III. Conference Rules Of Order

- Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Committee on Conference Arrangements. The Conference in plenary session may alter the time of convening or adjourning.
- Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of his/her appeal.
- Rule 3: All resolutions, motions, amendments, and substitute motions presented at the Annual Conference shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.
- Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.
- Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:
1. To fix the time in which the Conference shall adjourn.
 2. To adjourn.
 3. To take a recess.
 4. To lay on the Table.
 5. For the previous question.
 6. To postpone to a given time.
 7. To refer.
 8. To substitute.
 9. Amendment.
 10. To postpone indefinitely.
- Rule 6: A motion to amend shall be in order, and a substitute for both amendments may be received which substitute may be amended only once, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a member is about to speak in debate, or to deliver any matter to the Conference, she/he shall rise and respectfully address the President, but shall not proceed until recognized by him/her.
- Rule 8: No member shall be interrupted while speaking except by the President to call him/her to order when she/he departs from the question, or uses personalities or disrespectful language; but any member may call the attention of the President to the subject when she/he deems a speaker out of order, and any member may explain when she/he thinks herself/himself misrepresented.

- Rule 9: When a member desires a question of privilege, she/he shall briefly state the question; but it shall not be in order for her/him to proceed until the President shall have decided it a privileged question.
- Rule 10: No person shall speak more than twice on the same question, nor more than ten minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been acted by the Conference, it shall be in order for any member who voted with the prevailing side to move a reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall absent herself/himself from the sessions of the Conference without leave, unless she/he is sick or unable to attend.
- Rule 13: No member shall be allowed to vote on any question who is not within the bar of the Conference at the time when such question shall be put by the President, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall give his/her vote, unless the Conference, for special reason, shall excuse him/her.
- Rule 15: It shall be in order for him/her to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been negatived and no business or debate has intervened.
- Rule 17: All reports of the Boards, Commissions, and Committees shall be published and mailed to members of the Annual Conference ten (10) days prior to the date of meeting of the Annual Conference. Reports to be included in this mailing must be in the hands of the Secretary by the date set annually by the Conference Council on Ministries.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.

- Rule 21: The Nominating Committee shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Board, Division, Committee, or Commission shall serve more than two consecutive quadrennia on said Board, Division, Committee, or Commission, and shall be ineligible to be re-elected until after one quadrennium has elapsed except members of board, committees or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has lapsed and except that when a member is elected to fill an unexpired quadrennium or term she/he may complete the unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. Persons elected to the Board of Ordained Ministry may serve eight (8) years regardless of what year in the quadrennium they begin serving. No member of the Conference, lay or ministerial, shall be elected to serve on more than two Boards, Divisions, Committees, or Commissions concurrently, except the committees elected or appointed for the Annual Conference session only, district committees whether or not elected by the Annual Conference and the quadrennial committee of the local church. The distribution of membership shall be according to districts, three lay persons and three ministers as nearly as possible to each district.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: In order to achieve balanced membership in the Annual Conference, the Conference Secretary shall report quadrennially the number of lay persons required to preserve equality of membership, and that the Peninsula-Delaware Conference achieve the desired equality of membership, by (1) the Associate Lay Leader of Life and Work, the four District Lay Leaders, the four District Presidents of the United Methodist Women, the four District Presidents of United Methodist Men, all United Methodist Deaconesses active and retired within the bounds of the Peninsula-Delaware Annual Conference, all certified Directors of Christian Education employed by churches of the Peninsula-Delaware Annual Conference, and all other voting lay persons of the Conference Council on Ministries, shall be members in the Annual Conference with vote; (2) each pastoral charge enrolling more than 500 members, but having only one clergy member appointed to it, may elect one additional lay member, and further, that a pastoral charge having more than one clergy member appointed to it may elect one additional lay member, provided that more than 1,500 members are enrolled; and (3) the Conference Council on Youth Ministries shall elect as many youth members as needed to maintain a balance, divided equally among the districts.
- Rule 26: All budget requests must be referred to the Council on Finance and Administration prior to Annual Conference action.

Rule 27: All statistical material for inclusion in the Statistical Tables to be printed in the Annual Journal must be in by January 30 or it will not be included.

Rule 28: In keeping with paragraph 746 in the 1988 Book of Discipline which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place," a district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

**Rules and Guidelines for the Conference
Nominating Committee**

A.

1. That the Peninsula-Delaware Conference again record its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Nominating Committee be composed of the Cabinet, the Conference Secretary, the Conference Lay Leader, the Lay Leader of each District, the Conference President of United Methodist Men, a representative selected by the United Methodist Women Executive Committee, the District Presidents of United Methodist Women, a youth selected by the Conference Youth Council, one minister under appointment from each District to be elected for a quadrennium by the respective District Ministerium, and the Conference Council Director.
3. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, commissions, and committees shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
4. That no member of any board, committee, or commission shall serve more than two consecutive quadrennia on said board, committee or commission and shall not be eligible to be re-elected until after one quadrennium has elapsed, except members of boards, committees, or commissions elected for three-year terms may serve three consecutive terms and shall be ineligible to be re-elected until after one term has elapsed and except that, when a member is elected to fill an unexpired quadrennium or term and serve not more than one additional consecutive quadrennium or term. See Conference Rule #23, page 413, 1987 Conference Journal.
5. That no member of the Conference, lay or ministerial, shall serve on more than two boards, commissions, or committees concurrently. Ex-officio membership on conference boards or agencies in excess of two shall count toward the total of two. The following shall not be under the Conference rotation system nor counted in the above total: district committees or secretaries, Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., the Episcopal Residence Committee, and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Nominating Committee is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the Nominating Committee in equal distribution of responsibility on the part of the Conference ministry members. The Nominating Committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each minister.
6. Insofar as possible, the membership on Councils, Boards, and Agencies of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.

7. That ministerial membership on Annual Conference boards and agencies shall be limited to Conference members and associate members of the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards and agencies, lay members shall be members of a local church within the Annual Conference. The Conference Nominating Committee may select other persons as affiliate members without vote.
8. "In recognition of the Rights of the Aging" as stated in the Social Principles of the United Methodist Church (Page 98 of the 1988 Book of Discipline), age shall not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Nominating Committee shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
9. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one district, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
10. That one representative of the Program Management Team shall be selected to serve on each Conference board and on all other support agencies except where the Book of Discipline states otherwise.
11. That failure to attend the particular board or agency to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board or agency, one will be subject to automatic removal in the next nominating committee's report. A report of the board or agency chairperson to the secretary of the Conference Nominating Committee by March 1st will include the attendance record of this board, committee or agency.
12. That the Conference Nominating Committee designate persons to serve as Chairperson, Vice Chairperson, and Secretary for Boards, Commissions and Committees. Boards and Committee members will be notified in advance of their officer nominations. The Program Management Team Member assigned to each unit will convene the first meeting and present the nominations of officers. Additional nominations may be received from the members of that unit. The officers elected at the meeting shall serve for the quadrennium. *Except where the Book of Discipline directs otherwise, the Vice-Chairperson will succeed the Chairperson in the event of a resignation. The board or commission shall elect a new Vice-Chairperson.

The following Criteria for Leadership shall be used in the selection of Chairperson:

1. Willingness to commit time as required by the position.
 2. Willingness to commit time for training for the responsibilities of the office.
 3. Have an understanding of and a willingness to support the polity of the United Methodist Church.
 4. A demonstrated leadership ability in the local church.
13. That the date of election to any board, commission or committee be clearly indicated in the journal.

14. That in every case a nominee of any board, commission or committee shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. That recognizing again the belief in the principle of rotation in order to involve greater leadership, all district committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Committee on Church Building and Location which shall serve a minimum of four years and a maximum of eight years.

B.

Concerning the Nominating Committee, its report and the securing of talent:

1. That the report of the Nominating Committee at the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Nominating Committee shall distribute mimeographed copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. That forms shall be circulated for both ministers and laity in local churches to indicate areas of interest, thus creating a Talent Bank. In addition, the same form shall be sent to the members of the Cabinet, Board of Laity, Conference United Methodist Women, Executive Committee, and Conference Youth Council in order to obtain names that might otherwise be overlooked. These forms shall be returned to the secretary of the Conference Nominating Committee.
4. That a complete file of all ministers in the Conference should be kept indicating where each one is serving in terms of Conference boards and agencies. Laity should likewise be listed on a similar file. A third file would be divided between ministers and laity as part of the Conference Talent Bank.
5. That a minimum of four meetings per year should be held by the Nominating Committee (it may be advisable that the committee meet more often, since its influence is so broad; whenever the committee approaches a new quadrennium, this latter need for additional meetings may be more evident).
6. That the above adopted guidelines for the Nominating Committee of the Annual Conference shall become a printed part of its report at each Annual Conference session.
7. That at the beginning of a new quadrennium, a complete and open look at membership on all boards and agencies shall be initiated by the Conference Nominating Committee and all personnel shall be eligible for re-alignment in accordance with A-5.
8. Titles such as "Mrs.," "Miss," or "Mr." shall not be used in the preparation of the Nominating Committee report.

Miscellaneous

1. That the council director, and associate council directors, not be elected to boards and agencies under the Conference rotation, but serve only as ex-officio where assigned by the council director.
2. That two high school youth (preferably in the 10th and 11th grades) shall be members of all program boards of the Conference Council and on the Conference Council on Ministries on assignment by the Conference Youth Council.

Others may want to take this route and we outline here the steps involved in case you may not be aware of the procedure.

- (1) All salary and conference apportionments are removed.
- (2) The church drops out of the listing of churches to which pastors are assigned. (We urge the conference to begin a listing of such churches in the journal with the charge conference where they are to report each year. This will allow for proper records and constitutes the historic continuity of these churches.)
- (3) The only services to be held are weddings, funerals, or special occasions.
- (4) One or more special services a year may be held with the offering received to be used for the upkeep of the building.
- (5) The remaining members are transferred to a nearby United Methodist Church for regular worship and church involvement.
- (6) The remaining members become a special committee under the charge conference to plan with the pastor for weddings, funerals, and special days. They also present a written report each year as to services held, money received and how expended, etc.
- (7) This allows the possibility that should population shifts bring people into the area we would simply resume regular services.

(Original motion can be found in the 1973 Journal of the Peninsula Conference on pages 152-153.)

- (8) Beginning with the 1994 Annual Conference, churches seeking Limited Service status will submit the following to the Conference Business Office:
 - 1) a copy of the deed for the property;
 - 2) specific directions for locating the property from a major highway;
 - 3) an 8" x 10" photograph of the church building.
- (9) The Charge Conference to which the Limited Service Church is assigned will furnish the District Superintendent with the names of persons assigned by the Charge Conference to oversee the maintenance of buildings and grounds during the Conference year. When there no longer are persons to be found for this, the Charge Conference may recommend to the District Superintendent that the property be declared Abandoned.
- (10) Where conditions exist that indicate the buildings are no longer properly maintained, and where no report to the Charge Conference is made giving valid reasons for the continuation of Limited Service status, the District Superintendent may bring the property before the Annual Conference to declare it Abandoned without further consultation.

(Amended by Annual Conference Action on June 4, 1994)

B. DAILY PROCEEDINGS

Extended Session - Saturday, October 14, 1995

The Extended Session of the 1995 Annual Conference was held at the Modern Maturity Center, Rte. 8, Dover, Delaware, on Saturday, October 14, 1995. Registration began at 9:30 a.m.; Worship began at 10:13 a.m.

Bishop Susan M. Morrison called to order the extended session of Annual Conference at 11 a.m., and stated that the bar of the conference included all the area to the left of the posts which were on the Bishop's right. The following Conference members were present:

- 181 Lay Members (Lay Members & Reserve Lay Members)
- 129 Clergy Full Members
- 20 Clergy Probationary Members
- 6 Clergy Associate Members
- 34 Clergy Local Pastors (Full Time, Part Time, & Student)

Members of the Lost Coin Group presented an overview of the Lost Coin proposal that the Peninsula-Delaware Conference adopt a vision for "mission area ministry." Definitions were presented as follows:

Mission

Mission is defined in The 1992 Book of Discipline, paragraph 69, as

...the action of the God of grace who creates out of love, who calls a covenant people community, who graciously redeems and reconciles a broken and sinful people in Jesus Christ, and who through the Holy Spirit calls the church into being as the instrument of the good news of grace to all people. Mission is also the church's grateful response to what God has done, is doing, and will do. A grace-formed church is one which responsibly participates in God's action in and for the world.

A Mission Area

A Mission Area Ministry is based upon John Wesley's declaration, "The world is my parish." This declaration calls every United Methodist to service not only to the members of the church but also to those who live in the community around the church(es) and to the global community. Through careful identification of specific areas of mission, often held in common by several local churches, and through formation of ministry teams to cooperatively serve those mission areas, United Methodists in the Peninsula-Delaware Annual Conference will be better able to continue Wesley's commitment "to spread scriptural holiness throughout the land."

A Mission Area is a designated local mission field determined by clusters of population, and/or specified geographical boundaries, and/or other characteristics held in common by local churches. **The specific criteria** for identifying mission areas will be **established** by the **Transition Team** after dialogue with laity and clergy throughout the conference. While every congregation/local church in the Annual Conference will be included in a Mission Area, the number of local churches within a Mission Area will vary.

Each Mission Area will be served by a ministry team commissioned by the

Bishop. The team will include both the clergy and laity of the local churches in the mission area. The decisions for ministry in the Mission Area will be made locally.

The Mission Area Team will be commissioned:

- *to discern the spiritual and temporal needs of the people living within their Mission Area
- *to develop an effective approach to ministry to meet the needs identified within that population
- *to continue to participate as a vital link in the global connection of The United Methodist Church

Leadership for Mission Areas

Teamwork will be the goal for leadership in each Mission Area. **Team Ministry** requires the systematic identification of gifts and graces, skills and talents, experience and vocational vision by both laity and clergy so that each Mission Area may use the full range of leadership available within the area. Teamwork for ministry requires development (through on-going training and education) of the ability of the members of the team to work together effectively.

Clergy members of the Annual Conference, in keeping with the constitution of The United Methodist Church (para. 57 of The Discipline) will be appointed to specific charge conferences within the Mission Area. In addition, they will be commissioned to serve as members of a Mission Area Team.

Laity (members of the local churches) will be commissioned to serve as members of a Mission Area Team as equal partners in mission and ministry with clergy in service to their area.

Lay and Clergy leadership and participation in Mission Areas will be inclusive racially, ethnically and in gender.

A Leadership Team will be selected by the clergy and laity of the Mission Area to guide and develop their specific Mission Area Ministry.

Leadership Tasks for Mission Areas

Each Mission Area will begin by completing a "**needs assessment**" for their area. Based upon the area needs identified and continuing care for mission to the global community through our connectal system, each Mission Area will create a **vision** for ministry in their area and develop a **mission statement**.

Education and training (for laity, for clergy, and for laity and clergy) will be an ongoing component of disciple-making in every mission area and shall include education and training for:

- *Christian Stewardship including the Biblical concept of tithing. (See definition of Christian Stewardship)
- *Bible study and spiritual disciplines
- *Leadership training
- *Training in team work

The several worship services offered within a Mission Area will include a variety of worship styles reflecting the ethnic and cultural diversity of the Area and the

emerging needs of different generations and the unchurched.

As Mission Area Ministries grow and develop, they may decide to move to a Mission Area structure for administration, and/or program, and/or budget to more effectively and/or efficiently service **their particular** vision and mission.

Transition Team

Bishop Morrison will appoint and commission a Transition Team including at least twenty members, four of whom are members of the Lost Coin Group and, at least, one district superintendent. The Transition Team will be asked to:

- a. Establish the criteria for forming Mission Areas
- b. Create the process for implementing the selection of Mission Areas
- c. Develop the structure model for the Annual Conference to support local churches as they work in Mission Areas
- d. Define a path for transition into Mission Area Ministries

The Transition Team will be guided by the laity and clergy of the Conference through a series of dialogue sessions on the first draft of the plan.

Christian Stewardship

Christian stewardship is the practice of our commitment to God. The key to understanding Christian stewardship is the phrase "commitment to God." The discipleship work areas of the church all revolve around the understanding of our commitment to God:

- *Christian education is teaching about commitment to God.
- *Evangelism is the invitation to commitment
- *Worship is the celebration of the commitment
- *Stewardship is the practice of the commitment

The **tithe** is the key to overall stewardship because studies show that people who tithe are generally more active in other areas of stewardship than those who do not. In other words, those who tithe usually practice the same commitment in giving their **time and talent** to God through their church; whereas, persons who do well in giving time and talent do not necessarily do well in financial giving. Tithing seems to be the barometer for a comprehensive understanding of stewardship.

Wilmington District Supt. Susan Keim Kester asked the Conference members to adopt a vision which would (1) focus on mission, (2) practice good stewardship of resources, and (3) be accomplished through intentional teamwork. Supt. Kester then presented the proposal, "**A Call To Change**" for adoption.

On behalf of Evangelical Impact, Rev. Randy Booth presented a substitute motion entitled "A Motion to Continue '**A Call to Change**' with provisions." After discussion, Rev. James Hawkins offered an amendment to the substitute motion which was passed; however, when the amended substitute motion was voted upon, it failed.

The Conference then returned to the original proposal presented by Supt. Kester. Rev. Bo Gordy-Stith offered an amendment to delete Item #2 of the proposal, which was adopted by the Conference.

Rev. Douglas Lindsay-Hudgins presented an amendment to Item #5, which was adopted. Rev. C. Karen Covey Moore presented an amendment to Item #4 which was adopted. The proposal, as amended, was adopted by the Conference, and is presented below in its entirety.

A CALL TO CHANGE

- WHEREAS** the Peninsula-Delaware Annual Conference seeks to be a vital agent of disciple-making of Jesus Christ in our local churches, and
- WHEREAS** the decline in membership in many United Methodist churches at a time of population growth within our Conference boundaries (Vista, Mission Trajectory Analysis, pp. 47-50) challenges churches "to move from a passive, responding role in support of mission to a frontline, active role," (Once and Future Church, p. 5), and
- WHEREAS** the population centers within our conference boundaries have shifted so that the current location of church buildings may not be suited to the ministry needs of the surrounding population, and
- WHEREAS** we serve in a geographic area that is racially and ethnically diverse but our pastoral appointments and church membership still reflect a separation of cultures and races, and
- WHEREAS** the concept of stewardship is often limited to financial campaigns within the local church, and
- WHEREAS** tithing is a Biblical concept that affects all areas of the stewardship of life, and
- WHEREAS** the future of the churches of The Peninsula-Delaware Annual Conference will depend on the ability to discern and move within the emerging new model for the church, and
- WHEREAS** the call for change by local churches and their members has been heard and responded to by the Annual Conference through the work of the Lost Coin Group

THEREFORE, BE IT RESOLVED:

1. Mission Area Ministry will be the model for mission and ministry for the Peninsula-Delaware Annual Conference as an expression of John Wesley's belief that "the world is my parish" and his commitment to finding effective means of "sharing scriptural holiness throughout the land." Laity and clergy of local churches will serve as teams in mission and ministry in their Mission Area.
2. Training for Team Ministry will begin with the laity and clergy. Each Mission Area will prepare for Team Ministry by studying the Bible and praying together for the first year, seeking direction from God's Holy Word, the leadership of Jesus Christ, and the empowerment of the Holy Spirit for discipleship, leadership (lay and clergy), and stewardship.

Team development will include:

- a. Studying the data by **Percept** (and other demographic/ethnographic data available.
 - b. Identifying the gifts and graces within the membership and unique characteristics of each local church.
 - c. Completing a needs assessment of each Mission Area.
3. Bishop Susan M. Morrison will appoint and commission a Transition Team including at least twenty members with equal representation from multiple point charges and station churches, laity and clergy, taking into consideration inclusiveness issues such as race, sex, and theological positions, to:
- a. Establish the criteria for forming Mission Areas.
 - b. Create the process for implementing the selection of Mission Areas.
 - c. Develop the structure model for the Annual Conference to support local churches as they work in Mission Areas.
 - d. Define a route for transition into Mission Area Ministries.
- Dr. Nancy T. Foltz will be the consultant for the Transition Team.
4. The Transition Team will begin work in November 1995 and will report an In-Process Review to the Peninsula-Delaware Conference laity and clergy at the 1996 Session of Annual Conference. Dialogue sessions on the 1996 Annual Conference recommendations will then continue through the 1996-1997 Conference Year, with final presentation at the 1997 Annual Conference Session.
 5. Every United Methodist in the Peninsula-Delaware Annual Conference is asked to pray for the mission and ministry of our local churches as we enter a Mission Area Ministry.

Bishop Morrison offered the closing prayer; the session adjourned at 1:15 p.m.

offered grace.

Friday Afternoon, June 7, 1996

LAITY SESSION: The Laity Session was held in the Ella Fitzgerald Performing Arts Center. Opening worship was led by Alice Hutchins, Lay Leader for the host district (Easton), reading from the Book of Joshua, chapter 1, verse 8. In this chapter, God tells Joshua that to succeed he must be strong and courageous because the work ahead would not be easy, obey God's law, and constantly read and study God's Word. Alice went on to say, "trust in God" and "be content; work in the Lord's name."

After worship, Howard Mason, Conference Lay Leader, welcomed all the laity and reviewed the reporting guide for lay members to annual conference. This guide is designed to assist lay members in recording their experiences and feelings about the events of the 1996 Annual Conference, as well as encouraging lay members to report back to their local churches the actions and business of the Annual Conference Session. This year, the guide also included a list of acronyms used at Conference, such as BOOM and COSROW.

Howard announced the following upcoming events: October 12, partnering workshops at Drayton Retreat Center for local church lay leader and pastor; October 25-27, NEJ Laity Assembly in New York; and May, 1997, Clergy/Laity Banquet with Dr. Ben Carson.

Howard mentioned a quote which cited three things in which a growing church needs to be involved: Walk to Emmaus, Disciple Bible Study, and Vision 2000.

The election of Conference Lay Leader was led by Darlene Webb, chairperson of the Conference Nominating Committee. Darlene began by listing the duties and responsibilities of the Conference Lay Leader, as well as the committees on which the Conference Lay Leader would serve. She then gave the criteria for nomination. The two nominees, Howard Mason and Gene Cray, along with their backgrounds, were introduced. Although the floor was opened for nominations, there were none. There were 256 ballots collected. Of these, 142 were for Howard Mason, 112 were for Gene Cray, and 2 were invalid. Darlene concluded with the following suggestion: change constitution and by-laws to elect two associate conference lay leaders, making them more effective. Darlene noted that finding people for these positions is difficult because there are so many responsibilities.

The report of the United Methodist Men was presented by Salisbury District President of UMM Sherwood McGrath, substituting for Bill Harmon, Conference President of UMM. The written report was contained in the Conference packet on T-1. After speaking about the purpose of the UMM and their goals, Mr. McGrath mentioned the following upcoming events: trip to Purdue and Promise Keepers.

Robert Farnell, Conference Director of Lay Speaking, noted that new classes in Lay Speaking this year focused on hospital visitation.

Darlene Webster, Associate Conference Lay Leader, commented that she traveled at least 8,000 miles in the last year attending United Methodist events.

Kay Cloud, Chairperson of Council on Finance & Administration (CF&A) gave a presentation with slides on the Annual Conference Budget process. In January, the program/budget team made up of five members from CCOM and two members from

CF&A holds budget hearings. The total budget request is presented to CCOM in February. The budget the Conference treasurer works with includes not only the CCOM budget, but also the jurisdictional apportionment and general conference apportionment. In March, CF&A reviews the budget. CF&A can have up to 15 voting members and 4 ex-officio non-voting members. Her presentation also touched on the CF&A responsibilities and the Commission on Equitable Compensation. This is Kay's last year as president of CF&A.

