Clergy Executive Session

ZOOM Webinar

The Clergy Session of the Peninsula-Delaware Annual Conference ZOOM Webinar opened with worship videos. Bishop LaTrelle Easterling greeted the Clergy and called the session to order by striking the gavel at 9:27 AM. LaWann Moses of the Tech Team provided a brief orientation and walked the Clergy through the process of voting followed by a practice vote. Bishop Easterling called on Rev. Tom Pasmore, Board of Ordained Ministry Registrar, who presented the Organizational Motion. A motion was made by Rev. Joseph Barth to amend the motion to include the following line: “Electronic voting procedure: anytime the presider opens the floor during an electronic meeting whether for questions, discussions, motions, and/or amendments that she shall wait at least 2.5 minutes before putting the question, motion, report, or amendment to a vote.” The amendment was accepted, and the amended motion was adopted. Rev. Tom Pasmore presented the Clergy Session Report.

The Clergy Session took a break from its business at 1:33PM for lunch and to allow the Laity Session to convene. The Clergy Session reconvened at 4:00PM and after finishing its business, concluded with a pre-recorded video of Rev. Vicki Gordy-Stith and Rev. Bo Gordy-Stith singing “Peace Maker”.

Laity Session
ZOOM Webinar

Gathering: The Peninsula-Delaware Annual Conference Laity Session was called to order at approximately 1:45PM by Carlene Phoenix, Conference Lay Leader. Carlene introduced Bishop LaTrelle Easterling who led the opening prayer. Karen Stigars Jones, Co-District Lay Leader of the Delaware District, read Hebrews 12:1-3. Karen then introduced the opening hymn, “Guide Me, O Thou Great Jehovah” which was led by the choir from Avenue United Methodist Church of Milford, Delaware. Following the hymn, Carlene invited people to check the Report from the Committee on Clergy and Lay Leadership found in the pre-conference materials.

Tray Day: Tiffany Rucker and Carl Samans, Adult Advisors for the Conference Council on Youth Ministries (CCYM), introduced “Tray Day.” They shared that traditionally, when Annual Conference meets in-person, CCYM members provide tray services for a donation during one of the meals served in the dining commons. The donation helps to provide an education award for CCYM seniors who apply through the Conference Board of Higher Education and Campus Ministry. Since Annual Conference was being held virtually, they requested donations and provided a link to the website. Past recipients Bethany Pasmore, Courtney Parker, and Natalie Reitzes shared about the impact the education award had on their education opportunities. Jordan Good, a current student CCYM member, offered thanks for the donations.

Native American Ministries: Raggatha Rain Calentine presented a Native American story about reconciliation. She shared that wrongs against Native peoples must be made right for reconciliation to occur. If some continue to prosper from wrongs that were

committed generations ago, they are just as guilty as those who have done the wrong. The wrongs that have been committed cannot be forgotten. The stories must continue to be told so that what has happened will never happen again and so that healing and reconciliation might continue to take place. The message to the Laity is to not shut Native peoples down from sharing their stories, seeking reconciliation and justice but continue to support the sharing of their stories for this important healing work.

Celebration of the 2022 Certified Lay Minister Graduates: Roslyn Harris recognized the 2022 Certified Lay Minister Graduates:

Harry Bratton
Jennifer Cristy
Sandra Gibson-Sutton
Margaret Perry
Pamela Tull-Baynum
Kevin Vane

Following the presentation, the Avenue United Methodist Church Handbell Choir shared a musical selection.

Laity Session Guest Speaker: Phyllis Hardy introduced Rev. Rob Townsend as the guest speaker. The Moore's Chapel Praise Band presented the worship selection "My Jesus." Rev. Townsend read Hebrews 12:1-3 and gave a powerful message about perseverance in our Christian faith. He challenged us to think about the Laity who have gone before us and had such a profound impact on our lives. They are there cheering us on toward the finish line. He shared, however, that if we are going to run the long race of faith, it can be like a marathon. There is serious preparation work to be done. We must build up our endurance through healthy spiritual practices. We must let go of the weight and other burdens that hold us back. Sin can entangle and impede us from faithful progress. Rev. Townsend said, "Not only does there have to be preparation but also participation." We must have faith and trust that we have the Spirit who raised Christ from the dead to begin and run the race. He said that we can prepare and begin the race, but we must also persevere through all difficulties and hardships. Rev. Townsend challenged the Laity to help lift the burdens that might be holding their churches back. There are things we're fighting over now that may cause our churches harm. We have been given different personalities and interpretations of scripture. God guided the early church through many conflicts and will see us through our divisions. Though we may be like M&Ms and have different outside shells, representing different faith expressions, we have the same interior. We all have the same Jesus inside us. Rev. Townsend's prayer is that we would be able to navigate these difficult waters around us with the love and grace of Jesus Christ. He then prayed for the church and Laity.

Closing Worship: The closing hymn, "Here I Am, Lord" was sung. Yvonne Jackson, Associate Conference Lay Leader, thanked the Laity for their participation and the sign language interpreter, Carol Stephens. She then provided the Sending Forth. The Laity Session concluded at approximately 3:05 PM.

**The 238th Session of the Peninsula-Delaware Annual Conference
ZOOM Webinar**

The two hundred thirty-eighth session of the Peninsula-Delaware Annual Conference opened with a virtual worship video. Following worship, Bishop LaTrelle Easterling welcomed the Annual Conference, and called the Conference to order at 9:30 AM by "striking" the gavel with 216 Clergy and 190 Laity delegates participating on the webinar. She then reminded us of the importance of our continued work of repentance, reconciliation, and healing with our indigenous brothers and sisters. In that spirit she introduced Rev. Shane Moran from the Commission on Native American Ministries to bring a welcome and blessing.

Bishop Easterling introduced the “virtual” table which included Rev. Jacqueline Ford, Director of Connectional Ministries; Rev. Eric Warner, Conference Secretary Elect; Rev. Ken Humbert, Parliamentarian; Rev. Erica Robinson-Johnson, Chief Administrative Officer; Rev. Gary Priddy, Moderator; Carol Stephens, ASL interpreter; Rev. Chris Pennington, Tech Support and Host Pastor. Bishop Easterling then introduced LaWann Moses of the Tech Team who provided a tutorial for the virtual proceedings and voting process.

Election of Annual Conference Secretary: Rev. Jacqueline Ford, Director of Connectional Ministries, presented the following motion: “Whereas, in accordance with paragraph 603.7 of the Book of Discipline, in the case of a vacancy, secretary and statistician in the interim of the sessions the Bishop after consultation with the District Superintendents, shall appoint a person to act until the next session of the Annual Conference. Now, therefore, be it resolved, that Rev. Eric Warner is hereby elected to the position of Conference Secretary of the Peninsula-Delaware Annual Conference beginning July 1st for the remainder of the quadrennium.” He was elected.

Adoption of Organizational and Procedural Motion and Consent Calendar: Rev. Eric Warner, Conference Secretary, moved the adoption of Resolution R 1 “The 2021 Organizational and Procedural Motion”, and Resolution R 2 the Consent Calendar, which were in the pre-conference materials. Rev. Joseph Barth made a motion to amend the Organizing Rules. It read as follows: “Anytime the presider opens the floor during an electronic meeting whether for questions, discussions, motions, and/or amendments she will wait at least 2 minutes before putting the question, motion, report, or amendment to a vote.” Following discussion, it did not carry. Rev. Christine Bowden made the following motion: “We entrust all timing decisions to the discretion of the Chair for the duration of the session.” The motion was adopted. Carl Samans moved to amend rule #25 with the following wording:

B. MEMBERSHIP OF THE ANNUAL CONFERENCE

The clergy membership of the annual conference shall consist of deacons and elders in full connection, provisional members, associate members, affiliate members, and local pastors under full-time and part-time appointment to a pastoral charge.

(§ 32, 2016 Book of Discipline)

- q. district presidents of United Methodist Women; And by annual conference formula to equalize the number of lay and clergy membership of the annual conference (¶ 32, 2016 Book of Discipline) the following, if lay persons:
- r. The president, chairperson or highest ranking lay member of the following annual conference agencies: Commission on Archives and History; Board of Church and Society; Conference Council on Youth Ministry; Congregational Development Corporation, Commission on Disabilities; Board of Discipleship; Commission on Equitable Compensation; Council on Finance and Administration; Vision Team Advocacy Resource Team; Board of Higher Education and Campus Ministries; Board of Ordained Ministry; Commission on Status and Role of Women; Conference United Methodist Pensions, Inc.; Trustees of the Annual Conference, Inc.
- s. Additional lay members shall be elected by the lay members of each district at a called district conference at least 30 days prior to annual conference. They shall be elected in such numbers as to provide that the total number of lay members from that district shall bear the same ratio to the total lay membership of the annual conference as the church membership of that district bears to the total church.
- t. All lay members of the annual conference shall conform to the requirements for membership of the 2016 Book of Discipline in ¶602.4.

Rev. Mary Haggard moved to refer the motion to the Resolutions Committee. Discussion ensued. Rev. Vaughn Hayden asked for a point of information, asking for the rationale behind the motion. Carl Samans spoke to the rational saying that the hope would be that equalizing Lay Delegates would be voted on and recognized by a dually called body of the Annual Conference Office or DS. He said that this occurs at other conferences and would move us to be more in line with them. He feels that equalization members are haphazardly added. Following more discussion, the motion to refer was adopted. The Organizational and Procedural Motion and Consent Calendar were then adopted.

Resolution 1a Rules of Order: Rev. Eric Warner, Conference Secretary moved the adoption of Resolution R1a for adoption. It was adopted.

Greetings from Delaware State University: A video greeting the Peninsula-Delaware Conference was shared from Delaware State University President, Dr. Tony Allen. He highlighted Delaware State University's commitment to continue in relationship with the United Methodist Church now that it has acquired Wesley College.

Greetings from the Baltimore-Washington Conference: A video greeting the Peninsula-Delaware Conference was shared from Rev. Dawn Hand, Dean of the Cabinet for the Baltimore-Washington Conference, celebrating our new affiliation.

Consent Calendar: Rev. Eric Warner, Conference Secretary, moved the adoption of the Consent Calendar. Bishop Easterling shared that there was a misprint in some versions of the Consent Calendar and provided guidance that everything under R should not be included. However, everything under A, B, C, D, G, and H should be included. Following the clarification, the vote was taken, and the motion was adopted.

Report from the 2020 Jurisdictional and General Conference Delegation: Rev. Vicki Gordy-Stith, Head of the Peninsula-Delaware Conference Delegation, shared that the delegates continued meeting together to remain up to date on decisions coming out of Judicial Council and the legislation to General Conference through the lens of systemic racism. The hope was that they would come to a fuller understanding of how the potential legislation would impact people of color so that they could work to make it more equitable and just. She shared that as a delegation they chose not to nominate a candidate for the Office of Bishop. Rev. Eric Warner, Conference Secretary, reminded the conference of the rules for Episcopal nominations. The report was voted on and adopted.

Resolution R 3 Resolution to Set Minimum Salaries for the Calendar Year 2023: Rev. Yvonne Paxton, Chairperson of the Commission on Equitable Compensation, presented Resolution R 3 for adoption. It was adopted.

Report from the Center for Vital Leadership: Rev. Jack Shitama shared that the Center for Vital Leadership was created last year. The center hopes to provide many leadership development opportunities to Clergy and Laity. One effort will be a program to train non-anxious leaders who can guide us through the unprecedented changes that we are experiencing as a society and denomination. Another effort will help church leaders identity and implement an effective intentional discipleship pathway to make disciples of Jesus Christ for the transformation of the world. He shared two opportunities that will also be available this year. The first is the Certificate in Congregational Leadership Program. This series of online courses is available to anyone from our conferences free of charge. Lay Servants, Certified Lay Ministers, and Part-time Local Pastors will find it particularly helpful, especially those serving in a small church context. The second opportunity is the Living Well Program. Living Well is designed for clergy by clergy to empower them to reflect on and assess their life in ministry through the lens of health and wellness. The seven month Living Well process not only fulfills the Book of Discipline requirement for periodic assessment but also creates a time of renewal for life and ministry.

Resolution R4 Resolution to Create a Conference Level Creation Care Creation Justice Committee: Rev. Jacqueline Ford, Director of Connectional Ministries, presented Resolution R 4 for adoption. She shared that the resolution was amended by the maker. Lines 53 and 54 have been deleted. Lines 47 through 53 now read, “AND that said Committee will serve as the Peninsula-Delaware Annual Conference hub for denominational, interfaith, and ecumenical environmental concerns as well as the recipient and distributor of all communications concerning creation care and creation justice; AND that said committee will be subject to guidelines put forth by the Conference Committee on Lay and Clergy Leadership.” Rev. Beth Heller spoke to the resolution sharing that we are called to be stewards of God’s creation and we live in a location that is very special to preserve. Rev. Joseph Archie offered the following amendment: “The Methodist Action Program Executive Director will serve as an ex-officio member with voice and vote on the Creation Care Committee.” Rev. Joseph Archie spoke to the amendment sharing that MAP was developed in the 1960s and especially in recent years has been a voice for social justice. It has worked diligently with the General Board of Church and Society in all areas of justice, including environmental justice. Therefore, it is an important voice to have at the table for the Creation Care Committee. Following discussion, the question was asked if the amendment could be accepted as a friendly amendment. Bishop LaTrelle Easterling shared that there really isn’t a parliamentary procedure, but we understand the spirit in which the idea has been brought before us. The amendment was accepted by Rev. Heller. Following further discussion, the amended resolution was adopted.

