes formed, and a new level of enthusiasm discovered. Sometimes it is difficult to meet all the needs of a particular church, but these two Consultants are showing that what once was thought impossible, really can happen when God's at work.

We praise God for his special gift to us in the person of Harvey Manchester. Through his skills, care, and energy, Harvey has

provided excellent leadership not only to the Division of Education, but to the entire Board of Discipleship.

Paul R. Bauer  
Chairperson

#### Division of Evangelism

Creating a new awareness of the importance of evangelism in the life of each local church on the Peninsula has been the major thrust of the work of the Division of Evangelism this past year. We have set into motion the good notion that evangelism is not a peculiar activity for unusual people at special times. It is a normal activity for all the church members all the time.

To help local churches become more aware of the role of evangelism in the regular week-by-week ministry, a plan was adopted at the 1986 Annual Conference that would give a special emphasis to the work of evangelism through a disciplined movement of preaching, teaching, and reaching. This movement is called "Offer Them Christ".

Our total efforts during the year have been directed to the planning stages of "Offer Them Christ" which are being placed in motion in the early months of 1987. This movement will be an ongoing work of the churches of the Peninsula and it will not be effective unless adequate follow-up is carried out, not only by the Evangelism emphasis, but by the support of the companion Divisions of the Board of Discipleship, namely Education, Stewardship, and Worship. As Evangelism enlists, the other Divisions must nurture the new converts to Christ.

Evangelism is every possible way of reaching outside the church to bring people to faith in Jesus Christ and to membership in His Church.

To evangelize is to "say a word for Christ" and that, within itself is a privilege, an opportunity, and a sacred trust. The ensurance of the future of the Church depends upon what we do.

#### Division of Stewardship

During the present quadrennium, the Division of Stewardship has maintained a focus on the holistic nature of stewardship in all of life, and primarily as it relates to folks' faith commitment. Our programmatic theme is "Everyone a talent: everyone a task," and our programs have been designed to help the local church realize the truth of that statement. We have also felt a great need to stress the accountability factor involved in living out a lifetime of good, effective stewardship.

The Division of Stewardship has learned that stewardship talk is "shop talk." It's bruises on the arms...and splinters in the hands of folks in everyday life as we live out our commitment to Jesus Christ. In 1986, the Division of Stewardship earned some bruises and splinters as it participated in the following stewardship programs:

- a) We celebrated the birth of the Order of St. Barnabas, an intentional and ongoing Conference-wide Stewardship program. In November, we honored the Charter Members of the Order of

St. Barnabas at a dinner held in St. John's UMC in Seaford, Delaware. The Induction ceremony and program for the evening was written by the Division's Chairperson, Rev. Dr. Michaele S. Russell.

- b) In March, the Division of Stewardship offered Bi-District workshops in stewardship education, located in Cambridge for the Easton and Salisbury Districts, and in Middletown for the Dover and Wilmington Districts. Training was done by LaVon Kincaid, a former member of the Division of Stewardship, Nashville, TN.
- c) Throughout the year, members of the Division of Stewardship have conducted stewardship training workshops in local churches around the Peninsula Conference. The workshops were conducted when requested by a local church.
- d) Two (2) members of the Division of Stewardship participated in the annual NASL leadership training workshops in Nashville, Tennessee, in April 1986.
- e) In August, the Division of Stewardship met at Drayton Manor for a day of reflection and evaluation regarding the work of the Division. It was a day well-spent!
- f) We have been in dialogue with the Section on Stewardship Board of Discipleship in Nashville, Tennessee, regarding the Order of St. Barnabas. They have used our program as a resource for other Annual Conferences who are seeking intentional stewardship programs.

Again this year, the Division of Stewardship is happy to report that a large percentage of the local church workshops offered by the Division have been conducted in EMLC churches upon their request. The Division of Stewardship has also continued the practice of mailing stewardship resources and information to those churches who have made requests.

Michaele S. Russell  
Chairperson

#### Division of Worship

The Division of Worship had a change in leadership during the year. Although Alfred Taylor is remaining a member of the division, he found it necessary to turn over the chair position due to other responsibilities. Richard Allen consented to serve as Chairperson, and Laura Martin is serving as Vice-Chairperson.

The theme for Annual Conference in 1986 was "Catch the Spirit." Judy Loehr was invited as our special guest song leader and led the Wednesday and Thursday morning worship services. She also sang at the Laity Banquet. Richard Allen was organist for the services. Families of deceased members were sent a special letter of invitation to the Memorial/Communion Service prior to Conference. They were met upon arrival by members of the Worship Division, and were seated together in a reserved section for the service. Arrangements were made for flowers and there were three banners displayed during sessions - a banner on the Ethnic Minority Local Church, "Catch the Spirit," and one on Camp Pecometh. A problem was created when it became necessary to change the location of the Memorial/Communion Service to Delaware State College, but the transition ran smoothly.

There were four Celebration of Praise Services held during 1986. These services, planned jointly with the Division of Evangelism, were held on each district. The host churches were: Wesley Temple in Salisbury, Mt. Olivet in Seaford, Aldersgate in Wilmington, and Christ Church in Chestertown. It was felt that these services fulfilled the intent of generating a spirit of evangelistic praise.

A laity retreat, "Invitation to Discipleship," was held at Drayton Manor on October 17-18, 1986. David Kerr from Nashville led the retreat, which trained laity in the four characteristics of discipling: Reaching & Receiving, Relating, Nurturing & Empowering, and Sending.

One of the main goals for the Division of Worship is to specifically equip a pool of persons as leaders. This training basically takes place at the Jurisdictional and National FUMWMOA meetings (Fellowship of United Methodists in Worship, Music, and Other Arts). Three members from our division attended the Jurisdictional FUMWMOA at Lycoming College in August. It is anticipated that members will attend the National Convocation of the "Fellowship" in Knoxville, Tennessee, August 2-8, 1987. Continuing Education funds are used to help sponsor attendance at the Jurisdictional and National meetings.

Our Division continues to plan leadership training and to maintain effective material resources in the worshipping community.

#### **BOARD OF GLOBAL MINISTRIES**

In 1986, the Board of Global Ministries met four times to pursue its goals as set forth in our Book of Discipline and as determined by its several committees in 1985. The main concerns were concentrated in the areas of mission, education, and the strengthening of local churches through grants and loans for new church construction or building improvements. Details follow in committee reports.

The Board, through its newly-organized district committee, is more closely supervising the activities at its summer ministries church at St. Matthew's-by-the-Sea in Fenwick Island. New bulkheading was installed in 1986 at a cost of \$15,000, and other general repairs were made. The Rev. Howard Ketterman is now serving as the committee's coordinator for St. Matthews, and the Board expresses sincere appreciation for his dedicated management there.

Attendance at Board meetings continues to be good, which expresses the interest and concern of our members in successfully working toward improving situations so that our United Methodist Church may improve its mission and ministry on the peninsula. My sincere thanks to all Board members and Committee Chairpersons who so selflessly give of their time and energies toward this cause.

Virginia Clendaniel  
President

#### **Secretary of Global Ministries**

In fulfilling my responsibility as Conference Secretary of Global Ministries, I have visited in each district, speaking to churches, United Methodist Men, United Methodist Women, college-age young adults, youth, and children. I have assisted in District mission fairs and taught workshops on missions at the local church and district levels. I have attended jurisdictional meetings and promoted missions through letters and articles. I have arranged the itineration of six persons in mission during the year. I taught a course for the Conference United Methodist Women's School of Christian Mission.

Garry O. Parker  
Secretary

#### **Committee on Education and Cultivation**

The Committee on Education and Cultivation has carried out its tasks during this past year through providing new audio-visuals for the Conference library, keeping missional concerns before the Conference through promoting REACH, Advance Specials, and special offerings. We have assisted districts and local churches in mission interpretation of missionaries. Persons in mission from Zaire, Sierra Leone, Pakistan, India, Brazil, South Africa, Burundi, and Native American ministries have spoken in our churches. We have provided scholarships for ethnic minority and majority youth to the UMW School of Christian Mission.

Garry O. Parker  
Chairperson

## Hunger Task Force

During the past year, the Hunger Task Force fulfilled its task in a number of ways. We made presentations to District Ministers and Mates meetings, local churches, and to Annual Conference Session. We used the Coordinated Mailing to circulate copies of UMCOR materials, and other hunger resources for education and worship. We presented articles in The Communicator on hunger needs and advocacy issues. We held conferences on hunger with resource people from Bread for the World and UMCOR, and participated in a Delmarva Food Conference. We are thankful that the number of churches giving to UMCOR has increased, although our giving decreased from its all-time high in 1985. Hunger is increasing and our churches need to continue to address the issue and find solutions.

Doris Phillips  
Coordinator

## Division of Health & Welfare

My first official act upon becoming Chairperson of the Division of Health & Welfare in February was to attend the annual convention of the United Methodist Association of Health & Welfare Ministries held in Denver, Colorado, March 1-5, 1986. It was a great privilege to be present at this convention and witness first-hand special awards presented to two members from our Peninsula Conference. Mrs. Ruth Faust received the "Individual Volunteer of the Year" award for her untiring work at the Methodist Country House in Wilmington, Delaware. The Rev. Mr. Richard C. Stazesky, President of Peninsula United Methodist Homes, Inc., received the "Affirmative Action Award of the Year". I was very proud to be present at this national event and share in the achievement and accolades for two of our Conference representatives. Congratulations to Mrs. Ruth Faust and the Rev. Mr. Richard C. Stazesky!

The major emphasis of the annual convention in Denver was the official introduction of the EAGLE program: Education Assessment Guidelines Leading toward Excellence. The United Methodist Church no longer operates a certification program for United Methodist-related agencies. As a result of this action, the United Methodist Association of Health & Welfare Ministries has developed the EAGLE program. The EAGLE program is a voluntary self-assessment and educational approach utilizing principles and goals. The major emphasis of this program is on self-assessment and peer review evaluation of the Christian mission and ministry of health and welfare organizations rather than focusing on a detailed analysis of operational activities. I was trained as a Peer Review Consultant.

The EAGLE has been developed for the following purpose: "To provide a voluntary program that will promote, pursue, and recognize excellence in Christian ministry and mission that is holistic to persons through member organizations of the United Methodist Association of Health and Welfare Ministries."

The Division of Health & Welfare continues to support the Board of Child Care. In May, the Division sponsored two bus trips to the Board of Child Care: one originating from the Dover District and one from the Salisbury District. The ministries of the Board of Child Care are more appreciated once a tour of the facilities has been personally experienced. It is gratifying to witness what is being done in the name of Christ for the young people at the Board of Child Care. As a Division, we strongly encourage churches to support the ministry of the Board of Child Care through the annual "Christmas Stocking Offerings."

We are very fortunate to be able to participate in a program of aging ministries which is jointly sponsored by our Division, Peninsula United Methodist Homes, Inc., the General Board of Global Ministries, and the Health and Welfare Department. Ms. Naomi Winchester continues to provide vital and meaningful resources to the clergy and churches to promote their own local ministries to the aging. An excellent resource mailed to all clergy was AGE PAGES, from the National Institute on Aging, U.S. Department of Health & Human Services.

On behalf of the Division of Health & Welfare, thanks for your ministries which bring wholeness and wellness to the people in the churches and communities of the Peninsula Conference.

Robert Lee Harris  
Chairperson

## 1988 Program Objectives

1. To support, in cooperation with Peninsula United Methodist Homes, Inc., and the General Board of Global Ministries, Department of Health & Welfare, the work of the Aging Ministries Consultant, Ms. Naomi Winchester.
2. To support the United Methodist Association of Health & Welfare Ministries through membership and participation.
3. To promote and support the Board of Child Care through the establishment of "auxiliary units" within the Peninsula Conference.
4. To sponsor "Aging Seminars" November 5 & 6, with Dr. David B. Oliver, Professor of Gerontology and Health & Welfare Studies at St. Paul School of Theology, Kansas City, Missouri, as resource person.
5. To survey churches to see how they are accessible to all persons with handicapping conditions; i.e., deaf, blind, mobility impaired, etc.; to provide a consultants' guide to churches for help in making their churches more accessible. Plan to work with the board of Laity for implementation.

### **Board of Child Care**

Through the Board of Child Care the people of the Baltimore and Peninsula Conferences reach out to troubled and abused youth in a special, loving way. We are able to make the difference in the lives of children and youth in the context of our unique ministry. Over 100 years ago this church ministry to youth was conceived out of response to the challenge of Christ to "love one another" and "let the little children come to me, do not hinder them; for to such belong the Kingdom of God." Our challenge today is to build upon that rich and caring heritage of Christian love.

We accomplish that by providing skilled, loving and strong leadership and support for the on-going ministry of our Child Care Center. This ministry includes residential care for 60 youth (ages 10-18), emergency shelter care for 17 youth (ages 10-18), adoption services and programs, counseling to single parents, and foster care for 25 children (ages infancy to 18). The entire program requires the skills of 65 staff working together as a whole to provide the best possible care.

Our deliberate effort to be of increasing service to ministers and to children throughout the Peninsula has been successful. We have children in care from Talbot, Worcester, Dorchester, and Wicomico Counties. Chris, from New Castle County, left our care during the summer. He is in the U. S. Army Corps of Engineers and phones occasionally to keep us abreast of his progress.

An overwhelming demand for more emergency shelter care facilities for children (ages infancy to 10) and sibling groups has prompted the Board of Directors of the Board of Child Care to plan such a facility to help meet this growing need. Our existing shelters (one for boys with 7 beds and one for girls with 10 beds) are always full. These children are referred due to abuse and neglect. Last year 139 children were given protection, medical help, food, clothing, and loving care in these two small homes. Fifty-five more were rejected because there was no room. Many others were not even referred because referring agencies knew we were full.