As the remaining time was brief, each of the District Lay Leaders gave a short report. Having served six years, Jack Sparks is stepping down as Dover District Lay Leader. He reported the largest attendance ever at the Dover District Laity Clergy Banquet this past year. In addition, the District Lenten Communion services this year collected offerings of approximately \$1,000 to benefit Hispanic ministries in the area. He also gave recognition to a valuable member of the Board of Laity, Jim Marvel, as well as Dover Director of Lay Speaking, Pat Dorey. Alice Hutchins will be leaving her position as Easton District Lay Leader after serving eight years. She gave recognition to the new Easton District President of UMM, Charles Prattis. Gene Cray, also leaving his position as Lay Leader of the Salisbury District, thanked the District Superintendent Howard Gordy for his support. In his report, Wilmington District Lay Leader Allen Streett thanked everyone that helped this year with their district activities. This past March, the District Laity Clergy Banquet served 159 people at Elkton UMC. The speaker was Mark Barrow of Manna Ministries. There were three Lenten Communion services and breakfasts in the district. Over 150 people attended lay speaking school during January through March. The basic course was attended by 29 people, including two youths. A choirfest at Trinity UMC in Chesapeake City is planned for this October with eight local church choirs. Allen recognized two outstanding laity now serving as Associate District Lay Leaders: Murray Thompson, member, Elkton UMC; and Tanya Pollard, member, Providence UMC, also in Elkton.

The following were introduced as the new District Lay Leaders: Dover District, Pat Dorey; Easton District, Millie Holsberg, and Salisbury District, Lois Rogers.

The Laity Session was adjourned at 3:00 p.m. Closing prayer was led by Alice Hutchins.

The Conference Board of Laity sponsored the awards for The Order of St. Barnabas. The Award is based on "Creative Stewardship" for individual people, churches and organizations for putting Christ first in their lives, not only in Target Prayer, but also in Time, Treasure and Talent. A sub-committee of the Board of Laity, composed of former awardees chaired by Gene Cray made the selection and presentations. The 1995 Inductees were:

- | | |
|---------------------|---|
| <u>Individual</u> | - Helen Marie Truitt, Grace UMC, Millsboro
- Kenneth Hilton, Simpson, UMC, Wilmington
- Doris Taylor, Zion UMC, Parsonsburg, MD
- Blanch Crim, Whatcoat UMC, Dover |
| <u>Group</u> | - Prayer and Praise, Whatcoat UMC, Dover |
| <u>Honorary</u> | - Rev. Charles "Charlie" Barton, retired |
| <u>Posthumously</u> | - Dolly Brittingham, former Conference Lay Leader |

All of the awardees received a pin except the group which received a plaque. Dolly's

two children received her pin and her plaque will be placed in the Conference Office in Dolly's memory.

The 1996 Inductees were:

- Individual - Edna Lewis, Salisbury
- Ellen Klages, Easton
- Posthumously - Milbourne F. Hull, Jr., Salisbury
- Group - The Dream Team, Whaleyville/New Hope Charge

The individuals received a pin and a certificate; the group received a plaque and a certificate; the posthumous award was received by Milbourne's wife.

Our greatest problem is to choose the award inductees because there are so many outstanding works submitted. The interest in this program is continuing to increase.

Respectfully submitted: Deborah Lloyd, Secretary

Following the conclusion of the Laity Session, the Conference Plenary resumed.

RECOGNITION OF DR. WILLIAM P. HYTCHÉ: Host Superintendent Charlotte Nichols and Conference Council Director Lehman Tomlin jointly made a presentation to Dr. Hytche upon his retirement as President of UMES. Superintendent Nichols presented the following proclamation:

In 1886 the Delaware Conference of the Methodist Church founded an institution known as the Delaware Conference Academy to educate young black women and men, which mission included educating African-Americans in careers as clergy and educators.

The records show that the Academy was founded primarily through the effort and relationship of two Methodist brethren, the Reverend Joseph R. Waters, a black minister, and the Reverend John A. B. Wilson, a white minister.

The Academy grew steadily, despite social and political challenges that brought several name changes and signalled its need for unwavering support and the endorsement of a unique mission. The name changed from Delaware Conference Academy to Industrial Branch of Morgan State College to Princess Anne Academy, all the while remaining under control of the Methodist Church.

The institution was renamed the Eastern Shore Branch of the Maryland Agricultural College. In 1926 the branch became fully owned and operated by the State and the University of Maryland was designated the administrative agency.

In 1948 the Eastern Shore branch became Maryland State College, with the designation as a division of the University of Maryland. The institution was renamed the University of Maryland Eastern Shore in 1970.

In June of 1976, Dr. William P. Hytche became President of the University of Maryland Eastern Shore. Under your leadership, Dr. Hytche, the University has added 17 new degree programs. Among them are practical, high demand disciplines such as physical therapy, construction management technology, airway science, computer science and hotel and restaurant management. The University confers bachelor's and master's degrees in arts and sciences, agriculture, business, and other disciplines, as well as the doctorate in marine-estuarine-environmental sciences and in toxicology. The University of Maryland Board of Regents has designated UMES as the doctoral degree granting research university on the Eastern Shore.

In 1990 the decision was made to hold our Annual Conference Session on the UMES campus. You graciously rolled out the "red carpet" and said, "Welcome home" as a reminder that UMES was birthed from the vision and hard work of persons from the then Delaware and Wilmington Conferences.

Because of your gracious hospitality we were able to celebrate our 25th and 30th anniversary as the merged Peninsula-Delaware Conference at a site that is significant to our common history. Because of your generous hospitality we are able to celebrate "Recovering Our Wesleyan Heritage" at this our 1996 Annual Conference Session at one of our historic sites of Methodism.

Therefore, it is the privilege of the Peninsula-Delaware Annual Conference to present to you, Dr. William P. Hytche, this proclamation in honor of your thirty years of dedicated service as a United Methodist disciple of Jesus Christ.

Following the proclamation, Dr. Tomlin presented Dr. Hytche with a gift in honor of his retirement as President of UMES. It was noted that Dr. Hytche is a United Methodist Lay Speaker.

Vicky Gordy-Stith made a presentation stating that the "Mission Area Ministry" model is like a pyramid; i.e., at the top of the pyramid is the Holy Spirit (Acts 2) which provides the air for the fire; at the left base of the pyramid is the clergy (Ephesians 4:11-12) who provide the heat; and at the right base of the pyramid is the laity (1 Peter 2:9-10) who provide the fuel. To create a fire it takes air, heat and fuel. To make Mission Area Ministry succeed the Holy Spirit, clergy and laity are needed to work cooperatively and as a team!

Bishop Morrison thanked the Transition Team members for their vision and work.

Rev. Dr. James Fallot asked for a moment of personal privilege, during which he asked the Peninsula-Delaware Conference Jurisdictional Delegation to request a continuance of Bishop Morrison's assignment as our Bishop for a third term.

C. ADOPTED CONFERENCE ACTIONS

1. COUNCIL ON FINANCE AND ADMINISTRATION

The original 1997 budget recommendation was determined prior to General Conference in April. As a result of General Conference action the Missions Initiative Fund was re-established for this quadrennium. The original 1997 budget reflected no General Church apportionment for this line item. The amount of \$10,784 has been apportioned to Peninsula-Delaware Annual Conference for 1997, as a result of this action. By discipline the conference must include this item in its recommended budget.

The Council on Finance and Administration has amended its 1997 Annual Conference Budget Recommendation by changing the line item Mission Initiatives Fund, BENEVOLENCE line 5 page C-7, from \$0 to \$10,784 and changing the line item CFA Contingency, CONNECTIONAL line 39 page C-12, from \$10,000 to \$0. The total effect on the Recommended 1997 Budget is an increase of \$784.

THEREFORE, the Recommended 1997 Peninsula-Delaware Budget is amended to the total of \$5,350,773.

2. RESOLUTION ON THE DEATH PENALTY

WHEREAS, the Social Principles of the United Methodist Church state clear opposition to the death penalty, "...we oppose capital punishment and urge its elimination from all criminal codes," (Par. 74 F 1992 Book of Discipline);

WHEREAS, unlike all other criminal punishments, the death penalty is irrevocable.

THEREFORE, BE IT RESOLVED that the Peninsula-Delaware Annual Conference reaffirms the United Methodist Church's opposition to the death penalty as stated in its Social Principles; and

THEREFORE, BE IT FURTHER RESOLVED that letters stating our position be sent by the Board of Church and Society to the President of the United States and to the Governors and appropriate Congressional representatives of Delaware and Maryland; and their respective state legislators;

THEREFORE, BE IT FURTHER RESOLVED that every United Methodist Charge within the Peninsula-Delaware Conference be encouraged to consider becoming involved in some activity, hold some event, or engage in some effort to address the issue of capital punishment and look to the Board of Church and Society for resources to help them in this endeavor.

3. RESOLUTION FOR A 1997 FUNDRAISING CAMPAIGN

WHEREAS, Barratt's Chapel is the site of the initial meeting of Thomas Coke and Francis Asbury, the two individuals chosen by John Wesley to establish Methodism as a church in the Americas; and

WHEREAS, Barratt's Chapel is the site where the sacraments were first administered to Methodists at the hands of their own clergy; and

WHEREAS, Barratt's Chapel for these reasons is a Heritage Landmark of The United Methodist Church; and

WHEREAS, the Chapel, built in 1780, is now in need of major structural repairs; and

WHEREAS, a permanent endowment was established to fiscally secure the Chapel, the museum facility, and the work of the museum and archives; and

THEREFORE BE IT RESOLVED, that a fundraising campaign be approved by the Peninsula-Delaware Annual Conference for an amount up to a million dollars; provided that the organization or individual who would lead such a campaign be subject to the approval of CF&A; and provided that any money raised be applied first to the cost of the structural repairs to Barratt's not covered by the \$100,000 grant approved by CF&A.

4. CONFERENCE WIDE INSURANCE PLAN STUDY

WHEREAS, the cost and quality of Insurance Coverage for local churches and the Conference are of continuing concerns; and

WHEREAS, many local churches may be underinsured or have risks that are uninsured; and

WHEREAS, it is extremely important that all churches have equal access to full and complete insurance coverage, including but not limited to Ordinance of Law, Directors and Officers and Trustees Liability, Employee Dishonesty, Sexual Misconduct, Sexual Harassment, Pastoral Professional Liability, Guaranteed Replacement Cost coverage for building and contents; and

WHEREAS, 12 United Methodist Conferences currently participate in Conference-wide insurance programs that have resulted in cost reductions while at the same time receiving the same or better coverage; and

WHEREAS, a Conference-wide Unit Insurance Plan could provide lower premium costs for local churches in the Peninsula-Delaware Conference, while providing consistent and adequate insurance for all churches in the Peninsula-Delaware Conference; now

THEREFORE BE IT RESOLVED, that the Peninsula-Delaware Conference Council on Finance and Administration in concert with the Peninsula-Delaware Conference Board of Trustees, appoint and empower an Insurance Task Force to study the benefits and disadvantages of such a plan including costs, coverage, flexibility, accessibility and service by:

1. Investigating the Unit Plans in other conferences,
2. Seeking input from the local churches of the Peninsula-Delaware Conference, and
3. Seeking bids for such coverage from the Insurance Marketplace.

AND BE IN FURTHER RESOLVED, that these findings be reported to the June 1997 session of the Peninsula-Delaware Annual Conference with recommendations.

5. WILMINGTON DISTRICT PARSONAGE

The Wilmington District parsonage is a 40 year old Cape Cod located in north Wilmington in Alapocas Woods. Over the years, the property has been modestly maintained with no major renovations. As an example, the kitchen and two and a half baths are the original and should be updated. The second floor consistently has been difficult to heat in winter and cool in summer. The entire interior needs to be painted and all the carpet and drapes replaced.

The exterior is brick and vinyl siding, with painted trim. The trim needs to be painted. The Bilco basement entrance leaks and some gutter repairs are necessary. There is a large lot which has potential but all of the shrubbery is overgrown. The large trees need major trimming and a new lawn planted.

Based on tentative estimates, the cost to complete all these renovations and bring this property up to the standards of this neighborhood is expected to exceed \$50,000.

In reviewing all possibilities, CF&A obtained an appraisal on the property. the value placed on the Wilmington District Parsonage as of September 25, 1995 was \$230,691. The property has been unoccupied since the fall of 1995.

After careful and considerable deliberation, CF&A is bringing to you the following three-part recommendation:

- a. Sell the Wilmington District parsonage in essentially its present condition (as is).

- b. Place the proceeds in the Parsonage Fund with the interest accruing and reinvested to increase principal.
- c. If and when at a future date it is decided the Wilmington District Superintendent wants to use of a parsonage, the funds can be used to purchase a new property--possibly one more centrally located in the Wilmington District.

6. BOARD OF PENSIONS

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate for 1997 be set at \$328 per year of approved service.
2. Up to 100% of the pension and disability payments received by a retired pastor or pastor on disability be designated as the permitted housing allowance for 1997. (I.R.S. restricts this allowance to the pastor. The surviving spouse does not qualify.) (The full text of this resolution may be found in the 1995 Conference Journal on pages 375-276. This full text will be printed in the 1996 Conference Journal.)

7. COMMISSION ON EQUITABLE COMPENSATION

1. The Commission makes the following minimum salary recommendations for 1997:

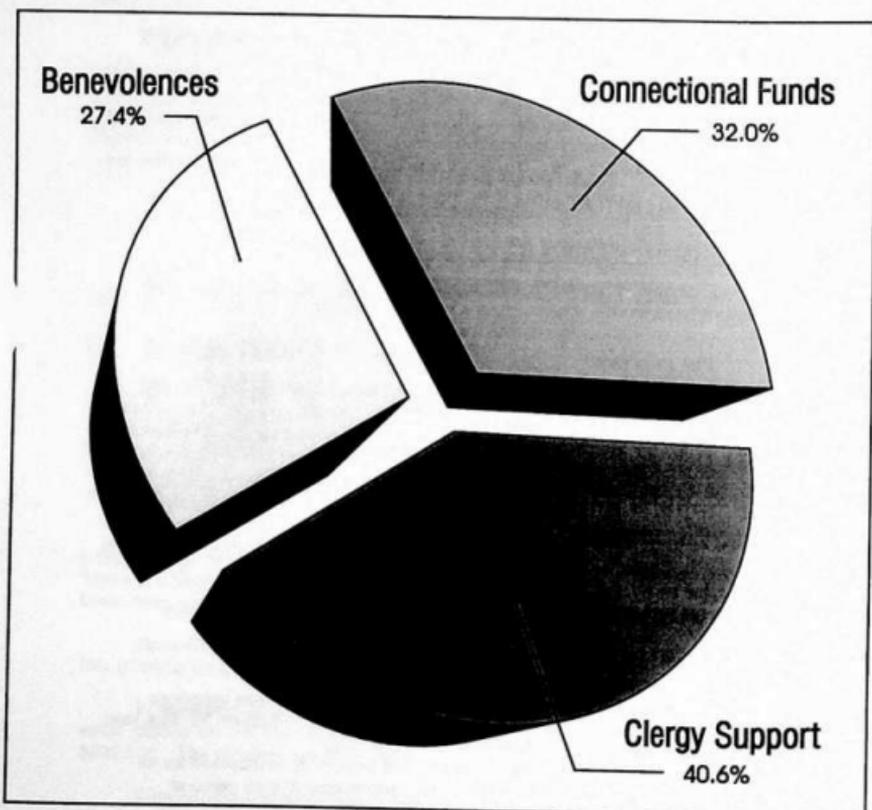

Full-Time Elder	\$21,400
Full-Time Probationary Member	\$19,500
Full-Time Associate Member	\$19,500
Full-Time Local Pastor	\$18,100
Student Pastor (Local/Probationary Member)	\$15,300

The minimum salary for Student Pastors will be \$15,300 for 1997, unless some smaller figure is agreed upon by the district superintendent, student, and charge as being appropriate for the work to be performed. Service increments will be \$130.00 per year up to a maximum of fifteen (15) years of service.

(Note: These recommended salary represent an average increase of 3.5 percent over 1996. 1996's increase was 3.5 percent; 1995's was 2.3 percent).

2. The Commission recommends that the reimbursement for travel expenses during 1997 be at the rate set by the Internal Revenue Service for that year. (The rate for 1996 is thirty-one cents (\$.31) per mile. In addition, the Commission recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

PENINSULA-DELAWARE CONFERENCE BUDGET 1997

Come, Share, Rejoice

Come, Share, Rejoice

The 1997 budget has been organized into three major categories:

- I. Benevolences
- II. Connectional Funds
- III. Clergy Support

A summary of the budget with category descriptions is found on the following page. The pages that follow list all the line items that make up each category along with a brief description of the ministries the line item provides. We trust this information will be a useful tool in understanding both the budget and the ministry it supports.

Since some groups in the Annual Conference are involved in more than one category, their budget is appropriately divided among those categories. For example, since the work of the Board of Global Ministries involves both benevolence and connectional ministries, one portion of its request appears under "Benevolences" and the other under "Connectional Funds".

1997 PENINSULA-DELAWARE ANNUAL CONFERENCE BUDGET

	Approved 1996	Requested 1997	Approved 1997	% of Total	% Inv.(Dec)

Section II. CONNECTIONAL FUNDS	\$1,601,776	\$1,717,492	\$1,710,092	32.0	6.8
<i>These are line items that support various councils, boards and internal support ministries of the Peninsula-Delaware Annual Conference, including those persons who serve us as conference staff.</i>					
Section III. CLERGY SUPPORT	\$2,125,298	\$2,176,520	\$2,176,520	40.6	2.4

D. REPORTS

DISTRICT SUPERINTENDENTS' REPORTS

Dover District

It is with a deep sense of gratitude that I share with you the report of the Dover District for the conference year 1995-96.

I am grateful for the work of three taskforces that have been established to focus on areas of concern in the district. The "Care of the Soul" taskforce continues to plan programs and events to help clergy and their families better care for themselves spiritually, emotionally, physically, and relationally. A retreat was held in Rehoboth last November involving 11 clergy couples that provided resources to handle the stresses of parsonage living. In addition, a well-received seminar was held in February on "Preventing Clergy Burnout". Members of the taskforce include Jonathan Baker, Bob Rowe, Debra Lindsay-Hudgins, George Moody, and April Abel. A taskforce has recently been formed to study the theme "Reaching the Unchurched" under the leadership of Art Blanchette. A report of their progress will be included in next year's report.

Another taskforce that has been busy is one on Missions. Their theme in 1996 was "Sound the Alarm: Save the Children". Through their extensive planning, an excellent rally with workshops was held in early May which powerfully spelled out the needs of children in our communities and churches as well as giving available resources for all interested persons who want to be pro-active in caring for our children. District Missions Secretary, Art Titus, was a resource person to this taskforce which included Dr. Jeanel Starling as chair, Virginia Clendaniel, Pat Titus, Rebecca and Bill Johnson, and Blanche Crim. Art Titus was also instrumental in the Dover District having a booth at the Delaware State Fair in Harrington where literature on the United Methodist Church was handed out, along with educational booklets related to spiritual needs. Another mission initiative the district sponsored was a Volunteer in Mission trip in which 13 persons from our district plus two others spent 10 days in Costa Rica building a parsonage from the ground up. It was a transforming experience for all who participated. Doug Lindsay was the organizer and leader of the expedition. Others from the district were: Lee Rich, Al and Beverly Taylor, Ernie Elsasser, Don Ward, Jim Marvel, Dr. Dick Crabb, Jack Willis, Connie and Steve Bennett, Bud Clark, and Sterling Green. Another VIM team is being formed to work on a Navajo Indian Reservation in Arizona.

The Hispanic Ministry Committee had a very exciting year in Missions. Two missionaries, Rene' and Gilda Knight, were consecrated to serve in the Georgetown-Selbyville corridor in ministry to the Hispanic community there. Through their efforts, many lives have been touched and strangers have been treated with compassion and become friends. A faith community, "Betel", has been formed at Wesley UMC in Georgetown and outreach programs have been started throughout the area. Much of the support for this ministry comes from Dover District churches. Members of the Hispanic Ministry Committee include: Dale Vroman, chair, Palmer Clark, vice chair, Glenn Lyburn, treasurer, Mary Jane Davis, secretary, Lee Rich, Cindy and Earl Quillen, Helen Williams, Becky Smith, Laura Wildberger, Jorge Melandez, Mary Wilcoxson, and Bill Henderson.

The Dover District Ministers and Mates sponsored a picnic in July for clergy and families during which time new families to the district were recognized and welcomed. A "how-to" program in which clergy shared thoughts and practices around the topics of "Baptism", "Communion", and "Weddings" was very helpful for all. Then in May, with the cooperation of Levin Van Sant from Felton UMC and Wesley College in Dover, a workshop on "Computers in the Local Church" was held. Specifically, use of the Internet as a means of information gathering and sharing was stressed. In January,

Ministers and Mates include: Bill Ross, President, Ruth Tull, Vice President, Kevin English, Secretary, and Glenn Lyburn, Treasurer. Leaders of the Mates include Vivian Rice, Chair, Rebecca Johnson, Pat Titus, and Marie Robinson.

The Board of Laity for the District sponsored a very successful Laity Banquet at Union UMC Bridgeville featuring a talent show from the district. Then during Lent, a series of four communion breakfasts were held with opportunity for worship and fellowship around a meal as well as giving financial support to the Hispanic Ministry. In addition, the board gave its support to the Lay Speaker Training Program and "fireside chats" during which the district superintendent was invited to small rural churches for conversation. The Lay Speaker Training under the outstanding leadership of Pat Dorey was extremely successful with over 100 laity participating in a variety of courses. Jack Sparks has provided invaluable leadership to the Board of Laity over the last four years and leaves this position with our deep gratitude. Serving with Jack were Jim Marvel, vice chair, who is also stepping down with our appreciation, Guy Winebrenner, Helen Breeding, Dennis Gourley, Tom Mifflin, Arthur King, Charles Donaway, Jim Evans, Dick Millman, Bob Davis, and Pat Dorey who will become the new chair.

The District Committee on Ordained Ministry worked very hard this year guiding candidates into ministry. It was an exceptionally dedicated and gifted group of clergy and laity. The committee included: Wayne Grier, Chair, Jim Van Der Wall, Joshua Lebelo, John Mitchell, Charles Covington, Debra Lindsay-Hudgins, Cindy Quillen, Claudia Waters, Bob Bamberger, and Sherrol James.

David Paul represented the District Board on Church Location and Building in working with churches who were buying property: Millville and Mt.Zion on the Bethel Charge, and with a number of churches which were exploring other property issues. He has been a strong resource to the district in this area.

The Committee on Superintendency, in addition to advising, supporting, and evaluating the district superintendent, this year planned a series of "fireside chats" to be held throughout the district to help laity better know the D.S. Those serving on the committee include Michael Russell, the chair, Jack Sparks, Helen Williams, Tina Whaley, Phil Lawton, Bob Moyer, Janet Lee, and Harvey Hyland.

Transitions on the district include those retiring: Ed Blevins, John Tripple, and Bill and Janet Rounsley; those ordained elder: Bob Rowe and Harvey Sturgis; those ordained deacon: Jack Abel, Alice Ervin, Kari Jones, and Bruce Miller; and Mark Avens who became a probationary member. Those graduating from seminary include: Gloria Attix and Alice Ervin from Eastern Baptist; and Isabel Gardner and Art Blanchette from Wesley. George Moody received his Doctorate in Ministry from Howard University School of Divinity. Other transitions include the death of Charles Huffman, retired, who served the Blades Charge and the birth of a son, Yosef Rafid Knight-Nieves, to Gilda and Rene Knight on April 4, 1996.