Resolution R5 Transparency in Stewardship: Rev. Jacqueline Ford, Director of Connectional Ministries, presented Resolution R 5 for adoption. It was seconded. Rev. Amy Yarnall spoke to the resolution saying that her and her colleagues were hoping to have a way to see an easy summarization of financial data that comes from several committees in the conference to be able to practice better stewardship. Rev. Vanessa Stephens Lee offered the amendment to line 27 to add the following: “name of the recipient, purpose, and amount”. She spoke to the amendment sharing that she hoped it would help with further financial transparency. Rev. Yarnall accepted the amendment. Mr. Bill Westbrook offered a point of personal privilege and said that if the resolution passes,

he would like assistance in developing the report. Following further discussion, the amended resolution was adopted.

Lunch Break: The Conference took a break for lunch and a prayer was offered by Bishop Easterling. The Conference reconvened at 1:00PM.

Jacqueline Ford, Director of Connectional Ministries, presented Resolution R 14 and moved its adoption. It was adopted. Bishop LaTrelle Easterling provided a moment of silence and prayer for the disaffiliating churches and the Peninsula-Delaware Conference.

Congo Partnership: Rev. Jonathan Baker and Donna Baker shared that after a two year wait, 2021 brought joy to the Congo Partnership. They were once again able to travel to be with their Congolese brothers and sisters in Christ. Their programs continued the work of feeding children and the elderly. Because of the partnership's focus on providing quality medical equipment the health ministry continues to be able to provide surgical, pediatric, and maternity healthcare in the area. The life skills program is flourishing as women learn the essential skills of sewing and dyeing of cloth, enabling them to start their own businesses. The farming program continues to expand as the numbers of farm animals increases and the people are taught best practices to increase yields. The school program is helping young people to receive education that will provide them with a brighter future. The social program was able to provide cooking supplies and two ovens to be able to share in a baking business. The trade school is working on a project to remodel a boys' dormitory. The children's ministry continues to spread to more villages to teach children about the love of Jesus. The well engineer and his team have begun work on the first of nine wells planned for this year which will save many lives. A cataract ministry would be a dream come true and now it is well on its way to implementation. Soon cataract blindness will be conquered in the region. The partnership is grateful for the continued generous support from Peninsula-Delaware Conference churches.

Boy Scouts of America Update: David Rutt, Chancellor, provided an update on the legal proceedings of the bankruptcy of the Boy Scouts of America. He shared that many of our UMC local congregations were named as additional parties or defendants in the sexual abuse claims. Settlement agreements were negotiated with the UMC and other denominations. However, it was recognized by the UMC that it was important for Scouting to continue and for United Methodists to be able to support Scout troops. An ad hoc committee consisting of UMC leadership and insurance providers was organized to find a way to settle the claims while avoiding a lengthy and costly trial. A subset of the ad hoc committee was created to find a path forward to negotiate terms of an agreement for the affiliation of Scout troops with local churches. A document has been prepared called "Affiliation Agreement" which will become the standard agreement used by all local UMC churches that wish to host a Scout troop. It is different than past chartering agreements. The committee also prepared a draft facility use agreement that can be used as a supplement to or instead of the affiliation agreement. These new agreements provide greater protection for local churches than the past chartering agreements.

Disabilities Ministries Committee Report: Rev. Dr. Rebecca Collison, Chair of the Disabilities Ministries Committee, shared that our need for Jesus is real and it sounds simple but for people with disabilities, it may not be so easy. She encouraged churches to hold an annual Disabilities Awareness Sunday. Different abilities shouldn't separate us but strengthen us and our mission. She celebrated that 251 churches achieved either gold, silver, or bronze badges for their attention to making all aspects of their buildings and ministries accessible to people with disabilities. This is double the number of churches from two years ago. She encouraged churches to continue working to make a way for people of all ability levels.

Commission on Native American Ministries: Raggatha Rain Calentine presented a Native American story. She shared that on October 6th, 1879, the first off-reservation boarding school opened in Pennsylvania, not far from us. It was under the leadership of Captain Richard Pratt. As a result of these kinds of events, unresolved trauma has plagued five generations. She challenged us that until we accept this as truth the trauma will continue.

Commission of the Status and Role of Women: A video was shared from the General Commission of the Status and Role of Women. It was created in 1972 in a pivotal time when women sought equal rights, equal opportunity, and greater personal freedom. Fifty years later there is still a lot of work to be done. Becky Posey Williams, Senior Director of

Sexual Ethics and Advocacy, shared that every Annual Conference appointment season they are contacted by Bishops and District Superintendents who need help navigating a congregation's resistance to a woman pastor. Juyeon Jeon, Board Member of the Commission on the Status and Role of Women, said that this is not the only disparity. A disproportionate number of women face sexual harassment. There is a lack of representation in positions of power. Women still do not have equal pay for equal work. GCSRW knows this and exists to challenge the United Methodist Church for equal responsibility and participation of Clergywomen and Laywomen at all levels of the life and mission of the church. We were challenged to join them in the next 50 years to help fulfill their mission.

Holy Land Pilgrimage: Bishop LaTrelle Easterling shared information about a trip to the Holy Land she is leading in January of 2024. She encouraged us that anyone who attends will have their ministry and life changed.

Africa University: A video was shared from Mbweze Sadiki Basil, the Africa University Scholarship recipient. He offered his thanks for the scholarship. He highlighted the people of many nationalities who he befriended and how this helped him greatly in his education.

Black College Fund: A video was shared celebrating the Black College Fund's 50th anniversary. Students from many different colleges and universities shared how it impacted their education in a positive way.

Catalyst Initiative: A video was shared from the Catalyst Initiative. Catalyst Teams explored shifts in their ministry context which included cultural, demographic, and social changes. Doing this worked enabled churches and leadership to design ministry to meet the changing environment.

Setting of Appointments: Bishop LaTrelle Easterling shared that in this liminal time, all our Clergy are serving under great weight and with tremendous faithfulness. She encouraged the clergy that she and the Cabinet were continuously praying for their ministry. Bishop Easterling announced that the appointments for the 2022/2023 year are set.

Conference Appeals: Rev. Amy Yarnall, Conference Appeals Coordinator, highlighted the annual Appeals Calendar which explains the special Sundays we promote. This also includes the offerings we take every year at Annual Conference. Every year our Annual Conference appeals include the Board of Ordained Ministry Scholarship, Congo Partnership, and one rotating appeal. This year's rotating appeal is the Africa University Scholarship. Africa University is celebrating 30 years of service on the continent of Africa where more than half of the countries in Africa have students at Africa University. It is also the 25th anniversary of our Annual Conference endowed scholarship which enables us to support three or four students each year at Africa University. She highlighted the enormous impact that Africa University has on the lives of its students. Rev. Yarnall shared that the Appeals Calendar can be found on the Pen-Del Conference website under missions. She encouraged our Mission Committees to review the calendar every year to make decisions about the appeals we are planning to support.

Adjournment: At 3:32 PM Bishop LaTrelle Easterling struck the gavel, declaring that following the Ordination and Commissioning Service on June 18th, 2022, the 2022 Peninsula-Delaware Annual Conference of the United Methodist Church was adjourned. The 239th session of the Annual Conference will reconvene on June 8-10, 2023, or at the call of the President.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.

Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:

1. To fix the time in which the Conference shall adjourn;
2. To adjourn;
3. To take a recess;
4. To lay on the Table;
5. To call for the previous question;
6. To postpone to a given time;
7. To refer;
8. To substitute;
9. To amend;
10. To postpone indefinitely.

Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.

Rule 7: When a person is about to speak in debate or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.

Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.

Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until

the President shall have decided it a privileged question.

- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.
- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve

more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.

Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.

Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.

Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2016 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the *2016 Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected

by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. If no such request is made, it is assumed that the charge will elect the lay members. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 658 in the *2016 Book of Discipline* which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.
- Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The chair and co-chair of the delegation will alternate between the first clergy elected and the first lay person elected.
- Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical

information would include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.

Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

RULES AND GUIDELINES FOR THE CONFERENCE COMMITTEE ON CLERGY AND LAY LEADERSHIP

I.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representatives
 Members will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for

a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.

5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)
7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the *2016 Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership

report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.

12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
- b) A demonstrated leadership ability in the local church;
- c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
- d) Willingness to commit time as required by the position;
- e) Willingness to commit time for training for the responsibilities of the office;
- f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
- g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;

That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.

14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

II.

For Information Only:

*Concerning the Committee on Clergy and Lay Leadership,
its report and the securing of talent*

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent and to the Bishop to obtain recommendations. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Teams for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local

- church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
- 4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
 - 5. Titles such as “Mrs.,” “Miss,” “Mr.,” “Rev.,” or “Dr.” shall not be used in the preparation of the Committee on Clergy and Lay Leadership report.
 - 6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People’s Ministry.

RESOLUTION # 3
RESOLUTION TO 2022 ANNUAL CONFERENCE SESSION
Presented by the Conference Commission on Equitable Compensation

Resolution to Set Minimum Salaries for Calendar Year 2023

The Conference Commission on Equitable Compensation has the disciplinary responsibility to recommend to the Annual Conference standards of clergy support (§625); and

After prayerful consideration and thoughtful examination of the available data, the Commission recommends a 6% increase for next year. This increase is based on the 5.9% cost of living increase recommended by the Social Security Administration for 2022.

After reviewing multiple criteria, the Commission on Equitable Compensation has deemed the Cost-of-Living Adjustment the best way for us to fairly set minimum salaries in future years.

We therefore ask that our community of the Peninsula-Delaware Annual Conference set minimum salaries at the following amounts for 2023:

Full Elder and Full Member Deacon:	\$43237
Provisional Elder, Provisional Deacon	\$39930

and Associate Member:
Full Time Local Pastor: \$37349

We also ask for the following:

Minimum salaries be increased by \$200 per year of service since last conference membership/ordination status change, up to 20 years of service.

Continuing Education minimum amount be set at \$800 for 2023. Clergy should receive paid leave to attend continuing education events.

Reimbursement for travel expenses in the next year be at the rate set by the Internal Revenue Service for 2023. The Commission also recommends that pastors be reimbursed for all tolls and parking expenses incurred in the performance of their pastoral duties.

Churches which have elected to pay a housing allowance set the amounts of said allowance commensurate with the cost of living in their local community. This amount should cover the fair market value of housing for the pastor and all associated utilities costs.

Clergy continue to be allowed to preach one week each year for one of the following events: Walk to Emmaus, Chrysalis, Camp Pecometh or any other engagement that enhances the spiritual life of persons of this Conference and that this service shall not affect the clergy's vacation time or the clergy's regular pay from their appointed charge. Other qualifying engagements will be determined by the Commission on Equitable Compensation on a case-by-case basis.

RESOLUTION # 7**RESOLUTION TO 2022 ANNUAL CONFERENCE SESSION****RENTAL/HOUSING ALLOWANCES FOR RETIRED OR DISABLED MINISTERS OF THE PENINSULA-DELAWARE CONFERENCE****Presented by Conference Board of Pensions**

The religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed; and

The practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

Pensions paid to retired and disabled ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired and disabled ordained or licensed ministers in consideration of previous, active service; and

The Internal Revenue Service has recognized that the Peninsula-Delaware Annual Conference is the appropriate organization to designate a housing/rental allowance for retired and disabled ordained or licensed ministers who are members of this Conference;

1. An amount equal to 100% of the pension payments received during the year 2023 be and is hereby designated as a rental/housing allowance for each retired and disabled ordained or licensed minister of The United Methodist Church who is or was a member of the Peninsula-Delaware Conference at the time of his or her retirement:
2. This rental/housing allowance shall apply to each retired and disabled ordained or licensed minister who has been granted the retired relation or placed on disability leave by the Peninsula-Delaware Conference and whose name and relationship to the conference is recorded in the Journal of the Peninsula-Delaware Conference and in other appropriate records maintained by the conference.
3. The pension payment to which this rental/housing allowance applies shall be the pension payment resulting from all service of such retired and disabled ordained or licensed minister from all employment by the local church, Annual Conference or institution of The United Methodist Church or of any former denomination that is now a part of The United Methodist Church, or from any other employer who employed the minister to perform services related to the ministry and who elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

NOTE: The rental/housing allowance which may be excluded from a minister's gross income is limited to the lesser of (1) the amount of the rental/housing allowance designated by the minister's employer or other appropriated body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-290 C.B. 92, "the only amount that will qualify for exclusion under section 107 (2) of the Code as a "rental allowance" is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

We therefore ask that our community of the Peninsula-Delaware Annual Conference adopt this resolution effective January 1, 2023

COMMISSION ON ARCHIVES & HISTORY

Mission Statement

The mission of The Commission on Archives & History (originally incorporated as Historical Society of the Peninsula Annual Conference of the Methodist Church, Inc.) is to “collect, preserve, and maintain historical records and shrines relating to Methodism in Delaware and the Eastern Shore of Maryland.”

Operation of Barratt’s Chapel and Museum

Every annual conference has a Commission on Archives and History, but ours is the only Commission on Archives and History to own and maintain a United Methodist Heritage Landmark. In its 241st year, Barratt’s Chapel is the oldest surviving place of worship in America built by and for Methodists. On November 14, 1784 Thomas Coke and Francis Asbury met at Barratt’s Chapel and laid plans to organize American Methodists into a church independent of the Anglican Church. At this meeting the sacraments of baptism and communion were officially celebrated for the first time anywhere by ordained Methodist clergy, a symbolic declaration of independence. Therefore, Barratt’s Chapel is appropriately called the “Independence Hall of American Methodism.” In addition to the historic Chapel, the Commission on Archives and History also maintains the adjacent Museum building, which contains the archives of the Peninsula-Delaware Conference, a library on Methodist history, and displays on Delmarva Methodism. The Barratt’s Chapel site also includes a reconstructed 18th century Vestry, which is used for a variety of small events.