Fifteen acres of land for the new shelter for young children was purchased in the Chapeldale area of Baltimore County. On this land will be constructed two homes each providing shelter for twelve children, a utility building, and a central hall for office space, kitchen, and play area. Later on, as the need is verified and resources are available, as many as three additional homes may be placed on this site. This location is close enough to the main campus on Gaither Road to allow sharing of recreational facilities and easy access to administrative staff. The Directors of The Board of Child Care have agreed to advance one million dollars from invested funds to pay for the construction of phase one of this planned facility. No fund-raising campaign will occur within local churches. However, we will give friends of The Board of Child Care the opportunity, on an individual basis, to contribute to construction costs. Operating funds will be from reimbursement by the local social service departments and existing sources of revenue at Board of Child Care.

Our adoption program is small, due to the limited availability of infants for adoption. Patricia Bright, social worker for adoption and counseling to unwed mothers, is available to you should the need arise.

We note, for your satisfaction, several achievements during the past year: our Auxiliary membership is at an all-time high in excess of thirteen thousand paid members. These men and women, who are representatives of churches throughout the Conferences express their love in many ways. They underwrite the summer camping trip, make and repair curtains, bake cookies, purchase Christmas gifts and complete innumerable other works. Through their efforts, 320,000 soup labels have been collected and redeemed for educational supplies. Several of our children at mid-year are on the honor roll in school. With rare exception, our youth are in school and achieving! Paula, one of our graduates, is doing well at Frostburg State College. A record number of churches participated in the Annual Christmas Appeal, and a record number invited speakers from our Board and staff to present a statement of this work. For this, we say "Thank You."

Swartzell Home for Children merged with Board of Child Care in 1986. Assets of Swartzell have been transferred to Board of Child Care and will be used to fulfill the general purpose of Swartzell which is "to provide care, maintenance, and support for dependent or orphaned children, and for other religious charitable and education purposes."

#### Peninsula United Methodist Homes, Inc.

The mission of Peninsula United Methodist Homes, Inc., an affiliate of the Peninsula Annual Conference, is to serve the needs of older adults across the Delmarva Peninsula. Throughout its caring tradition, PUMH has been committed to providing opportunities for older persons to live a full and active life in retirement.

These are challenging times for PUMH and other organizations that serve the elderly. The 60+ population is growing at twice the rate of the total U.S. population, and the 85+ group is expected to quadruple during this decade. Many persons in this rapidly expanding elderly population will seek the kind of retirement services that PUMH offers. Indeed, 872 men and women are currently waiting for admission to our homes.

Not only is the number of 65+ adults growing rapidly, their average age is also increasing. Today the 257 residents at the Methodist Manor House average 85 in age while the 369 Cokesbury Village residents average 80 in age. The trend toward longer life spans for our residents means that PUMH must provide for various levels of care and increase the services to meet the needs of older, more frail population.

To meet these changing needs of the elderly, in 1986 PUMH expanded its services for those residents with special needs. Music therapy, health center day trips, special events with school children, and expanded remotivation therapy groups enrich resident life. Cokesbury's new health center began offering a specialized program for the care of those with Alzheimer's disease and related disorders, and began planning a personal care unit for those individuals who need some assistance to live independently.

To help meet the growing needs of elderly persons, the corporation increased its efforts to expand present operations through additions to the Methodist Country House and the Methodist Manor House, mergers or acquisitions with existing facilities and planning for new site development on the Eastern Shore in Maryland and in New Castle County.

### Highlights of 1986

#### A YEAR OF CELEBRATIONS

PUMH celebrated the 28th Anniversary of the Methodist Manor House at the Annual Meeting on September 16. Over 140 trustees, residents, staff members, pastors, and community friends gathered at the Manor House to celebrate the 26th year of service for PUMH and the opening of the Methodist Manor House 20 years earlier. Guest speakers included Rev. Dr. Brooks E. Reynolds, PUMH board chairman when the Methodist Manor House opened in 1966, and the Rev. Milton H. Keene, founding administrator of Methodist Manor House. Robert W. Mercer, vice president and business administrator of PUMH, received the 1986 Founder's Award in recognition of his three decades of loyal service to PUMH.

Cokesbury Village dedicated its newly expanded health care center on November 9. More than 350 guests heard Governor Castle and others extol the \$8 million health center as a model facility. The new 110-bed facility offers Cokesbury residents and other persons from the surrounding community the finest medical care available along the Delmarva Peninsula. Forty-five residents moved into the new building on December 10, just 17 months after groundbreaking.

#### ADMINISTRATION

The PUMH Board of Trustees adopted a revised set of strategic goals at the June quarterly board meeting. Several of the new goals for the corporation reflect an increased interest in developing the professionalism of the staff, expanding PUMH's leadership position in the retirement/health care field, and expansion. Due to increasing competition in the retirement/health care field, PUMH devoted considerable attention this year to improving the marketing program. In addition to staff training and research, marketing activities included creating and revising promotional materials and organizing community special events.

PUMH upgraded its computer system this year. Many administrative operations will benefit from a five-fold increase in

storage capacity and the addition of terminals and software. The new system will increase efficiency and ease in all record-keeping, file updating, and report processing.

The corporation implemented an Employee Assistance Program. Through this program, employees may receive assistance with various kinds of personal problems, e.g., marital, financial, etc. Through this program, PUMH hopes to reduce absenteeism and health insurance costs and enhance employee morale.

#### APPRECIATION

PUMH recognized some very special people this year - our staff, our donors, and our volunteers. Throughout the year, at separate employee recognition dinners, PUMH recognized 37 employees for their five or more years of service. Worth special note is the fact that of these 37 people, eight have dedicated themselves to PUMH for 20 or more years! It is the loyal service of our employees that earns the fine reputation which all our homes enjoy today.

PUMH also held receptions to recognize contributors. These events offered our supporters, including United Methodist clergy and lay persons, an opportunity to tour the homes and see firsthand some of the fruits of their giving. The Peninsula Conference grant of \$100,000 and the Mother's Day Offering helped to support 88 people receiving benevolence at the Methodist Country House and Methodist Manor House. All contributions to PUMH during 1986, including benevolence, special projects, and the endowment, totaled \$814,882.22. This amount was 6% of the total 1986 operating budget.

Volunteer appreciation teas were held at the Methodist Country House and Cokesbury Village. Over 200 volunteers were honored for their 8,000 hours of service in the gift shops, health centers, administrative offices, and activities programs.

#### AWARDS AND HONORS

Ruth Faust, Methodist Country House gift shop manager since 1960, received the 1986 Volunteer of the Year award from the United Methodist Association of Health and Welfare Ministries.

PUMH received the 1986 Affirmative Action award from the Health and Welfare Ministries Program Department of the General Board of Global Ministries.

Naomi G. Winchester, aging ministries consultant, received the third annual Martin Luther King award given by the Commission on Religion and Race of the Peninsula Annual Conference for outstanding service to church and community in the area of race relations.

Methodist Country House received accreditation from the Joint Commission on Accreditation of Hospitals. According to the records, there are no other nursing home facilities in Delaware which have the JCAH accreditation. Records also show that only 3% of all nursing homes across the country demonstrates Methodist Country House's commitment to excellence in providing health care services.

Cokesbury Village won both national and state awards for its energy management system. The national awards program, sponsored by the U.S. Department of Energy, spotlights unique conservation and renewable energy projects.

## Looking Toward 1988

Although its facilities have changed in size, structure, and services through the years, PUMH has never lost sight of its mission: to ensure that older persons have the services they need, and the opportunity to find personal fulfillment. In this time of change, we want to continue our tradition of providing Christian care and leadership in the retirement/health care field.

Our goal is to keep pace with changing needs while providing the highest quality service at the most reasonable cost. As we can provide resources, we remain committed to caring for all older adults, including those with special needs.

Richard C. Stazesky  
President

### Division of Parish and Congregational Development

During 1986, the Division reviewed and approved expenditures of funds for grants and loans to churches throughout the Peninsula Conference in excess of \$170,000. These funds were to be used for the expansion of physical facilities in order to promote those congregations' responsiveness to their communities.

Of the total amount expended and approved, 66% was expended for ethnic minority local church purposes. This is a sizable percentage of our budget and we feel we are upholding the emphasis which is being set forth in this quadrennium.

With each passing meeting, we continue to refine the process with which we review the applications made by various churches throughout the Conference for grants or loans from our Division. We are concentrating on the effectiveness of the funds we have at our disposal, and are also concentrating on making the churches granting these funds, more responsible for the use of those funds both before and after they receive them. We continue to follow up on major appropriations we have made in the past in order to help those churches as much as possible with their stewardship towards the goals they set forth when they made their initial applications. Our application process involves the local districts as well as the local district committees, the local churches' board of directors as well as the district superintendents. In the future, we also expect to consult with the ethnic minority consultant in the locality as it relates to a specific request of a local church.

We are at the forefront of participation in the district study program which was initiated in 1986. We feel we have established, and are continuing to firm up the process by which we can effectively use the funds in the responsibility of dealing with these matters and also are grateful to all members of our Division who take an active part in the deliberations at each and every meeting.

Barry A. Crozier  
Chairperson

Emergency minor maintenance to parsonages, usually divided equally over the four districts unless otherwise agreed upon. Help to keep the parsonages in habitable condition for the charges that need financial assistance.
6. Urban Ministries  
To provide opportunities for urban congregations to: identify needs, locate resources, and develop viable programs addressing these needs.
7. Leisure Ministries  
To explore opportunities for various types of ministries in resort areas of the Conference, including summer cooperative ministries. This represents continued Conference support for leisure ministries.
8. Town & Country - Rural Ministries  
To explore opportunities and provide guidance for cooperative ministries throughout the Conference. Continuing Conference support for cooperative ministries and expand responsibilities in this area are anticipated during 1988.

#### **Committee on Congregational Development**

The work of the Committee on Congregational Development continues to be a very exciting and busy part of the work of the Division of Parish and Community Development. We are still the primary funding agency within our Conference to help build, rebuild or remodel existing parsonages and church structures. It is our goal to help churches see themselves realistically in their communities and in light of their ministry potential. When a congregation becomes aware of a need to expand or repair its facilities we stand ready to help with guidance, suggestions, and funding.

Although it has been printed in previous Journals, it may be of value to outline again the procedure for requesting funds from Congregational Development, Board of Global Ministries: 1) Inform your District Superintendent explaining your congregation's needs or desires 2) Contact the Chairperson of Congregational Development asking for "Request for Funds" application form 3) Complete the application form (this will include signature of Secretary of District Building and Church Location and signature with recommendation of District Superintendent) with all information required 4) Submit completed form to Chairperson of Congregational

Development Committee 5) Wait patiently for the Committee to act on your application; you will be notified as soon as a decision is final.

In the 1986 calendar year the Congregational Development Committee approved funds in the amounts and categories as follows:

Grants for Parsonage Development-----	\$25,000
Loans for Parsonage Development-----	35,000
Grants for Church Development-----	47,000
Loans for Church Development-----	42,000

In the year ahead we look forward to continuing the work of assisting the congregations of our Conference in meeting the ever-expanding needs of the ministry of our churches in the name of Jesus Christ.

Chairperson

#### Methodist Action Program

The Methodist Action Program is an ACTION program of United Methodists seeking to bring the word and love of Jesus Christ to our community through the support of local churches, the meeting of human needs, and involvement in social change. What follows is a summary of our current efforts to meet those goals.

#### MEETING SPIRITUAL NEEDS THROUGH CHURCH EXTENSION

Santisima Trinidad -- Bringing Christ's word and love to Wilmington's hispanic community through the development of a Spanish-speaking congregation.

New Church Development -- Working with the Conference Congregational Development Committee to develop two new congregations in Wilmington -- one on Route 896 and one on Route 7.

Brandywine-Trinity -- Supporting the work of their new pastor, Jim Davis, who in the last year has raised the average attendance from 28-68.

Small Local Churches -- MAP will work with other churches in ways similar to its efforts at Brandywine-Trinity as the opportunities arise.

#### MEETING THE NEEDS OF THE INNER CITY AT OLD ASBURY

Emmanuel Dining Room -- This cooperative effort of MAP, the Ministry of Caring, and local churches provides over 55,000 meals a year to the needy on Wilmington's East Side.

Summer Day Camp -- Met the educational and recreational needs of 50 inner-city youth this summer. It also contributed to their spiritual development through daily Bible study.

Emergency Assistance -- Provides food, clothing, referrals, and emergency financial assistance to over 1,800 people every year.

## MEETING NEEDS THROUGHOUT THE CITY

Interfaith Housing Task Force -- This ministry, a cooperative effort with 6 other faiths, will create 1,000 units of quality housing for low-income families over the next five years.

Outreach to Hispanic Elderly -- An outreach worker who helps them overcome the barriers they face in getting help through the traditional health and social services systems. In March of 1987, we will establish a part-time "drop in center" staffed primarily by volunteers so that the hispanic elderly have a place to come for information and recreation.

Summer Day Camp at Haven UMC -- 50 children come here every summer for recreation and Bible Study.

Churches and Future Homeowners -- Low-income families work with church volunteers to rehabilitate abandoned houses for home ownership.

Summer Youth Work Project -- Youth from 5 United Methodist Churches worked to rehabilitate a home for a low-income family. Working with the District Youth Council, we are planning to have a week-long inner-city youth service project for 10-20 churches starting in the summer of 1987.

### NEW PROGRAMS TO MEET EMERGING NEEDS

Afterschool Educational Enrichment Program -- This program, which began operation in February 1987, gives "latch-key kids" a place to go after school and at the same time professional teachers and volunteers will conduct educational programs.

Ministry to Single Women -- MAP is convening a group of single women to develop ministries which can support them in the many challenges they face.

Clothing Bank -- MAP is facilitating a group of clothing bank operators to develop ways they can better coordinate their efforts and do group solicitation of hard-to-get items.

Brown Bag Clubs -- This program gives low-income families access to surplus food which would otherwise go to waste. The Club at Brandywine Trinity has over 200 members and six other churches have expressed interest in starting clubs.

Local Church Ministry Development -- MAP will continue to work with local churches to develop ministries for meeting needs in their immediate communities.