In anticipation of Mission Area Ministries, Charge Conferences were held in clusters and important demographic information was shared. Many district churches have already begun working together in cooperative outreach ministries within a geographic area.

The following churches received at least 10 members by confession of faith or restored during the year.

Finally, let me give special thanks to Edie Knotts, secretary to the district superintendent, for her untiring efforts on behalf of the Dover District. Her commitment, competence, and loyalty are an inspiration to all.

As you can see, there is reason for gratitude and great thanksgiving on the Dover District.

H. Sterling Green
District Superintendent

Easton District

This has been a fast-paced year for the Easton District. The members of the Annual Conference gave the green light to put in place a Transition Team to look at the concept of mission areas in our Conference. Many of the churches on the District have already covenanted to do mission and ministry together. Some of the churches are building homes for Habitat for Humanity. Some have youth evangelistic services, and the list goes on. These covenant churches are diverse in size, ethnicity, race, and religious perspective.

Board of Laity

This year the District Board of Laity honored the Financial Chairpersons and/or Treasures at the Laity Banquet. It is crucial to the life of the church for the gifts of the laity to be recognized and celebrated. The District Lay Leader, Alice Hutchins, the Associate District Lay Leader, Thomas Dean, and the Director of Lay Speaking, George H. Cooper, Jr. all ended their terms this year. We thank God for their leadership and welcome on board the new District Lay Leader, Mildred Holsberg, Associate Lay Leader, Larry Hanifee and Director of Lay Speaking, Evelyn Taylor.

Building Project

Hurlock United Methodist Church built and consecrated a new church. This is the result of three merged churches joining together to do more effective ministry for Jesus Christ.

Membership

The District had a total net gain of 59 new members. The following churches received ten or more members on Confession of Faith or Restored:

Christ Church, Chestertown	12
Grace Church, Cambridge	14
St. Paul's, Cambridge	44
Centreville, Centreville	31
Chester, Kent Island	33
St. Luke's, Denton	18

Benevolences

This ends my term as District Superintendent. I rejoice for all the clergy and laity on the District who have so faithfully witnessed and worked on behalf of Jesus Christ. I thank God for the support, prayers, and encouragement I have received so that the work of the church could be done. I praise God for the gifts that the Reverend Ronald Bell brings to the District as the new Easton District Superintendent. May God's peace be with you always.

Superintendent

Salisbury District *Partnership in Ministry*

*Grace and peace to you
from God the Father and the Lord Jesus Christ

I thank God every time I remember you...
thankful for your partnership in the Gospel...
and sure that God who began a good work
will bring it to completion*.

Philippians 1:3,5,6

Every time I think of the people of the Salisbury District I am grateful for God's grace "which is new every morning", and God's peace" in which we live and move and have our being", which I have experienced in partnership in ministry with the laity and clergy of the District again this year.

*Partnership in Ministry *has been the focus of the leadership of the District Lay Leader Gene Cray and the District Superintendent. Mr. Cray and his wife, Arelela, have visited many churches throughout Wicomico, Worcester, and Somerset Counties and have attended many District and Conference events working on building a partnership between clergy and lay, male and female, black and white, in the different congregations in the communities of our District. After 12 years on the Board of Laity, District Lay Leader Cray will turn over the reins to newly elected District Lay Leader Lois Rogers. He

will keep alive the Biblical vision "partnership in ministry" by serving as the new chair of the Salisbury Committee on Superintendency.

Cooperative Urban Ministries continues to build relationships across many of the barriers which so often divide us as United Methodist Congregations in Salisbury. We are grateful to Chair Chuck Anderson for his outstanding leadership in cooperation with Jerome Sterling, Mildred Palmer, Wanda Cropper, Pat Zimmerman, and the Rev. David Humphrey. The Rev. Marsha Carpenter, who has been involved with the program from the beginning, will become the new Executive Director, working in partnership with the Program Coordinator, the Rev. William Purnell.

In most of the communities in the District, our churches and charges are joining in cooperative efforts to serve the community in Christ's name. Joint Vacation Bible Schools, Disciple Bible Study, seasonal services, ecumenical community youth groups, and the community choir that sang at the Conference Ordination Service are among the many programs that demonstrate our "Partnership in Ministry" throughout the District.

New clergy becoming partners with the laity and other clergy at the beginning of this Conference Year include the Reverends Richard Vance, Berlin:Bethany; Harold Spedden, Berlin:Taylorville; Thomas Blakelock, Crisfield:Asbury; Donald Clendaniel, Crisfield:Immanuel; Dianne Deepree, Deal Island-St. Charles; Henry Zollinhofer, Deal Island-St. Johns; Samuel McWilliams, Delmar:Melsons; Ashley Maxwell, Ewell:Smith Island; Richard Edmund, Girdletree:Stockton; O.G. Brewer, Jr., Mardela Springs; James Riley, Nanticoke:West Side; Aaron Neal, Oakville:Cottage Grove; Laura Martin, Princess Anne:Antioch; Jessyca Stnsbury-McCargo, Princess Anne:Metropolitan; John Boda, Princess Anne:Mt. Vernon; Glenn Catley, Salisbury:Asbury; Kyungmo Koo, Salisbury:Korean Mission; William Green, Salisbury:Trinity Associate; Stephen Willing, Salisbury:Walston Switch; Robert Miller, Sharptown:Mt. Congratulations to all.

Clergy partners retiring at the end of the Conference Year were George Godfrey, Olin Shockley, and Bill Wilson. Moving to other Districts were Vaughn Adams, David Humphrey and Barbara Loper; to other Conferences: Tom Graham and Jessyca Stansbury-McCargo. Thank you for your faithfulness and may the Lord bless you in your new ministries.

Appointed to the Board of Global Ministries from Salisbury Cooperative Urban Ministries were Donald and Mildred Hamilton. Appointed to the Board of Child Care was Leonard Wheatley. Grateful to God for your years of service on the District we pray that God will continue to bless you in your new work.

Clergy Partners on the District receiving the gift of a new partner during the year were William Sterling, married to Gloria Reed on October 21, and Lawrence Purnell, married to Dionne Hayward on June 1.

God's people on the Salisbury District have worked together:clergy and laity, male and female, black and white on the several District Committees. We are grateful for the services of the following: District Committee on Superintendency: Charles Dashiell, chair; Gene Cray, District Lay Leader; and Pastors Norma Bailey, Donald Hamilton, and Olin

Howard L. Gordy, Jr.
Superintendent

Wilmington District

"... continue to live your lives in Christ Jesus." Colossian 2:6

Once we have come to know Christ Jesus and confessed our faith in Him, we are challenged to live out our lives faithfully following in Jesus' footsteps. Paul's words to the people in the church in Colossae have also been received by the eighty-six churches, seventy-three pastors, one hundred forty-five Lay Speakers and the 29,406 members of the Wilmington District. We praise God for the faithful witnesses made throughout this Conference year of 1995-96 and we ask Jesus' leadership in meeting the needs of the year to come.

We must begin our account of faithful witness by extending sincere gratitude and many thanks to the Rev. Dr. James T. Seymour who led our district for the past six years. His skill in administration, his ability to care for every detail, and his love for the people and pastors have left indelible marks upon the mission and ministry of Wilmington District. J.T.'s earnest desire to "Offer Christ" in every way possible established evangelism as a priority in every church and each member's heart. We praise God for the faithful and life-changing witness of this servant of God. We also express our love and care for his wife and primary supporter, Jean. We know that he has already graced Hockessin United Methodist Church with many blessings in this first year as their senior pastor. Finally, good wishes and prayers go with him as he is presented as a candidate for election to the episcopal office in July at the Northeastern Jurisdictional Conference.

With seventeen changes in appointments, it was a busy summer. Several pastors moved within the district but others came to Wilmington and Cecil Counties from other areas. We welcomed to our district: the Rev. Bonnie Jones Goldstein from New York Conference, serving Christiana UMC; the Rev. Derrick E. Porter, who received his first appointment as a student local pastor to Mt. Salem and Mt. Pleasant UMC's; the Rev. G. Wayne Cuff and the Rev. John W. Coleman who so ably provided interim leadership at Coleman Memorial UMC and the Rev. JoAnn Maloney, who assisted

them as a part-time Local Pastor; Dr. James C. Faltot , who returned to Peninsula-Delaware Conference from ministry in Pittsburgh to serve as senior pastor of Grace UMC; the Rev. Richard E. Green who returned to part-time pastoral ministry at Mt. Salem UMC near Tower Hill; the Rev. Daniel T. Gedman who received his first appointment as a student local pastor to Charlestown Charge; the Rev. James T. Fox, Jr. who came from Easton District to pastor Leeds UMC; the Rev. Dr. James Woodward, a retired member of the Louisiana Conference, who offered part-time pastoral leadership to Bayview Charge; the Rev. William Dore , a retired pastor from Easton District who came to lead West Cecil Charge; the Rev. Purnell A. Moody, who is serving as a student local pastor to historic Cokesbury UMC; and the Rev. John R. Koch , Director of Social Services for Cecil County, who is once again serving as a part-time local pastor of Ebenezer UMC near Rising Sun. We are grateful for the gifts and graces they have brought to ministry among us.

As the year came to a close we affirmed the ministry of three who retired: the Rev. George N. Leathrum , pastor of Kingswood UMC, who has served in full-time ministry for fifteen years, the Rev. Robert W. Helms, pastor of Townsend Charge, who has served in full-time ministry for forty years, and the Rev. C. Richard Cox, serving in extension ministry as director of the William Penn Foundation, who has served for forty years. We also bid farewell to the Rev. Joseph G. Burris , moving from Chesapeake City Charge to Ocean View, Delaware, and the Rev. Douglas M. Ridley , moving from Chester Bethel UMC to Grace UMC in Cambridge, MD.

We also welcome to the ministry William Shearer, Charles Wise, Candy Miles, Karin Tunnell , Jack Cohen, and Drew Cottle who were approved by the District Committee on Ministry as certified and appointable candidates. I am grateful for the fine service of the members of the committee who serve with great love for representative ministry. Much gratitude needs to be expressed to the Rev. Robert Helms who completed ten years of service chairing this committee.

We celebrated with Carol L. Johnson, associate pastor of St. Paul's UMC, Wilmington, her ordination as an elder, and the graduation from seminary of John L. Huber , pastor of Moore's Charge near Elkton. We also celebrated with Chaplain Greg W. Hill the earning of his doctor of ministry degree and on the Rev. Vernon Schmid's appointment to the Perryville Town Board.

We rejoiced in the marriage of the Rev. James and Kathleen Hawkins and Jack and Melissa Cohen.

We mourn the loss of Chester Wilcox who died in his home in Florida and Emily O'Dell, wife of the late Rev. Jake O'Dell. We grieved with the Rev. Connie and John Alt and their family on the pre-birth death of their son Jack.

Pastors enjoyed a seminar with Dr. Lawrence Hull Stookey on baptism, the second book of his trilogy on worship. Dr. Stookey's membership as a clergy member of our district is located in Perryville UMC while he serves as professor of Worship at Wesley Seminary.

Across our district 1129 new members were received. Of these 728 persons confessed Jesus Christ as Lord and Savior for the first time or were restored to membership, reclaiming their original profession! We praise and thank God for these new brothers and sisters in Christ. The ten churches to receive the most members on confession of faith are:

Aldersgate	53	Asbury & Hockessin	29
Newark	49	St. Mark's	28
St. Paul's, Wilmington	39	Jane's	24
Cornerstone	34	Red Lion	22
Ezion-Mt. Carmel	32	Simpson	20

The former Brandywine-Trinity UMC on Market St. in Wilmington, chose a new name as a symbol of the new life it is experiencing as it comes to know and serve its neighborhood. The new name is that of Harriet R. Tubman Community Church. Ms. Tubman was renowned for her deliverance of many slaves to freedom at great personal risk and is an appropriate model for a church which seeks to be a saving station in the city. The Rev. Dr. Yusef Ahmed is the pastor and has led the church in creating successful youth programming for the neighborhood.

The Rev. Dr. Lawrence D. Jameson gave local, state-wide and national leadership to the anti-gambling campaigns of United Methodists. Maryland's ecumenical lobby was victorious in their CASINO campaign defeating the legislation for legalizing casinos in Maryland.

The Rev. Dr. Lawrence Livingston, senior pastor of Ezion-Mt. Carmel UMC joined with the pastor of Bethel AME Church provided leadership for the development of an "Hour of Power" weekly lunch-time worship service for the business community in downtown Wilmington. The service continues to be well attended and a spiritual gift to the people working downtown.

Perryville UMC launched a weekly feeding program and revealed a significant hunger problem in western Cecil County. The Rev. Vernon Schmid, their pastor is enabling this church to meet the needs of their community.

Hope Church celebrated its first anniversary and continued to reach out to the thousands of unchurched persons living in the Pike Creek area of New Castle County. They continued to meet in the chapel at Cokesbury Village averaging about 50 in attendance and developed a small group structure for nurture and an educational program. In August the members and friends completed another round of telephone calls throughout the target area to invite persons to the new educational and nurture programs being offered. The Rev. James Hawkins continued to lead the church in an open and friendly style of worship, including Holy Communion weekly, providing an alternative to the more traditional styles found in most of our churches. Many individuals and families were touched by this unique style of evangelism in our district: these are persons who would not be reached by established churches. We are grateful to the short-term missionaries from Hockessin UMC who provided the core leadership and support for this newest mission effort on our district.

East Lake UMC was discontinued on July 1 by Conference action and the sanctuary was deconsecrated by use of the services for Leave-taking of a Church Building and Disbanding a Congregation found in *The United Methodist Book of Worship*. The service included prayers of thanksgiving for all the mission and ministry done through this church, the saints who made their witness there, and for the leadership produced by this church. Then in accordance with *The Discipline* symbols of the Christian faith were removed.

Disaster struck in Port Deposit, MD in January. After the worst blizzard of the century and the greatest cumulative snowfall in decades, the Susquehanna River flooded. Swelled by the thaw of tons of winter snow, the river overflowed its banks from Harrisburg to the Chesapeake Bay. With only minutes of warning, the flood gates in Port Deposit were opened filling the streets and houses with four or more feet of water almost

instantaneously. While Tome Memorial Church and the parsonage escaped crippling damage, many families in the town lost everything they had to the flood. Pastor Jim Sipes lost his car to the flood and was evacuated with many others. However, he offered outstanding leadership to both the church and the town as the recovery began. The churches of Wilmington District responded by providing approximately \$5,000 in financial aid to be distributed by Tome Church to people of Port Deposit in need. We praise God for strength in time of trial and generous hearts to respond to need.

We were offended by presence of the kkk in demonstration near Peniel UMC in Newport. Swift action by the church and a fine letter to the editor by the pastor, the Rev. Dr. Tom Donnachie, made a clear statement to the community of United Methodists' disgust with such hateful behavior and a our commitment to work to end racism in all forms.

The Methodist Action Program continued to reshape its program and ministry to meet the needs of the homeless. Old Asbury, previously used for a small children's program and Emmanuel Dining Room, has become a center for the homeless. The children's program was moved to care of Ezion-Mt. Carmel UMC and the building remodeled for several programs for the homeless. These include Friendship House, Emmanuel Dining Room, computer training led by Sunday Breakfast Mission, and the School of Servant Leadership. In addition, a congregation formed by homeless men for homeless men worship as our guests in the sanctuary. We are grateful for the resources God has entrusted to us to share with the homeless.

MAP continued its work in support of Los Abuelos, Neuva Vida Mission, Hope Church, and the MAP Walk for Housing. New programs included the establishment of two Howard Bailey Life Enrichment Program Outposts. One at Harriet R. Tubman UMC and one at Grace UMC in Wilmington. In a retreat in January, the board remembered the birth and history of MAP and chose to commit itself to an emphases on service to our community especially in outreach to youth.

During his first year as District Lay Leader, Allen Street enabled the laity to continue their fine tradition of the annual Laity Banquet, with a program provided by Manna Ministries, and election of two associate Lay Leaders, both from Elkton. We welcome Tanya Pollard of Providence UMC and Murray Thompson of Elkton UMC to lay leadership for the district. Each brings wonderful gifts to their leadership.

The Ministers and Mates Association continued to offer opportunities for personal growth and collegial support with their regular monthly meetings. We are grateful to the Rev. Tom Edwards, president, the Rev. Yusef Ahmed, vice president, the Rev. Dr. Larry Jameson, secretary, and the Rev. Patricia Harris, treasurer for their leadership. Programs included a session on sermon preparation led by the Rev. Dr. Tom Short, preacher par excellence and senior pastor of Aldersgate UMC, and a moving session in opposition to the death penalty coordinated by the Rev. Dr. Ed Lasbury, retired member.

The District Board of Church Location and Building was busy reviewing plans for building and financing presented by Coleman UMC, Asbury UMC, and Korean UMC. We are grateful for their faithful service.

We are grateful for those members of Wilmington District who were elected as members of our conference delegations to General and Jurisdictional Conferences: Liz St. Clair of St. Paul's UMC, Kay Cloud of Hockessin UMC, Nancy Leathrum of Kingswood UMC, Darlene Webb of Ezion-Mt. Carmel UMC, Naomi G. Winchester of Coleman UMC, J.T.Seymour, pastor of Hockessin UMC, Lawrence Livingston, senior pastor of Ezion-Mt. Carmel UMC, Thomas C. Short, senior pastor of Aldersgate UMCE,

Dr. Lawrence Stockey, the Rev. Connie Alt, pastor of Christ UMC and myself.

As I began my ministry as district superintendent, I invited several pastors each month to join with me in prayer for our district. I am deeply grateful to those who were able to pray with me for the work of our churches and their colleagues. I believe this ministry has truly made a difference.

I would be remiss not to take this opportunity to thank Jinny Squire, the secretary of the District Office. She has been a wonderful support in this first year and has a wealth of information about the work of the superintendent which she freely and helpfully shares. This first year would have been much more difficult without her help. Jinny celebrated 20 years in her position in 1996. She was hired by Rev. William Hemphill in 1976.

As I close this report I want to affirm the strong witness for Jesus Christ that is being made in both counties of our district. As I worshiped with sixty-three charge conferences and two mission churches I was strengthened by the mission and ministry that is being done in all of our churches. No one should accept the moans and groans of those who would say our denomination is dying. Indeed, I saw signs of new life in almost every church, including: a genuine desire to grow in membership, intentional efforts to reach out into our communities, a deep commitment to Jesus Christ as Lord and Savior, willingness to study the scriptures and pray. All of these will lead us forward into another year of service as the stewards of the mysteries of God.

Personally, I would like to thank those who have supported me in prayer and who have assisted me in "learning the ropes" of superintending....and especially those who continue to "bear with me" as I struggle to care for the multitude of details and responsibilities, picking me up when I fail. To God be the glory for the things God has done in our midst. For all that has been, "Thanks." For all that will be, "Yes!"

Susan Keirn Kester
Superintendent

CONFERENCE COUNCIL ON MINISTRIES

The Peninsula-Delaware Conference continues in a welcomed state of flux. The winds of change and renewal are blowing across the conference; indeed across the church. This change is thorough-going and deep. It has to do with mind-set and some traditions originating in nineteenth century America. New thought patterns and ways of doing ministry are beginning to challenge the age-old structure of past decades. The vision for ministry that is being developed in the Peninsula-Delaware Conference is wholly different in that the delivery systems are changing and are more inclusive of the laity and ethnic-racial groups.

The Conference Council on Ministries, including its staff and related boards, commissions and agencies, is (1) to be in support of and aid to local congregations as they work to improve their process for making disciples, (2) to enable and encourage local congregations to participate in ministries they could not reasonably provide on their own, and (3) to strengthen our connection as a global church.

Strategic Planning

During the 1995-1996 Conference year, the Transition Team, designated and selected by Bishop Susan Murch Morrison, is deeply involved in charting a new course to enliven ministry across the Peninsula-Delaware Conference. After the research and planning buttressed by a really good indepth demographic-look at the Peninsula-Delaware Conference, as embodied in the Lost Coin Report adopted at the October 14, 1995 adjourned session of Annual Conference, the "Team" began a detailed and thorough-going look at the Conference and what the Conference would look like when it is engaged in all the parameters of ministry as it relates to serving the local church. At the 1996 Peninsula-Delaware Annual Conference, an in-process report was given on the progress of the Transition Team. A full and complete report will be made at the 1997 Annual Conference.

This is an exciting time to be United Methodists as we witness faith and hope being born again in the Peninsula-Delaware Conference. It is a time to remember our glorious past, but not to be entrenched by it -- it is a time to seek the current revelation of Jesus Christ and move on.

The Conference Council on Ministries pledges, at risk of its own demise to do what is necessary to bring this vision of ministry to fruition.

Conference Council on Youth Ministries

It was another busy year for the Conference Council on Youth Ministries (CCYM). The 1995 January Youth Rally at Salisbury State University was again attended by a capacity crowd of approximately 450 youth from all areas of our conference. Unfortunately, due to attendance restrictions, we had to turn away many other youth. Ed Kilbourne was the key-note speaker and we celebrated the diversity of our area with a praise service Saturday evening. Groups from Camp Pecometh, as well as the African, Haitian, and Native American communities joined Mr. Kilbourne in leading us in worship. Warm weather and sunshine gave the youth the desire to be outside, but all in all, the rally was another success.

In the Spring, the annual Confirmation Rally was held at Whatcoat United Methodist Church in Camden, with Bishop Susan Morrison as our distinguished guest.

In August, our coordinator and two youth attended Youth '95 and the National Youth Ministry Organization's (NYMO) Convo '95 and Legislative Assembly in Salt Lake City, Utah. Rev. David Bennett, Ray Pope, and Ken Johnson joined over 4000 other United Methodist youth at Youth '95, and then represented the Peninsula-Delaware Conference as voting delegates to the NYMO Assembly. Mr. Carlton Parker and Victor Harrison were also in attendance as representatives for the Northeastern Jurisdiction.

Also in August, the CCYM, in a joint effort with Drayton Retreat Center, sponsored a Youth Ministry Seminar with Mr. David Stone.

Throughout the year, the CCYM met several times to plan the 1996 January Youth Rally. The theme "Go Against the Flow" was chosen and Mr. Ken Johnson, of Indianapolis, was asked to be the keynote speaker. We also continued our participation in Northeastern Jurisdictional meetings.

1997 GOALS

1. We would like to consider the possibility of having two rallies. A junior high rally would be for youth in grades 7 and 8, while a senior high rally would be for those youth in grades 9 through 12.
2. We would like to once again hold District Gatherings.
3. We would like to see all positions on the youth council filled, adult and youth.
4. We would like to have a full time youth coordinator. This position is needed if we want to see growth in the area of youth ministry in our conference.

David G. Bennett
Chairperson
Youth Coordinator

Communications Committee

The Communications Committee is in transition at this time as we look to the new quadrennium and possible restructuring of the conference and its concept of communications.

This past year we met on several occasions as a committee and were able to successfully video tape the annual conference sessions and programs. We have duplicated for members of the conference many copies of some of the events of the conference sessions are: Ordination Service, Communion/Memorial Service, Special Sermons, etc.

We produced a video tape for the Merger Committee on prejudice as seen by members of the uniting conferences.

We have been able to finance the airing of both television and radio programs for the conference on channel 16 and several radio stations this past year.

Due to financial constraints we have not been able to do as much as we would like in either the area of local church programming or conference programming. We look forward to being able to do more this coming year.

I want to thank the members of the committee for the work they have done this past year and invite any who are interested in this area to join us in our work.