The Commission on Archives and History of the Peninsula-Delaware Conference, under the leadership of President Dr. Creston S. Long and Vice President Shirley Jackson, normally meets semi-monthly at Barratt’s Chapel or by Zoom.

Conference Archives

It is our responsibility by the *Discipline* (paragraph 641.1) to be the repository for the archives of the Peninsula-Delaware Conference and all its antecedents including the Delaware Conference, which at its final meeting designated Barratt’s Chapel as its official depository. It is also our responsibility to provide permanent safe-keeping of historical records of all closed churches within the bounds of the Conference as well as any churches which leave the United Methodist Church under provisions of the 2019 General Conference. The Archives are cataloged and housed in a fire-proof, climate-controlled section of the museum building. We maintain files for every church in the Conference and welcome new materials to be added. The staff assists researchers in using materials and also offers assistance by email and telephone requests. There is a library of approximately 3500 volumes on Methodist history.

Under the direction of the Curator/Conference Archivist, Barb Duffin, the archives and library catalogs have been transferred to PastPerfect, the standard software for museums and archives. Using an optional feature of PastPerfect, both catalogs are now available on the internet through a link on the Museum’s web site.

Volunteers have completed making digital copies of all the conference journals in the collection at Barratt’s Chapel Museum and the Peninsula Methodist, a weekly newspaper, 1875-1908. As additional materials are digitized, such as old membership books of closed churches, they are made available through the Barratt’s Chapel website, barrattschapel.org, under “About Us, Archives and History”.

The staff has continued to work throughout the Pandemic doing digitizing, cataloging, archiving, answering research requests, and meeting a few persons by appointment. We have several volunteers who assist with activities and duties as needed.

Facilities Usage

Although Barratt’s Chapel has not had an active membership since 1957 it usually remains a busy venue for worship and learning. Before the Pandemic we had weddings, funerals, and a variety of special events and services. However, we have largely been closed to the public since mid-March. We have given tours to visitors by appointment following COVID’19 protocols. None of the regular activities, including the Confirmation Rally, the Summer Services, Lessons and Carols, and the Christmas Eve service, occurred. Bishop Easterling came to Barratt’s to tape a Christmas message which was sent to all the churches in the Conference. The office at Barratt’s Chapel was available through email and phone. March 1, 2022 we are reopening for our normal hours of 10-2 on Wednesdays and Saturdays and other times by appointment.

Outreach

Part of the mission of the Commission on Archives and History is to assist local church historians to discover, preserve and tell their own church histories. Barb Duffin, Curator/Conference Archivist, and Phil Lawton, Conference Historian, have been available to meet with researchers, church historians and others seeking information on their local church history. They are available to speak at worship services and other church events.

Maintaining the Chapel, Museum and Vestry

With a 241-year-old Chapel and two other buildings there are always maintenance issues. In 2019 the Conference Council on Finance and Administration advanced funds to do much needed preservation work on the Chapel. The Commission on Archives and History had planned a major capital campaign for the Chapel in 2020, however, due to the Pandemic it has been postponed until a more appropriate time. We have applied for a Tax Credit from the State of Delaware for work done on the historic chapel. Once received the tax credit will be sold to help repay the Council on Finance and Administration.

Goals of the Commission on Archives and History

- Following requirements of the *Discipline*, maintain a conference archives which provides a permanent, safe depository for historically valuable records of the Peninsula-Delaware Conference and its antecedents and of closed churches within its bounds, and make those materials accessible to researchers.
- Operate Barratt's Chapel as a Heritage Landmark of The United Methodist Church, including maintenance and improvement of the physical facilities, making the Chapel and Museum available, following COVID-19 protocol, to visitors and for special services and activities, and promoting knowledge of the historical importance of Barratt's Chapel.
- Provide historical programs for confirmation classes and other groups.
- Provide training and support for Local Church Historians.
- Support the Peninsula-Delaware Conference Historical Society.
- Recruit and train volunteers to assist with the historical and archival work at Barratt's Chapel and Museum.

ADVOCACY RESOURCE TEAM

During this time of increased changes in our churches, communities, country and the world, there is an increased need to help people face the multitude of unknowns. The pandemic has had an unbalanced effect on the poor in both rural and urban communities, people of color, and women. Our churches and conferences are putting forth an effort to meet the needs of these groups and others as we look into the future, and how best to reach out, speak out, and support those who often feel forgotten.

In January of 2021, the Advocacy Resource Team of the Peninsula-Delaware Annual Conference re-established itself with Denise Snyder and Rev. Mary Haggard as co-chairs. At the time of this writing, Denise Snyder and Francine Davis are now co-chairs of the team as Rev. Mary Haggard has assumed another position within the conference.

Our vision for the team is to continue and increase our churches' and conference's ability to increase activity in terms of:

Problem Solving: helping churches, groups, and ministries process how to best meet the rising needs in their communities.

Education: sharing training on leadership recruitment and development, digital/print/in- person promotion, fundraising, and grant writing.

Promotion: sharing avenues to communicate the needs and events within our communities, conference and throughout the United Methodist Connection.

Changed Based Action: increasing the connection between those who are raising their voices for those in need and those who may be able to provide.

Resources: We wish to be a resource for groups within the Peninsula-Delaware Conference as advocates for and in support of a variety of opportunities within and beyond our conference.

Fear not, for I am with you; Be not dismayed, for I am your God. I will strengthen you, Yes, I will help you, I will uphold you with my righteous right hand. **Isaiah 41:10**

PETER D. WEAVER CONGO PARTNERSHIP

2021 was a challenging year for people around the world as well as for the Congo Partnership and our various projects in the Central Congo Episcopal Area. Due to the pandemic, for two years members of the Partnership from the U.S. could not travel to Congo to work with our Congolese leadership and assess the projects as has been our yearly practice. Even in the face of these challenges, our Congolese leaders stepped up to provide the necessary leadership for our various projects while our U.S. partners worked with them long distance to provide support, encouragement, and accountability. In mid-2021, and early 2022, members of the Partnership were able to return to Congo and witness the resilience, deep faith, and resolution of our Congolese sisters and brothers.

While the pandemic also impacted the U.S. partners restricting opportunities to present the outreach of the Partnership in local churches and with individuals across the U.S., donors continued to support the projects in amazing ways. Bishop Peggy Johnson, upon her retirement, chose to support the Congo Partnership through donations given in her honor for her leadership in our Episcopal Area. These funds balanced the loss of funds from a Foundation which had been so generous to God’s work through the Partnership in 2021 and early 2022. While it will be a major challenge for us to continue our financial support in 2022-23, we continue to trust God to provide by raising up churches and individuals who will give generously. Our Congolese sisters and brothers need it more than ever.

The following is an update on several of the Partnership Projects.
Mpsa Medical Center- Under the direction of Dr. Adolphe Yamba, Mpsa Medical Center continues to serve thousands of refugees and the poor in the greater Mpsa Area. Mpsa is a site for several government programs such as Family planning, vaccinations, innovative programs for people with handicapping conditions, and a blood bank.

Mpsa is a training center for medical students from the John Wesley University expanding the work force and train new persons for the future. The Partnership continues to assist Mpsa through purchasing equipment, like the incubator, microscope, and

ultrasound, which are saving lives. It continues to serve as a maternity and pediatric center for the larger community.

The **Mpasa Nutrition** program feeds about 250 children each week. The numbers continued to grow this past year because of Covid with travel restrictions for many. The nutrition program continues to save the lives of the severely malnourished children who are brought each month. Sometimes as many as 60 will be cared for.

In addition to helping the children in the area, Mpasa Nutrition Center also has a program for about 60 elderly women and men who, because they can no longer work and be productive, often they are shunned by society and even their families. Many women in the program are widowed. Twice monthly they gather for fellowship and worship together and receive a bag of rice, beans, and fish they can take home to prepare for themselves and families. This provides self-esteem and encouragement along with nutrition. Scriptures admonish us to “care for the widows” and we see the face of Jesus so clearly in the faces

of these lovely people.

New Life Skills (NLS) - to help people become self-sufficient, Mpasa offers a NLF program to teach adults a trade like sewing, soap making, or tie-dyeing. Through a generous donation from the South District in Eastern Pennsylvania, a new Micro-loan/grant program was recently launched. Nine graduates were supported to launch a new business after graduating from the NLS program. If they successfully repay their loan obligation, a grant is awarded with the hope they can be self-sufficient in two years. Praise God! This way they can feed their children and families which will lessen the need for the nutrition program.

Children’s Ministry- Our Children’s Ministry program in Wembo Nyama and Tshumbe continues to grow. There are 35 smaller groups covering 22 kilometers with over 5000 children participating monthly! Our director, Victor, continues to cultivate the ministry with new outreach ideas and expanding the ministry. New Children’s Ministries are being launched in Diengenga, Dinglele, and other villages in the Sankuru Province.

The Pharmacy, created to help support orphan children to find families to help care for them was successfully launched and they are even looking to expand. This helps the ministry become self-sustaining.

The Children’s Ministry is now in Kinshasa with our director Josephine who was our founder director in Wembo Nyama. Through her leadership called MEE (The Ministry for Evangelism of Children), 15 groups have been started in various churches throughout Kinshasa despite the COVID restrictions. God is moving powerfully, and all these ministries need Bibles and simple teaching tools. Kent Island U.M. collected soccer balls and teaching items during their 2021 VBS program and four suitcases full were recently delivered to the Children’s Ministries by team members.

Miriam’s Table- The Miriam’s Table nutrition program has seen an increase in the number of children and families being served each day. During this time of uncertainty of health around the world, we are grateful that the children of Miriam’s Table have remained safe and healthy. There seems to be no signs of the COVID-19 virus reaching the Mpasa Region where we are located. The daily meal we provide has given our children stamina that even their teachers have commented about. Our director reported that the teachers say that when the children come to school with full bellies, they can concentrate and learn more. We are so thankful for the support of church families in our conference.

Diengenga Projects

In the center of Congo is a small United Methodist Mission station called Diengenga. Initially started by pioneer missionaries, this mission has become a center for education, medical care, and now agriculture. All leadership in the Partnership Projects - Cape Lodja Farm, Trade School, Mama Tola Social, and Mama Tola Secondary School - are Congolese with the Partnership assisting with training, resources, support, and accountability.

Cape Lodja Farm- The farm faced a challenging year with travel and shipping restrictions making it difficult to get veterinary supplies and equipment for farming. The entire Sankuru Province suffered from a disease that killed many farm animals. Despite these challenges, under new leadership that farm has begun to recover and is enthusiastic about the future. Animal traction is the primary method for land preparation with crops of maniac, corn, beans, pineapple, soy, and all garden vegetables which are taken to the local market for sale. The Fish Farm, with 4 large fish ponds, had their first successful harvest in 2021!

The **Jack & Renie Miner Trade School** provides vocational training in mechanics, engineering, carpentry, construction, masonry, electrical work, and in cooperation with the farm, agriculture, and veterinary services. In the last year, the Trade School is offering training for computer science and is working with both the Farm and Mama Tola School to assist them with their computer needs. The Trade School provided vital services in 2021-22 for the rehabilitation of the local school dormitory, kindergarten building, and construction of a new bakery for the Mama Tola Social Program. These projects give students on the job training and lower cost for construction for projects sponsored by the Partnership or local churches.

The **Mama Tola Secondary School** provides a quality traditional education for students as well as some vocational training in sewing. The Partnership helps provide scholarship for students as families must pay for all secondary education in Congo. Many children are unable to attend school because of the inability of families to support them. The Partnership was able to secure a major grant from an endowment with the United Methodist Women’s Division to also assist with scholarships. The “adopt a class” program, with several churches and individual sponsors, raises funds to assist students throughout their 5 years of secondary education and builds relationships between students in Congo and sponsors. Letters and videos are shared between students and sponsors to help build bridges of cooperation and peace.

The Partnership has been helping rehabilitate a dormitory for boys where students attending the Mama Tola Secondary School, Trade School, and Okitokenge Secondary School can stay. This will become a significant asset for the education programs.

Mama Tola Social Program for Young Mothers - This social program is provided by dedicated volunteers and offers hope, encouragement, and training for young girls who become pregnant and cannot finish school. This program is a lifeline for these girls and, along with continuing their

formal education, they learn home skills such as hygiene, child-care, cooking, sewing and how to be a good Christian mother and wife. In 2021, in an effort for this program to receive additional needed resources and become self-sustaining, the Partnership agreed to help them launch a new bakery business. This is the first and only bakery within 12 kilometers and this business will give on-the-job training to the young mothers and provide a helpful income for both the program and individual families. A donor provided funds for construction of the building and Lake Deaton U.M. Church in Florida sent 6 suitcases full of bakery/cooking supplies to help them launch their business. What joy to witness the pride and excitement of the young mother and all the volunteers when this bakery was launched and dedicated to the glory of God.

Water is Life- With a delay due to COVID which stopped almost all transportation of materials to the upcountry, the Partnership was unable to dig new wells in 2021. However, it did allow the assessment of other villages where typhoid has devastated communities. Many churches within our conference have promoted the opportunity to extend God's love through digging fresh water wells and these contributions have made it possible for the Partnership to relaunch our program with hopes of giving life and preventing disease and death in the lives of thousands of people.

In January 2022, all the materials arrived upcountry, and the engineer and crew has begun digging 5 new wells in Lodja, Diengenga, Njo, Katako Kombe, and Djalo. These will all be electric pumps powered by

solar because of the depth of the wells. In every village where new wells have been dug, the deaths caused by water-related disease has been eliminated! Praise God.