### 1988 and Beyond

In 1988, MAP will continue to strengthen and expand the efforts outlined above. Special emphasis will be placed on involving local churches and church members in mission. This involvement may be the development of a new ministry in their immediate community, involvement at Old Asbury Center, or involvement in one of MAP's city-wide efforts. As part of this effort, particular attention will be paid to developing a deeper understanding among volunteers of the scriptural basis for their mission efforts.

## Neighborhood House, Inc.

In 1987, Neighborhood House, Inc. will observe its 60th year of service to the South Wilmington community. For, about the year 1927, a challenge came to sponsor work in South Wilmington, which was recommended as "a fertile field by the City Missionary Society." A room was rented at 500 S. Claymont Street and classes started on November 12. The work grew and a decision was made to purchase property - 400 S. Heald Street - which was named after Mrs. Mary Todd Gambrill, who gave the \$1,000.00. In 1952 the second floor of the Mary Todd Gambrill Neighborhood House was utilized in carrying out the program.

The Mary Todd Gambrill Neighborhood House and the Riddle Memorial Deaconess Home had been supported by the Women's Home Missionary Society and became the Heritage of the Women's Society of Christian Service of the Peninsula Conference in 1940. Two Conference committee's were directly responsible for the work at the centers. Then in 1947, a Deaconess Board was formed, in accordance with the plans of the Women's Division of Christian Service. This body became known as The Board of Managers of Conference Projects and by-laws were adopted by the Peninsula Conference Women's Society of Christian Service in 1952.

In 1961, based on a self-evaluation study in 1957, the two properties - Mary Todd Gambrill Neighborhood House and Riddle Memorial Deaconess Home - were sold and Madeley Methodist Church was purchased and remodeled for use as a community center. The Neighborhood House, Peninsula Conference Project, moved to 1218 B Street in the fall of 1962. The dedication followed in 1964, when the building debt was liquidated.

The 1964 General Conference of the Methodist Church approved the union of the administrative departments of the Board of Missions. This meant that the agencies formerly under the Women's Division, of which Neighborhood House was one of many, were now agencies of the Methodist Church. The "home mission" work of the Women's Division of Christian Service was thus transferred to the newly organized National Division for Administration. The women transferred funding for this work with the understanding that support for the work, which was of particular interest to local women, would continue.

In 1965, the Conference Board of Missions declared Neighborhood House to be a Conference Advance Special. This action allowed Official Boards, local church Commissions on Missions, or individuals not related to the Women's Society to make special gifts to Neighborhood House through the Conference Treasurer and receive Conference Advance Special Credit for their gifts. This action in no way affected the support given by local or Conference Women's Society of Christian Service to Neighborhood House. It was intended to provide a broader base of financial support for the Neighborhood House.

Today, Neighborhood House, Inc. is one of over seventy community centers related to the National Division of The United Methodist Church. The property is owned and the work supported by the Conference United Methodist Women. It is governed locally by an inclusive, autonomous predominately lay Board of Directors and continues to express the love and concern of the church in mission.

In 1962, when Neighborhood House opened its doors, it was the only community service agency in South Wilmington. As such, it could not be expected to serve more than a cross-section of the total

community. So, the agency became a moving force to stimulate action from other community service agencies to help meet the needs in this area. In addition to helping to establish the South Wilmington Community Center, the agency worked with community residents to get a multipurpose facility built in the community. The facility now houses the Southbridge Medical Activities Council, a community health center.

In 1986, Neighborhood House continued to provide programs and service designed to meet the basic human needs of the community. These programs and services included: emergency assistance (i.e., food, clothes, utility, rent), family services, day care, housing counseling, tutoring, day camp, resident camp, 4-H club, youth enrichment, drop-out prevention, vacation church school, junior achievement, college career counseling, youth employment, sewing, thrift shop, delinquency prevention, and modeling. Additionally, thanks to your generosity, children in our Day Care and Tutorial Programs received a gift of clothes and a toy at Christmas time.

Neighborhood House has developed a close working relationship with Mt. Joy United Methodist Church and the Methodist Action Program. In addition to coordinating a community vacation church school, Neighborhood House and Mt. Joy are exploring ways to improve the quality of life for our seniors, youth, and single parents. The Methodist Action Program and Neighborhood House are exploring ways to work together to provide housing for low-income residents of our communities.

In closing, our ministry in the name of Christ is enabled because of people like you, who are willing to put their faith into action. Thank you for your support and prayers.

#### BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

The Board of Higher Education and Campus Ministry completed the evaluation of the UMES and Delaware State Wesley Foundations. Because of the transition of leadership at the University of Delaware, it will evaluate the Wesley Foundation there in the 1988 Conference Year.

The work of the Board of Higher Education and Campus Ministry continues to be a challenge to its active membership and it will continue to enable the Peninsula Conference to be intentional about Campus Ministry.

#### Wesley College

This report is being prepared on my fourth anniversary as President of your distinguished and strong Wesley College. I happily celebrate my anniversary as President of the College, but I also celebrate the Church-relatedness of the College and the evidence that it enjoys the attention and the approbation of the College-related Church.

By the laws of the State of Delaware, Wesley College is a separate legal entity from the Annual Conference. Each operates independently of the other, and neither is liable for the obligations of the other, absent a specific agreement to the contrary. The connection between the College and the Conference derives from the fact that the Board of Trustees of the College is elected by the members of the College Corporation who are also the clergy and lay members of the Annual Conference.

Once more, we approach the meeting of the Conference. During that annual meeting, our presiding Bishop will recess the Annual Conference and call it to order as the Wesley College Corporate Session. At that time, the Chairperson of the College Board of Trustees will report to the Corporate Session on the state of the College and any new candidates for the Board of Trustees will be nominated and elected.

While this formal relationship between the College and the Annual Conference is important, OUR MUTUAL MINISTRY IN HIGHER EDUCATION IS REALLY THE ESSENTIAL POINT FOR THE COLLEGE AND THE CHURCH TO PONDER AND CELEBRATE.

As we did last year, then, Wesley College once again this year seeks the support of the Peninsula Annual Conference. Your church-related College seeks the aid of the Conference in interpreting the College's ministry throughout our local churches that Wesley may be regarded as a unique and appropriate part of the Church's mission and ministry. We seek the encouragement of the Church in asking the entire membership of the Conference to proclaim Wesley as an attainable option for young men and women in United Methodist churches throughout the Peninsula who are considering a higher education. We respectfully request the continued support of the Peninsula Annual Conference that your Wesley College may continue to be helped in its Chaplaincy program, in its program of scholarships for worthy students, and in its academic program so meaningful to the Church.

Minority scholarships and active recruiting have already led to ethnic minority representation of 18% in the current Wesley College enrollment and an acceleration of the number of ethnic minority persons on staff and faculty as well as in the student body. The Chaplaincy program seeks to enhance the overall religious life of the campus through the continuation of weekly Chapel services, personal and spiritual counseling, sponsoring the Wesley student Christian Association and Kappa Chi, the Church Vocations organization; weekly Bible study at the Chaplain's residence, and support of special services and projects. Wesley anticipates and celebrates that the Church will extend aid not only for continuing minority person scholarships but also for nursing scholarships, Christian vocation scholarships, Christian dependents of United Methodist clergy scholarships, and Asbury United Methodist scholarships. Wesley also seeks program support for our associate and baccalaureate programs in nursing, for library materials, for new program planning, for faculty development and continuing evolution of Wesley College as a four-year senior degree-granting institution of higher learning in proud affiliation with the United Methodist Church.

During the past year, significant program development has occurred. New baccalaureate programs in computer science, physical education, political science, and psychology have been implemented. Enrollment in the College's baccalaureate programs has increased to almost 40% and growing interest in these programs exists among both current and prospective students. Approval for a baccalaureate program in biology has been granted by the Board of Trustees--

bringing the total number of baccalaureate programs to thirteen. Several other baccalaureate programs, including education, economics, and social services are in varying stages of planning and design. All baccalaureate programs have been adjusted to incorporate a new core curriculum or common set of academic requirements in the liberal arts.

While the College continues its planned phasing out of several associate degree transfer programs, enrollment remains strong in associate degree career programs. A new associate degree program in computer science has been added to the curriculum and an associate degree in travel and tourism is being considered. Transfer options will remain in all basic academic areas, but their numbers will become increasingly more consistent with the College's growing identity as a senior level institution. Planned re-structuring of academic offerings to achieve this "mix" has been undertaken during the past year.

Last Fall several new faculty members were recruited to strengthen instruction and to support an increasing number of upper-level courses. The credentials and experience of these persons have enabled them to make strong contributions to the College during their first year. Continued efforts to recruit extremely able instructors, both full and part-time, are underway. In addition, institutional efforts to provide professional development opportunities for current faculty members have been expanded and several persons are vigorously pursuing additional degrees and/or participating in a variety of professional activities.

During the year several key publications have also been significantly revised. The College Bulletin has been extensively modified to emphasize baccalaureate offerings and to present the College more effectively as a growing and dynamic senior-level institution of learning. Master schedules for each semester have been redesigned and distribution has been increased -- with the objective of increasing community awareness of educational opportunities at Wesley College. Other institutional documents, including the Faculty Handbook, have been up-dated and strengthened in order to provide for appropriate structures, procedures, processes, and functions as required and expected at senior colleges. In addition, formal agreements with junior and community colleges have been pursued in an effort to facilitate and encourage transfer to Wesley College of students with associate degrees.

Several planning activities have begun this year in order to strengthen and broaden the academic program. Formal program review has begun and will provide systematic evaluation and a sound basis for institutional decisions affecting programs in the future. Planning efforts are in motion to offer a Winterim in January of 1988 and to provide several study abroad opportunities for Wesley students. Appropriate exploration into the feasibility of taking Wesley educational opportunities to other areas of the state is also being made. Additionally, the College has begun an institutional self-study as part of the re-accreditation process for the Middle States Association of Colleges and Schools. All of these recent activities contribute to clear and growing academic strength and stability at Wesley College.

We predicated the budget for this past fall on 542 new and returning students. We opened with 630 full-time paid students. This was 79 students more than the previous fall -- a 14.4% enrollment increase. Between semesters this academic year we have enjoyed a 90% retention rate. Including our part-time students, commuting students, evening and continuing education students, Wesley

will, by head count, be in the service of nearly 1800 students this year.

Your College celebrates with you that Wesley has enjoyed an operating financial surplus for the third straight year, and the anticipated financial surplus following this coming June 30 should be the largest in Wesley College history.

Our students in four-year curricula have increased 58% from 1985 to the present. Our baccalaureate programs have risen by over 100% over just the past two years. Wesley is now a full-fledged four-year College; we are even playing four-year NCAA sanctioned sports, and we have won, our first season out, the Eastern States Athletic Conference National Regional Championship. Wesley is in steady evolution from stability toward lasting security.

We are even celebrating a new commitment to the development of global citizens. With our international student numbers growing, Wesley has also inaugurated its first Fulbright scholar-in-residence program. Currently, Dr. Ernesto Yepes del Castillo, of Peru, is on the Wesley campus for the entire Spring Semester. A distinguished scholar of international reputation, he is teaching at Wesley and speaking throughout this geographical area on numerous compelling issues relating to Latin American development.

To maintain itself as a beautiful and commanding facility, Wesley is now involved in extensive renovation projects relating to its swimming pool, the Carpenter Formal Lounge, the College Center Student Lounge, Williams Hall, and the Athletic Facility. We are spending \$115,000 on these projects, but the funds for these improvements have all come from grants and gifts and will neither impact nor unbalance the current operational budget.

Suffice to say, there is a great spirit at your Wesley College - a feeling of excitement and anticipation over new directions. I take pleasure in celebrating these achievements and advances with you as reminders to us all that progress is in our blood, in our instincts. Goethe observed, "Nature knows no pause in progress and development, and attaches her curse on all inaction." We are not inactive at your Church-related College. We have much to celebrate with the College-related Church. With the guiding help of God, let us continue our combined efforts in behalf of the evolution of this Wesley College to a future of lasting security with dignity. Through our combined efforts let us all have the joy of one day seeing our efforts in behalf of Wesley College and being very satisfied.

President

#### Wesley Foundation, University of Delaware

The Wesley Foundation at the University of Delaware has undergone physical change in the past year. Wesley House was sold and the ministry now operates out of the Newark United Methodist Church. The common name of the Foundation has become United Methodist Campus Ministry. This change was made in response to student requests for clarification of our function. The name of the corporation remains Wesley Foundation. The ministry is in a period of rebuilding. Students are invited to attend worship at Newark Church and then a University Class led by the Campus Pastor. An informal soup and sharing meal was held as well as a Christmas party and study break on the University Reading Day. A student study

lounge is maintained in Newark Church along with the Campus Pastor's office.

We covet your prayers and continued support for our ministry here.

#### Wesley Foundation, University of Md. Eastern Shore

This past year's ministry on the campus of the University has been one of rebuilding. Many of our students who participated actively in our campus ministry were graduated, and we were left basically with the task of recruiting new students to take their place.

Our Program continues to stress:

- (1) Christian Fellowship and Service; to provide students with the opportunity of being challenged to consider their Christian calling and responsibility.

- (2) Encouragement of students to communicate their faith in a Higher Education setting, and to attempt to provide them with the skills to do that.
- (3) Ecumenicity and denominational identity at the same time.
- (4) The Caring and loving relationship, not only within the Community of Faith, but to others on the campus as well.
- (5) The Inclusiveness of our Church's Ministry.

We attempted to meet these goals through (a) Mid-Week Worship Services, and (b) Campus Ministry Fellowship and Study: Appropriate Topics and Biblical References are chosen for these studies. An occasional guest speaker with particular expertise, including United Methodist pastors, have led in some of our studies.

We have also sponsored or participated in (c) Retreats, and (d) Social Events, by ourselves and with other Christian students from other campuses in Maryland. Our students attended three such retreats last year.