Rev. William Humphrey
Chairperson

Ethnic Local Church Committee

Support of mission and ministry to strengthen the ethnic local church continues to be the focus of the Ethnic Local Church Committee. Through this past year, the Ethnic Local Church Committee provided assistance to ministries of teaching, retreats, workshops, parish nurse training, scholarships for mission training and development, new concepts in church school development training, and United Methodist training specific to cultural and ethnic heritage. The Committee was very pleased during the past year to have been able to support the ministries of the Haitian Mission Church, the Native American Church, and the Hispanic Mission Church.

Looking ahead with an eye toward the future and the possibility of mission area ministry, the Ethnic Local Church Committee has a commitment to continue serving the ethnic local churches, encouraging diversity and originality of ethnic local church programs as was experienced during this past annual conference year.

It is hoped that the new Ethnic Local Church Committee brochure will provide all churches with an understanding of the purpose of the Ethnic Local Church Committee and its operating guidelines within the Peninsula-Delaware Conference.

An evaluation instrument for Ethnic Local Church Committee fund recipients was developed during the first quarter of 1996 and began to be introduced in the second quarter of the year. The goal of this self-evaluation is to support accountability, to evaluate program effectiveness and to establish a vehicle which will promote the sharing of new concepts, successes, and areas of difficulty. The self-evaluation form is being tried in 1996 for formal adoption in 1997.

The Ethnic Local Church Committee is thankful to God for his continuing presence in the work of the ethnic local churches and within the Peninsula-Delaware Conference.

Howard Bailey Life Enrichment Program

Bailey Overview

Approaches to ministry in the twentieth century are rapidly changing. Today we have people who live and work in society, become active in social and educational endeavors, and yet be totally oblivious to the Good News of Jesus Christ. The mission field has relocated to our back yards and we must be able to share the Good News in ways that will empower and enrich peoples lives.

Is it not our duty as Christians to share the gospel with all who seek it? We believe that we must strive to reach people in a "real life" context. The **praxis** of ministry must be intertwined with our social, political, and economic stratas of life. Creating a workable context of the Gospel that is neither condescending or exclusive, but inclusive for all who would participate in the celebration of life. Our theme for this year's programming is lifted from the book of Psalms, chapter 51:10 "**Give Me a Clean Heart**". This inspiring theme will be the singular spiritual heading for summer retreat and outpost alike. Our focus on the heart, we pray, will cause participants to look inward for their souls salvation.

This has been an exciting and challenging year for the Bailey program. The Lord has opened new doors of opportunity in which we have been able to expand and centralize the ministry while empowering people at the "grass roots" level. We have had the opportunity to work with the state of Delaware's Office of Prevention, by acquiring the town of Smyrna's DECCASA contract which has enabled us to provide programming to the total community as well as the church. This opportunity has permitted us to centralize Bailey programming in addition to creating an environment in which new and innovative ministry can take place.

Howard Bailey has been blessed to put into motion the "Bailey Outpost" which is the local church module designed to offer the identical programming that is offered during our summer retreats; however, the Bailey Outpost is an extension of the Local Church. In essence the Bailey Outpost is an opportunity for the church to reach into the community offering liberation, transformation and love for all peoples who will adhere to the clarion call of Christs Gospel.

Bailey Outpost

The Bailey Outpost's main objective is to create an opportunity for ministry in the "Local Church." Here is an opportunity for the church to reach out into the community and involve young people in the life of the church. We have been

fortunate enough to have three prototypes throughout the Conference; Mifflin Meadows, a housing development near Dover; Grace UMC in Wilmington and Harriet Tubman in Wilmington. These projects proved to be both challenging and rewarding with opportunities to touch the lives of people in different settings and backgrounds. This year our goal is to expand the outpost to six in addition to the three already up and running.

Delaware Community Cluster Against Substance Abuse (DECCASA): Community Based Programming

Most of us are familiar with the African proverb "It takes a village to raise a child"; how true this statement may be. The real challenge is to put this proverb into **praxis**. The reality of ministry is to include all streams and

ideas to build not just the church but the community itself . We have been blessed to have the co-operation of the Mayor and people of Smyrna , Delaware to embrace our programming utilizing churches community centers and schools working together to build a brighter future. This future includes Rite of Passage programming, community based education, parenting classes, drug prevention, and group outings. We haven't changed the village; we have just made it possible for God to bless the village once more.

Howard Bailey Summer Retreat's

This year our summer retreats will be held at Delaware State and UMES. We will begin programming at Camp Pecometh in June with the first weekend. This year we wish to expand to seventy five girls and boys each respectively. We will have three training sessions for counselors and mentors. We will also be placing initiating Rite of Passage programming in Rhode Island, Memphis, Tennessee, and Boston ,Mass.

Summary

HBLEP is growing by leaps and bounds. Our role as a conference ministry has been greatly supported by the Bishop, the Council Director and the many Pastors and Laity throughout the Peninsula Delaware Conference. We still humble ourselves as being the "program of the people."

Each endeavor that we undertake has gone under prayerful consideration, that we might acknowledge that God Almighty, is our source.

Our board of directors has been diligent creating a conducive atmosphere that allows us to grow but not to exceed our limitations. I personally thank all of the many churches , pastors, business and state organizations who have been willing to share this dream and offer a renewed opportunity to those who would hear the Gospel from liberating voices.

The Ministry Of Spiritual Formation

1995 completed the fourth full year of operation for the Ministry of Spiritual Formation of the Council on Ministries. The Ministry of Spiritual Formation is a comprehensive structure for operating facilities and developing programs to enable persons to engage in intentional experiences of spiritual growth outside and within the local church.

In 1995 the Spiritual Formation Board of Stewards completed its third year of leading the Ministry of Spiritual Formation in the areas of Sites and Finance, Program and Marketing, Staff and Volunteers. Together with the site staffs of Camp Pecometh and Drayton Retreat Center, they have brought about positive changes in the rate structures, procedures, and property improvements of both facilities. Actions included the purchase of new vehicles and equipment, the update each year of a five-year maintenance plan for both sites, and restructuring of the maintenance department. They have also been successful in gaining additional funds for renovations and repair on major items. The board oversaw the renovation of Camp Pecometh's dining hall under the leadership of the Sites and Finance Committee chairperson, Robert McKee. This renovation, completed in

time for the 1995 camping season, updated the original dining hall and kitchen built in 1964. It provided additional seating space, allows for year round operation of the dining facility, and can easily be expanded in the future. The swimming pool was renovated and was open every day during the summer season.

To resource local church spiritual formation programs, the director preached and/or told the Pecometh/Drayton story 51 times during 1995; served on 1 Emmaus and 1 Chrysalis team; taught in the Dover District Lay Speaker School; was a resource leader for 2 local church retreats; served on Kent County Maryland Forestry Board and Chesapeake Section, American Camping Associated Board. A series of articles on Spiritual Formation was published in the *Communiator* as a resource for local churches.

Virginia Coleman, Buddy Landing, Carol Shaw, Beth Landing, and Mollie Barton are the Spiritual Formation staff persons whose dedication and commitment contributed to the efficient and effective operation of our facilities. The hard work of the Spiritual Formation staff made possible the rewarding experiences of all the guests at these Peninsula-Delaware Conference facilities.

Both Camp Pecometh and Drayton Retreat Center had a vital year of operation. The facilities were busy with a variety of groups and individuals from churches and other non-profit institutions. The Spiritual Formation operating debt was reduced by \$17,146. We started 1996 with a operating surplus of \$1,704.

We anticipate achieving a balanced budget during 1996.

Camp Pecometh

One Thousand Two Hundred and Seventy-Five youth attended summer camp in 1995 at Camp Pecometh. The summer staff of 57 included 8 international counselors and 32 counselors from Peninsula-Delaware Conference churches. The campers were able to chose from 19 different program offerings. Campers and staff explored the theme "Hear and Live" and developed new skills and abilities including: basic camping skills, discovery of God in community life and natural surroundings experienced uniquely in a camp setting. The spiritual focus of the summer was explored through music, Bible study led for the second year by volunteer Spiritual Life Coordinators (Conference pastors), friendship and quiet vesper services. Pecometh continued to operate under the accreditation of the American Camping Association, the most widely recognized program of camping accreditation for health, safety and integrity of program. Camp Pecometh achieved 100% on the 325 areas checked during the 1994 accreditation visit; a first for Camp Pecometh!

Pecometh offers both year-round and seasonal facilities for groups, individuals and families, in addition to the extensive summer camp program for children and youth. In 1995, 148 groups with 7,481 participants used the facilities.

Plans are now complete for the 1996 summer season. The program theme is "Hear and Live," and campers will be able to choose from 22 different camping programs. Three new programs have been added: Christian Clowning, Puppetering and Computer Camp. One of the exciting parts of the 1996 summer season is the return to expanded use of volunteers in the program. The use of volunteers in 1995 added enrichment to our programs and helped in reducing expenses.

Drayton Retreat Center

During 1995, Drayton provided 6,006 guest days from 121 groups with a variety of spiritual life experiences. Of the above individuals, 1,386 guests from 58 groups came from Peninsula-Delaware Conference churches. Some came for continuing education programs, some for a time of rest and refreshment, and some to discover a new dimension of living their Christian lives. The average Peninsula-Delaware Conference group size was 19. One group was there for the 30th consecutive year.

The swimming pool at Drayton was used by 2,050 guests. Some were guests of Drayton through pool membership, some through attending programs, some as guests of members and some from grounds use groups.

We are pleased to report that we ended our fiscal year in the black.

One of the continuing aspects of the operation of Drayton Retreat Center during the year was the significant work accomplished by volunteer crews organized by Carolyn Godfrey. Major projects completed during the year were: refurbishment of the entrance way and completion of numerous indoor and outdoor maintenance projects. Volunteer hours totaled 2,113 with a minimum work value of \$21,130. The efforts and donations of volunteers continues to enable Drayton to preserve and utilize this important facility for the Peninsula-Delaware Conference, allowing staff to focus their efforts on ministry rather than fund-raising.

W. Thomas Carter
Associate Council Director
for Spiritual Formation

1997 GOALS

1. To increase the number of persons using both facilities by 10%.
2. To raise additional funds to be able to add additional winterized facilities at Pecometh.
3. To introduce group initiatives and environmental educational programs at both locations.
4. To maintain a balanced budget for the Ministry of Spiritual Formation.
5. To seek additional contributions for the maintenance trust funds established for Camp Pecometh and Drayton Retreat Center.
6. To continue to recruit ethnic persons to serve on the summer Pecometh staff; 15% as a minimum goal.
7. To maintain and enrich the spiritual environment of both locations.
8. To continue to improve the physical appearance of both facilities.
9. To continue to emphasize the importance of recruiting volunteer workers at both locations.
10. To continue to build the Spiritual Formation Team into a highly motivated and skilled group.

COUNCIL ON FINANCE AND ADMINISTRATION

The Peninsula-Delaware Conference for many years has been, and continues to be, very well managed financially. Members of CFA take a spiritual approach to being good stewards of conference resources. They bring many talents to serving the Lord in this capacity and give generously of their time. Their labors support and undergird the ministry of the church to thousands of individuals.

ACCOMPLISHMENTS:

During the past year, the following actions were taken by the Council:

1. Approved \$19,000 to cover Peninsula-Delaware Conference's share of an outstanding liability from Tri-Conference Construction Services, Inc., which went out of business at the end of 1993.
2. Approved a one-year grant of \$7,000 to support establishment of missionaries to the Latino community in the Dover District.
3. Approved \$1,350 for 1995 expenses and \$14,405 for 1996 expenses of delegations to General and Jurisdictional Conferences.
4. Authorized \$5,000 for engineering work as precursor to securing bids on major repairs at Barratt's Chapel.
5. Granted \$78,000 to Spiritual Formation for major maintenance. Drayton: repair of pool deck, fencing of pool, copier, ice machine, mattresses, and linens. Pecometh: van to haul equipment, computer, major renovations to two cabins, two golf carts, upgrading of residence, and mattress covers.
6. Responding to a motion adopted at the 1995 Annual Conference, the reconstituted Apportionment Formula Committee met to explore new ways to apportion local churches. This work is ongoing.
7. Researched the matter of district parsonages: location, age of property, present condition, cost to upgrade to conference standards and to reduce cost of future maintenance, potential net profit if sold, and potential cost to replace with new property. Began the process of upgrading.
8. In cooperation with Conference Council on Ministries, Board of Stewards of Spiritual Formation, and Board of Pensions, developed for conference employees a wholly new Personnel Policies and Procedures Manual to become effective July 1, 1996.
9. In cooperation with Conference Council on Ministries, Board of Stewards of Spiritual Formation, and Board of Pensions, approved the establishment of one Personnel Committee for Conference effective July 1, 1996, to be staffed by the chairpersons of these boards and councils together with additional members plus members-at-large.

RECOMMENDATIONS:

1. That the 1997 Budget in the amount of \$5,349,989.00 be adopted.
2. That 0.38 be the apportionment factor for 1997.

3. In the event payments on apportionments fall short of the budget, the Council on Finance and Administration shall determine where to adjust the 1997 Budget.

BOARD OF CHILD CARE

The Board of Child Care was founded by individuals of the United Methodist Church to serve children, youth and families. Its beginnings can be traced to the Kelso Home for Girls and the Strawbridge Home for Boys, both orphanages that provided a safe, secure, loving environment for God's little ones. For many years its programs and services were simple with emphasis on food, clothing and shelter surrounded by caring and loving individuals. Over the years, the type of children being served has changed. The costs of caring for children have changed. The requirements to provide service have changed. A partnership with government has been initiated, and organizations like the Board of Child Care are more involved in liability and litigation issues than ever before.

Our mission statement and value statement clearly reflect our linkage to the United Methodist Church and the Social Principles and Social Creed embodied in the Book of Discipline of the United Methodist Church. We are grateful for the support generated by this linkage in both the past and the present, which has allowed us to do the many extras for children through in-kind service. It is our belief and our commitment that, as a human organization and one within the United Methodist tradition, we also need to demonstrate our beliefs through action. We believe that what has been done not only through a quality residential home, but through our outreach to the Church in the local communities through the Youthcheck Program at Linwood Avenue in East Baltimore; a satellite office in Cumberland, Maryland at Christ United Methodist Church; and our foster care program at Albright United Methodist Church in Northeast Washington, DC is only the beginning of our mission. The staff continues to assist United Methodist ministers, families, individuals, adoptees and birth parents with matters that impact them and those around them. The staff helps to resolve issues, struggles and conflict so these individuals and groups may lead happier lives in Christ's service.

Modern times are exerting outside pressure which require us to change and to be proactive. There is outside scrutiny and review by government providers of the way Not-For-Profit entities conduct their operations and govern themselves. The Internal Revenue Service regulations are increasingly restrictive, and their examination of Not-For-Profit organizations as to the ways in which they use their monies, what programs are conducted, fund raising programs and efforts, and the necessity and basis for Not-For-Profit status is more intense. The demand of purchasers of services to do much more with much less and to produce immediate, measurable results is escalating. The fact that we live in a litigious society with increasing legal costs for defense and claims is indisputable. Downsizing and restructuring are the standards. There is the impending onset of managed care in the medical care arena and the distinct possibility of a switch of 100% of government funding streams to managed care within the near future.

To respond to these external factors, the Board of Child Care has been preparing for the future. We are looking to become the agency of choice for those needing our service. This past year the Residential program averaged 93% occupancy, our Shelter program averaged 98% occupancy and we served an average of 40 children daily in our Foster Care program in the District of Columbia. In September we started a Day School Education program which began with four (4) students and now has increased to 20. The Board of Child Care, its staff and Board of Directors have begun a process leading towards certification. We have started a self audit of our program that will culminate with a peer review with the desired result of being certified by the Council on Accreditation of the Child Welfare League of America. The Board of Child Care is beginning the process to be redesignated as an Educational Assessment Guidelines Leading toward Excellence (E.A.G.L.E.) organization through the United Methodist Association.

This coming year will be a busy one for the Board of Child Care. In June we plan to begin

construction on our Gaither Road campus. This \$4 million project will include a new administration building, school, dining room and extensive site work, as well as the expansion of our gymnasium for recreation. Construction will also commence on the Enos property purchased last year (contiguous to the Gaither Road campus) where three of the proposed five residential homes will be built over the summer. Each home will serve a group of four adolescent residents, preparing them for independent living. In early fall the Board of Child Care will start construction of a 40 bed facility in Harford County. Campus buildings aggregating 90,000 square feet will include three cottages, classrooms, and administration building, a kitchen and dining room, and a gymnasium and swimming pool. After over ten years of litigation we are getting closer to realizing the dreams of many who have worked and prayed hard for it to become a reality. We will continue to explore the possibility of opening a church satellite program in the Peninsula-Delaware Conference.

The uncertainty of funding in the future based on welfare reform and managed care has led us to explore alternative ways of funding our programs. Medicaid certification and establishing a free standing clinic for clinical services, along with opening a community mental health center are possibilities. To continue to strengthen our church relationship, the Board of Child Care is exploring the possibility of a US-2 volunteer from the Board of Global Ministries becoming a part of our program, and we hope to implement this in the coming year. Additionally, the Board of Child Care is researching the possibility of becoming a site for the Certified Pastoral Counseling program which would allow seminarians and ministers to carry out internships with our agency. In July Rev. Leonard Wheatly of the Peninsula-Delaware Conference will become our new Development Director at the Board of Child Care.

The Board of Directors, management and staff are committed to providing quality care for all of our clients. In-kind dollars of over 20% of our current budget of \$6 million are being allocated for enhancement of services and support of our church related programs. The Board of Child Care is all of you: ministers, laity, church, youth groups, U.M.W., U.M.M. and our Auxiliary. We thank you for your prayers and the support of our ministry. Amen.

BOARD OF CHURCH AND SOCIETY

The members of the Board continued to work in our four key result areas: Environmental Justice, Human Welfare, Peace with Justice, and Resourcing Congregational Life.

The Environmental Justice Program works with local churches and ecumenically as appropriate, seeking to develop awareness of our human assault on God's creation and to increase our own knowledge and understanding of caring for our earth. The ecological display at Annual Conference was taken to several local churches.

The Board supported the Congregational Health Ministries, and the Cooperative Urban Ministries Family Support Center in Salisbury.

The Rev. Dr. J.T. Seymour and Jeanne Sparks, representing the Board of Church and Society, formed a committee consisting of other boards and agencies to plan a Health Care Seminar for African Americans. This was approved by a resolution presented to the CCOM as a follow-up from the 1994 African American Clergy and Laity Summit. In cooperation with the African American Clergy/Laity Summit Committee, a day-long Health Care Seminar pertaining to health care issues that particularly affect African Americans will be held at the Summit meeting this year.

The Peace with Justice Program included Peace with Justice Sunday and the promotion of October as Peace with Justice month. The Born Free Stay Free materials for youth and families were made available and Substance (alcohol,

tobacco, and other drugs) Abuse Awareness Sunday in March or April was lifted up.

Pacem in Terris continues to work as the peacemaking arm of the Board of Church and Society and by extension as the peacemaking arm of the Peninsula-Delaware Conference. The Executive Director prepared mailings for our meetings and acts as a consultant to our members.

The Rev. Dr. Lawrence Jameson, a member of the Board, actively participated in the opposition to casino gambling being allowed in Maryland. He sent a bulk mailing to our Maryland Pastors to enlist their participation and also held a Town Meeting in Elkton, MD in September, inviting outside speakers. As a result of these efforts, the United Methodist Church's voice was heard by the Governor's Task Force to Study Casino Gambling and the bill to allow casinos in Maryland will not be presented to the Legislature this year.

The Legislative Intern Program initiated in 1994 continues with one student from Wesley College and one from Chesapeake College participating. They attend Legislative Sessions, interview Legislators, inform the Board of issues concerning our Board, and present a report at the end of the school year.

The Resourcing Congregational Life Program encouraged activity at the local church level through its Mini-Grant Program. Some of the grants awarded to local churches were:

Waugh Church to assist in their program for older adults, Wesley Church in Georgetown to aid in sponsoring a community Intercultural Diversity Workshop, Peniel to renovate a room to provide an office for the Prison Ministry.

BOARD OF DIACONAL MINISTRY

As the end of the current term for our board nears, we have much to celebrate! A total of three diaconal ministers have been consecrated and four others are at various points in the process. As is our responsibility, we have worked to help these people, and others, articulate God's call for their lives and to respond to it. We have monitored the work of several people who are working toward or have received certification.

Diaconal ministers have played active roles in the life of this annual conference by serving on boards and by sharing their gifts as needed. We have celebrated the support of our brothers and sisters in Christ, both lay and clergy, as we have sought to define, for this conference, what it is to be a "diaconal".

In the past year, representatives of our board were privileged to meet with the cabinet to discuss the resolution "Hopes for Our Connectional Relationship" and in light of action expected at the General Conference, decided to postpone further work on the resolution.

Diaconal Ministry will present a new face as a result of General Conference action...it is our hope that this face will be welcomed warmly by the Peninsula Delaware Annual Conference. It will be important for us to embrace new ideas and formulas in order that God's people will discover ways to be in ministry.

Diaconal Minister Naomi Winchester, one of the first to be consecrated in our conference, has announced her retirement effective in June. We salute Ms. Winchester for the leadership model she has established and wish her well as she enters a new realm of ministry.

As always, the work of any board is done by many committed and caring leaders and it is those leaders whose contributions have helped to make "diaconal" a word to be respected and not mispronounced !! Thanks to you all.

Chairperson

Proposal:

Because of the action expected at the General Conference regarding the ministry study, definitive plans have not been made. It is our hope that the conference will energetically embrace the changes that take place and will share them with us.

BOARD OF DISCIPLESHIP

We praise the Lord and celebrate with many churches of Peninsula-Delaware Conference for a very successful discipling year. The churches of Peninsula-Delaware Conference are "alive", reaching for perfection in Christ Jesus and the Board of Discipleship (B.O.D) is glad to be part of this life-growing, life-changing process. Some of our accomplishments were:

1. **LOCAL CHURCH DISCIPLEMAKING - COOPERATIVE WORK AREAS**

We instituted Part II of our Disciplemaking Plan for local congregations concentrating on the Primary Task. These forums exposed a 6-person team

(including the pastor) from each church/charge to the vision and excitement of the four essential dimensions of the primary task. This was a highly successful venture with participation of over seventy-five (75) churches and over five hundred (500) participants. The participants left with a new quest for discipleship. The enthusiasm and hunger for ministry that was generated through the forums could never be captured in words. Praise the Lord!

2. **INTERFAITH RESOURCE CENTER** - The center celebrated the highest resource usage by our churches. The site locations continue to be impactful to each district allowing accessibility of vital resources to congregations. Resource Display were maintained at district and conference events. Interfaith Lay Academy held in New Castle County was supported. A computer network for a bulletin board and a file of resources (print, visual & human skills) is being developed. It continues to be the primary resource center for the Conference.
3. **CHRISTIAN EDUCATION AMBASSADOR CONSULTANTS** - This is an essential ministry of the B.O.D. The Christian Education consultants gave leadership to an increased number of congregations, B.O.D district and annual conference events. The deployment of these ambassadors to churches to respond to specific needs in education and church development & planning continues to be the strength of this ministry. Some specific accomplishments include meeting and planning with new pastors in Bridgeville, re-energizing Sunday Schools all across the Conference, intensive teacher training adapted to the needs of congregations, development of charge- community Vacation Bible School, providing resourcing and training for Generation X and planning & coordinating Conference Christian Education programming.
4. **CHRISTIAN EDUCATION** - Vacation Bible School Preview and several district-wide VBS training workshops and teacher training workshops were held. Provided scholarships to enable training: lab school; training for young adults to attend Children's Ministries workshop/seminar in Orlando, Florida; training for Generation X. Cokesbury Action Team (CAT) organized to act as a liaison between United Methodist Publishing House & local congregations; available for workshops and training; resourcing curriculum.
5. **EVANGELISM TRAINING** - This work area continues to be quite vital in training and resourcing congregations. This year we combined efforts of evangelism and Worship work areas. The Worship-Evangelism Event was a seeker service workshop held at Christ United Methodist Church in Salisbury which utilized a format that rotated groups through various components of Christ United Methodist Church's Saturday Nite Lite service to learn the "process" this worship team is effectively using. There were nineteen (19) churches and sixty-five (65) participants in attendance. Harry Denman awards to clergy & laity; Northeastern Jurisdictional School of Evangelism.
6. **STEWARDSHIP TRAINING** - B.O.D became more intentional in development of this work area. Two persons received training at the "Ministry of Money" workshop in Gaithersburg, Maryland. In response to this training, a conference-wide event, Faith, Money and Spirituality, was planned and thirty-eight (38) participants have already registered for 1996 event. Four churches received partial scholarships. Team work is emphasized (pastors & 2-3 church leaders per team). All districts represented, various sizes of churches, inclusive.
7. **FELLOWSHIP EVENT** - Worship Chairperson attended training at National Convocation of the Fellowship of United Methodists in Music and Other Arts in Tacoma, Washington. Evening services focused on different cultures (Native

American, African-American & Polynesian). A conference-wide event, Liturgical Dance workshop was conducted at Drayton Retreat Center. Participants given opportunity to explore the possibility of beginning a liturgical dance group at their churches.