Ophthalmology: Eye care is a critical need in Congo with cataracts causing complete blindness in tens of thousands of adults. Since 2007, the Partnership has sponsored four major cataract missions giving sight to thousands of people. To provide eye care that will be self-sustaining, the Partnership has been collaborating with Bishop Lunge and medical leaders in the Central Congo Episcopal Area to create an ongoing eye clinic that can travel to various remote places where there are medical centers with an Ophthalmological Nurses. Recent decisions have been made to local the clinic in the medical center in Diengenga. The Partnership is also collaborating with Bishop Lunge to identify existing surgeons in the Sankuru Province that would be interested and willing to be trained in ophthalmology. A full-time doctor will be critical to the success of this project.

The work of the Partnership continues to grow and is a critical asset bringing hope and encouragement to the Congolese people. God uses this Partnership to sow seeds of love, healing, and restoration in a country recovering from the devastation of the past. The Congolese teach us so much as they bring such faith and joy to life and their work bearing witness that God's grace is more than sufficient. Thank you for being God's vessels through whom God's love flows into the lives of our Congolese sisters and brothers.

AFRICA UNIVERSITY REPORT

With the 2021 graduating class, over 11,000 students will have received degrees from Africa University, mostly due to scholarships provided by people like you. While I don't have a count of exactly how many students attended AU under scholarships funded by our Annual Conference, there are 2-3 students receiving financial aid every year from the \$400,000+ in endowed funds we have provided. Our funds are dedicated to students, who upon graduation, potentially will return home and help work for and support our Partnership in the Democratic Republic of Congo.

Unlike many universities in the United States, Africa University remains almost totally online. There are some students still on-campus taking their classes also online as they were unable to

fly home when the virus stuck Africa last winter and spring. Thankfully, AU upgraded their internet infrastructure in 2018 so classes have not had many issues.

Along with scholarships, you support Africa University with your apportionments. In 2021, Peninsula-Delaware continued their unbroken streak of paying 100% of our AU apportionments, the only AC to do that every year since first being asked in 1988.

Several years ago, the Africa University Development Committee, of which I am a member, realized that to have a world-class university, you need a world-class endowment fund to support it. We set a goal of doubling the endowment fund at the time, meaning the need to raise \$50,000,000 dollars. That goal was surpassed in 2021! You can also give me your contact information to send to the AU office to get information on how through gifts or estate plans you can support Africa University.

You can now support Africa University when you shop on Amazon.Com. Select AU as your charity of choice under the Amazon Smile program. AU would earn a nickel for every \$10 you spend (at no cost to you!).

During all of 2022, Africa University will be celebrating its 30th anniversary! Our Conference will be taking part via the 3rd AC Appeal this year being dedicated to the PDAC Endowed Scholarship Fund at Africa university. Pastors have received a letter about this, with my ambitious goal of raising \$30,000 in honor of the 30th anniversary. Our Conference has done that in the past so it is doable if we all give, even if it's only \$30 apiece.

Your church can support both this effort and the need to add funds to the Pen-Del Endowment at Africa University by receiving an offering on AU Sunday each November. AU Sunday last year raised under \$2000. AU Sunday had been adding \$2-3,000 annually to our Endowed Funds.

For more information on Africa University, visit the AU page on the Conference website or email Kevin Goodwin at missionsczar@aol.com.

Thank you for your continued support of Africa University!

AFRICA UNIVERSITY

You are the light of the world. A city on top of a hill can't be hidden. —Matthew 5:14 (CEB)

This year, The United Methodist Church marks 30 years of vibrant, transformative mission and ministry through Africa University. Thank you, Peninsula Delaware Conference, for your faithfulness and generosity in bringing the dream of Africa University (AU) to life.

In celebrating its 30th anniversary, Africa University is honoring the past and looking to the future, while remaining true to its mission as the cornerstone ministry for United Methodist-related leadership development in Africa.

From the first conversations in 1984 to formal approval at the General Conference in 1988, the planting of Africa University required vision, faith, and bold action in the face of predictions that it could never succeed. Africa University found advocates and friends in Peninsula Delaware, across the denomination, and beyond. The “Dream is Alive” was the rallying cry in March 1992 as the first class, comprised of 40 students from six African countries, began lectures in renovated farm buildings.

Africa University's journey from day one to the present is a shared story of being salt and light. Africa University is also a Peninsula Delaware Conference story—of a uniting, United Methodist dream come true—that restores hope, equips, and sends forth young leaders to shape an abundant life for themselves and for the communities they serve.

Much like the year that preceded it, 2021 affirmed that God's grace is sufficient in all circumstances. In January 2021, the students, faculty and staff grappled with the sudden death of Africa University Vice Chancellor, Dr. Munashe Furusa. As the year unfolded, national lockdowns continued to restrict travel and damage livelihoods. Unable to be on campus, the

students, faculty, and staff faced inconsistent and, in some instances, costly access to essentials such as food, medicine, electricity and the internet. Together, they grieved, pivoted, supported and encouraged each other, and persevered.

Africa University is grateful to the Peninsula Delaware Conference for investing 100 percent of its budget commitment to the Africa University Fund (AUF) in 2021. Thank you for giving to ensure access for the many gifted students who are unable to fund a college education on their own!

Against the backdrop of a global pandemic, Africa University harnessed new opportunities for missional engagement in 2021. The year’s highlights include:

- **Effective online-only teaching, learning and student assessment:** About 99 percent of students participated in online learning. Enrollment held steady at 3,060 students and more than 500 graduates from 24 African countries were awarded degrees in July 2021.
- **The installation of AU’s fifth Chancellor:** Bishop Gaspar João Domingos of the Western Angola Episcopal Area was elected Chancellor following the death of Bishop John K. Yambasu of Sierra Leone.
- **Research and community service:**
 - AU researchers received US\$2 million in funding for regional initiatives to eradicate malaria, tuberculosis and other communicable diseases.
 - AU’s students and graduates led, and showed their love of neighbor, with initiatives to feed hungry families, care for the environment, and improve the quality of life of legally blind parents and their children.
 - AU was awarded the 2021 Jairos Jiri Humanitarian Award by the Government of Zimbabwe for its pandemic impact mitigation efforts.

Thank you, Peninsula Delaware Conference United Methodists, for letting your light shine for young women and men who would otherwise be left on the sidelines. “A city on top of a hill can’t be hidden” ...similarly, AU’s current students and its more than 10,000 graduates to date are that metaphor made real. Continue to walk alongside them, Peninsula Delaware Conference, as they hone their abilities, live fully into their God-given purpose, and join in the work of making disciples of Jesus Christ for the transformation of the world.

CONGREGATIONAL DEVELOPMENT CORPORATION

MISSION:

Resourcing local churches to understand community opportunities to launch and revitalize ministries

VISION:

Empowering local churches to thrive

PURPOSE:

1. Render good stewardship of Conference resources for new local congregational development, **and** for existing local congregational revitalization.
2. Assist the Annual Conference with education of clergy and lay leadership on the theological and biblical foundations for new local congregational development, local congregational revitalization, and community engagement.

Our CDC has continued to spend much of this year reviewing, revising and evaluating our policies to ensure equality and diversity. Our task continues to involve creation of racially equitable policies and procedures to provide accountability to our decision-making. We continue to review and revise our policies related to grants funding to create more transparency and a more equitable application process. Shepherds continues to be in place to help guide the applicant (church ministry leader or pastor) through the process once CDC receives the application. We continue to do decision-making on grants twice a year, in April and September, to allow us to view all of the applications at one time. Thus far this has allowed us to grant funds to a diversity of churches and settings, and not just favor the ones who applied first.

Ultimately, we were successful in not only increasing the number of applications submitted but there seems to a shared desire of churches in our conference to vision and plan for the future

church. Many ministries in our conference have identified potential areas for ministry growth that will help win disciples on regionals levels within and beyond the local church. We supported new ministry opportunities as well as the revitalization of healthy ministries. Grant request application continued to increase dramatically over the last year with the new policies implemented. Our only regret is that we did not have enough resources to fund every venture. In most cases we were able to make suggestions and refer churches to other potential funding opportunities.

We continue to encourage ministry that highlight our emphasis on engaging the community with new ministries, rather than bolstering ministries which primarily only serve the congregation. We plan to continue to provide these resources to revitalize and to begin new ministries so that every church will thrive in making disciples for the transformation of the world. We also strive to learn from each new ministry so that we can become “Connected Christians offering the hope of Jesus Christ to today’s world.”

Due to Covid 19, it has become critical to support churches in implementing virtual worship for the creation of new ministries and new faith communities. We will focus on encouraging churches to develop a church within a church, either by adding a different style of worship service or holding a worship service in a different site or on a different day. Along with this emphasis, we will focus on leadership development as key to successful new ministry starts. This leadership development will include creating a culture of missional practices, including relationship building, multi-cultural competency, community engagement, empowering and equipping laity, and risk-taking. Through this leadership development, we hope to create sustainable ministries, not heavily reliant on outside funding or support.

During 2021-2022, CDC continued to support Connection UMC with decreasing funding for a youth position. We supported Grace UMC in Cambridge, MD with their new cooperative mission center director position. We supported New UMC with funding to support a minister of music position and launch new music ministry targeting young adults and new faith communities. We continue to supported Gracia Divina’s new church start with a pastor position. We supported Olivet in Galena with a technology grant for outreach. We celebrate the fruit of these new ministries.

We also continue to encourage the use of two powerful resources for our churches. First, CDC encourages the use of the Mission Insite, a tool utilizing the census data to provide demographic information to churches about the community surrounding them. Second, CDC encourages the use of Readiness 360, a tool which evaluates your current congregation for its ability and readiness to make disciples and multiply ministry. It measures Spiritual Intensity, Missional Alignment, Dynamic Relationships, and Cultural Openness. These measures help a congregation see where it is, where it needs to grow, and how to get started. (See readiness360.org for more information.) If your church wishes to purchase a Readiness 360 Survey, contact our Director of Connectional Ministries, who will get you set up for the survey. Coaching to your church leadership team on the results of the survey and its relationship to Mission Insite information can also be provided. When a church uses these tools side-by-side, they get an understanding of their current beliefs and values and behaviors and how they match up with the beliefs and values and behaviors of the surrounding community.

We pray that we can grow in our effectiveness in communicating our resources and our strategies to the churches in our Annual Conference. We intend to continue leadership development. We will continue to research new models for new faith community starts. We hope to continue to build partnerships that can help us build a more realistic strategy to continue to reach people with the good news of Jesus Christ. Please feel free to contact us if you have questions.

COMMISSION ON EQUITABLE COMPENSATION

The Conference Commission on Equitable Compensation is charged in the Discipline with three broad areas of responsibility. These are (1) recommending Conference standards for clergy support; (2) administering funds to be used in base salary supplementation; and (3) providing counsel and advisory material on clergy support to the District Superintendents and Committees on Pastor-Parish Relations.

The Commission is responsible for the development of a standard of minimum base compensation for the Annual Conference. This includes appropriate legislation to set minimum salary in the Annual Conference and administration of Conference supplied funding to ensure that every pastor receives at least minimum salary. The funds administered by the Commission include **General Funds** to ensure that all full-time clergy receive at least minimum compensation. Other funding streams granted to pastors include **Key Leadership** for clergy that are serving in a charge that is unable to support the clergy commensurate with his/her talents and experience and **Special Funds** used in special one-time circumstances. Because both Key Leadership Funds and Special Funds lie outside of the disciplinary bounds of the Commission on Equitable Compensation, with CCFA approval, these funds are administered by the bishop and cabinet. The Commission will continue to track and report these funds as part of our ongoing communication with the Annual Conference.

The 2021 approved Equitable Compensation budget is \$225,000. Funds expended in the 2021 conference year for salaries, pension, moving expenses, short-term disability, and miscellaneous totaled \$130,211 which was below budget. As part of this report, there is a list below of the churches and charges that received assistance in the 2021-conference year.

As always, the goal of the Commission is to ensure that pastors are being compensated fairly for all that they do for our churches in service to Christ. May God bless the work that our churches do to take the Good News of Jesus Christ into our world.

Yours in Christ,

CONFERENCE COUNCIL ON FINANCE AND ADMINISTRATION (CCF&A)

Rev. Lawrence Pelham, President, Eddie Boyd, Vice-President and Lisa Hastings, Secretary continued to serve in their respective roles in 2021.

God continues to bless the Peninsula-Delaware Conference by providing our financial and administrative needs. Let us celebrate God’s grace, love and care for the church.

We thank each congregation and every individual, for their giving and faithfulness to the Covenant Plan. It is by the contributions of many that we are able to do the work of the church. However, the financial and ministry health of the conference is increasing being affected by the socio-economic environments in our churches and communities and by denominational issues resulting in decreasing income. We pray that all of our churches, clergy and laity will be faithful to God in their giving, ministry and connectional stewardship.

Apportionments are an important part of our Connectional relationship. They bind us together in supporting one another through District and Conference functions, provide support for our retired clergy, and support ministries throughout the peninsula, the country and the world that we could not accomplish as individual churches. The Conference and CCF&A continue to be sensitive and attentive to the financial status and needs of our local churches. We reduced the 2021 Covenant Funding Plan significantly by reducing the number of districts to three. Since the change occurred in July, only half of the savings was realized in 2021. The 2022 Covenant Funding Plan was reduced also to account for a full year's effect.

Total Covenant Funding Plan (Apportionment) receipts for 2021 were \$4,346K; \$25.9K below the Covenant Funding Plan budget of \$4,372K. The shortfall (\$25.9K) was mitigated by reclaiming fund balances from Boards and Agencies which at year end 2020 were in excess of 10% of the annual budget for that Board or Agency. Review of these year-end balances is a standard part of the annual budgeting process. Boards and Agencies with reasons to maintain higher balances are not affected.