(e) Our students have also been encouraged to participate in local congregations, and they have, to some extent.

A representative number of students have been in contact with our Campus Ministry Program; however, only a minority have chosen to participate in any degree: of some 88 students on our mailing list, only about 29 are participating in various degrees. We do, however, anticipate a more rewarding ministry within the coming year.

Theodore Day  
Campus Minister

#### 1988 Program Objectives

3. Spring Retreat  
to provide a final opportunity for our students to get together in a retreat setting for fellowship and study before the end of the school year.
4. International Student Retreat  
To give our foreign students the opportunity to meet other foreign students from other campuses, and to develop relationships.
5. Chapel Services  
To provide opportunity for students on UMES campus to worship and to spend some time in the middle of the week for reflection and spiritual growth.
6. Bible Study and Campus Ministry Fellowship

5. Carry on intentional dialogue with campus ministers, including having them serve as ex-officio members without vote.
6. Develop guidelines stating what expectations the Board has for campus ministry programs.

**BOARD OF LAITY**

It has been a joy to see how the Lord has poured out his blessings upon the church in the Peninsula Conference. Since the majority of church people are laity, it has been gratifying to sense the movement of the power of the spirit in the life of the laity.

I would like to express my appreciation to the lay people and members of the Board of Laity for their support this past year. The Board of Laity is especially thankful for the help of the clergy and the support of Bishop Yeakel and the Cabinet, also the Council Director and the Council on Ministries.

The Board of Laity is indebted to the United Methodist Men for their assistance; also the United Methodist Women in carrying out the programs of the Conference.

Some highlights of 1986 activities:

1. Supporting and participating in the evangelism program "Offer Them Christ."
2. The District Lenten Communion Breakfasts with men, women, and youth attending.
3. Annual Lay Speakers Training Courses for basic certification and the advanced courses for recertification.

4. Executive Session of the Laity, the first day of Annual Conference.
5. Annual Conference Laity Banquet.
6. Annual Men's Retreat at Camp Pecometh.
7. The promotion of Laity Sunday, second Sunday of October, with most churches participating.
8. District Laity/Clergy Banquets with large numbers attending in every district.
9. Supporting the Upper Room Prayer Ministry.
10. Attending the Northeast Jurisdiction Lay Assembly, the third weekend in October; Peninsula Conference had the largest delegation of any conference.
11. The Board of Laity will continue to serve the Conference and its programs as the Lord calls and directs us in His service.

J. Francis Turpin  
Conference Lay Leader

9. Promotion of Laity Sunday.
10. Other goals and objectives as approved by the Board of Laity.

#### UNITED METHODIST WOMEN

Sixty delegates from Peninsula Conference attended the National Assembly of United Methodist Women held in Anaheim, California, in April. They participated in the formal conclusion of a 4-year centennial celebration and helped launch a new theme, "Into the Future by Faith."

In May, 200 women gathered at Asbury UMC in Salisbury for worship and study under the theme "By Faith, What Are You Going To Do?". Group leaders of 10 workshops led participants into thinking about volunteerism, politics, parenting, and life as an older adult.

The School of Christian Mission, also held in Salisbury, offered studies in "Suffering and the Community of Faith," "Technology and Human Values," and "Southern Asia." One-hundred and eighty-nine men and women gathered for this school. Nine ministers received CEUs.

This was the year for United Methodist Women to call the Federation of Methodist Women together and women representing all known denominations with "Methodist" in their name gathered at Dover Air Force Base for a Brunch. Mrs. Alcestis Coleman, President of the Area Federation, was the speaker.

Mrs. Cleo Henry, honored for her leadership and dedication, was named one of "100 Women in Mission." Mrs. Hattie Hargis was awarded the same honor posthumously. Each is featured in a book entitled, They Went Out, Not Knowing. Mrs. Henry was honored with a musical celebration in November at Wesley College. Many friends and relatives gathered from across the Conference to enjoy a beautiful afternoon of music and friendship.

The Conference organization meets annually in November for the purpose of electing officers, recognizing accomplishments, and giving reports on the status of the organization. Eighty-eight received recognition for participating in the Reading Program. Local presidents were recognized with a certificate.

The organization continues to struggle with the need to attract young women. A goal in 1987-88, is to have an event for women under 40 in an effort to reach them and help them feel a relationship to the organization.

Goal 2, is to conduct training sessions for local leadership in sub-district groups. Ten workshops will be held in 1987 and 10 in 1988.

Emphasis will be placed on getting more accurate and complete reports from all the local units in 1987, and to encourage wider use of program materials that relate to the purpose of the organization.

A Spiritual Disciplines Workshop was held in October for District and Conference officers. Leaders from Women's Division led us in a study of the Bible, Theology, and Worship. Officers realized that nothing is gained in any area unless a strong spiritual foundation is present in their lives. This weekend was a must for them.

Two Spiritual life retreats on Wholeness were held in April 1986, led by Pam Lardear and two will be held in March 1987, led by Vaughn Johnson on the subject Faithfulness Within the Covenant Community. These retreats are held at Drayton Manor and are open to any woman who wishes to register and attend.

The Conference newsletter, The Enabler, is the primary source of communication for United Methodist Women. Each local president receives a free copy. Others may subscribe. Information about all District and Conference events is included in one of the four issues each year.

Our Conference giving to Missions in 1986 was \$130,829.10. Of this amount, \$1,069.25 went to Food, Land, and Justice projects, and \$16,629.55 was supplementary giving over and above pledged money. We contributed \$13,444.48 to the Centennial Fund during 1983-86.

We commend the accomplishments of local units and pray for the potential that is there to burst forth in service to God's people

everywhere that hurt, pain, poverty, and sin exist. To God be the Glory.

**BOARD OF ORDAINED MINISTRY**

The Board of Ordained Ministry of the Peninsula Annual Conference has actively pursued the fulfillment of its many responsibilities since the 1986 Annual Conference session. There have been ten scheduled meetings of the full board, and a number of other meetings involving the members of the Executive Committee and other committees of the board.

Our Candidacy Registrar, Douglas Ridley, has worked with the District Superintendents and the District Committees on Ordained Ministry in the task of supervising applications for candidacy certification. In 1986, the District Committees certified seven candidates. As of January 1, 1987, there were 22 additional applicants for candidacy. Twenty-eight ministers of our Conference are serving as Supervising Pastors, working with applicants for candidacy certification.

As Registrar for Local Pastors, Gonzalee Matthews helped to enroll eight Peninsula Conference students in the 1986 Local Pastors' Licensing School at Drew Theological School, of which our Conference is a sponsor. Local Pastors are required to be enrolled in seminary or the Course of Study program of the Division of Ordained Ministry.

The Board's Registrar, F. David Weber, continues to oversee the work of applicants for Probationary and Full Membership in the Conference, and to maintain the records of the board. Any certified candidate who desires to be considered as an applicant for ordination as a Deacon or as an Elder in 1988 should contact the Registrar by August 15, 1987.

Fifteen persons attended an orientation retreat at Drayton Manor on July 21 and 22 for pastors beginning their first appointment in the Peninsula Conference. We are grateful to James Walz who again planned and co-ordinated this retreat.

This board and the Bishop's Cabinet again revised the forms used in the Annual Evaluation of Pastoral Ministry in a further attempt to clarify and simplify this important process. Reporting and planning for the pastor's continuing education is intended to be a part of the annual covenant with the Pastor-Parish Relations Committee.

The Committee on Continuing Education has proposed some revisions in our Conference Policy for Continuing Education. The new policy has been approved by the Board for recommendation to the Annual Conference. A copy of this proposal is included at the end of this report.

Nine scholarships for Continuing Education, totalling \$2,875, were granted in 1986. Applications for C.E.U. credit should be sent to J. Ronald Owens, Registrar for Continuing Education.

The first in a series of Professional Growth Seminars to prepare clergy for Cross-Racial Appointments was held at Drayton Manor, October 28-30, 1986. Twenty-eight pastors participated in this pilot project. Additional such seminars will be conducted during the next several years in order to include all Peninsula Conference ministers.

The Scholarship Committee provided financial aid totalling \$29,830 in 1986, to 26 students preparing for ordained ministry:

21 Seminary	19 males	13 white
5 College	7 females	13 minority

The maximum amount of each scholarship was increased in the fall of 1986: from \$500 to \$750/semester for seminary students, and from \$400 to \$600/semester for college students. One candidate for Diaconal Ministry was given a scholarship, and this person is an ethnic minority female.

The Board of Ordained Ministry met with the Board of Diaconal Ministry on January 13, 1987 to discuss common concerns and procedures. Scholarship money is available to candidates for Diaconal Ministry upon recommendation by that board and approval by the Board of Ordained Ministry. We are planning jointly for the ordination and consecration service at Annual Conference.

The Board recommended a number of full members of the Conference to serve as Counseling Elders on each district. The District Superintendents assign Counseling Elders from this list to all ministers not yet in full connection. Plans are being made for training sessions for Counseling Elders, and for regular meetings on

each district of candidates in process with their District Superintendent.

The Psychological Testing and Counseling Committee supervises the testing required of all candidates for ordination and Conference membership. We are moving toward a procedure of testing applicants for Certification as candidates as a part of this overall process. Local churches/charges recommending persons for candidacy will be expected to share the cost of this testing with the candidate.

The annual meeting of ministers serving Appointments Beyond the Local Church (ABLC's) was held at Cokesbury Village on March 14, 1987; and the Board joined the Conference Board of Pensions in sponsoring a seminar on financial planning for the clergy. We are continuing our efforts to develop policies and procedures dealing with clergy marital problems.

After the interviews with candidates for ordination were completed, a meeting was held on April 6 at Drayton Manor for those recommended by the Board. Bishop Yeakel discussed the meaning of ordination and plans were made for the ordination/consecration service at Annual Conference.

The 1988 General Conference will celebrate the 20th anniversary of the Ministerial Education Fund, which provides money for the operation of our 13 United Methodist Seminaries and for the work of Boards of Ordained Ministry. We in the Peninsula Conference can be proud of one of the best records in the United Methodist Church in terms of our performance in paying our share of this apportioned general fund.

The Board of Ordained Ministry expresses its sincere appreciation to The Rev. Dr. Robert P. Whitlock and The Rev. Dr. P. Thomas McKelvey, who have served faithfully as officers of this Board. Our prayers go with them as they assume new and significant responsibilities as District Superintendents.

Chairperson

#### BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry has seen much change since its early development. For the first time this year we are consecrating two persons into the Conference as Diaconal Ministers. We are proud to see that all our efforts over the years are finally bearing fruit.

Many changes are going to effect our Board in the next few years. Our Board has gone from meeting once or twice a year to meeting once or twice each month. We are seeing our work go from certification of a few workers to certifying new and re-certifying many church workers. We are providing mentors for those seeking to

become consecrated Diaconal Ministers, providing psychological evaluations, support groups, annual meetings, training sessions, and financial aid to those persons.

We met with the Board of Ordained Ministry for the first time this year and plan to meet at least once each year with them. I feel privileged to be able to chair this very important Board of our Annual Conference.

The Board members are working to make our Conference one which proclaims Christ's love through the use of the gifts and graces of the lay persons (certified lay-workers) and the non-itinerant ministers (consecrated) of the church. We have been blessed indeed.

We welcome all inquiries about the Diaconal ministry.  
Address all inquiries to:

Olive A. Cook, Registrar

Wilmington, Delaware 19810

William S. Downing  
Chairperson

#### 1988 Program Objectives

1. Continue certification process.
2. Provide more publicity, especially in Conference Communicator.
3. Hold at least (1) one-day workshop for persons working in the Conference in education, music, and other areas of certification and diaconal ministry.
4. Make contact with new District Superintendents and discuss Diaconal Ministry.
5. Develop a plan for continuing education for workers and consider possible financial assistance.

#### BOARD OF PENSIONS

The Conference Board of Pensions, in this quadrennium, has significantly increased pension benefits and is actively monitoring payments to the General Board for MPP and CPP to assure appropriate protection for the clergy and their families. Further, during the 1986-87 Conference year, the Board, in cooperation with the Peninsula United Methodist Foundation, mailed letters to pastors under appointment and to retired pastors seeking to attract, by way of bequests, new funds for pensions.

In response to comments from the very successful retirement planning seminars held in the spring of 1986, the Board of Pensions, in conjunction with the Board of Ordained Ministry, offered a Financial Planning Seminar. This one-day seminar, held in May 1987, was open to all pastors and their spouses.

As of December 31, 1986, pensions were being paid to 185 ministers, 151 surviving spouses of ministers, 3 children, 8 local pastors, and 20 surviving spouses of local pastors, for a total of 367 annuitants whose benefits had been earned in the Peninsula Conference. Total amount paid in 1986 by the General Board of Pensions to these annuitants was \$1,023,852. The average pension in

1986 for ministers within the Conference was \$4,707. Social Security benefits are in addition to the pension. Keeping faith with those who serve, the Past Service Rate has been increased each year as follows:

1980 - \$120	1982 - \$135	1984 - \$170	1986 - \$195
1981 - \$125	1983 - \$155	1985 - \$180	1987 - \$200

With each increase in the Past Service Rate, the pension liability increases. The Peninsula Conference Board of Pensions continues to defray a large percentage of the annual cost of reducing the Conference's pensions liability.

The Board's goal for 1987-88 is to improve communication of benefits to pastors and their spouses to enhance appreciation and understanding.

#### RECOMMENDATIONS

The Peninsula Conference Board of Pensions recommends that:

1. The Past Service Rate for 1988 be \$210 per year of approved service.
2. Up to 100% of the pension and disability payments received be designated as the permitted housing allowance for 1988.

Kay P. Cloud  
President

#### TRUSTEES OF PENINSULA ANNUAL CONFERENCE

The Board considered several requests to participate in the funding of improvements to houses of worship. The Board was unable to grant any of the requests made, either because the requests did not meet the guidelines or there were not sufficient funds available to meet the request.