8. **OLDER ADULT MINISTRIES** - Resourcing of congregations to pastors of local churches. Display of older adult ministries resources at Annual Conference. Two retreats sponsored for person 55 years and older: Smith Island Retreat with eighty (80) participants, including boat excursion, worship services and tour of island; Five-day Retreat at Camp Pecometh with twenty (20) participants involved in spiritual formation in a camp setting. Two conferences on Wholistic Health were presented to pastors and laity to address health across life span. Sharing our Services Programs to promote socialization of older people being implemented in cooperation of Coleman-Memorial, Chester-Bethel, Atonement United Methodist Churches and being explored at Ezion-Mt. Carmel United Methodist Church. Interprets and resources health ministries for Conference.
9. **NEW VENTURE MINISTRIES** - Five local churches and one agency of Peninsula-Delaware Conference received funding for their new venture projects. Specific requests were made to each recipient for a one-page summary to share successes with other churches; on-site visits for committee to see first-hand was also proposed.
10. **OTHER** - Scholarship Form was designed to be distributed to churches/individuals for request of funds from B.O.D; improve accountability and faithfulness to goals. Attractive display focusing on the Primary Task of a local congregation was provided at the 1995 Annual Conference. The visual display was designed by Eastern Correctional Institute inmates.

Chairperson

1997 GOALS

The Board of Discipleship is solely committed to being the Peninsula-Delaware Conference agent to resource and enable local discipling and implementation of the Primary Task. In our consistent quest for quality, we will institute the following goals in 1997:

LOCAL CHURCH DISCIPLEMAKING - COOPERATIVE WORK AREA

1. The B.O.D, as trained resource persons in worship, Evangelism, Education and Stewardship, will be available to resource an work with local congregations in developing individual strategies to maintain effective discipling.
2. We will improve accessibility and maintain dialogue between local congregations and the B.O.D to effectively minister to arising needs and desires as they quest for quality in ministry.
3. We will provide minimal funding to local congregations for training assistance of members to improve their effectiveness (via B.O.D Scholarship Form) and the church's ministry to Primary Task development.
4. Christian Education consultant ambassador under the leadership of Conference Council Director, will be deployed to develop/implement long and short-term goals for local church

disciplemaking.

EVANGELISM-REACHING OUT

1. We will have a weekend (Friday night - Saturday) Evangelism training event with nationally recognized leadership. This event will address a specific aspect of Evangelism arising from identified needs of local congregations.
2. We will celebrate and honor the practice of Evangelism in Peninsula-Delaware Conference by awarding two individuals with the Harry Denman Award at Conference 1997.
3. The B.O.D will work closely with the ethnic minority local church committee to improve specifically African-American Evangelism to satisfy mandate of Comprehensive Plan and address the need to plant/revitalize/grow African-American churches.

WORSHIP - RELATING TO GOD

1. We will provide leadership, inspiration and resources, both material and human, in development of innovative ideas and techniques to enhance worship in our local congregations.

CHRISTIAN EDUCATION - NURTURING IN THE FAITH

1. We will have a major conference-wide enrichment and training event in early spring, 1997 (working in cooperation with the local Christian Education Fellowship (CEF) Chapter). We will invite a nationally-known creative leader as we envision and prepare for Christian Education in the 21st century.
2. We will make quality training (addressing specific needs) available for Christian Education leaders and teachers in local congregations.
3. We will provide training for church leaders to become proficient in implementing the Primary Task.

STEWARDSHIP - SENDING OUT TO SERVE

1. We will implement a Conference-wide event emphasizing the spiritual relevance of stewardship (similar to 1996 event, "Faith, Money and Spiritual") to allow participation of more local congregations.
2. We will continue training for B.O.D members to enable us to effectively satisfy the assessed needs of local churches in the area of stewardship.

INTERFAITH RESOURCE CENTER

1. We will continue to expand IRC information and communication network system, maintaining up-to-date human skills data.
2. We will increase the resource usage by Peninsula-Delaware Conference congregations by keeping them informed of the many available services IRC provides.

Older Adult Report

In order to assist local congregations as they seek to develop Older Adult Ministries Programs the following activities took place in 1995.

Resourcing of congregations with three mailings of Older Adult Program information sent to pastors of local churches. A display of Older Adult Ministries resources developed specifically for 1995 Annual Conference Attendees.

Retreats - Two retreats were planned and implemented for persons ages 55 and over:

The Smith Island Retreat began with boat excursion and eighty individuals participating in a full day event. Included in the order of the day was a worship service designed to challenge participants to review their life's journey as a gift from God. Time was spent touring the island and being together allowed individuals from diverse cultures and backgrounds to appreciate how we are all representatives of the body of Christ. The cost of the boat excursion and two meals was supplemented by the conference, so each participant paid \$25.00. We had a safe and spiritual framework with eight ministers, one physician and two nurses in the group that added to a successful event.

The second event was a five day retreat at Camp Pecometh, designed to stimulate the Spiritual Formation of older adults in a camp setting. Twenty older adults participated in sessions on Holistic Health which embraced the spiritual, physical and mental well being of the participants. This pilot project will need some public relations work, although money was set aside for scholarships, no ethnic minorities attended the O.A.M. Retreat at Camp Pecometh in 1995. The Older Adult Committee Chairperson will be in dialogue with Tom Carter so together we may gain insight on the Older Adult Spiritual Formation Retreat in 1996.

Annual Conference - A display with information and brochures to promote Older Adult Ministries was set up at Annual Conference in 1995.

Holistic Health Conferences - Two conferences on Holistic Health were presented to pastors and laity to address health across the life span. We are seeking how we can help promote healthier life styles so individuals can learn to manage their own health and aged persons will not be prematurely institutionalized. Sharing Our Services Programs to promote socialization of older people are being implemented in cooperation with several United Methodist Churches: Coleman Memorial, Chester-Bethel and Atonement, and is being explored at Ezion-Mt. Carmel U.M. Church. This is a bartering program that allows seniors to volunteer their services and the information is kept in a computer bank. When the seniors need services they can exchange their accumulated hours for services they need.

In 1996 - Plans have been to strengthen the spiritual formation program for older adults at Camp Pecometh, promote single ministries program in local churches and strengthen programs that will assist older adults to manage their health and remain involved as long as possible.

BOARD OF GLOBAL MINISTRIES

The Spirit of the Lord is upon me, because he has anointed me to bring news to

the poor. He has sent me to proclaim release to the captives and recovery of sight to the blind, to let the oppressed go free, to proclaim the year of the Lord's favor. **Luke 4:18-19**

During this quadrennium (1992-95) and moving into its last year, the Board of Global Ministries has witnessed an ever increasing amount of activities. We worshiped God and set aside time to develop strategies that would assist us with the work we do as Disciples of Christ. Laity and Clergy have devoted time in prayer, then listened as well as watched to see how we could blend our gifts and talents so the mission and ministry of God's work could be carried out. A Congregational Health Ministries Program has been implemented. It seeks to provide health education to congregations whenever pastors request it. I've been energized by the dedicated work of each division chairperson and committee member that gives volunteer time so that this board can complete the tasks before us. Churches were provided with support, Hope Church was started, Missionaries were supported, District Mission Fairs were sponsored, and we developed a team approach to solving some of the challenges we inherited. As we move into this last year, I would like to thank God for the opportunity to have been a team leader to a group of dedicated disciples who are seeking to do God's will. We are grateful for the individuals who traveled to Africa to do short term Missionary work, Bishop Susan Morrison, Dr. Bruce Obenshein and Carol Sieg. For the first time in the history of our conference we have an African American couple in training who expect to be commissioned and sent to Liberia.

1997 GOALS

1. Strengthen, develop and renew christian congregations and communities. We will work mutually with mission partners in common growth and for the development of spiritual life, worship, witness and service.
2. Alleviate human suffering. We will help to initiate, strengthen and support ministries which will serve the spiritual, physical, emotional and social needs of people.
3. Seek justice, freedom and peace. We will participate with people oppressed by unjust economic, political and social systems with programs that seek to build just, free and peaceful societies.
4. Witness to the Gospel for the initial decision to follow Jesus Christ. We will proclaim and live the gospel of Jesus and similarly, challenge others to discipleship in and through Christian communities. Where direct proclamation is not permitted, we will promote a caring presence which will become the means of Christian witness.

I am especially grateful to the Rev. William Hemphill who has worked diligently and shared with me and this Board his wisdom and talents so that we could carry out the work of God's Church.

Cooperative Urban Ministries of Salisbury

In 1995 Cooperative Urban Ministries, a ministry of seven United Methodist congregations located in Salisbury, Maryland, continued its work, guided by the following statement of mission and vision:

Our mission is to develop and coordinate programs which serve and minister to the needs of Salisbury's materially impoverished;

- increasing awareness of these needs throughout our congregations,
- providing avenues for reacting,
- promoting the concern for racial understanding and appreciation.

Our vision includes:

- a unified ministry of the Urban Ministries churches,
- involvement of the laity and use of unique gifts of each congregation,
- sharing resources in order to tap into existing programs.

We accomplished this mission and lived out our vision through the following programs in 1995:

1. **Habitat Home:** completed the funding and building of a home as part of Habitat on Maryland's Lower Shore's Kirkwood Development. Over \$18,000 (Habitat's out-of-pocket-costs) and a major portion of the volunteer labor were contributed by the seven congregations.
2. **Confirmation Rally:** In April of 1995, over one hundred confirmands met for an afternoon rally at Christ Church. The youth broke up into small groups and designed various parts of a worship service, which was celebrated together at the end of the day. A special emphasis was placed on understanding and appreciating a variety of worship styles.
3. **Saturday Feeding Program:** beginning in the Spring of 1995, Urban Ministries committed itself to providing a hot luncheon meal at the Sowing Factory Mission in the East Church Street area of Salisbury each Saturday. This is an ongoing program and is accomplished using a rotating schedule that includes six of our Urban Ministries congregations and one other local UM congregation. We have averaged sixty or more meals per week and the program is now held in the basement of Grace Church.
4. **Urban Music Camp at Bethesda UMC -** Urban Ministries provided funding and personnel for a week-long day camp at Bethesda UMC. Once again this experience was intentionally racially inclusive and was well received by all who participated.
5. **Family Support Center at St. Andrews UMC -** Under the able leadership of Program Coordinator, the Rev. William Purnell, a comprehensive Family Support Center was begun at St. Andrews. In its first program this fall, several at-risk teenage parents received help in developing skills needed to become or remain healthy, active participants in the community.

We wish to thank the Rev. Donald E. Hamilton for his enthusiastic and effective leadership as our Executive Director from June of 1994 through the end of 1995. With his appointment as a missionary with the General Board of Global Ministries, 1996 will be another year of transition for us in terms of leadership and planning. Our intent is to bring our Parish Council together for a planning retreat in April or May of 1996. At that time, hopefully with a new Executive Director included in this process, we will revisit our statement of mission and vision and establish program goals for 1997 and beyond. In the mean time, we will continue with our ongoing programs, including those listed above and developing the Genesis program out of Wesley Temple UMC, a mentoring and support program for at-risk youth. Four years ago, we believe God began a good work of cooperative outreach among the United Methodist congregations in Salisbury. We are no less confident today that God is bringing this work to fulfillment as we remain faithful disciples of Jesus Christ.

David B. Humphrey
Interim Director

Division of Congregational Development

Again in 1995 this Division has been able to meet the needs of the local churches in their request for assistance in church and parsonage repairs and

construction, and in new congregation development.

This is made possible through apportionment funds and funds generated from the repayment of previous loans.

It has been a privilege to serve as Chairperson of the Division for the past eight years. I want to personally thank Rev. Charles Covington for his support and valuable assistance as he has served as Secretary and handled all the financial work for the division over the last eight years.

There have been many exciting developments over these years, improvements in churches and parsonages, new church and parsonage construction, development of signature loans, allowing small churches the opportunity for improvement. But most exciting to me has been the development of Cornerstone United Methodist Church and Hope Church.

Nancy Leathrum
Chairperson

1997 GOALS

We will leave the development of goals for 1997 up to the new division members, with the prayer that they will continue to assist in the improvement of church and parsonage facilities while emphasizing new church development.

Division of Health and Welfare

In 1995, the Parish Nurse program continued to spread and advance throughout the Peninsula-Delaware Conference and several conferences were either held, within and without the conference, that were attended by Parish Nurses, Laity and Clergy. Two of the outstanding ones within the conference area were: "The Church as a Healing Place" held on March 20, 1995 at St. Paul's Lutheran Church, Newark, DE which was attended by some sixty-five Parish Nurses, Laity and Clergy; and "Health and the Faith Community" held on November 3, 1995 at Dover Air Force Base Officers' Club, which was attended by some seventy Parish Nurses, Laity and Clergy.

A Health Ministries Library Resource Center was established at Chester Bethel United Methodist Church which is the first of its kind in the conference and is readily accessible to all churches in the conference. It is under the direction of Robert J. Quinn, R.N., Parish Nurse and Director of Chester Bethel Health Ministry.

The Annual Conference of Health and Welfare Chairperson Training Event held on February 23-25, 1995 was attended by the Conference Chairperson of Health and Welfare.

Throughout the year of 1995, the Division of Health and Welfare mailed, to all clergy members in the conference, information on various health subjects including: Health Minister Job Description, Parish Nurse Training Programs, Congregational Health Ministries Brochure, A Ministry By, With and For Older Adults Brochure and resource information on availability of free medication for low income individuals.

Donald E. Alford
Chairperson

1997 GOALS

1. To continue to assist local churches in the education of members on various health ministry programs through seminars and mailings.
2. Another project is the one on "Holy Boldness" with Bishop Felton May as the key speaker.
3. To continue to expand the Parish Nurse ministry to reach out to more and more people within the conference area.
4. To continue the cooperative venture with PUMH and other agencies to spread the interconnectedness of health with spiritual, mental and physical well-being is one of the most important items that should remain on the agenda of the Peninsula-Delaware Conference in the years ahead.

Division of Mission

The purpose of the Division is to promote mission within the Peninsula-Delaware Annual Conference on the local, national and world levels.

In 1995, the Division's primary work was helping to coordinate the Mission Alive! Weekend on the Dover District. This May weekend was a mission saturation event in which all interested congregations had a mission speaker. The purpose of Mission Alive! is to encourage congregations to become more involved in mission on the local, conference, national and world levels. Members of many congregations came alive to the need for mission involvement through the witness of a mission speaker in their local church, and others through their involvement in the mission fair held in Georgetown. Similar weekends have been held on the Wilmington and Salisbury districts, and an Easton District Event is planned for the fall of 1996.

The Division also worked to encourage congregations to establish a covenant relationship with a missionary through the General Board of Global Ministries. Currently, 32 congregations have a covenant relationship.

James F. Hawkins
Chairperson

1997 GOALS

1. Encouraging Mission Involvement -- The Division will sponsor follow-up events to the Mission Alive! weekends on all four districts to encourage ten percent of all congregations in the Peninsula-Delaware Annual Conference to enter a covenant relationship with a missionary, and five percent of congregations to become Global Mission Partners.
2. Mission Interpreter Training -- To train one or two persons who will be mission speakers and visit at least ten congregations within two years.
3. Volunteers in Mission -- To support one conference - or district - sponsored VIM team, thus encouraging persons to have a hands-on mission experience.
4. United Methodist Committee on Relief -- To encourage each

congregation in the Annual Conference to contribute at least \$1 per member to UMCOR.

5. Clergy Scholarships to the School of Christian Mission -- To encourage pastors to attend the School of Christian Mission, sponsored by the United Methodist Women.

Division of Parish and Conference Ministries

No new grounds were broken during the current year, to the extent that no new programs were implemented. However, the division continued to be a catalyst for existing programs, as existing ministries continue to provide much needed outreach to their constituencies. During the year, a reasonable interaction with such partners as M.A.P., The Salisbury Cooperative Ministry and the Hispanic Ministry of the Wilmington District, was maintained.

This year, because of the successful work of the Lost Coin Group, we are in the midst of preparation for the inevitable redefinition of ministry units and for conducting of ministries, within the bounds of our Annual Conference. New guidelines and methodologies that will dovetail into the "mission areas" concept of performing ministry, have been broadly defined for the ensuing year. Emphasis on these programs will still be predicated on the "shared concept of ministry," with such sharing and training being done along the lines of church type. Ministries will be shared and seminars will be held, based on whether churches fall into Rural, Urban or Sub-urban categories.

Some supporting and not much sharing was accomplished this year, but with God's grace, this division will be revitalized to fulfill its mandate.

1997 GOALS

1. Continue meaningful relationships with our partners (Salisbury Cooperative Urban Ministry, Methodist Action Program, The Hispanic Ministry, etc.), well beyond the budgetary requirements, to engender a spirit of mutual respectability and growth.
2. Celebrate the success of outreach-mission oriented ministries at both the parish and conference levels.
3. Conduct workshops to promote understanding of and share information on, viable ministries.
4. To promote funding as we are able, to those who wish to implement new programs that fall under our jurisdiction.
5. Seek means to effectively communicate with the Mission area component(s).
6. Celebrate, celebrate, celebrate!

By God's grace our journey in 1996 and 1997 will be worthwhile and fruitful to our parishes and the entire Annual Conference. **To God be the glory.**

Methodist Action Program

In the first year of program transition, 1995, the Methodist Action Program (M.A.P.) began to implement new strategies of urban ministry. Having spent two or three years developing new directions, the reMAPing started to change the programming and practices of M.A.P.'s work. While the reMAPing continues in long range planning processes, new programs are being developed that re-focus urban ministry and mission.

The most apparent new direction in urban ministry is the Old Asbury Homeless Ministries. The Old Asbury Church, 226 North Walnut Street, was the mother church to all Wilmington Methodist Churches: at least the U.M., U.A.M.E., A.U.M.P. churches. M.A.P. purchased the building in the late 1960's and developed neighborhood church programs, but over the years commercial redevelopment has greatly reduced the number of people living in the area. During 1995 M.A.P. began in earnest to gather in Old Asbury a collaborative group of ministries that serve homeless people.

- Since 1980 the (Roman Catholic) Ministry of Caring has operated the Emmanuel Dining Room at Old Asbury--rent and utilities free of charge; this program serves all hungry people, many of whom are homeless.
- The Friendship House men's programming moved into the building last fall. Through Friendship House a series of opportunities are made available to homeless men (and women elsewhere) to help them build new lives and return to more productive living.
- The Servant Leadership School program has been initiated; it prepares its participants to work with disenfranchised people. Studying Jesus' leadership style, the program provides theological and practical studies within a support group context.

During 1996 the old Mother Church should be filled with homeless and homeless-prevention ministries. In addition to the above programs, the following are being planned:

- The Sunday Breakfast Mission is establishing a computer laboratory for teaching academic education and for providing basic computer knowledge for people who are turning their lives around socially, economically, and spiritually.
- Ten congregations have begun to plan an ecumenical, cooperative, centralized ministry for families that are at risk of losing their homes. This project will provide financial assistance (especially for rent/mortgage and utilities), consultation along with information and referral services, and eventually self-help support groups to empower families to build secure families.
- Worship and Bible study will be M.A.P.'s unique contribution to this collaborative project. Sunday afternoon worship services and Bible study are being

designed specifically for street people. A few people who are active in other churches are being invited to form a core for this congregation; a number of churches will probably be invited to participate occasionally in the Sunday afternoon services.

In addition to program changes at Old Asbury, property improvements were started during 1995. Work was begun to restore the stained glass windows in the beautiful old Sanctuary; it should be completed in 1996. An elaborate security and fire detection system was ordered and is to be installed during 1996. And, a general cosmetic "freshening up" was begun.

The renewed Old Asbury Church is engaging in a new ministry and mission, helping to meet the physical, social, and spiritual needs of those who now come to her for help: the homeless, the disenfranchised, and those at risk of becoming homeless. In Jesus words, the new programming at Old Asbury is ministering to "the least of these my brethren" (Matthew 25:41).

To make room for the homeless ministries at Old Asbury Church the children's after school educational enrichment program at Old Asbury was closed and a new, similar project with assistance from M.A.P. was opened in the Ezion - Mt. Carmel Church a few blocks away. With parental permission the school buses drop children at the Church for this program. About thirty children are being served this year with cultural programming, homework help, and mentoring; the program's reputation is already so good that -- judging from the number of telephone inquiries -- next year promises to be more than full.

Not only have the children transferred their participation from Old Asbury to Ezion - Mt. Carmel Church, we believe that the redevelopment of the After School program will help the parents of the children identify more closely with Ezion - Mt. Carmel Church so that they may find it to be their own church home. And, this program is expected to enhance Ezion - Mt. Carmel Church's renewed effort to minister to its east side Wilmington community as well as to its regional congregation.

While the children's programming moved to Ezion - Mt. Carmel Church, the emergency food closet moved to the former Harrison Street Church parsonage. Not only are needy persons assisted directly at this location, but additional congregations are being invited and assisted in opening their own emergency and non-emergency food assistance programs.

In another effort to strengthen local congregations by helping to connect them to their neighborhoods, M.A.P. funded the Howard Bailey Life Enrichment Program to develop an Urban Outpost component. The Howard Bailey Program had operated successfully in large, conference-wide events; this reworking of the project formed it into a process appropriate for sixteen twice-weekly meetings during which the lay leadership of a local Church is trained to do the Howard Bailey programming, and an initial group of participants are led through the curriculum. In addition to building the Urban Outpost component, an initial class was completed at the Harriet R. Tubman Community (Brandywine-Trinity) Church and classes were initiated at Grace Church and at Coleman Memorial Church.

Three struggling congregations are exploring the possibility of receiving short-term "missionaries" who will help them provide or learn how to develop church programming for their own memberships and for their neighborhoods. M.A.P. will be

looking for experienced individuals and families who will be willing for a few months or perhaps even for a few years to act out their church membership in a leadership-starved congregation. Through this borrowing of knowledgeable church leaders, the receiving church will be able to offer core congregational programming to its neighborhood while teaching its own previously unchurched members how to lead the programs themselves.

Working with the Conference Board of Global Ministries, Division of Parish and Conference Ministries, M.A.P. will be helping to develop a Conference Urban Network. Interested individuals and congregations will be offered a wide range of possible urban ministry project concepts, helped to develop one or more local ministries, and enabled by an on-going support group -- the Conference Urban Network.