We are also grateful for and celebrate giving by our local churches, members and friends to a great diversity of missions and UM connectional organizations. We highlight for this report giving to UMCOR and UMCOR Sunday of \$172.6K and Peter D Weaver Congo Partnership (\$31.5K).

We continue to monitor and support the Pecometh Camping and Retreat Ministries. CCF&A also continues to monitor the ministry and financial status of the Neighborhood House, a Conference Affiliate with locations in both Wilmington and Middletown. They provide vital services to the poor and financially disadvantaged. The Neighborhood House has fully utilized the \$200K line of credit interest free for a loan period that has been extended to the following year. Challenges remain.

For 2022, a Covenant Funding Plan totaling \$4,196K was developed, recommended, and approved by Annual Conference. This represents a decrease of \$176K or 4% below the 2021 Covenant Funding Plan. The amount to be apportioned to the local churches was approved at \$4,825.5K, a decrease of \$211.8K below the amount apportioned for 2021.

CCF&A also applied and received forgiveness for the PPE Loan received in 2020 in the amount of \$297.9K

The Conference Treasurer along with CCF&A have followed, collaborated, and cooperated with denominational leadership concerning the Boy Scouts of America settlement with sexual abuse victims and the associated agreement with United Methodist organizations. In addition to healing initiatives for the survivors, the United Methodist settlement also included:

1. United Methodists churches and organizations reviewing and updating their Safe Sanctuary policies and communicating how we as a church must continue to be vigilant in working to end child sexual abuse in our churches, homes and communities.
2. A \$30 million dollar settlement for sexual abuse cases through scouting chartered by United Methodist organizations. Each of the conferences across the United Methodist Church was allocated an amount based on the number of its cases. Our conference was assessed \$ 312,144.00. CF&A has designated funds for our share and awaiting final settlement instructions before transferring.

Goals for 2022/2023:

Continue to work collaboratively with all conference leaders, boards and teams so that ministries of the annual conference can be successful and can fully witness for Christ.

Recommend to Annual Conference a plan for anticipated income and expenditures for 2023 which will support the conference in achieving its mission.

Carry out the administrative responsibilities as set forth in the *Book of Discipline*, including a comprehensive audit of accounts and accounting processes. Within this area, CCF&A will perform all additional and specific administrative and fiscal functions and services as the conference may from time to time require.

CCF&A will respond to broader challenges and needs that are identified by GCF&A (General Council on Finance and Administration).

CCF&A will continue to monitor the Boy Scouts of America settlement process until concluded and our financial obligations are satisfied.

CCF&A will continue to review its responsibilities relative to the administration (the A

in CCF&A) and to make necessary improvements.

BOARD OF PENSIONS

The Board of Pensions monitors benefits including health and dental insurance, life insurance, and retirement benefits that support clergy and other persons employed by churches and agencies related to the Annual Conference. The Board makes recommendations for changes in those benefits and the methods of funding them when appropriate. The Board is also represented on the Conference Investment Committee that is responsible for the investment of funds that support pensions and other benefits. The Board recommends to the Conference a Past Service Rate for the clergy receiving pre-82 pension benefits. The Board sponsors the annual Pension Luncheon for retirees and cosponsors with the Board of Ordained Ministry, the financial planning seminars.

The Board continues to seek balance between good health benefits and reasonable cost. Our current High Deductible Insurance Plan, coupled with Health Savings Accounts (HSAs) or Health Reimbursement Accounts (HRAs) continues to give us this balance.

Health insurance costs continue to escalate but at a slower rate. Last year we passed a rate increase of 4% to churches and pastors. We also reviewed a plan offered by CIGNA Health. At last year's Annual Conference, the Board was granted authority to move our health plan if the final proposal from Cigna Health was in-line with their initial proposed savings of 4%. The Cigna Health plan was ultimately rejected when the final proposal called for an increase in premiums of approximately 7%. We did elect to change our renewal date for 2022 from July 1st to January 1st and Blue Cross Blue Shield held the premiums at 2021 levels. As a result, the Board did not recommend another increase in billings to local churches and pastors for 2023.

Retirees continue to have access to a variety of health plans administered through Via Benefits that are paid for by HRA funds provided up to \$2,400 for the retiree and the same amount to their spouse.

Accomplished Goals

1. Due to the continuing pandemic, an in person Pension Luncheon was not possible. A gathering via Zoom was arranged to allow for the recognition of current retirees and remembering those that have passed on to the Life Eternal.
2. Members from the Board of Pensions, along with members of other Boards, continue to monitor the pension investments and other Conference investments.
3. A Past Service Rate for the Pre-82 Pension Plan for the year 2022 was increased to \$696 per year of service and was approved at Annual Conference.
4. As the Affordable Care Act continues to be implemented we continue to monitor and rely on resources from our outside consultants to predict changes to the Health Insurance market and the impact it may have to our current health care plan.

2022 GOALS

1. Representatives of the Board will actively participate with the Conference Investment Committee monitoring the management of investments so that increases in the Past Service Rate can continue at least at the rate of inflation and costs to the Conference of providing benefits can be stabilized and controlled.
2. A Retirement Luncheon for retiring and retired clergy and retired lay Conference staff will continue annually.
3. The Board of Pensions will make a recommendation for a new Past Service Rate for the year 2023.
4. The Board of Pensions will monitor the effectiveness of the health and dental plans to insure that the best possible plans can be offered at reasonable cost.

ISSUES OF CONCERN

1. The Board maintains reserves to help offset future health and pension obligations that would otherwise result in large increases that would pass on to the conference, the churches, and individuals. These reserves should **not** be viewed as pools of money to be tapped into for other needs or opportunities.
2. There continues to be concern that some churches are not meeting their obligation to pay their share of the pension and health insurance costs in a timely fashion. With this in mind, the Board of Pensions has elected to include in this report a list of churches with arrearages as of December 31, 2021. The Medical Grants listed are the result of the Cabinet requesting six such grants and the Pension Board approving this request.
3. The Board of Pensions continues to work with our health care consultants, (Mercer), reviewing our current health care plan and making adjustments in order to comply with the new regulations and changes resulting from the implementation the Affordable Health Act (AHA).

Reminders

1. Pastors who are appointed to the Peninsula-Delaware Conference for the first time must make arrangements with the Conference Business Office for enrollment in the health, dental, life and pension programs.

CONFERENCE INVESTMENT TEAM

Last year marked my first full year as Chair of the Pen-Del Investment Committee. In that role, I will not credit our great performance being related to my superb leadership. So what does the Investment Committee do? They manage the managers who invest funds for several Annual Conference organizations but mainly assets accumulated to ensure our retirees pension payments can be met. The bulk of those assets are not under our control but wisely being invested by Wespath, the UMC Agency that looks after all retirees and funds for those still in the pulpit.

Your Conference has employed to overseers to invest the funds. The Mid-Atlantic Foundation and Merrill Lynch. They in turn, hire and evaluate the individual managers or Funds each firm uses. While each uses a different approach (MAF is more indexed, ML uses active managers), all funds at both MAF & ML are screened based on the UMC investment principles. Both ended 2021 with +14% returns, better than the index each firm compares themselves against.

You might be aware that churches that chose to disaffiliate from the Annual Conference under rules set forth by the 2019 General Conference must make their church “whole” in terms of the Conference’s pension liability. This not only protects the pension if that church’s pastor exited also, but all current and future retirees covered by the Conference pension plan. Those funds are deposited into these investment accounts under are overview.

If you have a heart for this kind of ministry, our Committee has openings for both Clergy and Laity. While investment knowledge a definite advantage, it is not a requirement as long as you are willing to learn. If possibly interested, contact me (missionsczar@aol.com) and we can link you into a meeting to see how you like it.

WESLEY FOUNDATION AT DELAWARE STATE UNIVERSITY

Vision Statement: Connected Christians Offering the Hope of Jesus Christ in Today's World

Mission Statement: Cultivating Communities Through Our CALL: Connecting, Acting, Leading and Loving

The Wesley Foundation at Delaware State University, also known as The Methodist Student Association (MSA), has been cultivating the lives of students through Christian Discipleship. We are a connecting, acting, leading and loving community of faith that supports all people, regardless of age, gender, race, nationality or sexual orientation.

The Wesley Foundation of Delaware State University is in a unique stage of transition, as a result of our campus minister, Rev. Dr. Shirlyn Brown's, passing. The Bishop and combined cabinet are in the midst of appointing a new campus minister that will begin July 1st. This will be great timing as the new campus minister prepares for the new academic year. Throughout Dr. Brown's illness, she continued to facilitate Wesley Foundation meetings and activities. She also instilled a culture and legacy of determination and excellence as a result of her resilience and perseverance. She collaborated with the board, advisers, laity, and other clergy as she was determined to connect with the students throughout the pandemic. Previous facilitators and speakers have been Rev. Tyrran Smith, Rev. Ashley Jones, Rev. Keisha Dukes, and Rev. Dorian McDonald. The former

Rev. Dr. Shirlyn Brown also created a smooth transition for Rev. Alice Ervin retiring as board president and myself, Rev. Kevin Benjamin, taking her place. This past fall, I participated in a campus event, organized by the head of the campus chaplain, that included Wesley Foundation students and other students from other campus ministries. The various students successfully led various aspects of the worship experience activity. Because of the Omicron Variant, in-person campus activities had been limited until recently. Dr. Brown, before her passing, was diligent in making sure students had protective gear, supplies, and Wesley foundation attire. The love and care Dr. Brown had for this campus ministry was ever-present and will be continued in her honor. Recently, District Superintendent Joseph Archie met face to face with Delaware State President Tony Allen. Their discussion included future plans of the Wesley Foundation Ministry on campus. The conversation was not only about the current spiritual needs of the campus but, it embraced discussion about a revitalized Wesley Foundation Ministry. Both Rev. Archie and Dr. Allen desire a strengthened relationship between the Wesley Foundation and Delaware State University, similar to the one had with the former Wesley College.

In addition, we welcome new members and look forward to more “in-person” gatherings this fall, as the ministry will also expand to the downtown campus. It is our hope to offer monthly “in-person” worship and weekly “in-person” and virtual bible study. As well as continuously be a part of the greater connection. Social media has increased the participation and gives us the opportunity to serve in new ways. We will always be reminded and impacted by the campus ministry of Rev. Dr. Shirlyn H. Brown, as we await a bright future and the announcement of a newly appointed campus minister. This is the time of new beginnings. Therefore, let us always begin with Jesus Christ.

In closing, the Wesley Foundation Board of Directors are : Rev. Kevin Benjamin (chair) Althea Wolo (Vice Chair) and Delores Finger-Wright (Treasurer). The Methodist Student Association (MSA) Campus Ministry officers are: Cenaya Ward Johns (President), Elizabeth Ford (Vice President), Chloe Humphrey, Ra Shawn King, and Martha Sims Wilson, MSA On-Campus Advisor. The University Community Representatives are : Pamela Adams (DSU Chaplain), Troy Darden Fran Franklin, Delores Finger-Wright, Martha Sims Wilson. The current United Methodist Church Representatives are: Delores Finger-Wright, Treasurer Cornelius Berry, Gwen Wilson Pierce and Tyrran Smith. The Greater Community Representatives: Sheila Davis, Ex-Officio: Board of Higher Education and Campus Ministry: Bradley Schutt, TBA (Acting Campus Minister/Campus Advisor), Jackie Ford (Director of Connectional Ministries) and Joseph W. A. Archie III (Delaware District Superintendent).

SALISBURY UNIVERSITY WESLEY FOUNDATION CAMPUS MINISTRY

How do you eat an elephant? One bite at a time. The Wesley Foundation at Salisbury University has had its fair share of triumphs and challenges and only one of those challenges has been the Covid-19 pandemic. With each new beginning, however, we learn, we grow and if it’s important to us we try again. In July of 2021 the SU Wesley Foundation hired Brooke Christensen to be their new Executive Director. Thanks to campus ministry resources and input from the Board of Directors we decided to look at the 2021-2022 school year as year zero. This was our time to plan simple, stay small on purpose, and concentrate on building relationships with a core group of students who will then be in place next school year which we can hopefully declare as our launch year. Brooke already had a position at the UMC church across the street from campus (Asbury) so it has been a natural fit to involve the congregation in ministering to their student neighbors. The Wesley Foundation has been able to claim a space at Asbury which is on the side of the building that is closest to campus so it is convenient for students to find us. We were also able to comfortably furnish the space with what the previous director had purchased and the students love it. This connection with Asbury has also been helpful with coordinating event opportunities with overlapping interest, such as monthly pancake breakfasts and wheelchair ramp building service days.

Attracting new students to the SU Wesley Foundation has been an adventure in creativity. With the presence of other well-established religious groups on campus we needed to stand out. The niche that we decided to fill is to be a group that aspires to be an antiracist, LGBTQ+ affirming or curious space for the church loving, church questioning and church curious student. This is a unique approach among other religious focused groups at SU and it will take time to build a reputation and trust beyond the words on the page. Without our Recognized Student Organization status our options for advertising events and being on campus are still limited. We have reached out to several established student organizations of all areas of interest including the Black Student Union, Middle Eastern Cultural Society, the South Asian Student Union, LGBTQ+ Alliance, Environmental Student Association, Muslim Student Association, and the Organization of Latin American Students. Only the Caribbean Student Association was open to non-students attending events under current Covid restrictions so we started a relationship and will hopefully be able to plan joint events in the future. Other organizations replied that they would be open to building a relationship once they felt comfortable with relaxed Covid restrictions. We are excited about this possibility to not only build our own brand recognition but to be an organization that has the reputation of building community among students with a diverse range of backgrounds, interests, and ideals.