Dr. Stapleton has proceeded to inventory and catalog abandoned properties which may be the Board's responsibility. We are seeking persons in each District to research the status of these properties to assist the Board or Conference in taking appropriate action. We have authorized the payment of mileage to those volunteering to do so.

The trust assets under our investment stewardship continue to be prudently managed through the Peninsula Foundation, with measurable growth in some particulars.

J. Owen Wise  
President

#### PENINSULA UNITED METHODIST FOUNDATION, INC.

During 1986, the following activities were participated in by the Executive Director.

Local Church Programs	40	Donor Visits	14
Administrative Activities	8	Annual Conference	15

## Types of Activities Included

Endowment Fund Meetings	20	Stewardship Education	4
Estate Planning	10	Worship Activities	14

Local churches continue to show increasing interest in both areas of Foundation work - Funds Management and Planned Giving. Of the 30 events of endowment fund and estate planning in the local church, the two are very closely connected since the endowment fund is the basis of a planned giving program and planned giving supports the endowment fund. Regardless of the initial purpose of the meeting, both areas are always addressed. Planned Giving gifts received for 1986 are over \$200,00.

### NEW ACTIVITIES OF THE FOUNDATION WERE:

1. Special Tax Reform Act Alert Bulletin sent to all churches in numbers for their morning worship. Many requests for additional copies were received.
2. A Financial Planning for Clergy Program was designed and is now being offered at District Level to an enthusiastic response.
3. A new series of financial information for clergy and church investments is being distributed in the Coordinated Mailings. Changes in interest rates and the Tax Reform Act make new strategies necessary.

K. Thomas Everngam  
President

Paul H. Wragg  
Executive Director

### 1988 Program Objectives

1. Expand investment counseling for pastors and churches.
2. Aggressively pursue Missional Priority programs.
3. Offer funds management services to local churches.

### COMMISSION ON ARCHIVES AND HISTORY

The Anniversary Service of the meeting of Thomas Coke and Francis Asbury was Sunday, November 9, at Barratt's Chapel. The Rev. Henry H. Nichols of Philadelphia challenged the congregation with the message -- "Where Are We Going?". The Senior Choir from Kingswood Church provided the Anthem.

Each year the number of people visiting the Museum and the Chapel continues to increase even after the flush of the Bicentennial. This year, 5,651 youth and adults made their way to hear the story of our Church.

On April 27, a Workshop on Collecting and Preserving Church Records & Artifacts was given to over 50 persons who came from all over the Conference. The Commission has four of its members trained in helping local churches preserve their records. Just call us and we will put you in contact with one of them.

In the September-October issue of Colonial Homes, Barratt Hall and Chapel were featured in a well-written and illustrated article that brought response from as far away as Texas.

Additions to the Museum Collection: Silvertipped cane (1895) made from wood of the Chapel that belonged to the Rev. Dawson, a former pastor, five local church plates, 29 early postcards of Methodist Churches & activities, early map of Murderkill River that shows a draw bridge where Asbury met with people during the building of the Chapel, 32 local church histories and anniversary booklets, 19th Century letter about Joshua Thomas, copy of Richard Allen's manumission paper, and Methodist Protestant magazine from 1927-37.

We encourage you to give a copy of your Church's pictorial directory to the Museum to be placed in your church file.

The Chapel and the Museum are open Saturday and Sunday from 1:30 - 4:30 p.m. To arrange visitation other days, please call 302-335-5544.

The Commission stands in debt to Althea and Allen Clark, our curatorial family, for unselfishly giving of their time and talents in making the Chapel and the Museum a great success.

Gary L. Moore  
President

#### 1988 Program Objectives

1. To operate and maintain Barratt's Chapel and the Conference Museum on Peninsula Methodism.
2. To celebrate the 204th Anniversary of the meeting of Coke and Asbury on November 13.
3. To oversee the writing of the Delaware Conference History.

#### COMMISSION ON CHRISTIAN UNITY & INTERRELIGIOUS CONCERNS

The Commission on Christian Unity and Interreligious Concerns met with clergy and laity of three districts to discuss "The COCU Consensus: In Quest of a Church of Christ Uniting." We were requested to review this booklet, submitted by the Consultation on Church Union (COCU), and submit our comments to our General Commission by December 1986. As a result of that meeting, the Dover District continued the review of the COCU booklet and in addition studied the COCU booklet "Covenanting Toward Unity." Their comments were submitted to the General Commission as requested.

At the National Workshop on Christian Unity, we were represented by a Commission member, Kelly Truitt. As a result of her attendance, the decision was made to request an Order of the Day at the 1987 Annual Conference and invite an executive of COCU to attend and bring us information about COCU and its purpose. Also, we will invite leaders of other denominations on the Peninsula to be present at the Annual Conference. "The COCU Consensus: In Quest of a Church of Christ Uniting" will be discussed at the 1988 General Conference.

We will continue to keep clergy and laity informed of what is happening in the area of Christian Unity, and especially to make them aware of the COCU studies, preparing us for our input in reference to the booklet at General Conference.

Carol B. Price  
Chairperson

### 1988 Program Objectives

Executive Director

#### COMMISSION ON EQUITABLE SALARIES

It is the purpose of the Commission on Equitable Salaries to support ministry in the charges of the Annual Conference by 1) administering funds to be used in salary supplementation; 2) recommending Conference standards for ministerial compensation; and 3) providing counsel and advisory material on ministerial compensation to district superintendents and Pastor/Parish Relations Committees.

#### (1984 Discipline Para. 722)

The Commission on Equitable Salaries has provided financial assistance to those pastors whose charges, for various reasons, are unable to provide the minimum compensation set by the Peninsula Annual Conference. In addition, the Commission continues to award financial supplements to those pastors whose special talents are required to effectively serve their respective appointments.

In accordance with the 1984 session of The Peninsula Conference, the commission also provides the related pension (MPP & CPP). In 1986, pastors in 29 charges received salary supplements of \$53,134.96, plus pension fund contributions of \$6,209.16, for a total of \$59,344.12.

For the past few years we have been upgrading our minimum salary level. In 1986 we established four different minimum salaries for full-time pastors:

Full member	\$14,500.
Probationary	14,000.

Associate 13,500.  
Local Pastor 13,000.

It is the hope of this Commission to keep our level of minimum compensation in line with those of neighboring conferences. As of this date, the Commission's recommendation has not been finalized. However, a suggestion for all groups, including student pastors, will be made at Annual Conference.

In addition, as a result of the 1986 session of The Peninsula Conference, the Commission is still studying the following proposed resolution:

BE IT RESOLVED that full-time pastors (except local pastors) shall receive, on the recommendation of the District Superintendent, an annual service increment of one hundred and fifty dollars (\$150.00) for every year of service in the United Methodist Church, up to a maximum of two thousand five hundred and fifty dollars (\$2,550.00). This includes years served in the former E.U.B. Church, and the former Methodist Church. Only those years when full pension credit was granted, may be used in this computation; and

BE IT FURTHER RESOLVED that full-time local pastors, on the recommendation of the District Superintendent, shall receive a service increment of one hundred and fifty dollars (\$150.00) for every year of service in the United Methodist Church, up to a maximum of one thousand five hundred dollars (\$1,500.00). Only years when full pension credit was granted, may be used in this computation.

When evaluating salary requests, the Commission considers, among other things, adequate housing for the pastor. In 1986 we reviewed cases where housing had not been adequate and in compliance with the 1986 session of Annual Conference awarded financial assistance equalling 20% of the Denominational Average.

Accordingly, we are currently undertaking a study on how we as a Commission and as a Conference can deal with this issue.

Reimbursing pastors for miles traveled on church business is a policy established by this Conference. The Commission recommends the following action:

RESOLVED, that reimbursement for travel expense during 1988 shall be 21 cents per mile for the first 15,000 miles and 11 cents per mile beyond 15,000 miles, said rate being in compliance with IRS policy.

COMMISSION ON RELIGION AND RACE

The Commission on Religion and Race is a program advocate and monitoring agency of the Church. During the 1986-1987 Conference Year, it was able to continue to build upon the theme of inclusiveness as it relates to open itineracy. The Cross-Racial Appointment Committee, chaired by Dale Lantz, provided excellent leadership in cross-racial appointments. The Board of Ordained Ministry, as a member of the Cross-Racial Appointments Task Force, chaired by Clifford Armour, was able to develop a professional growth seminar for pastors as it relates to open itineracy.

The Monitoring Committee, chaired by Doris Phillips, was able to develop the monitoring instrument for monitoring of CCOM. The Education Committee, chaired by Sam Peterson, developed an excellent Martin Luther King Symposium. The theme was "Christian Discipleship in the Inclusive United Methodist Church". There were 400 in attendance.

The Commission, in cooperation with the Cross-Racial Task Force, will continue to facilitate the development of the Cross-Racial Appointment agenda in 1987.

The Education Committee will continue to use the MLK event as a sensitizing tool for inclusiveness. It will also continue to develop an agenda for the local churches in the Conference to deal with racial attitudes and perspectives.

The Monitoring Committee will continue to work with the Missional Priority Coordinating Committee to monitor the implementation of the Comprehensive Plan by Conference boards, committees, and divisions.

Finally, the Peninsula Conference Commission on Religion and Race will carry the ongoing crusade against social injustice, racism, classism, and sexism as it seeks to enable the United Methodist Church to be an inclusive church.

Verdie A. Page Burris  
Chairperson

#### 1988 Program Objectives

1. Pastoral Exchange Program  
To promote and advocate pastoral exchange program.
2. Development of Education Resources  
To develop educational resources to promote inclusiveness and cross-racial appointments.
3. Cross-Racial Appointment Training  
To supplement cross-racial appointment training program for identified participating churches.
4. Monitoring Program  
To monitor the use of affirmative action Board of Laity and the implementation of MPCC Comprehensive Plan for boards.
5. Martin Luther King, Jr. Symposium  
To develop an educational event that helps to promote the significance of inclusiveness in the United Methodist Church.

#### COMMISSION ON THE STATUS AND ROLE OF WOMEN

After almost two years of inactivity, the Commission has had to devote much of 1986-87 to getting acquainted with its responsibilities and members' gifts and interests in various areas related to concerns of women.

#### Commission Training and Development

Almost all active members attended the October retreat and worked together to lay the groundwork for rebuilding the Commission, becoming familiar with its responsibilities, and setting goals for the year. Although snow prevented four members from attending the

regional training event in Pittsburgh, sponsored by the General Commission on the Status and Role of Women, resources from the General Commission and commissions in other conferences are helping to facilitate our self-training. Members have actively sought new nominations to achieve a more active, inclusive, and geographically balanced representation on the Commission.

### Advocacy and Monitoring

The Commission has been in contact with the Board of Laity and Conference Arrangements Committee concerning the need for greater sensitivity to inclusiveness in Annual Conference programs. Several Commission members will monitor 1987 Annual Conference programs and proceedings to report progress or problems to appropriate groups or individuals.

The openness and service of each member of the Commission have been a great help in the hard work of beginning again.

### 1988 Program Objectives

1. To encourage the Cabinet to urge local churches and district Councils on Ministries to fill their office for the status and role of women.
2. To develop a pamphlet to introduce the work of the Peninsula Conference Commission on the Status and Role of Women to pastors and congregations and to help them become aware of women's issues as they relate to our connectional system and individual churches and members.
3. To develop training and support in each district for local church and district representatives of the status and role of women.
4. To study and identify concerns of clergywomen in the Peninsula Conference and to make this information available to the Board of Ordained Ministry.
5. To monitor conference boards, divisions, commissions, and committees for inclusive representation.
6. To monitor the salaries of women and other minorities in relationship to all clergypersons.

### AREA COMMITTEE ON EPISCOPACY

The Washington Area Committee on Episcopacy has followed the Discipline in its functions to "support the bishop...be available for counsel, and to assist in the determination of the needs and conditions of the area" as it met with the Bishop several times during the past year.

A productive retreat was held with Dr. Paul Dietterich of the Center for Parish Development to help identify and evaluate different stages of the Bishop's leadership in relation to the two conferences. These stages are: Leave-Taking, Entry, Start-up, Mutual Testing, Mutual Acceptance, and Job/Role Planning, with some overlapping at times.

The committee explored the difficulties and sadness of a bishop leaving one Episcopal Area and entering another, as well as the next area of Mutual Testing and Mutual Acceptance. It is generally agreed that the Bishop and the conferences are at the point of Mutual Acceptance which includes love, caring, dialogue, and communication in many areas of concern.

Bishop Yeakel has defined the key result areas for his goals as follows:

- 1) Celebrating the Good News
- 2) Human Resource Development
- 3) Area/Conference Administration
- 4) General Church Oversight
- 5) Ecumenical and Interreligious Witness
- 6) Christian Presence in Public Life

Highlighting a few of these includes the Bishop preaching in a wide variety of churches, ethnic minority congregations, smaller and larger congregations at various special events; conducting district workshops along with the Conference staff; calling clergy together for a Day Apart at the beginning of Lent; scheduling leadership seminars, Cabinet retreats and the Annual Bishop's Retreat. He also serves as president of the General Council on Finance and Administration, and he is a member of various boards of trustees of United Methodist institutions, as well as serving on ecumenical boards and agencies.

To help provide a "presence in Washington," the Area Committee on Episcopacy voted to accept the use of a conference room for Bishop Yeakel at the United Methodist Building, 100 Maryland Avenue, N.E., Washington, DC. It will be available for meetings or individual appointments.

The committee will follow the guidelines set forth by the Northeastern Jurisdictional Committee to facilitate the section of the Discipline which includes "consultation and appraisal of the work of the Bishop." At this point, the committee feels it has functioned in the concept of free and open feedback and dialogue with the Bishop.

Finally, the Area Committee on Episcopacy thoroughly enjoys working with Bishop Yeakel and is delighted whenever Lois is present. At the February 14th meeting, many creative ideas were presented and explored, some of which will be implemented soon in furthering our support of the Bishop and in helping to provide the best possible working relationship between the Bishop and the conferences.