The work with Hispanic elderly residents of New Castle County continued throughout 1995. Centro Los Abuelos (The Grandparents' Center), operated by M.A.P. is still the only senior center in Delaware that is focused on the particular needs of the Hispanic community. Providing much more in-depth outreach and advocacy, with State funding M.A.P. continues to operate the Hispanic Senior Outreach Program.

Three new congregations are assisted by M.A.P. The brand new Hope Church in the Pike Creek Valley began in April under the leadership of Rev. James Hawkins and with the blessings and support of the Hockessin Church. For this developing congregation M.A.P. provides administrative services. For the Nueva Vida (New Life) Congregation, M.A.P. provides both administrative and financial support. During much of the year at Old Asbury, M.A.P. assisted a small, independent congregation that wanted to focus on reaching marginalized people who lived in the "wilderness" of the streets or were at risk of doing so. After eight or nine months, M.A.P. decided to develop its own ministry and ended the relationship with The Wilderness Church. Several options for initiating new congregations are being considered; M.A.P. continues to take seriously its church extension mission.

The Methodist Action Program is seeking to transform individuals, congregations, and communities through the gospel of Jesus Christ so that they might develop greater spiritual, physical and social well being.

The Neighborhood House, Inc.

In 1995, Neighborhood House implemented two new initiatives the Youth and Family Community Connection Program (YFCC) provides transition and support services to students and their families enrolled in the Alternative Education Program of the New Castle County Alternative Education Consortium.

There are three key Components of the Program: services, support services and community linkages. Transition services includes:

1. Participation in all intake, Individual Treatment Plan and transition meetings for each student;
2. Assessment of the needs of the student and the family;
3. Identification of needed support services and community linkages.

The Support Services component enhances the functioning of the student and their families. A major goal is to increase parental involvement.

A number of workshops were held with topics including: parents as educators, discipline with dignity, self esteem and how to deal with stress and anger. Group leaders with experience working with at-risk youth conducted the groups.

A family overnight retreat was held at the National 4-H Center where families had the opportunity to get away and focus on their relationships and talk to one another in a stress-free environment.

The Community Linkages component links students and their families to services in the community.

The program is staffed by a Director and five case managers. Over 100 youth have been enrolled since the summer of July 1995.

Some of the achievements during the summer session are as follows:

1. 21 youth successfully completed four workshops;
2. 19 participants 4 families went to Washington DC,
3. 11 youth including 3 siblings attended an 8 week summer program at Jackson St. Boys and Girls Club.
4. 8 youth attended 1 week session of resident camp at Killens Pond with Positive Image Youth Organization.
5. 3 youth participated in Redskins Midget Football League.
6. 3 youth were employed as youth workers by Neighborhood House.
7. 1 youth took drum lessons at Christiana Cultural Arts Center.

Peninsula United Methodist Homes, Inc.

The following information about Peninsula United Methodist Homes, Inc. (PUMH) is printed because the Conference and PUMH share a common mission although the Conference does not have any financial or legal responsibility for PUMH.

(A Covenant of Affiliation Between PUMH and the Peninsula-Delaware Annual Conference of The United Methodist Church, adopted June 1985.)

September 1995 marked the 35th anniversary of PUMH's provision of retirement housing with the Methodist Country House having opened in September 1960. The Methodist Country House has provided retirement and health care services to approximately 2,000 older adults during these 35 years. One resident, Mrs. Clarice A. Daggett, a member of Mt. Lebanon United Methodist Church, Wilmington, has been a resident for this entire 35 year period.

As part of its 1995 reaccreditation self-study, PUMH adopted the following Mission Statement and Statement of Values. Both of these statements are taken with great seriousness by the Board of Trustees and the staff of PUMH. The present services and planning for the future are all looked at in terms of the

Mission Statement and all operations in this ministry are carried on in ways that are consistent with the Statement of Values.

MISSION STATEMENT

In keeping with the strong religious heritage expressed by our founders in 1954, we are committed to providing the highest possible quality of life for the older adults whom we serve. We meet their changing needs compassionately and efficiently by maintaining our leadership in standards of excellence in retirement and health care services. We affirm the individuality and dignity of our residents and employees, strive for diversity among them, and pursue our ministry of care in a socially responsible manner.

STATEMENT OF VALUES

- *** We believe in the individuality and dignity of everyone involved in our ministry.
- *** We believe in employing and serving persons of diverse backgrounds.
- *** We believe in enhancing the quality of the physical, social, emotional and spiritual life of our residents and staff.
- *** We believe in fostering an environment of honesty, integrity, justice, compassion and open communication.
- *** We believe in maintaining a caring community of residents, staff, volunteers and their respective families.
- *** We believe in adhering to the highest ethical standards.
- *** We believe in achieving financial strength and in using sound business practices.
- *** We believe in treating our business associates as partners in fulfilling our mission.
- *** We believe in carrying out our ministry in a socially responsible manner.
- *** We believe in recognizing the dedication and devotion of our staff and volunteers.
- *** We believe in listening and responding to the cares and concerns of our residents and staff.
- *** We believe in encouraging innovation and welcoming ideas and suggestions.

PUMH continues to provide retirement housing and health care services through the three continuing care retirement communities which it owns (Methodist Country House, Greenville, Delaware; Cokesbury Village, Hockessin, Delaware; Methodist Manor House, Seaford, Delaware), the continuing care retirement community which it manages under contract (Heron Point of Chestertown, Maryland) and a skilled nursing facility which it also operates under contract (Layton Home, Wilmington, Delaware). In addition it operates PUMH Home Health Care Incorporated and an Aging Ministries Consultant Program which assists churches and agencies in the wider community; these two services were described in the 1995 Annual Conference Journal, page 347 following.

The major construction and financial challenges which PUMH faces are related to the conversion of its oldest facilities. Methodist Country House opened in 1960 and the Methodist Manor House opened in 1966, into modern retirement communities. These were both built with a vast predominance of studio units-one room units and a requirement that all meals be taken in the dining room. Older adults today desire units which have at least one bedroom, a living room and a kitchen or, at least, a kitchenette. This means that these studios must be converted into one and two bedroom units. This requires not only a great deal of work and expense in making such conversions but also additional new units must be constructed in order to maintain the number of residents needed to make the retirement communities financially feasible. Thus, the ten apartment unit Nanticoke Wing was opened at the Methodist Manor House in 1995. Additional expansion and renovation is still underway or planned for the Methodist Country House and the Methodist Manor House. While some refurbishment is required at Cokesbury Village, no such major renovation is needed since Cokesbury Village, which opened in 1978, was designed as a modern retirement community with mostly one and two bedroom apartments and one hundred cottages.

The other major challenge facing this ministry is how it can best prepare itself in terms of the vast changes being made in the health care delivery system. The wide spread utilization of managed care organizations means that the PUMH communities must network closely with other retirement and health care organizations in order to be in a negotiating position with larger integrated health delivery systems and managed care organizations. This movement toward integration with other organizations also requires continual expansion and improvements in the management information systems. PUMH is forward thinking and acting in regard to meeting these challenges.

At the annual meeting of the Board of Trustees in September 1995 PUMH presented the George H. Pigueron, Jr. Founders Award to Betty A. Crocker, a resident at Cokesbury Village. She was cited for her outstanding volunteer services which began when she was a youth and continues into her older years. She has been very active in the religious life of Cokesbury Village as well as in volunteer service in the health center. She also organized the Friends of Layton Home, a group of Cokesbury Village residents who provide various volunteer services to Layton Home. Mrs. Crocker represents the extensive involvement of many PUMH residents in volunteer service in the retirement facilities and in the communities in which the facilities are located. The "PUMH 1995 Annual Report" highlights examples of this service orientation for each of the retirement communities. Copies are available upon request at the PUMH office (302-633-7864).

In 1995 Peninsula United Homes began preparation for a multi-million dollar campaign to raise money for benevolence assistance to residents. Throughout its 35 year history PUMH has always subsidized a number of residents who are unable to meet the regular monthly fees. PUMH wishes to undergird even further this extensive benevolent work. We are deeply appreciative of the continuing support which PUMH receives annually from the Peninsula-Delaware Annual Conference through the Annual

Conference allocation of \$45,000 and through the contributions received from many local churches through the annual Mother's Day Campaign. All this money is totally used for benevolence support of residents.

Peninsula United Methodist Homes Of Maryland, Inc.

The following information about PUMH of Maryland, Inc. is printed because the Conference and PUMH of Maryland, Inc. share a common mission although the Conference does not have any financial or legal responsibility for PUMH of Maryland, Inc.

(A Covenant of Affiliation between PUMH of Maryland, Inc. and the Peninsula-Delaware Annual Conference of the United Methodist Church, adopted June 5, 1990.)

1995 continued to be a year of growth in terms of the occupancy of Heron Point of Chestertown, Maryland. This facility is owned by PUMH of Maryland, Inc. and is managed under contract by Peninsula United Methodist Homes. As of the end of 1995 the facility had achieved 83 percent occupancy of its 192 units. Heron Point has had a slower fill up than is customary with continuing care retirement communities because it is located in a small town rather than in a densely populated area. Most residents in continuing care retirement communities move from within 15 to 20 miles of the facility. The vast majority of those who choose to live at Heron Point come from areas 50 to 100 miles distant from Chestertown. Thus, it is a far more significant decision to move into Heron Point than to move into most retirement communities because it involves not only moving into a retirement community but for the most part moving out of one's customary area of residence into a new one where one must make new friends, join a new church and create a whole new network of relationships.

The unique thing about Heron Point continues to be the very high proportion of residents who are actively involved in various types of community service activities in Chestertown and surrounding areas. The residents contribute an enormous amount of talent, time and money to these service activities.

1995 saw the beginning of the planning period for the expansion of the health center at Heron Point. After three years as serving as the executive director of Heron Point, Mr. James S. Urda retired and he was succeeded by Ms. M. Jane Holloway. Ms. Holloway had been serving as the assistant executive director at Cokesbury Village. A new board chairman also assumed office in 1995, Mr. Charles E. Emery of Calvert, Maryland. Mr. Emery is an active member of Newark United Methodist Church.

One of the highlights for the youth was a motivational workshop led by Mr. Universe 1994-95, Ronald Coleman.

The second program, Comprehensive Case Management served families in Middletown, Rose Hill-New Castle, and Wilmington.

The purpose of comprehensive case management and support services is to make a long-term difference in the ability of families to become self sufficient.

A 31 year old mother of two with a drug addiction disease became involved with case management in October, 1995. She is now a participant in a training program with very good possibility of gaining employment. Below is a copy of a letter she sent in January, 1996.

" Dear Sir or Madam,

I am writing this letter of thanks to let your staff know that I appreciate your recommendation to participate in the CCE program with MBNA. As a result of your nomination I am able to participate in a program that will allow me to gain adequate skills that I need to gain employment in the future. This program will help build me self-esteem and become a self sufficient productive member of society. Your staff's compassion was most helpful in allowing me to begin to achieve my goals. Once again, I would like to thank you for your assistance. Your organization is a definite asset to our community and the city of Wilmington."

BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

In September, Board Members welcomed Rev. Dr. James Noseworthy, Director of Annual Conference Relations and Public Police Programs of the General Board of Higher Education and Campus Ministry. He informed us of new legislation dealing with Campus Ministry both in Washington and in petitions to General Conference. He congratulated us on our innovative concept of the Inter-Campus Retreat.

The Lena McCord Summer Intern, April Jones, a senior at Wiley College in Marshall, Texas was our guest at the Peninsula-Delaware Annual Conference. As the Black College Fund Ambassador, she visited churches around the Conference and brought a positive message about Campus Ministry.

The Board selected Erik Paul Makinen to receive the \$1000 United Methodist Foundation Annual Conference Scholarship. He is a member of Whatcoat United Methodist Church in Snow Hill, Maryland. He entered North Carolina Wesleyan in Rocky Mt. North Carolina in September.

Two Peninsula-Delaware Conference Merit Scholarships for \$500 each were awarded. The first went to Lisa Moller of Woodside, Delaware, she attends Woodside United Methodist Church and will be attending Lebanon Valley College in Annville, Pennsylvania. The second went to Margaret E. Emery, of North East, Maryland who attends Wesley College in Dover, Delaware, and is a member of Newark United Methodist Church. The funds for these Merit Scholarships come from the Methodist Student Day Offering.

The Francis Asbury Award for Fostering United Methodist Ministries in Higher Education was presented by Rev. Walton Burke at the Peninsula-Delaware Annual Conference. He was Wesley Foundation Director at the University of Maryland Eastern Shore. Because of his outstanding leadership and growth in the Wesley Foundation, Rev. Burke was a deserving recipient of this honor.

The new Wesley Foundation which was started at Salisbury State University has continued to progress under the leadership of Mrs. Vera Patterson. In January 1996, it will become a conference supported program. The establishment of a Wesley Foundation at Washington College is our next goal.

The Inter-Campus Retreat was held in April at the Carousel Hotel in Ocean City, Maryland. Eighty-six students along with Campus Ministers, Chaplains and Board Members participated. The hallmark of the retreat was fellowship. They gathered as strangers and left as friends. Individuals set aside their differences and

became friends in faith. Months of planning had gone into bringing the vision of the Conference to reality. It was hard to believe that this was a first time event, but by the end of the weekend a committee was formed to work on the "Second Annual" Retreat.

Methodist Student Day, Africa University, and Student Recognition Day were promoted by articles in **The Communicator**.

The Board ended the year with a joyous spirit of new life. Recognizing that progress has been made, but that there are many exciting new challenges ahead.

1997 Mission Statement

The Board of Higher Education and Campus Ministry of the Peninsula-Delaware Annual Conference continues its historic mission of uniting knowledge and vital piety by maintaining educational institutions and a campus ministry, and through them an intellectual, spiritual, and material ministry to all persons within the academic community without respect to sex, race, creed, or national origin. Higher education is a significant part of our Wesleyan heritage, our present task, and our future responsibility. (adapted from The Book of Discipline of The United Methodist Church, 1992) We will bring this mission to reality through the following opportunities:

- a. Proclaim the Gospel to all persons for the purpose of transformation to the Christian Faith.
- b. Empower the local campus ministry units to develop the relationship with the local church through nurturing of the youth and young adults.
- c. Educate the local church as to the work of campus ministry and chaplaincy.
- d. Enable and empower campus ministers and chaplains in helping students unite faith, knowledge, and practice through scholarships, seminars and retreats.
- e. Support the commitments of the United Methodist Church to higher education; i.e., Black College Fund, Africa University, United Methodist Student Day, Black College Ambassador Program, United Methodist Colleges and Wesley Foundations.

1997 GOALS

1. Keep local churches aware of the willingness and availability of Conference Board Members, Wesley Foundation Directors, students and Chaplains to share the vision of campus ministry.
2. Evaluate the Wesley Foundation at Salisbury State University.
3. Support and promote the Black College Fund, United Methodist Student Day, Africa University and designate a Student Recognition Day.
4. Explore the possibilities for a Wesley Foundation Campus Ministry at Washington College.
5. Continue to support inter-campus relationship by sponsoring an annual inter-campus retreat.

6. To promote and provide scholarships for United Methodist Students attending United Methodist Schools.

Delaware State University

The year 1995 has been a fruitful one for us. In January we participated in the annual Martin Luther King, Jr. birthday celebration. We joined five other campuses in March for our first intercampus weekend retreat at Ocean City, Maryland. We were able to take fifteen students and four non-students from our campus. We participated with United Campus Ministries in Religious Emphasis Week on campus.

In April we co-sponsored with the Delaware State University gospel Choir a Spring gospel concert, and with the Students Against a Godless Society a revival picnic.

Our Wesley Club (a student led organization) presented a gospel concert on the evening of homecoming as an alternative to all the other attractions taking place then. The Club participates with Whatcoat (Dover) Church in a mission that feeds the hungry. We have distributed "Orientation 95" (a magazine which comes from the General Board of Higher Education) to the student body.

The director has acted as advisor to the University Chapter of N.A.A.C.P. and chaplain to the University football team.

During the Fall semester we have been sitting with the planners of the '96 Spring intercampus retreat.

Homer W. Minus
Director

1997 GOALS

1. Distribute 500 lbs food each week to the hungry in cooperation with Whatcoat (Dover) Church.
2. Make eight visits with Wesley Club members to convalescent homes.
3. Give leadership to at least eight Sunday afternoon campus worship services.
4. Cooperate with other campus ministries in at least four worship services.
5. Participate in Homecoming festivities.
6. Act as chaplain for football team.
7. Participate in Religious Emphasis Week.

Salisbury State University

The Wesley Foundation of Salisbury State University had a very successful year in 1995. Our Wesley Foundation provided a weekly Bible Study and Fellowship for students at the University. After a time of food and fellowship, we discussed topics concerning the students lives, backing the discussion with scripture. The

students of this organization looked forward to and needed this source of support while dealing with the uncertainty of college life. We are happy to report that our fellowship has increased in membership. We now have fifteen students attending.

Along with our weekly meetings, the Wesley Foundation has also been involved in several activities both on and off campus. One of our major events was a retreat that was held in March at Ocean City, Md. This was an Inter-Campus Retreat of the Peninsula-Delaware Conference. The seven students who attended the retreat felt that this was a valuable experience, and enjoyed meeting and getting to know the other Wesley Foundation members.

Correspondence, through e-mail, has allowed the students to remain in contact. In April, the fellowship attended a Religious Emphasis Week at the University of Maryland Eastern Shore. In fact, one of members participated in one of evening events. Also in April, several of our students joined our Baptist Student Ministries for a USA Live Concert held on campus. May brought forth an Inter-Campus Picnic for the religious organizations at S.S.U. This picnic played an important role in the uniting of the different Christian groups at S.S.U. To end the 1995 spring semester our students enjoyed a picnic to celebrate the graduation of one member and to bid farewell to our other campus minister Lawrence Purnell. Upon returning in the fall, the group created a bulletin board to help make other students aware of our organization. For Homecoming we participated in a banner contest held during Homecoming Week. Although we did not win, our students had fun creating it and it helped us make our presence known on campus. It was decided that our group needed study Bibles to assist them in their learning. The board approved the purchase of a NIV Study Bible for each student. The Bibles were presented as a Christmas gift at the last meeting of the semester.

The Wesley Foundation's presence at the Salisbury State University is touching lives with the Good News of Jesus Christ. I am deeply grateful to be a part of this most meaningful work. We thank God for what has been accomplished, and with joyful expectancy, look forward to the challenges and opportunities of the coming year.

Vera J. Patterson
Campus Minister

1997 GOALS

1. Provide more activities for both our group and other groups on campus (ie . concert, lecture).
2. By having students participate in local church services we will hope to create an awareness and support for our Wesley Foundation.
3. Encourage members to broaden their Christian experience outside our fellowship.
4. Expand our fellowship time to include praise through song.
5. Continue to increase membership.
6. Continue to have students participate in community outreach through volunteer programs.
7. Continue to develop a strong relationship with other Wesley Foundations through programs such as campus retreats and fellowship events.

8. Continue to build spiritual awareness by having weekly Bible studies.

University of Delaware

The Wesley Foundation Campus Ministry at the University of Delaware continues to be a vital part of the campus community. We continue in our Wesleyan heritage by our presence and our mission for The United Methodist Church. We continue to encourage the integrating of knowledge and spirituality through an intellectual, spiritual, and material ministry to all God's people. We continue to be a mission ministry of the Peninsula-Delaware Annual Conference.

Being in ministry on a campus in the late 20th century provides for interesting and challenging opportunities. The toughest challenge is the raising of funds to support our United Methodist presence at the largest academic institution within the boundaries of the Peninsula-Delaware Annual Conference. The students are interested in the presence of the church, the administration encourages the presence of the church and the church struggles to maintain its presence. The Board of Directors have prayed and worked without ceasing to raise the necessary funds to maintain a full-time Campus Pastor/Executive Director. The efforts in fund raising have been successful to an extent, however, our expenses continue to increase due to growth. The conference support has not increased for the past eight years.

There continues to be opportunities for ecumenical and interfaith experiences on campus. This year the campus pastors/ministers presented the final documents for the University Religious Leaders' Organization to the administration. They were accepted and welcomed by the President. The Religious Concerns Caucus of the President's Commission to Promote Racial and Cultural Diversity presented their evaluation of the religious climate and concerns with recommendations. The recommendations were received and acted upon by the administration. It is because of the presence of the church that spiritual life is being integrated into the whole of campus life.

Again this year Wesley Foundation and the Hillel Student Center jointly sponsored the Interfaith Celebration of Lights. Also, Wesley Foundation hosted the Universal Day of Prayer for Christian Students. These worship services were well attended by all the campus ministries on the campus.

This year Drew Cottle, one of the members of Wesley Foundation, entered Perkins Theological School. He is pursuing a Master's of Divinity and ordination in The United Methodist Church. Patty Cleveland, another active member of Wesley Foundation, served in the Christian Ministry in the National Parks program. She is now working for the main office of the Christian Ministry in the National Parks program in New York. Also, Angie Burkholder, who was an active member of Wesley Foundation, continues in the mission field in Bolivia.

As we continue our covenant with the Newark United Methodist Church, the church family has provided much support for the students of Wesley Foundation. Many of our students attend weekly worship services and have been liturgists or communion servers. A highlight each year is the one Sunday designated as University Sunday. The students look forward to the one Sunday where they provide all the worship leadership and share with the congregation what is happening in campus ministry.

We have continued in our spiritual growth as the center for our lives through retreats, worship, Bible study and Sunday Fellowship. The student lounge provides a quiet, sacred space for the students to meditate, sleep, eat and study. Holding fast to our

belief that social activities are an important part of our Christian fellowship, we have shared in parties, sport activities, movie nights, eating, tailgating, Christian rock concerts, hayride and various other activities. Committed to living our Christian discipleship, we continue our service projects in love for the community. We have cleaned our highway, served at Hope Dining Room, served at PeaceMeal, staffed our table at Alternative Christmas and collected gifts for persons living with HIV/AIDS.

The participation in all the ministry offered by the Wesley Foundation Campus Ministry has been very well attended. There is always something for everyone. The number of students continue to grow in spite of the "in and out" students. There seems to be an interconnection between all the students with a love and respect for those they are, daughters and sons of God. Two very large highlights came as we journeyed to St. Louis, MO, last December for the National Ecumenical Student Conference and then to Ocean City, MD, for the intercampus retreat in March. A result of these conferences is the Wesley email network which the students have created and continue to communicate with one another. Our homepage on the internet has received recognition across the country. Our homepage address is:

<http://triton.cms.udel.edu/~Keiner/wesley.html>.

This ministry has not been limited to the students who come through the doors of Wesley Foundation. The whole campus community is served through committees and commissions which the Campus Pastor/Executive Director participates: the President's Commission to Promote Racial and Cultural Diversity, the Commission on Sexuality, the Solutions to Sexual Violence Task

Force, Sexual Assault Awareness Week Committee, the Campus Diversity Unit, the Denominational Campus Ministries group, the University Religious Leaders' Organization, the Religious Concern Caucus, New Student Orientation Diversity Leader, Welcoming Diversity workshop leader, mentor for colleagues in campus ministry (locally and nationally), developing and leading workshops for the professional staff of Residence Life and guest lecturing in graduated classes. Pastoral care/counseling is provided to the campus community either by referrals or by individual request.

God has provided a wonderful, challenging ministry at the University of Delaware for the church. It is an exciting time to be part of the church and the academic community. There are still many doors to be opened between the spiritual community and academic community. Through God's grace and the love of the community of faith (the church), the presence of The United Methodist Church will remain on the campus of the University of Delaware. As I continue in this vital and challenging ministry as the earthen vessel of God's grace, sharing in God's love, I pray for the church to remain faithful to our call to be in ministry to **all** God's people. May we never forget **our responsibility to be the church** reaching out with the Word and stepping out on the promises.