Being in year zero did not prevent us from hosting events and bible studies and we are very proud that these are all student led initiatives. Our Sunday afternoon Bible Study is led by one of our students and the Spring semester social events have all been brainstormed and finalized by students with the help of Brooke. In September, Asbury UMC hosted a Piano Bar with Jesus fundraiser. Students and congregants were invited out to Asbury’s patio for a concert and fruity non-alcoholic drinks mixed by Pastor Tom. The event was very well received by the audience and we hope to do this again in the future. Outside of the Piano Bar with Jesus, our other main event this year

was Welcome Week. This is the biggest opportunity we had to reach brand new and returning students who might be looking for a place to land, a place to find “their people.” Having a good amount of experience with “booth marketing” Brooke put together a fun table with games, prizes, swag bags, water bottles, freeze pops, and contact gathering. On that hot August afternoon, we were definitely the most popular table. As part of our swag bag, Brooke had contacted all the area churches that are less than 0.5 miles from campus and collected important information such as service times, and offerings for young adults to participate in. Not only would this be important information for the students but it provided an opportunity to connect with the other churches and potentially build a working campus ministry relationship with each other.

This year we increased our Instagram presence as well as started a semi-weekly update email

being sent out to all contacts gained through Welcome Week activities as well as college age students who have attended services at Asbury UMC this year. We were also able to offer some new personalized swag for Christmas gifts this year thanks to Brooke’s Cricut skills and the previously created logo. 2021 has been all about trying new things and seeing what sticks. We accomplished our goals from the Fall semester as far as focusing on a strong foundation and building relationships and we are excited for what 2022 will bring.

We would appreciate prayers for the following:

- That God will lead the students who need to find us in our direction
- We find and maintain the 10 students needed to re-register as an official group with Salisbury University.
- That the students are able to form a welcoming community with open and curious hearts

- Students might have their emotional, physical, and spiritual needs met while studying on campus or online.
- Christ's love and peace will be overflowing on the Salisbury campus resulting in an end to hate speech and bigotry.
- We become a place of spiritual growth and renewal for the whole Salisbury University campus community.
- More churches, friends, family, alumni, and staff will feel led to support our ministry efforts with their prayers, presence, gifts, service, and witness.

Ministry goals for 2022:

1. Continue to grow the board including adding a CPA so we can move forward with establishing our own Checking and Savings accounts
2. Increased partnerships with churches in the Salisbury District
3. Partner with at least one other Recognized Student Organization for a combined event
4. Increase our fundraising efforts by speaking at area churches and adding at least one event the community can come to support
5. Increase our presence on Campus and Online, and be included as an official Religious Student Group with student officers and a constitution.
6. Recruit new students and grow the group beyond the original 10 founding students.
7. Increase service efforts, including but not limited to ramp builds and a pop up campus thrift shop

Thank you for the opportunity to go on this journey with Salisbury University,

WESLEY FOUNDATION AT THE UNIVERSITY OF MARYLAND EASTERN SHORE

The Wesley Foundation at The University of Maryland Eastern Shore (UMES) is a campus ministry that continues to be a challenging ministry due to COVID-19 pandemic. Some of the students have witnessed the coronavirus pandemic in their families, friends, and colleagues.

The Campus Minister/Executive Director and the students have resorted to virtual meetings. In-person meetings are held on designated dates in cooperation with the building space reserved by the Director of Student Conduct and Community Standards and received by the Office of Student Activities. While virtual Meetings are an effort to keep everyone safe, it is also convenient for students and the Campus Minister to view various presentations via ZOOM. As stated in a previous conference report Campus Ministry is a sporadic ministry that requires patience and encouragement.

The Wesley Foundation Campus Ministry at UMES continues to recruit students and retain them by devising activities and studies that will keep them engaged and interested. UMES students are from various cultures and denominational backgrounds. However, it is good to report that those who have joined Wesley Foundation have a hunger and thirst for God. Thirty-two students registered for the organization in the Fall of 2021. The organization considers this a milestone given the fact that the organization had to be rebuilt.

The Wesley Foundation at UMES is offered as a Christian Fellowship-meaning all are welcome. It should be noted that the organization does not discriminate against other denominations that would like to join. However, it is important to emphasize the Wesleyan heritage especially for students who have a United Methodist background and will strive to continue building relationships with the local church, community, and potential new students. Prayerfully, UMES Wesley Foundation will partner with other campus ministries within The Peninsula-Delaware and Baltimore-Washington Conferences. This will give students exposure to various cultural differences and can be used as a relationship builder.

The Campus Minister and students have agreed to provide needed items for The Lower Shore Shelter (a homeless shelter in the Princess Anne area very close to the campus). The Men's Christian Shelter, Salisbury, MD and Salisbury Urban Ministries (SUM) as well.

As the Wesley Foundation moves further into the 2022-2023 semesters, the Weekly Bible Study, and attendance at The Young Adult Summit will be ongoing as determined by the Director of Strengthening The Black Church and The Young Adult Summit Design Team. Christian Educational travel is prayerfully forthcoming based on the diminishing of the pandemic. Goals for future semesters will be to continue weekly Bible Study; distribute the Christian resource titled "The Life Book;" and schedule guest speakers between the spring and fall semesters. The Campus Minister and students are seeking to do a book study pertaining to Christianity and campus life. On the other hand, guest speakers will be asked to adhere to topics the students feel would be relevant to their environment, as well as their well being as young adults. It goes beyond saying that during this perilous time, students need information that will encourage them to move forward in their respective career goals.

In an effort to recruit additionally students and provide increased awareness of the Wesley Foundation organization, the Executive Director/Campus Minister along with students have had to recruit verbally through the Academic Advisors, because of the reluctance of in-person campus meetings. As the virus subsides, the Campus Minister/Executive Director will seek the advice of the advisors and board members as to when it will be safe to attend "First Look Fair" recruiting meeting. "First Look Fair" is held in the beginning of the Fall Semester where a recruitment table is set up in the Student Services Center that will contain information relative to Wesley Foundation, e.g., a display board advertising the ministries of the organization, brochures, business cards, Christian resources, and a sign-up sheet. This event is the largest recruiting effort.

During the current Spring Semester 2022, students are being encouraged to attend campus meetings that are virtual or hosted by some other means of Social Media as directed by the Student Activities and Student Government. Students are encouraged to take advantage of every opportunity in order to enhance their spiritual development. The organization will continue to strive to create an atmosphere, virtual or in person, where students may have real life exposure to encounters with God and be more attentive to living out its true meaning through Bible Study and other religious resources. Additionally, the Campus Minister/Executive Director will inform students relative to the availability of Christian education opportunities.

The Wesley Foundation Board of Directors continues to be open to students who would like to join the organization from other campuses. Also, The Wesley Foundation at The University of Maryland Eastern Shore welcomes the opportunity to receive referrals from United Methodist congregations and other denominations as well. Networking, consulting, and advising plays a prominent role in achieving the goals of the campus ministry.

Finally, and in keeping with the Vision of the Annual Conference, prayerfully all services, events, training, and activities will connect a diverse group of students so that being "Connected Christians offering the Hope of Jesus Christ in today's World" will live out the vision of the Peninsula-Delaware and continue to be invigorated by Hebrews 10:24-25 (NLT) says: "Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another, especially now that the day of his return is drawing near."

WESLEY FOUNDATION CAMPUS MINISTRY - UNIVERSITY OF DELAWARE **2021 Review**

Discipleship – So much of what we do around campus and the church was disrupted by the presence of Covid during the last year. While students were back on campus finally, the presence of sickness and the stress of re-acclimating to in-person education has taken a toll on the mental well-being of so many students on our campus. Stress and mental health issues are up dramatically across our community and many students are struggling to engage in any community events. However, we have continued to push through and have had a very fruitful time working together through the Gospel of Luke. We were also able to have our Fall Retreat this year, where

we focused on the affirmation that each of us is loved, that each of us has a place in God's heart, and that each of us has been blessed with gifts from our Lord.

Worship – Newark UMC shut down its physical services for the better part of the last two years, and even after the 9:30 service began again, it was in a limited capacity and the SonSpirit service has only recently returned. In that changing landscape, several of our students have found a preference for the more liturgical 9:30 service. As a result, we are now a split group for worship. The majority of our students still stick around for our Sunday Brunch after church, so I am thankful for that.

Social and Outreach Activities – Our social activities have continued, albeit on a smaller scale. We did make it to the theater early in the Fall semester to see the newest Marvel movie, and we have worked in the community on several occasions. However, most of our social time has been spent in the lounge during our always-enjoyable game nights. I am always pleased to be able to offer a safe and fun place for our Wesley students to come and enjoy fellowship where they know that there are no risky behaviors or peer pressure to behave in any way that makes them uncomfortable.

Missions – Our service work has continued, but as is the theme of this report, on a smaller scale. Our Spring Break service work this year is a project in conjunction with Newark UMC to help Camp Pecometh prepare for the summer. This project has the added bonus of allowing our students and the congregation to get to know each other better through close work.

Pastoral Role – It has been my pleasure to assist Rev. Mary Catherine Miller in this year as she has needed. I have had a couple of opportunities to preach in her absence and continue to be on-call whenever she is away.

Capital Improvements – It has been a year where we have needed few upgrades, aside from a computer. So, we are fortunate to not have needed to access those funds.

To Sum up – We hope and pray that this Christ centered spirit of the group continues to attract new students to experience God's love and grace in the midst of a great group of people. Each year brings a new crop of students who come looking to grow in their faith and love of God. Please pray for us as we endeavor to bring the love of Jesus Christ to our community.

2022 Goals

1. To increase visibility of the Wesley Foundation Campus Ministry on the U.D. campus through a variety of social events and programs to draw new students.
2. To work with the URLO (University Religious Leaders Organization) and the RSO (Religious Student Organizations) groups to coordinate our interfaith efforts.
3. To increase awareness of the Wesley Foundation Campus ministry with the churches of the Peninsula-Delaware Conference through newsletters, articles in conference Communicator, Preaching opportunities, and promotional displays and presence at Annual Conference.
4. To assist in the transition from High School to College life by informing High School seniors and their youth directors of United Methodist Campus Ministries by our table and workshop at the Conference Youth rally.
5. To provide a variety of mission opportunities for students.
6. To provide meaningful Bible Study opportunities for the students to explore and engage the word of God and their faith journeys.
7. To provide opportunities for worship in various settings, and provide leadership opportunities in those various settings.
8. To provide a safe place where **all** students are welcome to share their faith journey with one another.
9. Encourage and support students to explore the call to ordained ministry and begin the ordination process.

10. Continue to use the Strategic Plan for the future of the Wesley Foundation at the University of Delaware including short term and long term goals to address the needs and wants of this growing ministry to the U.D. campus community.
11. Expand our fundraising efforts to individuals, especially our recent alumni and others.
12. Ponder and possibly pursue other ways of fundraising to seek out entrepreneurial sources for revenue and outreach.
13. To ensure that our worship remains unified in spirit as our students attend various services at Newark.

2022 Peninsula-Delaware Conference Statistical Report

Rev. Tracy Mooney and Rev. Tom Pasmore, Conference Statisticians

The last year has continued the disruptions we have observed since the beginning of the pandemic. As we begin to emerge from liminal space, several trends that started during the lockdowns and social distancing, continue to linger. Others are beginning to return to pre-pandemic levels. The most significant shift we have seen in the past year is the decline in-person worship attendance. In the last two years about 30% of those who used to attend at least once per month before the pandemic have yet to return. Clearly, many of our congregants are worshiping online, which is expected to continue post-pandemic, but have they really left the building and exited the church? How will we keep worship vital in a hybrid format? Where will we see growth moving forward? The answers to these questions will emerge as we move forward in the next few years, but there are certainly observations and conclusions that we can draw at this point to help us do the work that God is calling us to.

The realities of 2022 indicate that the 30% that we are missing may not be coming back. They have moved on to something else on Sunday morning and could end up participating online but maybe not. The busyness of our world and the internal conflict within our denomination are not helping. Our internal struggles are probably not as significant as the diversions of the world around us, but they are certainly contributing. The shift away from worship attendance has long been documented in the statistics of our Annual Conference. However, engagement is still happening in our local churches. Missions spending and the number of congregants engaged in missions continues to be strong and resist decline. We are seeing the churches across the Annual Conference engaged in their communities in ways that are making a difference in the lives of people. In what ways can we expand this engagement? Where can we meet people where they are and invite them into our mission and ministry?

With this shift away from in-person worship and Sunday morning attendance, Spiritual Formation has declined precipitously. In the last 5 years, we have lost over 40% of folks who were attending our Bible Studies and Sunday School classes. This is a real challenge, and finding new ways to educate and train disciples of Jesus Christ will be the imperative as we move ahead. One thing we used to count on is a basic understanding of who Jesus is and what Christians believe. This knowledge is being lost people continue to drift from the church. And even our faithful members who attend every week are just as likely to hold beliefs that fall outside our Wesleyan understanding of God and God's grace. We have some teaching and training to do.