The committee is convinced that through this ongoing relationship with and support of Bishop Yeakel, the Baltimore and Peninsula Conferences will be able to advance the overall goals of the Kingdom and the mission of the church in today's world.

The Credit Union made 80 loans in 1986, totaling \$186,674.27. It has made 1,310,481.85 in loans since its organization in 1967. Shares held by members increased from 163,171.56 to 198,289.84, an increase of 21.5%. Reserves are being maintained. The Credit Union received the highest rating that the National Credit Union Administration gives credit unions on its stability and the manner in which it is administered.

The financial statement as of January 31, 1987 is :

Loans	208,517.16	Undivided Earnings	735.47

The Credit Union paid a dividend of at least 6.25% on all shares and at least 6.5% on all shares above \$2000.00 for each of the quarters of 1986. This has been very competitive with bank savings and carries added life insurance value.

The Credit Union membership is available to pastors and their dependents, full-time employees of churches (at least 28 hours a week), full-time employees of the Methodist Country House, Cokesbury Village, the Methodist Manor House, and Wesley College.

## WASHINGTON AREA EPISCOPAL RESIDENCE COMMITTEE

I am happy to report that the episcopal residence is in good condition. Some exterior and interior painting was completed this spring along with the installation of a new humidifier and electric dryer and automatic washer. The major news to announce is that the indebtedness on the Episcopal Residence was liquidated this past August, 1986. That good news means that for this year and perhaps next year instead of paying out nearly \$10,000 in loan principal and interest, we can set aside extra monies in a reserve fund to take care of future major maintenance and replacement items and any unforeseen emergencies.

Our annual budget, which currently takes care of taxes, insurance, utilities, and maintenance, is underwritten in the following manner: two-thirds of the total budget is provided by GCFA through the Episcopal Fund and one-third is provided by the Area (Baltimore Conference at 70% and Peninsula Conference at 30%). Any expenditures beyond what has been appropriated by this formula must be borne by the Episcopal Area.

### REVIEWING WORLD MISSION FUNDS

A Report from the Committee Assigned to Review  
As Ordered by the 1986 Annual Conference  
(Journal Reference pp. 190-191)

On a basis of the action taken by the 1986 session of the Peninsula Annual Conference, a committee was appointed to keep the assignment proposed in the resolution. Two persons accepting the appointment had to decline. The members of the committee who carried out the responsibility are: Warner Clark, Garry Parker, Josephine Merrill, William Hemphill, and from the Conference Staff, Gordon Stapleton.

The mandate for the committee was "to investigate, and evaluate the funding procedures of the GBOGM and the organizations receiving these funds and to charge that committee with the responsibility of preparing a thorough written report of its findings and recommendations and to report back to the next Annual Conference." (1986 Journal, p. 191)

On the basis of this action, we proceeded in the following manner:

1. We met as a committee to analyze the task.
2. As a result of that meeting, we communicated with the General Board of Global Ministries at its headquarters in New York City posing certain questions and requesting a time to meet with the staff to hear answers to the questions. The questions were:
  - a. What are the criteria for funding causes, particularly non-United Methodist causes?
  - b. What are the non-United Methodist causes to which money is now directed?
  - c. What are the controversial areas of grants? (i.e., how do they fit with the criteria of the Board?) A number of questions particularly revolved around some of the grants that were being made on the African continent.

- d. What is the process by which grant requests come to the General Board of Global Ministries?
- e. How does the Board check on the accountability of grant requestors?
- f. What is the philosophy of Missions as operating currently in the General Board?

In addition, we examined some documents printed by the General Board of Global Ministries which indicated where grants are currently being made. It was discovered that some of the items referred to in the Resolution were no longer in the funding cycle. There is a manual which lists all the grants and to whom they are made. A copy is available in the Conference Office if any wish to examine it.

Four of the five members of the Committee went to New York to meet with the General Board leadership. What follows is an account of that hearing.

On arriving at the General Board of Global Ministries Office in New York, we were greeted by Mr. Robert Harmon, Director of Planning and General Secretary Randolph Nugent. We were the General Secretary's guest for lunch and had an extensive conversation about the philosophy of the GBGM.

This was followed by a meeting with twelve top-level staff of the General Board who were anxious to answer our questions. It is the opinion of the Committee that they dealt with us in a most responsible manner.

Peggy Billings, Associate General Secretary for the World Division, shared with us the purpose and responsibilities of the World Division. She gave us a staff paper which pointed out the responsibilities and purpose of this division. On page three of the paper, the priorities that are used by the World Division in selecting how moneys will be expended are listed. (Attached) These include ministries of Leadership Development, ministries of Calling to Discipleship, ministries of Human Freedom and Justice, and ministries of International Understanding and Action. She also pointed out the criteria for the maintenance and initiation of missional relationships of these four program priorities. In most every case, the Directors of the General Board (2 from each annual conference) determine the direction the World Division will take and give assignments to the staff. The Directors do designate to staff certain fiscal responsibilities, for example, up to \$12,000 for projects may be approved by the staff. They still have to report any actions taken between Board sessions to the Directors for confirmation. All grants must fit the Board's criteria. Grants are not, however, governed by the politics in the country in which they are made. This is different from how UMCOR makes its grants, where they often respond to a direct and immediate need that is recognized world wide. In terms of monitoring programs and making determinations about the real need in areas of the world where program request are made: the Area Secretary in the World Division would be responsible to determine if the organization is what it represents itself to be. These area secretaries are in touch with these particular assignments three or four times per year and should be knowledgeable about what is going on. Persons selected in most areas have both the cultural and the language relationships with the areas that they administer and are able to understand the needs perhaps better than other members of the Board might be. We also have to realize that in many cases, in dealing with autonomous churches, grants are made on a basis of requested need by these

churches. In some cases, block grants are given for specific programs that a Central Conference wants to develop and the expenditure of that money is determined by that Central Conference as to how it will carry out the program for which the money was given.

Grants are also made to partner churches such as autonomous Methodist Churches and other churches who were formerly related to the GBGM or its predecessor bodies, to enable them to be in ministry. And sometimes grants are made to ecumenical alliances for specific purposes, and occasionally to outside channels which usually have some linkage to the GBGM. When you look at the World Division Budget, over 60% of that budget goes for personnel, about half of which comes from local church or designated Advance Special gifts. When you look at the total expenditures for the entire General Board of Global Ministries for 1986, of \$107,451,527, a major part of that total comes from designated gifts which must be spent as directed by the donors, or from the income of Restricted Funds that must be used for specific purposes. Only a minor portion of the total can be disbursed for grants and gifts by the GBGM.

It should be noted that the General Board of Global Ministries has a responsibility to be in mission all over the world. It is often misquoted and knowledge reaching us through the media is not always accurate. In some cases, missionaries on site have knowledge that they can convey back to the General Board that never gets mentioned in the media.

The National Division information was shared with us by Kim Jefferson, a native of this conference, on behalf of the Associate General Secretary Rene O. Bideaux. He pointed out that the National Division is not a foundation, it is a missionary agency and in almost every case grants that are made by the National Division are now made in consultation with the Bishop of the Area, with the Council on Ministries through the Council Director, and through the Board of Global Ministries of the Annual Conference. They find it helpful to challenge the local churches and conferences to become involved in the mission so they use the partnership approach. Thus many of the grants that are given nationally are given in conjunction with annual conferences. There is a gap and some disagreement on empowering the church to impact the political process. One question raised is about money given for voter registration. The money was given to be used for a part of the population that is not active in the political process and a group that very much needs the support of governments to deal with their needs, particularly in poverty areas. One strategy to help the people become empowered was to recruit them to get out and vote, not for any particular party but to vote for issues and people who meet the issues that would solve some of their problems.

In the preparation of missionary personnel, as Jo Harris reported to us, United Methodist have a gap in interpretation and using the Scriptures and their ability to witness and to use Christian discipline. It is true that many of the folks now coming out of seminaries and wanting to go in the mission field need training in the areas of Biblical studies that have not been provided by the seminaries. We are moving back toward the concept of a mission training center and all missionaries must now have a course in Biblical theology and United Methodist History and Polity.

The Women's Division reported to us that most of their money is distributed through the World and National Divisions. They do, however, have the interest-on-principle of moneys that have been

given to designated causes. Some of this is given through the World and National Divisions and some of it can be made in direct grants, but these are usually small gifts. They pointed out that the Call to Prayer Offering is generally used for grants that would meet the theme that is proposed each year when the offering is taken. The criteria for which grants are to be made are set by the Directors of the Division and the grants are usually one-time grants with some special action.

The Treasurer's office, Health and Welfare and the United Methodist Committee on Relief were also present at this meeting. We did not have time, the hours we were there, to hear from all of these persons individually, but there was a lengthy discussion especially with the World Division about the grants that they make.

In every case it appears that the Board of Global Ministries is genuinely trying to reach people with their needs. As Dr. Nugent explained to us, in many cases the United Methodist Church has entered into both sides of a political struggle, especially in places like Africa where our church has been in a large measure responsible for much of the education of the people. As a result we can often cross lines back and forth and talk to people where neither government systems or local people can do so. In doing this, we can stay out of political systems to which our people are being exposed. In many cases we find that our United Methodist people are on both sides of political struggles that are going on in Africa today. The General Board consults with United Methodists, autonomous Methodists and other churches in a country before engaging in a ministry. Sometimes for reasons of conscience, it may not always carry out its ministry in accordance with those churches wishes.

Where there are hungry children, where there are children that are being abused, where there are children of war, where there are refugees, we are going to meet the mission needs. We are going to be the church of Jesus Christ wherever we can be. It is sometimes interpreted that we are taking sides in partisan political struggles, but that is not how our Church sees it. We are to be in mission to the world and in so doing, we may sometimes step behind political lines that might not meet someone else's political philosophy. The Church has got to get beyond the philosophies of various political systems and see itself as a ministering servant of God to all people of the world. Wherever there is hurt or injustice, that is the place where the Church needs to be.

\*\*\*\*\*

We discovered that as a committee we, in many ways, reflect the diversity which is representative of our denomination in our understanding of missional problems. We generally approve of the vast majority of grants and that they do reflect the nature of our church. We compliment our General Board of Global Ministries on the improvement of their accountability systems over the last quadrennium and we look forward to continued improvement.

Directors make decisions on a basis of information received from Area Secretaries and Staff. It is our expectation that these persons will do an adequate task of research, realizing there may always be some margin for errors in evaluation.

We note that there are different ways in which funding is accomplished, e.g. Women's Division, Advance Specials, World Service, etc. Most of the grants that are controversial represent a very

small segment of the overall giving patterns. There probably is going to be continued controversy because there are different Christian understandings of how we are going to be involved in social concerns.

We also want to note that the funding procedures of the GBGM are related to the overall goals of the Board and that these procedures are now so in place that Directors have a handle on how the moneys are divided among those goals to be expended. The four goals are:

1. Witness to the Gospel for an initial decision to follow Jesus Christ.
2. Strengthen, develop and renew Christian congregations and communities.
3. To alleviate human suffering.
4. To seek justice, freedom and peace.

Finally, we support wholeheartedly the mission program of the church. If churches are concerned about controversial issues, we recommend that they raise them with our Conference Missions Secretary or our two Directors on the General Board of Global Ministries. We recommend that we back the program of the General Board of Global Ministries as the Mission-arm of the church. We recognize that there will be controversial areas in which some may not be comfortable in supporting certain projects, but the supporting of our missionaries and the vast majority of our projects, UMCOR, and other agencies ought to be expanded and continued. We invite questions from any local church and our experience in this venture tells us that our General Board of Global Ministries is willing and ready to explain its stance on any project it has undertaken.

#### REPORT OF CONFERENCE CONGREGATIONAL DEVELOPMENT SURVEY

Journals from past Annual Conferences are filled with evidence of the concern Peninsula United Methodist Church leaders have had for Congregational Development. Always aware of changing and growing population The United Methodist Church has been ready to meet the spiritual needs of people where ever they are found. Even though the financial burden is heavier and population changes more difficult to track, the Peninsula Conference is still concerned to meet people where they live to provide for spiritual nurture.

This concern to provide for spiritual nurture was the motivation for a very informal meeting in the Spring of 1983. The meeting was called to discuss the possibility of developing a new congregation in a very rapidly changing area of New Castle County, Delaware. As the people attending this meeting began talking to other Conference members about the exciting possibility of a new congregation, it became evident many people saw other areas of the Peninsula Conference with as great if not greater potential for developing a new church. Now came the eternal dilemma. How could our Conference meet the many challenges with limited resources? It was determined there were many areas with potential for new or redeveloped ministry, but how could we discover them and how could it be determined which should be given the greatest attention and supported with our

It came to the attention of the Conference Board of Global Ministries that a study had been developed by the General Board of Global Ministries, Congregational Development Program Management Unit that could help us discover answers to the questions being asked. The General Board was contacted and asked to lead us in a study of our Conference to evaluate where our greatest needs for new church development and redevelopment were to be found. The Congregational Development Study was conducted in the Peninsula Conference during the 1985-86 Conference year.

Each of our four districts organized a District Study Team that met to learn the process we would be following in our study for the next ten months. Each Team was responsible for the study and gathering of details for their respective district. Materials gathered and used were: census data, census tract maps, Annual Conference statistical reports, city/county population data and projections, city/county planning boards projections and highway department plans and projections. There were also questionnaires used for targeted churches and areas that could reveal changes taking place. There were interviews with individual clergy, laity and churches. All of this data gathering and evaluation took place under the guidance of the Congregational Development Program Management Unit of the General Board of Global Ministries.