Laura Lee C. Wilson
Executive Director/Campus Pastor

Mission Statement

The Wesley Foundation Campus Ministry at the University of Delaware, a mission carried out in and through the love and grace of Jesus the Christ, provides a program focusing on the spiritual, service, stewardship and social aspects of the Christian life. In these times of challenge, questioning and growth, this ministry, guided by the Holy Spirit, is offered to the university community. The Wesley Foundation Campus Ministry

provides a vital United Methodist presence at the University of Delaware.

1997 GOALS

1. To provide full-time pastoral leadership, opportunity for spiritual growth, as well as physical and educational nourishment for the university community.
2. To provide outreach to the de-churched at the university campus.
3. Continue the active participation in community service projects and explore opportunities for mission work experience.
4. Encourage students to consider professional ministries as vocations, and to provide training opportunities for future lay leadership within the church.
5. Continue to support students who are in the ordination or consecration process.
6. Promote with the student fellowship an awareness of social and societal issues and their relationship to the Book of Discipline.
7. Continue to develop a relationship with ethnic groups, to provide ministry to foreign students and to foster Christ-like acceptance and respect for all God's children.
8. Provide information about Wesley Foundation's ministries and program to conference churches.
9. Encourage and support the liaison ministry between the religious community and the administration at the University of Delaware.
10. Seek additional means and methods of fund raising to maintain financial stability and security.
11. Foster Board of Directors development.

Wesley College

Wesley College continues to live out its mission by providing an education leading to associate and baccalaureate degrees for its students. Wesley also offers a Master of Science Degree in Nursing. During this past year, Wesley made major decisions to enhance its programs and update learning technology available for student use. Our computing capabilities have significantly increased and Wesley has added limited access to the Internet. In support of its students, faculty, and staff, Wesley uses the financial support of the Peninsula-Delaware Conference in three areas: Chaplaincy Program, Student Financial Aid, and Direct Program Support. The Financial Aid categories include ethnic minority scholarships, pre-ministry scholarships, aid to dependents of United Methodist clergy, and nursing scholarships.

Wesley's target clientele are persons in and beyond the several hundred congregations which constitute Peninsula-Delaware Methodism who desire a college education. Our clientele range from those who are just out of high school to those who are retired and seeking enrichment in their retirement years. With the offering of a Master of Science Degree in Nursing, Wesley targets men and women who are already practicing

in the nursing field who may have a desire to pursue a graduate degree in nursing.

Our student body is inclusive, embracing adult women and men of all ages, races, religious heritages and nationalities. Though Wesley College is goal-centered, it is also person-oriented. Education is concerned with the whole person. While academic excellence is a primary objective of the College, an education is much more than the sum of all academic work. We encourage all members of the College community to discover and appreciate cultural, aesthetic, and religious realities that are vital to personal growth and development.

This year, Wesley continued to give emphatic attention to make real its resolve to bring ethnic minorities into the mainstream of the College. Twenty-five percent of the present Board of Trustees is composed of ethnic minorities. Additional progress toward an inclusive community is evidenced by the new employees we have welcomed to the Wesley College family in the past year:

The Chaplaincy Program this year has primarily given focus in three areas. They are:

- (1.) Providing opportunities for spiritual growth for the Wesley College community.
- (2.) Cooperating with the President, the Trustees, the Bishop, and the leadership of the Peninsula-Delaware Conference of the United Methodist Church, to craft and maintain a meaningful covenant relationship between the College and the Church.
- (3.) To determine those ways in which the values of the Church may be reflected in the conduct of the mission and daily life of the College. Together the Annual Conference and the College have taken on a shared ministry.

Examples of our shared ministry are evident in Wesley's Gift Sharing Program as local churches and pastors are consulting with members of the Wesley community to strengthen local church programs, or design continuing education opportunities. Another example of shared ministry is the cooperation between Camp Pecometh and Wesley College. This June, Wesley and Pecometh will sponsor together the first Computer Camp on the Wesley College campus. Discussions continue between Wesley College and the Peninsula-Delaware Conference Health and Welfare Ministries to consider providing a site for a summer training program for a Congregational Health Ministry within the bounds of the Peninsula-Delaware Conference. Ms. Jennifer Cinelli, a Junior at Wesley College, continues to serve as student intern for the 1996 Delaware Legislative Session in order to bring before the Board of Church and Society legislative updates on Bills and Hearing Schedules, while keeping legislators in Delaware familiar with the Social Principles of the United Methodist Church.

Our shared ministry is one that gathers strength and momentum as we seek new paradigms for mission and ministry, while simultaneously being faithful to the vital message of God's grace, love, and justice in a complex world. We understand that our future must be grounded in our heritage, our theological perspective, and our sense of responsibility; but most of all it must be grounded on a firm missional foundation that will carry us into the twenty-first century.

1997 GOALS

1. To continue to enhance recruitment and retention and to implement methodologies which will discover students who will value the mission of the college and bond quickly with the Wesley College experience.
2. To strengthen our gift income yield that our program-driven Campus Master Plan may be implemented in a timely manner and introduced to a wider and wider constituency of interested persons.
3. To begin the daunting process of a meticulous self-study in preparation for Wesley's next regularly scheduled on-site reaccreditation visit from the Commission on Higher Education of the Middle States Accrediting Association. It will take more than a year to prepare effectively for this critically important examination. All constituencies of the College will become engaged with the self-study process.
4. To cooperate increasingly with the Church in engaging the Church and Wesley College together in outreach to the wider community while giving steady witness to reflecting the values of the Church in the life and activities of the College.
5. To continue to craft policies and take actions which will contribute to the creation of a holistic campus environment of common purpose, caring, tolerance, inclusiveness, responsibility, and service which is the heart of our idea of community.
6. To continue giving emphatic attention to making real our resolve to bring ethnic minorities into the mainstream of the college.

BOARD OF LAITY

The Conference Board of Laity had a great year with many innovative changes to our Conference. The effectiveness of the Laity is increasing as each of our activities are completed. Examples of our increase last year include, having a Lay person give one of the main sermons at a Saturday Morning Worship Service. The Laity also hold a majority of Chairpersons on the Conference Boards, Divisions, Commissions and Committees. We continue to express true interest of Empowering the Laity together with the Clergy to promote a true partnership within the Church.

Lay Speaking Schools were held in all four Districts, for both the basic and advanced courses. Over 400 people attended the schools. At the present time we have over 700 Certified and 150 Local Lay Speakers for a total of over 850 Lay Speakers in our Conference. An informal audit show that approximately 85 percent are doing lay speaking in local churches. The Conference wide Seminar, attended by about 110 people was on "What other Conferences are doing in Lay Speaking;" "How to get Youth in Lay Speaking;" and a new program from the General Board of Discipleship, "A Caring Ministry of Hospital Visitation."

Although we had District wide Local Church Lay Leader and Pastor Training, we found that too many Pastors and long time Lay Leaders felt that they did not need "Training." A new program being developed which will be conference wide and start with a dinner on Friday evening followed with a workshop session and sleep in a Motel/Hotel in Wilmington and or Ocean City every other year. Saturday morning will be breakfast and two workshop sessions. Leadership will be by the Bishop and other Nationally known Leaders. CEU's will be offered as well as lay speaking credit.

This year we introduced a new "Reporting Guide for Lay Members of the 1995 Peninsula-Delaware Annual Conference." The purpose was to help new members through the conference, a means to interpret the mission and ministry of the church, and a help to lay members in preparing their report back to their local church.

Training of members of all 5 Boards of Laity was developed by the 7th Annual Day apart which was led by Ms. Sara Smith from the Connecticut West Conference who presented a different approach to Partnership in Ministry. When Sara Smith was a little girl, she was a terrible stutterm, but through a powerful faith experience she felt touched by God to share her faith wherever people would listen. She said that she was a simple "fisherwoman" and related how Moses life is an example for us. Moses life, training and education was in Egypt, and he was developed by 40 years in the desert, confronted with a "Burning Bush," "Empowered" by God and sent back to Egypt. We then compared our lives with Moses and to understand how God is moving in our lives.

Again the Annual Conference Lay/Clergy Banquet was held separate from the actual Conference with an attendance of about 400 people. Delaware Governor Thomas Carper was the speaker who talked to us about the joy of volunteerism which fit into our program of increasing our acceptance of local church and conference work of the church.

The Conference Board of Laity held its Annual Laity Session at the Peninsula-Delaware Annual Conference on June 9, 1995. (The minutes are printed on 260 of the 1995 Conference Journal). The new "Reporting Guide for Lay Members" was introduced. The Chairman of the Conference Nominations Committee had no nominations for the vacant position of Associate Conference Lay Leader, however, there were two nominations from the floor. Darlene Webster of Asbury UMC, Princess Anne-Mt. Vernon Charge was elected. Kay Cloud, Chairperson of the Conference Council on Finance & Administration, continued her effort to keep the Laity informed about financial concerns. She spent time in detail about Pension Funding which helped the Laity understand

financial structure within the church.

As we continue the work of lay ministries, we need to think about what we are doing, pray about all of them and then follow God's directions.

Conference Lay Leader

The Order of St. Barnabas

The Conference Board of Laity again sponsored the awards from the Order of St. Barnabas. The award is based on "Creative Stewardship" for individual people, churches and organizations for putting Christ first in their lives, not only in Target prayer, but also in Time, Treasure and Talent. A sub-committee of the Board of Laity, composed of former awardees chaired by Gene Cray made the selection and presentations. The 1995 Inductees were:

<u>Individual</u>	-	Helen Marie Truitt, Grace UMC, Millsboro
	-	Kenneth Hilton, Simpson UMC, Wilmington
	-	Doris Taylor, Zion UMC, Parsonsburg, MD
	-	Blanch Crim, Whatcoat UMC, Dover
<u>Group</u>	-	Prayer and Praise, Whatcoat UMC, Dover
<u>Honorary</u>	-	Rev. Charles "Charlie" Barton, retired
<u>Posthumously</u>	-	Dolly Brittingham, former Conference Lay Leader

All of the awardees received a pin except the group which received a plaque. Dolly's two children received her pin and her plaque will be placed in the Conference Office in Dolly's memory.

Our greatest problem is to choose the award inductees because there are so many outstanding works submitted. The interest in this program is continuing to increase.

Board of Laity 1997 Goals

1. Increase the Partnership in Ministry for the Local Church Lay Leader and Pastor through a weekend workshop. Goal is 50 churches (100 people) each year.
2. Provide the Lay Members and Reserves of the Annual Conference with training and guide books to improve the ministry between the Local Church and the Peninsula-Delaware Conference. We will develop a video for first time members to understand what is going on and how to do things at Conference.
3. Promote and train lay people in all three ministries of Lay Speaking; Caring, Leadership, and Speaking. Our goal is to have 1000 Lay Speakers in our Conference. Our Utilization Goal is 85 percent usage in the Conference.
4. Work with the District Boards of Laity, United Methodist Men, United Methodist Women, United Methodist Youth, Older Adults, and all other organized lay groups to promote the awareness of the role of the Laity to live out the mission of the United Methodist Church.

5. Develop and install a plan to help local churches increase the lay ministry to ensure that all of the Laity are truly "Ministers."
6. Work with the Conference, Districts, and Local Churches to develop leadership for the proposed organizational changes.

BOARD OF ORDAINED MINISTRY

The Board of Ordained Ministry has the primary responsibility for the enlistment and recruitment of ordained clergy. By working in consultation with the Cabinet and Division of Ordained Ministry, the Board seeks to study and interpret clergy's needs of the Annual Conference. With the reduction of the average retirement age across the nation and the reduction of the number of new candidates for ordained ministry, the work of the Board becomes more critical. A special task force is being created to study our immediate and long range needs and help create a vision for the Peninsula-Delaware Conference and its clergy leadership.

An important link in the enlistment and recruitment of persons for the ordained ministry is the prayerful selection and encouragement of persons from our local churches to consider full time Christian ministry. Every pastor and congregation has the responsibility and privilege of cultivating persons for the ordained ministry.

Another important link in this process is the work of the District Committee on Ordained Ministry. Each District Committee helps candidates clarify God's call for their lives and seeks to discern whether a person is a candidate for the ordained ministry. The work of these committees and persons who serve as Supervisory Pastors in our Conference is outstanding. The Board is also very appreciative of the work of Counseling Elders and District Superintendents as they provide supervision for each candidate in the ordination process.

One crucial factor in the enlistment and recruitment of persons for ordained ministry is the financial support we can provide candidates through our scholarship fund. In recent years the cost of theological education has risen considerably and our scholarship support for candidates has declined. The Board of Ordained Ministry believes it is imperative that our Conference seeks to find alternate ways to help our candidates financially. If we want competent and effective pastoral leadership, we must be willing to make recruitment and enlistment a high priority.

Besides working with persons moving toward ordination, the Board seeks to be supportive of all clergy and their families. A *Transition Fund* was established last year funded by voluntary gifts from clergy families to help persons during times of transition such as death, divorce, and leave of absence. We continue to affirm our clergy through the yearly recognition of five year anniversaries of ordination.

In 1995, under the leadership of Glenn Catley, our Board has begun the process of long range planning as we seek to determine our needs for effective clergy leadership.

I am very appreciative of the significant and demanding time each board member contributes. I wish to express our sincere gratitude to Michaele Russell who completed her term in office and who served our conference well as Registrar. Our conference is blessed to have such outstanding leadership. We covet your prayers for the work of our Lord.

COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History has found 1995 to be an eventful year. Our annual colloquium was well supported once again. The chair of the Commission presented a paper on Rev. William H. Carwardine, a Methodist Episcopal pastor active in the Pullman strike in 1894. The anniversary and carol services continue to be well supported. The message at the anniversary service was given by Dr. Charles Yrigoyen, General Secretary of The General Commission on Archives and History, which was extremely well received. The carol service has very strong support across all age levels.

Regrettably, I cannot report any further progress on the Delaware Conference history. I have been unable to arrange any contact with those interested in the project in Eastern Pa. I hope that we can get the ball rolling once again.

We have discovered, to our dismay, that we did not have the time frame to undertake a strategic repair effort on the Chapel that we thought we did. It turns out that two walls are buckling and that means that support for the roof is deteriorating. Instead of seven or eight years in which to do what is needed, we have only two or three. If the work is done as recommended by the engineer, the Chapel could be stabilized for the indefinite future and this would be a tremendous gift for those who follow us. As of this writing, we are discussing financing this vital endeavor with CF&A.

Barratt's Chapel is a Shrine of The United Methodist Church. The Chapel and Museum are open on Saturdays and Sundays from 1:30 p.m. to 4:30 p.m. Other times to visit the Chapel can be arranged through the curator, Lynn Hobbs (302-335-5544). The Chapel and Museum depend upon the generosity of individuals and churches for about two-thirds of its financial support. In addition, we are always seeking new materials of historical interest to add to the Museum collection. If you are interested in making a contribution, please write: Barratt's Chapel and Museum, R.D. 2, Box 25, Frederica, DE 19973. For contributions to our permanent endowment fund, contact Barratt's at 302-335-5544; or you may contact Mr. Parke Hess of the Eastern Pa.-Peninsula United Methodist Foundation at 1-800-828-9093.

Mark M. Pruett-Barnett
Chairperson

1997 GOALS

1. Operate and maintain Barratt's Chapel, Museum and Archives.
2. Celebrate the anniversary of the meeting of Thomas Coke and Francis Asbury at Barratt's, on the second Sunday of November.
3. Continue work on a Delaware Conference History in line with Strategy One of the Ethnic Church Comprehensive plan.
4. Sponsor a local church history contest and possibly a video contest using guidelines produced by the Commission.
5. Continue to expand Museum facilities and holdings.
6. Identify and train Local Church historians.
7. Expand the collection of materials and memorabilia in the Conference Archives at Barratt's Chapel Museum.

8. Continue to pursue an annual colloquium.
9. Pursue new endowment funding in connection with the Eastern Pennsylvania-Peninsula Conference United Methodist Foundation.
10. Establish and implement immediate and longer term priorities for the physical structures housing the Chapel and Museum (including the Vestry).

COMMISSION ON CHRISTIAN UNITY & INTERRELIGIOUS CONCERNS

Lehman Tomlin called together the members of this Commission early in 1995. The Commission revived and picked up a number of its previous commitments. Preparations were made for the Christian Unity Award, now called The Bishop's Award. Several nominations were received, and Dan Rich was chosen. The presentation was made at the Annual Conference session. At the same session, a resolution supporting the Covenant Communion was introduced and strongly supported, calling upon the members of the Church of Christ Uniting to take a further step with the United Methodist Church toward greater unity. Articles are appearing in the Communicator telling of local ecumenical experiences. I attended the National Workshop on Christian Unity, held in Albuquerque, NM, May of last year. We heard about major ecumenical ventures being pursued in our country.

In the current year, plans are being made to assist churches in their own communities to work with churches of other denominations in a more ecumenical fashion. The Commission will also call upon the leadership of the different denominations to review what is now occurring ecumenically in our Annual Conference area and look to what the future should hold in this commitment.

COMMISSION ON EQUITABLE COMPENSATION

The Conference Commission on Equitable Compensation is charged in the Discipline (para. 722.2) with supporting ordained ministry in the charges of the conference in the following three ways: 1) by recommending conference standards for clergy support, 2) by administering the conference's funds to be used in base compensation supplements, and 3) by providing counsel and advisory material on clergy support to district superintendents and Committees on Pastor/Staff-Parish Relations. The Commission has taking care of these essentials, and also administers funds provided in the Conference budget for two other categories of compensation supplements: 1) to ethnic minority pastors who, for missional purposes or in recognition of meritorious effectiveness, have been recommended by their district superintendent, and 2) to situations where new church development is taking place. We have also responded to a wide variety of other issues impacting the support of clergy, including travel, Social Security and annuities allowances, housing standards and allowances, book and furniture allowances, and moving.

The amount paid from the conference budget for compensation supplements, including the MPP and CPP pension payments against those grants, in 1994 was \$137,643.23, a significant increase over 1993's total of \$108,950.66. In 1995, the amount recommended by the district superintendents and approved by the Commission was much less, with totals as follows:

from General Fund	\$66,784.44
from Ethnic Minority Pastor's Fund	\$13,500.24
from New Church Development Fund	\$16,000.00
Total Grants	\$96, 284.68
Total Pensions	\$17,408.49
Total Support	\$113,693.17

As can be seen, the amount of money for grants recommended and approved varies from year to year, some years high, other years lower, yet with an overall trend toward increased support across the years.

Recommendations:

1. The Commission makes the following minimum salary recommendations for 1997:

Full-Time Elder	\$21,400
Full-Time Probationary Member	\$19,500
Full-Time Associate Member	\$19,500
Full-Time Local Pastor	\$18,100
Student Pastor (Local/Probationary Member)	\$15,300

The minimum salary for Student Pastors will be \$15,300 for 1997, unless some smaller figure is agreed upon by the district superintendent, student, and charge as being appropriate for the work to be performed. Service increments will be \$130.00 per year up to a maximum of fifteen (15) years of service.

(Note: These recommended salary represent an average increase of 3.5 percent over 1996. 1996's increase was 3.5 percent; 1995's was 2.3 percent).

2. The Commission recommends that the reimbursement for travel expenses during 1997 be at the rate set by the Internal Revenue Service for that year. (The rate for 1996 is thirty-one cents (\$.31) per mile. In addition, the Commission recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

COMMISSION ON RELIGION AND RACE

The intent of a KKK rally, a man with a shotgun through windows while people are attempting to enjoy a Sunday meal, a person entrusted to protect who contrives a racially based lie in order to cover-up the truth, the local television station which constantly has as its lead story persons of color portrayed negatively, the stories about police substations which are consistently located in neighborhoods of color, the teenager who desecrates a church or persons of faith who "lay down their religion" (Christianity) to protect institutional/personal racist practices is to intimidate and terrorize through some twisted sense of power. Albert Hourani explains

"to be in someone else's power...induces doubts...while those who have power can assume it is part of the natural order of things and invent or adopt ideas which justify their possession of it".

These words may offer some insight as to why the racist bigot or practitioner of racism do what they do. However, everyone must be aware that the spoils of racism are persons who hurt. Causalities are everywhere including the practitioner. As much as we try to discourage and fortify people against it, racist activities occur. The Church must challenge all its people to "practice what it preaches" (...we affirm all persons as equally valuable in the sight of God. We work toward societies in which each person's value is recognized, maintained and strengthened). Social Community Par. 72: Social Principles. We must not allow the evil and sin of racism to continue.

Studs Terkel (in his book *Race*) used this phrase "the American Obsession" to describe the feeling of what Black and Whites think and feel about race in America. The "American Obsession" (according to Mr. Terkel) must not be tolerated within the boundaries of the Peninsula-Delaware Conference. Thus, we are mandated by God to become involved in "*struggles for human dignity and social reform*" as our response to God's demand. Furthermore, "*it is our conviction that the good news of the kingdom must judge, redeem and reform the sinful social structures of our time*"

(General Rules and Social Principles)

The commission seeks to encourage unfeigned loyalty to this endeavor. As always, we seek your support, commitment and involvement in order to destroy this evil.

95 Commission Activities

-The commission dialogued with St. Mark's United Methodist Church about racism and laying foundations in which the district can begin to deal with issues related to racial bigotry.

-We received comments and or copies of the Racial Inclusiveness Reports.

-The Christian Council Task Force 1994 (which included 12 things a congregation can do to address institutional racism and Suggestions for beginning the task of dealing with individual racism) was included in the MLK, Jr. Symposium packet.

-We participated in the "A Program to emphasize Inclusiveness in All Dimensions of the Church". This task force was created in response to the 1992 General Conference Resolution to be intentional and inclusive in all dimensions of the Church.

Martin Luther King, Jr. Symposium:

Martin Luther King Jr. Symposium was held February 10, 1996 at the First Baptist Church (Chapel of Wesley College) in Dover, Delaware. Our theme was One Body in Christ: Our Multi-cultural Heritage. Our intent was to showcase the richness of our cultural diversity. Representatives from almost all of the five cultural heritages which comprise the Peninsula-Delaware Conference shared their native traditions. For example: we sang Afrikan songs, danced with Native Americans and read the Afrikan Global Creed. The Rev. Dr. Alfred Johnson (Eastern Pennsylvania District Superintendent--Hooiser District) was our speaker. Brother Rene Knight also shared with us the Dominican experience in America. We closed celebration with The Eucharist.

1997 GOALS

The Commission on Religion and Race works toward quelling activities and participation in behavior which are both unequivocally and surreptitiously racist. Thus the commission will:

-Work with local church religion and race chairpersons by distributing materials which will assist local churches in identifying racism.

-Monitor conference activities as well as the agencies and institutions associated with the Peninsula-Delaware Conference. Our concern is about atmosphere and working conditions opposed to numbers and positions.

-Identify and address both institutional and personal racist practices.

-Encourage the bishop and cabinet (as well as laity and clergy) to denounce racist behavior (when it occurs) publicly, using paragraph 72 Part 111 of the Social Principles (Book of Discipline) of the United Methodist Church.

-Monitor the presiding of the annual conference.

COMMISSION ON THE STATUS AND ROLE OF WOMEN

COSROW is still in the process of enlisting more local church representation. Letters were sent to all local church pastors in the Peninsula-Delaware Conference requesting representation. Only a handful of pastors answered this request. Consequently COSROW continues to be active in this area.

Mailings of the COSROW periodical THE FLYER continues to be sent. This periodical can also be sent to those who request it.

In the area of support for clergywomen COSROW was able to help a clergywoman attend a seminar she needed to attend.

COSROW continues to have resources available for those who want to be more aware of COSROW's role in the local church. Members of COSROW Conference Commission are proficient in the area of sexual misconduct and are available for meetings, etc.