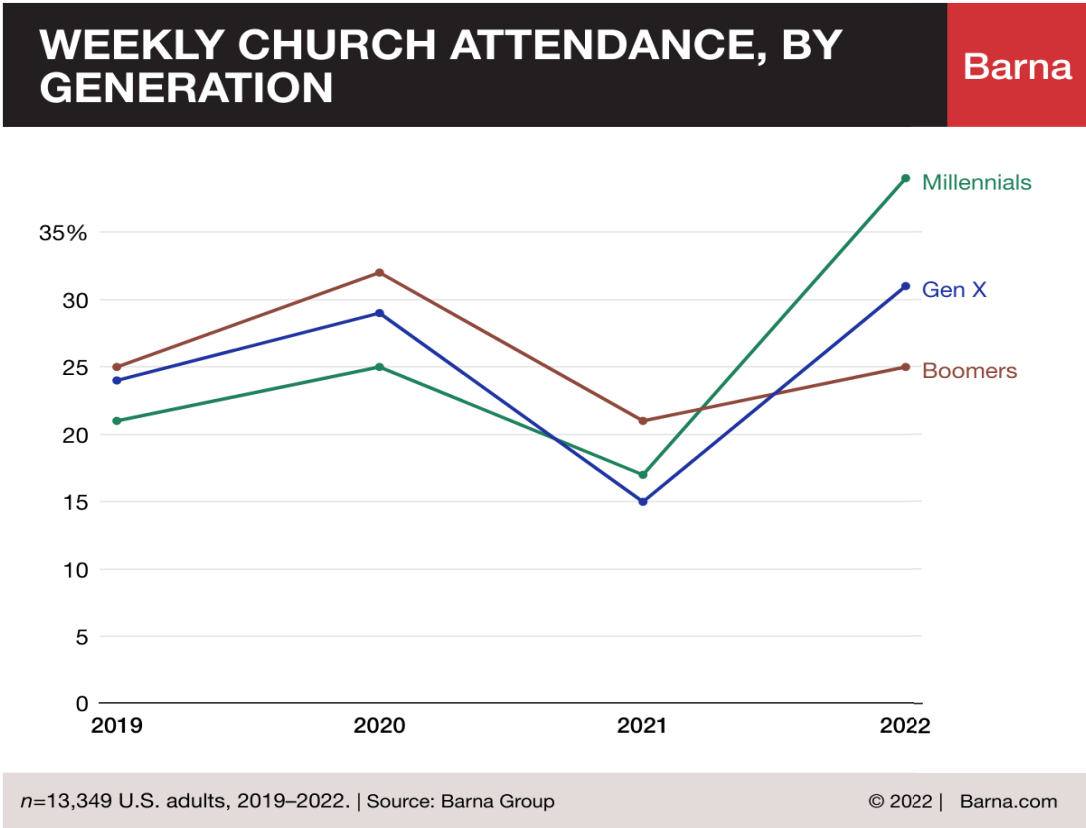

Finally, as has been mentioned in previous reports, we need some new metrics of vitality in local congregations. *Readiness 360* is a way to get a snapshot for comparison with other congregations, but it too is a lagging indicator. We need leading indicators to help us determine how we are doing in areas of engagement, faith formation, evangelism, and discipleship. Many very smart people are working on this, and we have yet to see any definitive results. As with church attendance, time will tell how this turns out too.

Rev. Dr. Shirlyn Henry Brown

The Rev. Dr. Shirlyn Henry Brown, daughter of Shirley Brown and Warner (Pete) Henry, was born on August 7, 1957 in Wilmington, DE. She departed this world peacefully at home in Wilmington, DE on December 10, 2021 with family at her side, after a grace-filled battle with pancreatic cancer. She was 64 years old.

As a young child, Dr. Brown was raised on Sugar Loaf Farm in Odessa, DE and shared many fond memories of times spent with her grandparents, mother, siblings, and cousins on the farm. Her family relocated to Dover, DE, where Shirlyn – or “Sissy” as she was affectionately known by her family and close friends – finished her schooling and graduated Dover High School in 1975. At an early age, Sissy developed a strong interest in theater and the arts, and she went on to complete her Bachelors and Master’s degrees in Theatre at Kansas State University, where she began her journey into student leadership, visioning and training programs, using her creative strengths.

Dr. Brown realized her true calling was to the ministry and first accepted the call as a dedicated member of Lee Haven UMC and Whatcoat UMC. She received her Master of Divinity from Palmer Theological Seminary in Pennsylvania in 2005 and her Doctor of Ministry degree from Wesley Theological Seminary in Washington, DC in 2011. She was appointed full Elder in the United Methodist Church in 2008.

Dr. Brown was a faithful servant leader in the Peninsula-Delaware Conference for nearly 20 years, including pastoring Crisfield-Mt. Pleasant UMC (2003) Pocomoke City-Mt. Zion UMC (2004-2008) and Preston-Hurlock UMC churches (2009-2012), serving as Director of Connectional Ministries (2012-2014) and Easton District Superintendent (2015-2018) and, at the time of her passing, as Senior Pastor of Ezion-Mt. Carmel UMC (2019-2021), United Methodist Campus Pastor at Delaware State University and Director of the Peninsula-Delaware Conference Local Pastor Licensing School. She was lovingly known to many as “Pastor B” for her passion for kingdom building, kingdom living and devotion to Jesus Christ. Pastor B had a true passion for teaching and always looked for ways to incorporate theatre and the arts in her call to ministry. She was a true servant leader, teacher and shepherd, always mindful of “her flock” and helping them realize a closer relationship with Jesus Christ.

In addition to her ministry, Dr. Brown served in various roles at Delaware State University (DSU) for over 20 years, including as the Director of Student Activities, adjunct instructor in English literature and theatre, and most recently as United Methodist Campus Pastor and advisor to the DSU Theatre Honor Society and Drama Club. Dr. Brown was one of the principal theatre directors at DSU for many years, challenging student thespians with productions such as *For Colored Girls*, *The Wiz*, *The Bluest Eye*, *A Street Car Named Desire*, and many others she directed.

Most importantly, Dr. Brown was a loving and devoted mother, grandmother, sister, aunt and dear friend to many. She is survived by her father, Warner Henry (Cleo); her daughter Angel Hardy Heinz (Michael); her siblings Glen Henry, Kelly Shelton (Dana), David Brown (Tracey), Yvette Jackson (Stanley), Daneen Cuthbertson and Duane Henry; two beloved grandchildren, Moira and Brendan Heinz; her close friend James Blackson; Indya and Omar Draper, whom she helped raise and considered her own grandchildren; and a host of loving aunts, nieces, nephews, cousins, “spiritual” children and close friends. She will also be greatly missed by countless current and former students and mentees.

The funeral for Dr. Brown was held on December 18, 2021 at Ezion-Mount Carmel UMC, 800 N. Walnut Street, Wilmington, DE 19801. Rev. Dr. Rob Townsend officiated the service and Rev. Peggy Briggs was the eulogist, and Bishop LaTrelle Easterling of the Baltimore-Washington Conference and several of Dr. Brown’s beloved colleagues also delivered remarks.

Dr. Brown was laid to rest in Whatcoat Cemetery in Dover, DE.

He rose to the rank of Master Sergeant before being appointed to the warrant officer ranks. In November, he got Covid and passed away in Tidal Health Hospital in Salisbury, MD on January 10, 2022.

His funeral was held at Union UMC in Bridgeville, DE on January 17, 2022. Pastor Henry Fields, a close friend officiated.

She made several quilts, dresses, church banners, and other pulpit accessories. She was an excellent seamstress and tailor. She also knitted, crocheted, and embroidered. Every year, she sewed dresses to be sent to little girls in Africa. She was an avid collector of Black Santa Clauses (of which she had over 200). She loved to travel and has been around the world with family and friends. Verlie and her husband loved to take cruises, road trips, and even had a stint camping. She and her three sisters especially enjoyed their yearly "sister trips" taking them to wherever they wanted to go and sometimes just spending the time together.

Retirement did not stop her from keeping busy. She was a Golden Life Member of Delta Sigma Theta Sorority, Inc. for over 59 years, where she held various positions and participated in numerous service activities. She was also a member of the Black Americana Collectors Club, the Black Santa Collectors Club, First State Nubian Sisters in Red Chapter of The Red Hatters Club where she was Treasurer, and Jack and Jill of America, Inc. She was Past Secretary and Board member of the Neighborhood House, Past President of the Delaware Library Association, and active member of North Carolina Central University Alumni Chapter of Delaware.

After Verlie came to Wilmington, she met and married Albert C. Gaither, Jr. on July 3, 1969. They raised two children, Brocklin and Ganee. When Albert was called to the ministry, she was a pillar of support for him. As the wife of Rev. Gaither, she dutifully served as First Lady of three different churches where he ministered (Buttonwood UMC, Cokesbury UMC, and Providence UMC). In each of those churches, she remained active with the United Methodist Women and helping serve their congregations where she could. She also led Sunday School classes and planned various activities for the children.

Mrs. Gaither passed away from cancer on April 18, 2021 in McDonough, GA. Her funeral was held on April 24, 2021 at Koger's Mortuary in Walterboro, SC, and she was buried at Live Oaks Cemetery with her family in Walterboro, SC. The funeral was officiated by Min. Vera Bodison, Associate Minister of Canaan Baptist Church in Round O, SC. She also had a memorial service at Ezion-Mt. Carmel UMC on May 22, 2021 which was officiated by Rev. Dr. Shirlyn Brown.

Mrs. Mildred Louise Hamilton

Mildred entered this life January 30, 1938, to proud parents, Wilbert and Beatrice Gatewood. She grew up in the District of Columbia, went to DC Schools and matriculated at Howard University. Mildred married Benjamin Foster at an early age. She made a fine household for her family. Mildred tried many vocations before settling down to be a Social Worker for the State of Delaware. She also had a passion for politics and civil rights. She took great pride in marching with Dr. Martin Luther King and Rev. Ralph Abernathy. Mildred attended the National Democratic Conventions several years, trying to make a difference where she lived, but her emphasis was on her family doing better.

Mildred loved to travel and strongly believed that God shaped her life. She was a member of the Galbraith AMEZ Church, where she raised her children, sang in the choir, worked in missions and the Women's ministries. Mildred's travels brought her to Wilmington, DE, where she met the Rev. Donald E. Hamilton, who had become pastor of her church, Coleman Memorial UMC. It was love at first sight. This love story became permanent when they married at Galbraith on September 19, 1987. Don and Mildred were inseparable, providing ministry to several churches on the Eastern Shore of Maryland and Delaware. Both were called to become international missionaries for the United Methodist Church, serving in the Democratic Republic of the Congo and Zambia from 1996 to 1999.

Upon returning from the mission field, Mildred served with Don as Co-Chairpersons for Volunteer in Missions Committee for the Pen-Del Annual Conference. This work provides support to communities changed by disaster throughout the Conference area and country. She helped train congregations and launched a new international ministry for the Annual Conference Churches called the Bishop Peter D. Weaver Project. This ministry provides physical and monetary support to the "UMC" Church in the Democratic Republic of the Congo. Mildred worked with the Women of the Congo regarding possible work/money making projects. The welfare of health and children also took much of her time. This ministry still exists today in the DRC and is run by a new missionary couple, and supported by the Peninsula-Delaware Conference.

Besides the DRC Mission, Mildred loved the United Methodist Women organization. She served in leadership both in the local parish and on the Annual Conference levels. Her work with Missions and the United Methodist Women led to her election to be a delegate in the General Conference twice, in 2000 and in 2004. The General Conference is the highest management body for the United Methodist Church; this body establishes the guides for the Church's operation and authority. Mildred's outstanding work as a church leader made her a beloved symbol for hundreds of persons throughout the Annual National Church level.

This remarkable lady served with Don at churches across the Peninsula-Delaware Conference, always giving her warm smile and amazing spirit to all she came in contact with. Simpson UMC in Newport, DE was her great, great love. She sang in the Gospel Choir, Chaired the Mission Committee, worked with the Nifty Knitters, and anywhere else her pastor requested her to support. She completed her work at the Southern Pines UMC in Southern Pines, NC, Mildred sang in the Chancel Choir, she was a part of the Adult Fellowship Church School Class, volunteered to be a mentor for elementary school served on the ZOE African Project, chaired the Angel Tree Project., plus the Women's Ministry became dear to her as well as working with Don on the Mission Outreach Committee. The Southern Pines Church Family also became her joy.

Mildred did all of these things while being sick a good bit of her time in Pinehurst. Only God knows how she managed it all. She was God's vessel and a great instrument for Him and His church. Mildred suffered from several maladies over the past year, which took a toll on her activities, health and later her life. She will be missed by so many persons whose lives she touched.

Mildred leaves to mourn her death, her husband of 35 years, Donald, their son Mark (Kina), Bennie who preceded her in death; daughters, Jackie, Sharon (Shelton), Mitzi, Annette, and Sheila who also preceded her in death last year; grandsons Brandon (Greer), Amir, David, Dwayne (Kim), Michael, Bryant; granddaughters Alexis, Amoni, Mikayla, Kandus, and Jenifer. She will also be missed by a myriad of great grandchildren and her nieces and many others not mentioned here. She will be sadly missed by all of her family members and friends.

CONFERENCE RULES OF ORDER

The following rules assist lay and clergy members of the Peninsula-Delaware Conference in their holy conferencing. These rules are determined by the Annual Conference and are found in the Conference journal. Changes to these rules require the action of the Annual Conference.

Rule 1: The Conference shall convene and adjourn at the discretion of the presiding Bishop and the Sessions Committee. The Conference in plenary session may alter the time of convening or adjourning.

Rule 2: The President shall decide all questions of order, subject to an appeal to the Conference; but in case of such an appeal the question shall be taken without debate, except that the appellant may make a simple statement of the grounds of the appeal.

Rule 3: Resolutions shall be accepted from local churches, conference agencies, conference related institutions, or individual church members. The deadline for receiving these resolutions shall be fixed annually by the Conference Secretary.

Resolutions received in compliance with deadline, shall be distributed by the Secretary to clergy and lay members of the Annual Conference at least ten days prior to the Annual Conference session. (Whenever feasible, resolutions will be made available to conference members for the Pre-Conference Orientations.)