After all the data was gathered, evaluated and discussed; after interviews were held and conversations completed, each District Study Team met to determine the needs for new church development or church redevelopment on their particular District. These needs were evaluated and discussed and prioritized for each of the four districts. The chairperson of each District Study Team and one representative from each Team was then asked to meet with the Cabinet where each District would present their determined Congregational Development needs. This meeting was conducted by the Rev. Russ Harris from the Congregational Development Program Management Unit of the General Board of Global Ministries. After each District had presented their findings and allowed to defend their choice a list of priorities was developed for our Annual Conference from all the possibilities submitted by the District Study Teams. Priorities determined from the Conference Congregational Development Study are listed in two categories:

- |                         |                            |
|-------------------------|----------------------------|
| New Church Development: | 1. Fenwick-Bethany         |
|                         | 2. Stoney Batter           |
|                         | 3. Glasgow                 |
| Church Redevelopment:   | 1. Cecil County Strategy   |
|                         | 2. East Salisbury Strategy |
|                         | 3. Asbury Church (Easton)  |
| Redevelopment           | 4. Berlin Redevelopment    |
|                         | 5. Kirkwood Relocation     |

Please note the numbering of these priorities does not necessitate the completion of one project before another one can be begun. Nor does it deny the possibility of beginning a lowered numbered priority, if it is advisable and the lowered numbered priority is ready to begin. For example, if the Kirkwood Relocation project has advanced sufficiently to warrant greater attention it could become the number one project although not the number one priority. It should also be noted the first four priorities under

Church Redevelopment are specifically regarding Ethnic Minority Congregations.

Someone is bound to ask the question, "Why isn't my church or my area mentioned as a changing area with development potential?" This study was looking for areas of new church development or redevelopment and did not consider areas where ministry was adequately meeting the changing needs. For example, the growing Hispanic population in Wilmington is not mentioned here because of the ministry already begun in that area. Likewise, the area of Ocean Pines is not mentioned in this report because there is a new congregation established in that area at present.

Of course it does not need to be said, but will be said any way, this is a report of the findings determined by a Conference Congregational Development Study. The priorities are presented as Annual Conference priorities established by the combined District representatives. For new church development or church redevelopment to happen, it will take the work and commitment of our whole Peninsula Annual Conference.

#### MONITORING COMMITTEE OF THE COMMISSION ON RELIGION AND RACE

##### Review of Wesley College

The 1986 Peninsula Annual Conference requested that the Monitoring Committee of the Commission on Religion and Race again review Wesley College as it its progress in developing an inclusive community. In order to follow-up that request, the Committee engaged in the following:

1. Met with President Reed Stewart and members of his faculty and staff.
2. Met with four ethnic students presently attending Wesley College.
3. Interviewed two ethnic alumni of the college.
4. Interviewed two members of the Board of Trustees.

##### MEETING WITH PRESIDENT STEWART AND FACULTY/STAFF

On November 11, 1986, four members of the Monitoring Committee (Rev. Nathaniel Miller, Rev. Dr. Fred Wood, Verdie Page and Doris Phillips) met with Dr. Reed Stewart and seven members of his staff and faculty. The discussions, which focused on progress experienced in implementing recommendations suggested by the Monitoring Committee in 1983, were open and mutually beneficial. The following observations were noted:

1. There has been an increase in the number of black students in 1986 - from 9.1% of student body to 10%.
2. Of 46 faculty/staff positions, there are 7 blacks, 3 asians, and 1 native american.
  - a. Staff - 1 black, 1 asian
  - b. Support staff (security and secretary) - 3 blacks, 1 native american
3. In order to recruit black staff/faculty, the college used the Chronicle of Higher Education, newspapers, area grad schools.

Lower salaries continue to be an inhibiting factor in recruiting. Also, a person's race cannot be requested on the phone or in an application.

4. Effort is being made to write and develop an Affirmative Action Plan. Request was made for a copy of the Peninsula Conference Affirmative Action Plan.
5. There is appropriate black representatives on the Board of Trustees - 3 of 29.
6. Faculty and staff felt there were not any race relations problem on campus at present.
7. Events sponsored by the Afro-American Club have attendance comparable to other events.

#### INTERVIEW WITH STUDENTS

Two male and two female ethnic students were interviewed by the Monitoring Committee during the afternoon of November 11th. Rev. Dr. Robert Price, Chaplain, arranged the meeting.

The students shared openly and readily of their feelings about Wesley College. Most were pleased with a small college. All agree that there were not any race relations problems existing on campus at that time. Frustrations expressed did not seem to be motivated by racial experiences. Of two incidents shared, the students felt they could/could not have been caused by prejudice.

However, the students did express a desire to have a black faculty/staff person they could related to, someone who understands their ethnic roots, someone who could counsel.

#### INTERVIEW WITH ALUMNI

Two black alumni living in the area were interviewed concerning their experience at Wesley. Both had attended when the percentage of ethnic students was lower. However, both reflected on very positive experiences with students and faculty, and were able to transfer to other colleges with little difficulty.

One student did comment that "things were better when her sister attended for there were more ethnics." In addition, another commented that he had felt a need for a black faculty presence -- that it would have been very helpful.

#### INTERVIEW - MEMBERS OF THE BOARD OF TRUSTEES

The Trustees felt that movement towards a more inclusive community needs the leadership and presence of black faculty members. It was affirmed, however, that lower salaries were a problem. It is hoped that an increase in salaries can be achieved within the next two years, at least, to reach the average level of that offered at other schools.

#### RECOMMENDATIONS

After considering the information learned in the interviews, the following recommendations were suggested:

1. The top priority remains to recruit additional black faculty members. Even though there are some blacks in responsible positions, the need remains for ethnics in upper level, highly visible positions. Role modeling is an important motivating factor for black students. In addition, a multi-ethnic

community is enriching to all those who experience it. Three suggestions are offered:

- a. Ask for personal interview. It is felt that if some blacks could see Wesley and realize the importance of role modeling and relations to black students, they would be willing to sacrifice larger salaries.
  - b. Contact traditionally black grad schools for possible staff.
  - c. Offer a part-time counselling position to a retired black educator in the Dover area. The General Board of Higher Education is compiling a list of retired educators. They could be contacted for this list in the near future.
2. Related to the above is the suggestion to develop/finalize an Affirmative Action Plan that is consistent with that of the Peninsula Annual Conference.
  3. Continue to intentionally recruit black students. Even though the percentage has increased, the overall number could be higher.

### CONCLUSION

President Stewart and his faculty/staff are to be commended for the leadership they have provided Wesley in enabling them to achieve financial stability. Simultaneously, Wesley has proceeded to move from a Junior College status to offering four-year degrees.

In addition, there are many signs that Wesley is indeed becoming an inclusive community. Both faculty/staff and students suggest that racial incidents and problems are few. All, indeed, seem committed to this goal. However, there is room for continued growth in this area and we feel the suggestions included in this report can contribute to that progress.

### Conference Council on Ministries

#### Introduction

The Monitoring Committee is pleased to report that the overall results of our monitoring of the Conference Council on Ministries have been highly favorable. The monitoring process was carried out through an exhaustive questionnaire which provided information for monitoring both the C.C.O.M. Administrative Staff and the Council itself. Both of these areas were monitored as to Affirmative Action compliance, job positions and pay scales, recruitment policies, racial inclusiveness, job orientation, performance evaluation, grievance procedures, promotion and advancement, ethnic membership on boards and agencies, program goals for inclusiveness, and inclusiveness in communications. It is the conclusion of the committee that the C.C.O.M. does intentionally address the problem of inclusiveness of minority members.

#### The Administration of the C.C.O.M.

Until this year, the administration staff was all white. When a job position became available, the Council Director intentionally interviewed only minority applicants, as an implementation of our Affirmative Action Policy. A black staff person was hired and has fit into the work staff congenially and productively. The recruitment policies seem to be functioning well, as do the orientation and evaluation of employees.

### The Council of the C.C.O.M.

The Monitoring Committee finds no evidence of exclusion in the C.C.O.M. membership. The Committee emphasizes the necessity of considering all the gifts and graces that a person has, when executive and leadership positions become available. The Executive Committee seems to be acceptably well balanced, racially, as determined by the Monitoring Committee. In terms of the boards and agencies, blacks have all too seldom held positions of chairpersons. They have only served as vice-chairpersons or in lesser positions. The Monitoring Committee would like to see this situation remedied. Also, it has been noted that hardly any black pastors are on the C.C.O.M. To date there is one staff member and four consultants who do not have voting privileges.

As far as C.C.O.M. programs, the Monitoring Committee realizes that E.M.L.C. has been our quadrennial emphasis for the past two quadrennia. However, we still must question the impact that this has had upon members of local white churches as to racial inclusiveness. How much have attitudes of racism actually been changed? How many local white churches have actually become involved in consciously and conscientiously seeking racial inclusiveness?

C.C.O.M. programs appear to be inclusive, but there have been concerns and problems voiced. For example, are blacks involved in both the scheduling and designing of meetings? And, in some cases, are the ethnic vice-presidents just there to balance the ratios? These are questions we would like our Nominating Committees to deal with in the future.

### Recommendations of the Monitoring Committee of the C.C.O.M.

We recommend that the other minority groups be represented on the C.C.O.M. as well as blacks.

We recommend that ethnic leadership of the boards and agencies be increased.

We recommend that there be more black pastors on the C.C.O.M.

We recommend that ethnic churches recommend quality ethnic leaders to the Conference Nominating Committee.

We recommend that the C.C.O.M. staff train and orient new leadership on the boards and agencies with emphasis on jobs, goals and affirmative action and inclusiveness.

The Monitoring Committee of the Conference Commission on Religion and Race is pleased to submit this report based upon our monitoring of the C.C.O.M. We are pleased to be a part of our great church body, and wish to function in love and unity together, to bring all members together in equality and love, under the head, Christ Jesus our Lord.

Respectfully submitted on this second day of April, in the year of our Lord, 1987.

Peace and Love,  
Dr. Fred Wood

Introduction

In its review of **Peninsula United Methodist Homes**, the Monitoring Committee considered data gathered from questionnaires, and from meetings with the President and Directors of the Homes. Prior to submitting a final report, the Committee met again with Rev. Richard Stazesky and Mrs. Naomi Winchester. From that data, the Committee observed that the Corporation is providing outstanding services to 900 elderly within our conference. Four areas of concern, however, were noted. Following are observations and recommendations in these areas:

**AFFIRMATIVE ACTION PROGRAM:** The Committee observed that the Affirmative Action Program has been revised. The use of minority vendors is commended.

Recommendation

The Committee suggests the plan be revised to include measurable goals (numbers are not requested). This is necessary in order to implement the Affirmative Action Plan of the Conference Council on Ministries.

**RECRUITMENT AND EMPLOYMENT:** Of the 635 employees of PUMH, 209 or 33% are minorities. With the exception of three managerial positions, and two administrative positions and one Consultant, minorities are employed in lower level food and health service areas. Efforts have been made to locate qualified minority employees through advertisement in the media, and presentations at vocational schools and employment opportunity events. In addition, PUMH offers tuition aid for employees' continuing education. This enables persons to qualify for job advancement. Higher pay scales for comparable jobs, no doubt, motivates qualified persons to seek employment elsewhere.

The new position of Aging Ministries Consultant, now being filled by an ethnic, is indeed a step that can bridge many gaps. As she assists local churches in developing ministries with, by and for the elderly, there can be improved, two-way, personal communication.

Discussions can clarify what the homes have to offer potential residents, information on scholarship, and employment opportunities. In addition, the quarterly newsletter can channel information directly to local churches.

Recommendations

More minorities need to be recruited into supervisory and administrative positions for four reasons:

1. the United Methodist Church is an inclusive institution;
2. minorities in decision-making positions encourage other minorities to seek employment with Peninsula United Methodist Homes;
3. minorities in decision-making positions also provide an inclusive environment that can contribute to cross-racial and cultural enrichment, both for staff and residents;
4. to eliminate the stereotyping of minorities into service only positions
  - a) The Committee has learned that the State of Delaware asks for race on its employment applications. The applicant is not required to state his/her race, but

- can volunteer the information as a way of helping to implement affirmative action policies.
- b) PUMH needs to expand its educational incentives in employment opportunities to include churches - especially minority churches. Perhaps an information event for Health and Welfare and/or Mission Chairpersons, could help inform members of the potential opportunities and rewards for service in the "caring" fields.
  - c) Broader publicity is needed for position advertisement. The whole peninsula needs to be reached. Use of articles is suggested in addition to "listings." Conference and District newspapers and newsletters could be used. Young people graduating from school and seeking employment, often are ready to move to another area.
  - d) Government related training programs need to be investigated, as they can be a source of qualified persons.
  - e) PUMH needs to take informed risks with respect to minority employment, giving persons the opportunity to qualify while on the job. As long as persons understand and are informed of the reality, risks are slight. Giving persons opportunity to up-date their skills on the job can be effective affirmative action.
  - f) Intentional, on-going human relations training is suggested for all personnel. The Story of O is a recommended resource. A copy is in the Conference Library.

RECRUITMENT OF RESIDENTS: Of the 899 residents in PUMH, one is ethnic. There have been intentional efforts made by some minority pastors to recruit residents. Even though scholarships are available, these efforts to recruit have not been successful. Minorities do not see the homes as an option for them.

There are questions concerning the basic role and function of the homes. Culturally, ethnics feel abandoned if placed in a home. If they have accumulated property, they are pleased with the sense of ownership and want to pass it on to their children.

In addition, there exists anxiety within the minority community concerning whether they will be mistreated. The homes are viewed by some as being built exclusively for the white population. Can this stigma be removed?

Recommendations:

- a. Fourteen percent of our Annual Conference members are minority persons who support Conference programs. The homes need to serve these persons. The Committee commends the homes for their Mission Statement, New Venture Policy and Strategic Plan, all of which reveal sensitivity to need, awareness of the Church's responsibility and mission, and creative vision.

There is a need, however, for an expanded program of resident recruitment focusing on minority churches. This plan could include use of the Communicator, District newsletter, direct mailings to Health and Welfare persons, and cluster discussions with administrators. Tours could be offered for Health and Welfare persons. Educational

slides could be developed and shared. These efforts could help address the apprehension felt by some persons with respect to the homes.