COSROW is continuing to focus on faithful advocacy for the uplift of women in the United Methodist Church.

Ellene Bradshaw
Chairperson

1997 GOALS

1. To continue to make COSROW more visible.
2. To advocate support for clergywomen.
3. To present an Annual Conference display.
4. To be available as resource persons to those who request training on, possibly, inclusiveness, sensitivity, or other aspects under which COSROW has expertise.

(F) Upper Room, Prayer Link Ministry

The 1995 Retreat at Camp Pecometh was another very high spirited weekend. Congratulations are in order for Rev. Bill Ross and the men of John Wesley and Mount Hope Charge for having the largest group of men in attendance at the retreat (12).

This year's 1996 Retreat promises to be even more exciting than last year. This year's retreat is a continuation of A Man Sent From God, part 4. Our theme is Men Working Out The Promise. There will, also, be a representative from Promise Keepers at the retreat.

The United Methodist Men are committed to making a difference in the United Methodist Church as well as the lives of men and their families.

UNITED METHODIST WOMEN

Purpose: The organized unit of United Methodist Women shall be a community of women whose PURPOSE is to know God and to experience freedom as whole persons through Jesus Christ; to develop a creative, supportive fellowship, and to expand concepts of mission through participating in the global ministries of the Church.

The United Methodist Women of Peninsula Delaware Conference answered God's call to action through carrying out their mission to women, youth and children by giving of their pledges, distributing 300 dolls to children in crisis and giving of their time in serving the Lord.

Fifty-five women attended the Spiritual Life Retreat at Drayton Manor and were inspired by Rev. Lawrence Livingston in studying "Praying Through the Gospel of Luke".

"Women Changing Faces in/of the World" was the theme of the spring meeting in Cambridge. A panel of four women with moderator, Rev. Mary Ann Farnell, discussed their vocations in a male-dominated workplace.

Sixty-five younger women met at the Modern Maturity Center in Dover for an all day retreat in June. Rev. Sherrol James led discussions on "Forming Relationships".

Regional and conference School of Christian Mission was held at Salisbury State University. The study of Ecclesiastes came alive, religions of Europe were studied and the history of the past 50 years of the United Nations was revealed.

Our conference was represented by Louise Hess, Jacqueline Jones and Nancy Leathrum at the National Seminar in August at Scarritt Bennett in Nashville. Poverty was studied for a week and we were challenged to think globally and yet act locally. We pledged to stand for social justice, train others and work to improve the lives of children and women everywhere.

By invitation, the President attended Women's Division annual meeting in Stamford, CT. We were awarded certificates for having the largest increase in membership, for making the 1994 pledge and given a gift in mission by the Finance Committee of the Division.

The annual meeting in Bridgeville highlighted the U.N. with a mission fair. Nancy Leathrum, Geraldine Jones and Louise Hess were elected nominees to run for Director at the Northeast Jurisdiction meeting in May, 1996 in Hartford, CT.

Plans have been carried out to expand and re-vitalize the organization by changing the structure in order to keep us alive and growing. We look forward to being informed and finding opportunities for enrichment in the new decade. Our hearts are full of grace so may we try new concepts of mission-to love one another and go forth in action.

Louise Hess
President

1997 GOALS

1. Increase membership by 12 percent through personal visits of all units.
2. Increase awareness of School of Christian Mission through contact with clergy, laity and other denominations.
3. Broaden our involvement in global mission by collecting school and medical supplies for the Hamilton's to take to Liberia.
4. Develop a cassette ministry of spiritual support to share.
5. Support all District teams to attain 100 percent reporting.

C. MEMOIRS

CLERGY

James Melvin Kay

Rev. James Melvin Kay was born the son of a miller, Charles Melvin Kay, and his wife, Elnora (Ewing) Kay, on October 1, 1902 in Maryland Line, MD. He had an older brother, Sherwood, and would later be joined by younger brother Harry and a sister, Leona. He spent his first years at Heathcote Mill in Maryland Line while his father learned his trade. When Melvin was eight years old, his father purchased Comet Mill in Finksburg, MD (later to be re-named, "Kay's Mill"). It was on this property that Melvin was reared, began his married life, returned to again and again throughout his years of ministry and eventually retired on.

As Melvin grew up, he had three great loves that were to stay with him throughout his entire life; that of God, music and mills. It was his love of God that was to later determine his choice of career.

Melvin obtained his elementary school education in Finksburg, MD and then went on to Westminster High School, graduating in 1920. With a severe shortage of teachers at the time and with no formal training, he taught elementary school in Finksburg, MD for one year. Looking back on his life, Melvin always referred to this as the worst year he had ever experienced. With savings from this job and help from his parents, he enrolled in Western Maryland College in Westminster, MD and began his Freshman year as an English major in the Fall of 1921. Upon completion of that first year, he took a four year absence to save money, gain a bit of independence and to give thought to his goals in life. During this time, he worked as a carpenter for his brother-in-law in Baltimore, MD and for the Davey Tree Company, cutting down trees. It was through this time period that he became quite certain that his love of God would determine his future.

In the Fall of 1926, Melvin resumed his college education, graduating in June, 1929 from Western Maryland College with a B.S. in English. He immediately enrolled into the Westminster Theological Seminary in Westminster, MD. His courses included Biblical Hebrew, New Testament Greek and the usual courses in Homiletics, Ethics, Theology, Biblical Interpretation and one no longer taught, Apologetic. He completed ninety-eight units of course work from 1929 to 1932 and was awarded the Bachelor of Sacred Theology degree in 1932. In 1971, these degrees were updated and his degree was converted to that of Master of Divinity on October 28, 1971. He was ordained Deacon in 1932. No date was ever recorded for ordination as an Elder.

June 18, 1930 had always remained one of the greatest highlights in Melvin's life. This was the day that he stood before family and friends and sang, "I Love You Truly" to his new bride, Philena (Fenby) Kay. Living in the same area, they had been childhood friends. They both attended the same church (Finksburg United Methodist Church - Melvin remained a lifetime member) as well as the same high school and college. After a five-year courtship, they married at her parent's home in Finksburg, MD. They went on to have four sons: James Fenby Kay (Chestertown, MD), Charles Melvin Kay (Cheraw, SC), Robert Ewing Kay (New Hope, PA), and Edwin Tracey Kay (Deceased).

Though Melvin attended the Finksburg Methodist Church since the age of eight, he had the opportunity to visit other churches as well. He found several of the ministers to be very inspiring. His mother, Elnora, was a deeply religious woman and influenced him greatly as the kind of person who lives their life through the love

of God. Up to his last days, Melvin always reflected fondly upon his mother. It was Elnora who also influenced him musically. Melvin went on to play quite an array of musical instruments and even took this talent to the pulpit. He felt that it gave his services a bit of variety and made them more interesting. Even at the age of ninety-two, Melvin continued to carry his autoharp to church on Sundays. He would play and sing as collection was taken. Many a tear fell watching him sing, "Going Home". Though he couldn't hear the sermon in his later day (he and his hearing aids never quite got along), he still felt the need to be in church each Sunday, to be part of the spiritual love found there.

As a member of the Peninsula-Delaware Conference, Melvin was assigned nine different locations throughout his career as a Methodist Reverend, all on the eastern shore of Maryland. They were as follows: Kent Island (1931), Calaremont (1932-1933), Greenwood (1934-1936), St. James (1937-1945), Concord (1946-1950), Fairmont (1951-1955), Mardela (1956-1957), Crapo (1958-1963), and Allen (1964-1967). He retired in 1968, moving back to the mill property in Finksburg, MD, in a little house with seven acres that he and Philena purchased from his father. Melvin enjoyed a twenty-seven year retirement.

Melvin continued to enjoy his passion of music. He built a small room on a hillside in his woods that he named, "The Upper Room". It was here that he kept a stash of instruments and here that he went for solitude. He also took great interest in exploring local mills and mill ruins, and learning of their history. Throughout his life, he always maintained a vegetable garden and was especially proud of the kale. He worked in his shop, building models of mills and became a local celebrity, being featured in several newspapers.

Throughout his retirement, Melvin continued ministry services, officiating over many wedding ceremonies and being there to counsel those in need.

In March, 1993, Melvin lost his dear wife of almost sixty-three years. He continued to stay in his home for the next two years. On March 11, 1995, Rev. James Melvin Kay, in a state of confusion, wandered out of his house, fell face-down into his stream and drowned. The funeral took place March 14, 1995 in Westminster, MD. It was officiated by Rev. James F.W. Talley, of the Finksburg United Methodist Church. Interment was in the church cemetery, where Melvin was laid to rest next to his wife and near his family.

To his final days, Melvin always marveled at the wonders of nature, the creations of God. He truly believed that each blade of grass was a gift from God and he lead his life accordingly.

Paul Thomas

Paul Thomas was born in Niles, Ohio, on February 17, 1907, to Homer Thomas and Margaret (Hutchings) Thomas. He attended Niles Public Schools, graduating from McKinley High School in 1925. Later he attended Boston University, earning his Bachelor of Arts degree, and then the Bachelor of Divinity degree from the B.U. School of Theology in 1935.

Growing up in a deeply religious family, Paul participated in all possible activities of the Niles Methodist Episcopal Church. Nurtured by that church family, he became a member at age twelve (1919). As a youth, he was active in junior league and attended yearly youth conferences at Lakeside, Ohio. His faith grew steadily, and as he matured, he knew that he wanted to serve the Lord in some way. His stepmother encouraged him to attend Boston University, her alma mater. There he met Marjorie Reynolds from South Hadley Falls, Mass., a religious education major at B.U. They married on June 15th, 1932. Marjorie proved a great helpmate in Paul's ministry.

In 1935 Paul was ordained into the Methodist Church by Troy Conference in upper New York State. His first appointment was to Elizabethtown and Chazy, NY. Subsequent appointments were Chaplain, Rouses' Point, Valley Falls, Glens Falls, Hartford/Argyle. In 1949 he was called to East Greenbush to build up the membership of the church in a growing community. Through visitation, program, and a caring ministry, he helped the church to grow. Within ten years it was necessary to build a new church. In 1959 he was moved to Round Lake, NY. Soon he was called by the Peninsula Conference to Aldersgate United Methodist Church in Wilmington, Delaware, to serve as Associate Minister of Visitation with Rev. Jim Hughes, the senior pastor. There he visited potential members, acquainting them with the church, its program and its caring people. As a result, many people were attracted to this church and joined it. At his retirement and 40th wedding anniversary in 1972, Aldersgate honored him with a testimonial banquet.

Then Paul and Marjorie moved to Boca Raton, Florida. The First Methodist Church there immediately recognized his talent and offered him a part-time position as Associate Minister of Visitation. He served for twelve more years, greatly increasing the membership there.

On September 19, 1995, Paul died of complications of acute chronic bronchitis at the Medical Center of St. Andrew's Estates in Boca Raton. His funeral service was held on September 22 at the First United Methodist Church, the Rev. Kenneth Roughton officiating. The burial was at Boca Raton Cemetery. He is survived by three children: Barbara Jean (Mrs. Robert Hurley, 403 Berger Ave., Oakhurst, NJ; Beverly Carol (Mrs. Paul Froman,) 15285 Georgetown St., N.E., Minerva, OH; and Bruce Reynolds Thomas, 2350 N.E. 14th St., Pompano Beach, FL; and by one sister, Margaret Thomas Hammaros, 211 Russell Ave., Gaithersburg, MD. He was preceded in death by his wife in 1987 and by his grandson, Thomas R. Hurley in 1995.

Paul had a natural gift of showing love compassion for all people in need. One church member said, "When I'm sick or in trouble, I want Rev. Thomas." through his gentle, kind and caring ways, he represented his church and drew people to it. As he often said, "The Church has been my life, and I have been blessed throughout my ministry."

Chester E. Wilcox

Chester Edward Wilcox, 89, of Wabasso, Florida, died September 25, 1995, following a brief illness.

Chester was a loving and devoted husband and father, a caring minister, a good friend, and a true individualist.

He was born on the seventh day of the seventh month of the seventh year of this century in New Haven, Connecticut, to Mary Jane (Coe) Wilcox and Albert E. Wilcox, a New Haven fireman. He grew up in New Haven and attended Yale University on a full scholarship. There he earned a Bachelor of Arts in the Classics and became a member of Phi Beta Kappa. In 1937 he graduated from Yale Divinity School with a Bachelor of Divinity degree. In 1948 he earned a Master of Arts degree in the Classics from the University of Nebraska. He was also, throughout his life, a brilliant and accomplished amateur pianist and composer.

Chester was, with his family, a lifelong devoted member of the Methodist Church, so it was only natural after college that he became a Methodist minister. His first church assignment was Grace Methodist Church in Wabasso station, seemingly in the middle of orange groves and not much else, and not knowing anyone or even where to go. That soon changed. In fact, it was in Wabasso that he met his wife-to-be, Blanche Carter, the daughter of R.D. and Lillian Carter; where he married, and where his first child was born.

Chester devoted his life to the Methodist rural ministry. This was a seemingly unusual combination with his classical interest and background, but which worked extremely well as he applied his knowledgeable and perceptive insights into the Bible to the preaching of God's word.

His ministry took him and his family to many interesting places around the country, but retirement in the early 1970's brought Chester and Blanche back to the farm in Wabasso, which had been homesteaded by Blanche's parents when she was a very small child.

Chester was predeceased by his wife. Surviving are a son, Chester E. Wilcox, Jr., of Cocoa, Florida, a daughter, Frances Wilcox Muir of Coral Springs, and four grandchildren; Elizabeth Wilcox of Cocoa, John Muir of Cooper City, Thomas Muir of North Lauderdale, and Jillian Muir of Boca Raton.

Chester was interred in Crestlawn Cemetery, Vero Beach, Florida, on September 27, 1995.

SPOUSES

Mary Emily Waller Calloway Brown

Mary Emily Waller Calloway Brown was born at 625 South Division Street in Salisbury, Maryland on January 3, 1918. She lived there throughout her childhood and most of her adult life. No matter where she lived, this was always "home". Mary was one of four children born to Sherman Gardner Waller and Nettie May (Waller) Waller. She had one brother, Irvin Waller and two sisters, Marie (Waller) Bozman and Elizabeth "Peba" (Waller) Reichard.

Mary went through the Salisbury school system and graduated from Wicomico High School. Shortly after school on August 20, 1934, she married C. Edward Calloway. They were blessed with one child, Patricia (Calloway) Sharpe, Inverness, Florida. They were married 39 years before his death in February 1973.

Mary was employed by DuPont during the war and later worked for Benjamin's in Salisbury for years. She retired as a bookkeeper from First National Bank of Maryland. She was a former senior regent for the Eastern Star, a member of Happy Timers, Rivertown Homemakers, Tri-County Progress Club and AARP.

Following the death of her first husband she re-newed her acquaintance with the Rev. Claude C. Brown who had also lost his spouse, Hester (Collins) Brown. Love bloomed and they were married on July 4, 1974. This was a very happy and loving marriage.

Mary now found herself the mother of not just one child, (who was by now an adult) but six children. There were two sons, Carroll Lee Brown, Laurel, Delaware and David Brown, Frenchtown, Maryland and three more daughters, Lois Rogers, Salisbury, Maryland, Barbara Ardowski, Escondido, California and Judy Bozman, Frenchtown, Maryland. She was truly blessed with also having 13 grandchildren and one great-grandchild to love. This she really enjoyed.

Growing up, Mary had been an active member at St. Andrews United Methodist Church and as an adult she was a member of Bethesda United Methodist Church, both in Salisbury, Maryland. As a ministers' wife Mary was challenged in serving the Lord in a way she never expected but found it to be another wonderful blessing from God.

Mary and Claude had a happy and loving marriage. They enjoyed serving the Lord together at Blades, Delaware and Sharptown, Maryland where they made many friends. Claude then went into active retirement. He was visitation minister at Grace United Methodist Church in Salisbury, Maryland and was one of the chaplains at Nanticoke Memorial Hospital in Seaford, Delaware.

Upon the sudden death of Claude in October, 1982 Mary spent her time divided between her home in Salisbury, Maryland and in Arcadia, Severing and Eustis, Florida. She was a member of First United Methodist Church, Eustis. In August, 1995 Mary had a stroke and was rushed to Florida Hospital Waterman in Eustis. After numerous tests the doctors determined that she had cancer. Mary spent a month in the hospital getting treatments. After being discharged she went to the home of her daughter and son-in-law in Inverness, Florida. It was there with the help and care of Hospice that Mary went to be with the Lord on November 10, 1995. A memorial service was held at Bethesda United Methodist Church, where Rev. George Godfrey officiated. Burial was in Parsons

Cemetery, Salisbury, Maryland.

Mary was a very happy out-going person. She loved people. She liked to try and do new and exciting things. She loved to travel and see new places. Just say "Let's go" and Mary was ready.

She loved flowers and she always had a beautiful garden. She also found she had a talent for painting. Mary was truly a child of God. She loved life. She was blessed, and thanked God for it all.

When she passed away she had six children, 13 grandchildren, 15 great-grandchildren, a sister and brother-in-law, several nieces and nephews and many, many friends. What a blessing. What a blessing Mary was to us. She will be missed by all.

Alberta Kirwan

Alberta Kirwan was born July 15, 1907, the ninth child of a family of ten, to Sampson Edward and Alice Minerva Truitt of Willards, Maryland.

She attended public school in Wicomico County.

On her eighteenth birthday she married Rev. Ray W. Kirwan, after a short courtship.

She and her husband served several charges on the Dover and Easton Districts of the Wilmington and Peninsula Conferences of the United Methodist Church.

After her husband's retirement in 1972, they made their home in Lynch's Heights, near Milford, Delaware. She went to live with her daughter, Dorothy K. Bush, in Easton, Maryland, after her husband's death. Here she played a significant part in her great-granddaughter, Kimberly Henry's life.

She was a member of St. Mark's United Methodist Church in her retirement.

She is survived by a daughter, Dorothy K. Bush, Easton, Maryland; her son Major General Robert L. Kirwan, U.S. Army, retired of Fairfax, Virginia; a sister Ella Hall of Willards, Maryland; a brother Rev. F.H. Truitt of Sharptown, Maryland; two granddaughters Ingrid Stankiewicz of Utah and Nancy B. Henry of Trappe, Maryland; a great-grandson Matthew B. Kirwan of Salina's, California; and a great-granddaughter Dorothy Kimberly Henry of Trappe, Maryland.

Alberta at age 88 left the church militant on February 11, 1996 and joined the church triumphant. A Memorial Service was held on February 14, 1996 at Fellows, Helffenbein and Newnam Funeral Home, Easton, Maryland. Burial was in Spring Hill Cemetery, Easton, Maryland.

Through many dangers, toils and snares I have already come. 'Tis grace hath brought me safe thus far and grace will lead me home.

We say goodbye to a life well lived in the service of the Master.

The Family

Emily Zimmerman O'Dell

Emily O'Dell, "Zimmie" to almost everyone, died Friday, April 26, 1996 from complications of a heart attack. She was the widow of Rev. Jake Chapman O'Dell who died in October 1990. Stricken at home that morning she was taken to Union Hospital in Elkton, Maryland where her daughter works and later transferred to Christiana Hospital in Delaware where she died that evening. As in life, she gave in death with the donation of her organs to a middle aged special education teacher and mother of two. Zimmie was 70 years young and a resident of Middletown, Delaware.

Born on January 7, 1926 in Lewellyn, Pennsylvania, Emily was the first of two daughters born to Albert and Emma Zimmerman. Her sister, Arlene Kimberling resides in Harrisburg, Pennsylvania.

Zimmie was a registered nurse for 47 years before retiring from the Kent Convalescent Home in Smyrna, Delaware in 1993. Mostly working in geriatrics in her later career, some of the homes included the Methodist Manor House in Seaford, Delaware and Cokesbury Village in Hockessin, Delaware.

Emily met Jake when she was required to return to Pennsylvania after taking her first nursing in California, due to her father's death. Jake officiated at the service.

Shortly thereafter in August of 1949 they were married and Zimmie became a preacher's wife. She had four P.K.'s, Susan O. Stewart an art teacher in Reisterstown, Maryland; Andrew C. O'Dell, who resides and works for the town of Middletown, Delaware; Carolyn O. Wetherhold of Northeast, Maryland who followed her mother into nursing, and Emily A. O'Dell of Elkton, Maryland who works in manufacturing, and five grandchildren to whom she devoted a great deal of her time too.

Jake was the son of a methodist minister and the brother of one as well. Zimmie and Jake lived and worked together in the Methodist church throughout Delaware, Maryland, and West Virginia. Upon Jake's retirement in 1988 they moved to Middletown, a short distance from their last charge of Townsend. For the last eight years Emily was extremely active in Immanuel United Methodist Church in Townsend. She served on the church's Pastor Parish Relations Committee and Administrative Board, was active in the United Methodist Women and the Ill M's, service group. Zimmie served as a lay delegate to the Annual Peninsula-Delaware United Methodist Conference, served on the board of the Conference's Credit Union, and represented her church in the Southern New Castle County Parish. She was also active in the M.O.T. Senior Center. Prior to her death she was in charge of the annual Mother's Day service at the church. This year's service was dedicated to her.

Emily was buried beside her beloved Jake in the Townsend Cemetery after a service at the Immanuel United Methodist Church in Townsend, Delaware. As Jake said to her upon his death, she will "walk humbly with thy God."

ADDENDUM
BOARD OF PENSIONS

1995 was a good year for the Board of Pensions. Ideas and plans put into effect in 1994 made 1995 a smooth and easy year, allowing this report to be short and to the point.

Due to good planning, and an exciting year in the market place, the Investment Committee realized a marked increase in our portfolio value. This increase, coupled with our new method of analyzing the unfunded liability, has given us reason to be very optimistic about future projections. We are on track to be able to pay off the unfunded liability in the year 2006.

Unfortunately, our medical plan experience didn't fair as well. Blue Cross and Blue Shield has increased our rates 11% for 1996/97. However, this was expected. Our past good claims experience has allowed us to keep the health insurance premium billings, to the churches, level for the past four years. On the recommendation of the Benefits Committee, the Board has limited the increase in premium billings to just two percent. Several preventative medicine provisions were added to the program last July 1.

This is my last report to the Annual Conference. It has been my pleasure to serve you. Having this opportunity to work with so many dedicated Christians has taught me much. I wish to thank the board members and the staff for their expert guidance and their love and understanding.

Pension Recommendation:

The Peninsula-Delaware Conference Board of Pensions recommends:

1. The Past Service Rate for 1997 be set at \$328 per year of approved service.
2. Up to 100% of the pension and disability payments received by a retired pastor or pastor on disability be designated as the permitted housing allowance for 1997. (I.R.S. restricts this allowance to the pastor. The surviving spouse does not qualify.) (The full text of this resolution may be found in the 1995 Conference Journal on pages 375-276. This full text will be printed in the 1996 Conference Journal.)

Reminders:

1. Ministers appointed to the Peninsula-Delaware Conference for the first time, must make arrangements with the Conference Business Office for enrollment in the medical, dental, life and pension programs.
 - A. Ministers leaving appointment in the Peninsula-Delaware Conference, must make arrangements with the Conference Business Office to be properly transferred from the benefit programs.
 - B. Ministers having changes in their family status, such as marriages, divorces, newborn children, death, etc., must notify the Conference Business Office within thirty days of these events.
2. Each pastor is responsible to keep the Conference Business office and the General Board of Pensions apprised of any changes to their designated beneficiary.
3. Local churches are reminded that they are responsible for the full cost of the dependent portion of the health and dental program for their clergy family.
4. You can help contribute to the continued success of our medical program by becoming familiar with and using the preventative medicine provisions of your program. You should also be receiving a publication called "Taking Care". Please take the time to read it. It will benefit you and your medical program.