- b. It is further recommended that PUMH proceed with the implementation of the Strategic Plan. Programs are especially needed to offer housing and in-home services to elderly who do not wish to become residents of the present homes. Results of the surveys, now being conducted by the Consultant, can indicate appropriate services PUMH can provide.

**COKESBURY VILLAGE:** Special concern needs to be expressed for Cokesbury Village with respect to its minority resident and employee status. Compared to the other two homes, Cokesbury has the largest number of employees, and the lowest percentage of minority employment. Further, there are no minority residents.

During the 1973 Annual Conference, an addendum to the Pre-Conference Report of Peninsula United Methodist Homes and Hospitals was approved. (Journal of Peninsula Annual Conference, 1973, pg. 197) Included in this report was the following, related to Cokesbury Village:

"We, therefore, request permission from the Annual Conference to proceed with the proposal when plans and financing have been approved... and that a program of information and recruitment will be developed and approved to insure a racial, ethnic, and economic mix related to an inclusive community."

A fund was to be established to enable an inclusive community. Although the Village is financially secure, the fund has never been established. PUMH apparently failed to honor its commitment to the minority community.

Cokesbury Village remains open for any resident desiring to live there. However, for fiscal reasons, scholarships will not be offered for this residence. Two persons can be supported in the other homes for what it costs to support one resident in Cokesbury. PUMH management feels this is the most economic use of funds.

As an alternative choice for low income elderly, PUMH Trustees have begun negotiations with the Board and owners of the Layton Home in Wilmington. This is an ethnic nursing home that has encountered multiple problems. PUMH hopes to develop a management contract with the Layton Home Board, that will address some of the present concerns, and put it on a sound, operational basis.

**Recommendation:**

If the 1973 Annual Conference resolution is not to be enforced, other programs should be developed, in addition to the Layton Home, to service the minority community. It is suggested that the concept of "shared housing" be explored as a possible alternative to the homes.

**Conclusion:**

The Monitoring Committee wishes to affirm it was, indeed,

impressed with PUMH, its administration, its new Consultant program, and its services. Our concerns focus on the fact that we need to be in service to "all" persons regardless of race or economic background. The Homes have not been able to do this. The Missional Priority of our church is to strengthen ethnic churches, to enable them to be in mission and ministry. The Consultant's work focuses on this concern. However, another part of that priority, since we confess to be an inclusive church, is to provide programs, services of ministries to "all" our members. In light of this, we question the validity of continuing to build homes only for persons in the upper economic levels.

As outlined above, we are suggesting expanded plans be developed for employee and resident recruitments simultaneously, plans need to proceed for offering alternative care for elderly, not now being served by PUMH. The Board of Trustees, which has five minority members, can be instrumented in developing these plans.

In closing, we express appreciation to the Homes' administrators for the detailed information supplied, and for sharing helpfully in our discussions. Special thanks are offered to Richard Stazesky whose vision and sensitivity to met needs are an inspiration to us all.

## C. Memoirs

### I. Clergy

#### THE REVEREND WALTER L. BECKWITH

The Apostle Paul, writing to Timothy, gave him this challenge - "O Man of God, pursue righteousness, godliness, faith, love, endurance, gentleness. Fight the good fight of faith; lay hold on eternal life, to which you are called, now that you have witnessed a noble profession of your faith in the presence of many witnesses."

Walter L. Beckwith, born in Cambridge, Maryland, August 29, 1910, heard the call to ministry through the ministries of Zion Methodist Church, Cambridge. His life, ministry, and service were living testimonies of commitment to Christ and his Church. Walter was a loving person. He was a kind, gentle, forgiving, faithful servant of Jesus Christ. He was also a man of laughter, good humor, and contagious friendliness. He loved the rural countryside, spending his entire ministry in rural and town parishes.

Walter and Goldie May Rhea were married April 13, 1932. God gave them a son, Walter H., who serves as pastor of Trinity United Methodist Church in San Antonio, Texas.

Walter lived in Cambridge where he attended public schools. He later attended Goldey College (now Goldey Beacom College), Wilmington, Delaware, and in 1939 graduated from Washington College, Chestertown, MD. He entered the ministry in 1939 and from that date until his retirement in 1975, served with distinction the following churches: Secretary, MD, Church Hill, MD, Magnolia, DE, Smryna, DE, Crisfield (Asbury), MD, and Chestertown (First), MD.

He served as Conference Secretary for twenty-five years, and without the benefit of word processors and other electronic helps, the minutes and reports of Annual Conference were collected, edited, and published on schedule.

He was a member of Franklin Lodge A.F. and A.M., Georgetown, DE, and the Scottish Rite Bodies of Wilmington, DE. Upon retiring, he moved back to Dorchester County, MD, making his home in Casson's Neck, where he died April 25, 1987. Funeral services were held April 28 at Spedden United Methodist Church, his boyhood church. Interment was at the Seward-Spedden Cemetery.

He is survived by his wife, Goldie, his son, Walter H., three grandsons, Walter H. Jr., Mark C., and Paul D. Beckwith, and one great-granddaughter, Sarah Beckwith.

It is impossible for me to close this memoir without a personal note. Walter believed and practiced the kind of loving, serving, and witnessing described in the 25th Chapter of Matthew. I was the least of one of these brethren. When I was in need while attending college, Walter, Goldie, and Walter, Jr., took me into their home and surrounded me with love. Walter gave me the opportunity to preach my first sermon at the church at Price, MD. This event helped in my decision to enter the ordained ministry of the United Methodist Church.

Walter L. Beckwith, with a loving heart, a pure heart, an humble heart, and a heart of faith has been crowned at least.

"Servant of God, well done, your glorious earth's journey is past.  
Your race is won and you are crowned at last."

William O. Hackett

It was on the Eastern Shore of Maryland that he began camping with his family; he learned to hunt and fish with his members (Methodist Men). It was a joy and privilege to serve the Lord.

One of Rev. Butler's favorite songs was "In Times Like These" by Ruth Caye Jones. He believed that In Times like These, We Need A Savior, and that We Need an Anchor that will grip the Solid Rock. This Rock Is Jesus.

## THE REVEREND HARVEY BARNES FLATER

The Reverend Harvey Barnes Flater was born in Gamber, MD on February 1, 1911. He was the son of John and Goldie (Barnes) Flater. He was fourth of a family of 10, and experienced the love and care of warm parenting.

Following his college, he was offered the position teaching Math and Science in the Dorchester County schools. This gave him an additional opportunity to work with youth. Early in his life he had planned to enter the ministry. He graduated from Westminster Theological Seminary (now Wesley) in 1935. He furthered his education at Temple University, receiving his Masters of Theology in 1949. In college he participated in dramatics, played in the college orchestra, and took an active part in boxing. While in the Seminary he coached college soccer teams. As a pastor, he served churches in Bivalve, Kent Island, Scott in Wilmington, Snow Hill, Delmar, Oxford, Preston, Laurel, and Quantico-Rockawalkin. He was appointed as Curator of Barratt's Chapel. This was a most interesting experience, affording an opportunity to help people have a greater appreciation of our United Methodist History.

Extensive traveling was enjoyed during his ministry. The family made fifteen pulpit exchanges with ministers and their families throughout the U.S. and Canada during vacation. It was assuring to find many Christian people in the world. Travel took the family abroad on two occasions. These exchanges gave an opportunity to visit all the states.

Harvey's failing health became a problem to him. He moved to his home in Snow Hill, Maryland among his friends. He was an avid reader and made use of the Library for the Handicapped. Harvey was never heard to complain of his health.

Harvey exemplified what he preached, was steadfast in the Lord, and believed in the truth. He never had an enemy. Those that knew him remember him as a person who not only preached Christ, but he walked with him. To know him was to love him.

Pres will long be remembered as a colorful man, with a great sense of humor who "told it as he saw it".

Elizabeth Owens Spence was part of the team in ministry. She was as quiet and in the background as Pres was in the forefront. The "ideal" minister's wife, she served as a buffer, support, hostess par excellence and provided a happy, loving home for the family. She was always "there".

### DOROTHY MAE MANN

Dorothy Mae Clothier was born in Philadelphia, not many blocks from the birthplace of he whom she would marry. In her growing years, she attended the Presbyterian Church. The family moved to a different neighborhood, and there she was attracted to St. Phillip's Methodist Church (in Philadelphia). There she accepted Christ and served faithfully in the Youth Fellowship, the Choir, and as a Sunday School teacher. After High School, she attended and graduated from Pennsylvania Bible Institute.

The Christmas season came when a young student pastor came home from college for the holiday, and he, the Reverend William T. Mann, escorted her Christmas caroling. A few years later they became man and wife on Easter Monday midway through his first year in seminary. Dorothy went to Drew Seminary with her husband, and there she audited classes for two and one half years. Through her marriage, she entered the life of a Minister's wife and Queen of the Parsonage in Pennsylvania, New Jersey and as a retired supply in Maryland. A son was born, who is today a Minister and a doctoral candidate at Temple University and part-time Religion Instructor at Villanova University.

Dorothy was a quiet worker for the Lord, something of an Andrew. She conducted a ministry by telephone and greeting cards among the sick, the sorrowing, and celebrants of birthdays and anniversaries. Her faithful use of thank you cards was legendary in the parish. Until she suffered her first heart attack four years ago, she was an active and faithful officer in the Womens' Societies in every church they served. When it was necessary, she took employment, as available, in various appointments. In the church in which she was serving at the time of her death, she was beloved for the Christian life. She gave the Mother's Day Message the day before she died, and attended Administrative Council the hour before her death.

The Service of Death and Resurrection was on May 14, 1987 in Shelemiah United Methodist Church in Bayview, Maryland; and she is interred there. Services were conducted by the District Superintendent, the Reverend Dr. C. Edwin Lasbury. Many other clergy gladly came to assist including the Reverend Fred Althoff (Lutheran), Reverend James Doran, Reverend James Shand (Episcopal), Reverend Stephen Wallace, and Reverend Robert Warner.

A testimony of Love,

William T. Mann

**LOTTIE WEST MILLINER**

Lottie West Milliner was born in Gumboro, Delaware, February 12, 1904, the daughter of Mr. and Mrs. Charles D. West and one of twelve children.

While working in Philadelphia, PA she met and married Milton C. Milliner, then an accountant with Sharp and Dohme, Inc. They began their service for the Lord as teachers and youth directors at Wharton Memorial Methodist Church in Philadelphia.

In 1947, the Milliners returned to Delaware and became a part of the Peninsula Conference. She joined her husband in ministry at Gethsemane Church Reliance, Delaware until retirement in 1965.

As a pastor's wife, she was extremely effective in youth work, Bible teaching and counseling to many.

Her devotion to Jesus Christ was very obvious to folks who knew her and to her family who loved her. She served Him well and did not go empty handed to join Him in Paradise.

Death came on March 20, 1987 after a short illness. Funeral services were held at Cannon United Methodist Church, Seaford, Delaware. The Rev. Dr. Edwin Ellis and the Rev. Mr. Milton Keene officiated. Burial was at Georgetown, Delaware.

## ROSE V. STATEN

Rosebud Virginia Barrett Waters, daughter of the late Samuel A. Waters and Elizabeth A. Waters, was born December 2, 1920 in Kent County, Quakertown, Chestertown, Maryland.

She departed this life July 29, 1986, 3:30 p.m. at the United Methodist Parsonage at Millsboro, Delaware.

She received her education in Kent, Caroline and Wicomico County Schools. Being a Minister's daughter she moved from charge to charge.

Rose accepted Jesus as her Savior at an early age and spent her life working in the church.

She sang with the choir, served as youth director, and was an assistant teacher in church school.

Her charming smile and outgoing personality drew people to her like metal is drawn to a magnet.

She has numerous friends throughout both conferences.

She was joined in Holy Wedlock to William Martin Staten on July 5, 1938. To this union five children were born, Timothy, Christabell, William, Laura, and Virginia Staten who preceded her mother in death to the great beyond.

During her early marriage, she took the courses required and became a competent certified nurse. She was employed at the Easton Memorial Hospital, Easton, MD for a long period of time. Later, she was employed in her home community of Preston, MD where she was employed by many families who knew her.

She was highly recommended by her own family doctor, Dr. Harold B. Plummer. Her last employment as a nurse was at Dagsboro, Delaware in a private home in 1981.

She was an active member of the United Methodist Women. She served in various capacities on the Easton District and the Salisbury District where she helped to organize new United Methodist Women's organizations.

Rose loved to sing the Lord's songs and took an active part in training and directing choirs where she was asked and accepted during our pastorate. Rose also served on the Bishop's Retreat Committee for the Baltimore and Peninsula Conferences.

Rose was a devoted mother and exceptionally loving wife. She would go without in order that her children might have what they needed. She worked with her husband in training and rearing the children. She loved her children with every kindness a mother could possess. There was a togetherness that prevailed throughout William and Rose's forty-eight years together.

As a minister's wife from the 1960's up to her passing, she was a partner and helpmate, beyond that she was knowledgeable and understanding. Having been reared in a Methodist parsonage, she knew the headaches, and heartaches a minister endured.

She is gone from among us but like the song that ends; Her life like the melodies will linger on.

She leaves to mourn their loss a loving husband, William Martin Staten, four children: Timothy A. Staten of Finchville, MD, Christabell L. Simmons of Easton, MD, William E. Staten of Newton, NJ, Laura A. Dixon of Bridgeville, DE; eleven grandchildren: Renee, Avery, Mary Inez, Tara, Timothy, Jr., Walter, Barry, Serita, Diane, Donita, and Tony. Two sons in-law, one daughter in-law, three brothers in-law, three sisters in-law, and a host of relatives and friends.

#### CROSSING THE BAR

Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar,  
When I put out to sea,

But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the bound-less deep  
Turns again home.

Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;

For tho' from out our bourn of Time and Place  
The flood may bear me far,  
I hope to see my Pilot face to face  
When I have crossed the bar.