In exceptional circumstances, resolutions received after the announced deadline, but not later than the first morning of the Annual Conference session, will be reviewed by the Sessions Resolutions Committee. That Committee shall consist of the Presiding Bishop, the Chairperson of the Sessions Team, the Dean of the Cabinet, the Conference Secretary and the Conference Lay Leader. The Committee will determine which resolutions will be scheduled for agenda time of the Conference session. If scheduled, the printing of the required number of copies (800) would be the responsibility of the party presenting the resolution.

During the course of the Annual Conference Session, all motions, amendments and substitute motions arising from matters under consideration shall be submitted to the Secretary in writing at the time they are made or as soon thereafter as possible.

Rule 4: When a motion is made and seconded, or a resolution is introduced and seconded, or a report presented and read by the Secretary, or stated by the President, it shall be deemed in possession of the Conference; but any motion or resolution may be withdrawn by the mover, with the consent of the Conference, at any time before amendment or decision.

Rule 5: No new motion or resolution shall be entertained until the one under consideration has been disposed of, which may be done by adoption or rejection, unless one of the following motions shall intervene which shall have precedence in the order in which they are placed, namely:

1. To fix the time in which the Conference shall adjourn;
2. To adjourn;
3. To take a recess;
4. To lay on the Table;
5. To call for the previous question;
6. To postpone to a given time;
7. To refer;
8. To substitute;
9. To amend;
10. To postpone indefinitely.

- Rule 6: A motion to amend shall be in order, and a substitute for any original or amended motion shall be received. Such a substitute motion shall be subject to amendment, and if a substitute be accepted, it shall operate as an amendment to the original proposition.
- Rule 7: When a person is about to speak in debate or to deliver any matter to the Conference, that person shall rise and respectfully address the President, but shall not proceed until recognized. When recognized, the person shall give his or her name and the name of the charge or office through which the person holds membership in the Annual Conference. Persons who are not members of the Annual Conference may be permitted to speak only with the consent of the Conference.
- Rule 8: No speaker shall be interrupted while speaking except by the President. The President may call the speaker to order. But any member may call the attention of the President to the subject when the member deems a speaker out of order; and any speaker may explain when the speaker thinks that he or she has been misrepresented.
- Rule 9: When a member desires a question of privilege, the member shall briefly state the question; but it shall not be in order for the member to proceed until the President shall have decided it a privileged question.
- Rule 10: No person shall speak more than twice on the same question, nor more than four minutes at one time, without leave of the Conference; nor shall any person speak more than once until every member choosing to speak shall have spoken.
- Rule 11: When any motion or resolution shall have been enacted by the Conference, it shall be in order for any member who voted with the prevailing side to move reconsideration; but a motion to reconsider is a non-debatable motion and shall be decided without debate.
- Rule 12: No member shall be absent from the sessions of the Conference without leave, unless the member is sick or unable to attend. Leave requests shall be forwarded to the Conference Secretary.
- Rule 13: Only members who are within the bar of the Conference at the time a question shall be put by the President shall be allowed to vote on any such question, except by leave of the Conference when such member has been necessarily absent.
- Rule 14: Every member who is within the bar at the time a question is put shall vote, unless the Conference, for special reason, shall excuse the member.
- Rule 15: It shall be in order for a member to move that the question be taken without further debate on any measure pending, except in cases in which character is involved, and if sustained by two-thirds, the question shall be taken.
- Rule 16: The motion to adjourn shall be taken without debate, and shall always be in order, except, (1) when a member has the floor; (2) when a question is actually put, or a vote is being taken; (3) when the question is pending or seconding the demand for the previous question; (4) when the previous question has been called and sustained, and is still pending; and (5) when a motion to adjourn has been rejected and no business or debate has intervened.
- Rule 17: All reports of the Teams, Task Forces, Boards, Commissions, and Committees shall be published and distributed to members of the Peninsula-Delaware Conference ten (10) days prior to the date of the meeting of the Annual Conference. Distribution will be in electronic format. Hard copies will be made available to a member upon request. Reports to be included must be in the hands of the Secretary by the date set annually by the Vision Team.

- Rule 18: No report shall be received or adopted by the Conference until a copy has been placed in the hands of the Secretary.
- Rule 19: These rules shall not be suspended or amended except by a vote of two-thirds of the members present and voting.
- Rule 20: All materials to be published in the Journal shall be in the hands of the Conference Secretary not later than 14 days following the adjournment of the Annual Session or they shall be excluded, the date to be part of the Organizational motion of the Annual Conference.
- Rule 21: The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Annual Conference.
- Rule 22: Recommendations as to change in policy regarding data to be included in the Journal shall be determined by the Journal Committee and submitted to the Annual Conference for action.
- Rule 23: With the exception of the Board of Ordained Ministry, no member of any Team, Task Force, Board, Division, Committee or Commission shall serve more than two consecutive quadrennia on said Team, Task Force, Board, Division, Committee or Commission or be eligible to be re-elected until after one quadrennium has elapsed except that members of Teams, Task Forces, Boards, Committees or Commissions elected for three-year terms may serve three consecutive terms and then be ineligible to be re-elected until after one term has elapsed; except further that when a person is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as a full quadrennium or term.
- Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four year terms. No person, lay or clergy, shall be elected to serve on more than two Teams, Task Forces, Boards, Divisions, Committees, or Commissions concurrently, with the exception of the committees elected or appointed for the Annual Conference session, specified ex-officio persons, district committees whether or not elected by the Annual Conference.
- Rule 24: Lay members of the Annual Conference will be elected quadrennially at the charge conference immediately following General Conference. They shall assume office January 1 following the General Conference session. A lay member may be re-elected for another quadrennium but must wait one quadrennium before being eligible for election for a third term.
- Rule 25: Membership of the Annual Conference consists of an equal number of clergy and of lay members. Clergy members shall include those identified in Par 602, *The Book of Discipline*, as follows: deacons and elders in full connection; provisional members; associate members; affiliate members; and, local pastors under full-time and part-time appointment to a charge. Lay membership designated by Par. 32 of the *2016 Book of Discipline* includes: a professing lay member elected by each charge; each charge served by more than one clergy member being entitled to as many lay members as there are clergy members; the Conference lay leader; District lay leaders; Conference Director of Lay Speaking Ministries; Conference Secretary of Global Ministries (if Lay); Conference president of the United Methodist Women; Conference president of the United Methodist Men; the chair of the Annual Conference college student organization; Conference president of United Methodist Youth; the diaconal ministers; the active deaconesses and home missionaries under Episcopal appointment within the bounds of the Annual Conference; one young person between the ages of twelve (12) and

seventeen (17) from each District; one young person between the ages of eighteen (18) and thirty (30) from each District; and the president or equivalent officer of the Conference Young Adult organization, and persons listed in (Par. 602.1.e.) of the *2016 Book of Discipline*. The lay members shall have been members of The United Methodist Church for the two years preceding their election and shall have been active participants in The United Methodist Church for at least four years preceding their election.

When the Conference Secretary determines that lay members number fewer than clergy members, lay membership in the annual conference shall be increased to equal the number of clergy members. To provide for the increase, the Peninsula-Delaware Conference designates (1) each charge enrolling more than 500 members, but having only one clergy member appointed to it, shall elect one additional lay member; each charge having more than one clergy member appointed shall elect, in addition to the lay members equaling the number of clergy appointed, an additional lay member when enrolling more than 1,000 members and an additional lay member for each increment of 500 members thereafter. Each charge served by a deacon in a secondary appointment is entitled to a lay member elected by that same charge. If the charge chooses not to elect such lay member, they shall contact the conference office so that one may be assigned from equalization lay members. If no such request is made, it is assumed that the charge will elect the lay members. Charges shall give priority to the consideration and election of youth and young adult members. (2) Lay persons in the following positions shall be included as an equalization lay member as needed: Officer of the Annual Conference; voting member of the Vision Team; Chairperson (or equivalent) of a conference level Team, Board, Committee, Commission or Council; Associate Conference Lay Leaders; all former Conference Lay Leaders; Lay Delegates to General and Jurisdictional Conferences, District Council Chairperson; District United Methodist Women president; District United Methodist Men president, Lay persons, from this Conference, serving on General Boards, Commissions, Committees, Councils or Divisions. (3) The Conference Council on Youth Ministries (or equivalent) shall elect as many youth members as needed to maintain a balance, divided equally among the districts. Preference should be given to youth who are members of charges served by a non-voting pastor. For those elected under sections (1) and (2), each charge will inform the conference office of whom they elected. The Conference Council of Youth Ministry is responsible for informing those elected under (3). All elected under Rule No. 25 will be included in all pre-conference mailings.

- Rule 26: All budget requests must be referred to the Conference Council on Finance and Administration prior to Annual Conference.
- Rule 27: A motion at Annual Conference which would require an increase to the Conference Budget or the Proposed Conference Budget shall be referred to the Conference Council on Finance and Administration for comment and recommendation prior to final approval.
- Rule 28: All statistical material for inclusion in the Statistical Tables to be printed in the Official Journal must be submitted by January 31 or they may not be included.
- Rule 29: In keeping with paragraph 658 in the *2016 Book of Discipline* which states "A District Conference shall be held if directed by the Annual Conference of which it is a part and may be held upon the call of the district superintendent, which call shall specify time and place." A district superintendent may call a

District Conference with the consent of the presiding Bishop and the District Lay Leader. This rule will be reviewed quadrennially at the Annual Conference following each session of the Northeastern Jurisdictional Conference.

Rule 30: The President will ensure that the Conference session is instructed concerning procedures for voting for delegates to the General and Jurisdictional conferences. In the course of balloting, a ballot will be invalid if it contains votes for a greater number of candidates than the specific number of candidates, indicated by the President. The reading of the ballot results will be limited to those persons receiving ten or more votes. All names receiving votes will be displayed. The voting for Jurisdictional Reserves will be done on one ballot with the persons receiving the most votes being elected in that order. The number of reserves to be elected will be announced before the ballot is taken. Reserves, other than the first, are not guaranteed that any/all of their expenses for attending the Jurisdictional Conference will be reimbursed by the Annual Conference. The chair and co-chair of the delegation will alternate between the first clergy elected and the first lay person elected.

Rule 31: The following Process will be used for determining an Annual Conference endorsement of nominee(s) for Episcopal Office:

The General and Jurisdictional Conference delegation shall have the privilege of placing nominees before the annual conference. In the case where the Delegation recommends a nominee(s) the Annual Conference shall move to a ballot where the nominee(s) shall be assigned a balloting number. Others shall be considered nominees who receive write-in votes on the first ballot and will be assigned balloting numbers on the next ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. Ballots will continue until at least two ballots have been taken, and there is a motion to discontinue balloting, or the third ballot has been taken, and there has been no nomination. If no person has been named on two thirds of the ballots cast on any of the first three ballots taken, then no person shall be considered to have been nominated by the Annual conference.

In the case where the Delegation's report does not bring forth a recommendation for a nominee for Episcopal endorsement by the Annual Conference, the Annual Conference shall move to a ballot where the Annual Conference will vote yes or no to accept the Delegations report. If two thirds of the valid ballots cast, uphold the Delegation's report that will end the balloting and the election process for nominees for Episcopal Endorsement, including motions for nominations from the floor of the Annual Conference. If the Delegation's report does not received two thirds support of the valid ballots cast, then the Annual Conference will move to the second ballot, which will be a write in ballot. Those persons who receive votes on this second ballot will be assigned balloting numbers for the third and final ballot. No other formal nominations shall be in order. The members of the annual conference shall have the right to vote in favor of one of these or to vote a blank ballot.

When a person is named on not less than two thirds of the valid ballots cast, that person shall be considered to be an Episcopal nominee of the annual conference. If no person has been named on two thirds of the ballots cast on any of the ballots taken, then no person shall be considered to have been nominated by the Annual conference.

Only the person(s) selected in the foregoing manner shall be deemed the nominee(s) of the Peninsula-Delaware Conference, but this procedure shall not prevent the possibility of a member of the conference becoming a

candidate for the episcopacy otherwise.

Rule 32: The process for nominating delegates to General and Jurisdictional Conference is as follows:

Those nominated to be Clergy delegates to General and Jurisdictional Conference are to be nominated by at least ten other clergy. The clergy person being nominated is responsible for collecting these signatures. Signatures must be from other clergy eligible to be delegates themselves.

Those Laity nominated to be lay delegates to General and Jurisdictional Conference are to be endorsed by their local Church Council, have this endorsement signed by the Council Chair and endorsed by five Lay Members to the Annual Conference.

The nominations and electing of delegates to General and Jurisdictional Conferences shall be reflective of the diversity of the Annual Conference.

The nominations/endorsements are to be sent to the Conference Secretary by a date set by the Conference Secretary. Those being nominated/endorsed are to submit biographical information to be included in the Conference Communicator and other appropriate formats for distribution to the Annual Conference membership by February of the year of election. This biographical information would include, but not be limited to, committee history (local church and/or Annual or Jurisdictional Conference or General Church Agencies), prior General Conference/Jurisdictional Conference experience and a one hundred fifty word statement. Photos are requested.

This rule in no way limits the voting only to those who have been nominated. Any qualified clergy or laity is eligible for election to General or Jurisdictional Conference.

Written nominations must be certified as to eligibility and willingness to serve before being added to the next ballot

Rule 33: The process for nominating the Jurisdictional Pool will be as follows: In the year of the Northeast Jurisdictional Conference, the Annual Conference in session will endorse people for nomination to the various General Boards and Agencies of the United Methodist Church in accordance with paragraph 705.1b of the *2016 Book of Discipline*. It is the responsibility of the current General/Jurisdictional chair and co-chair in consultation with the full delegation to compile and present to the Annual Conference this list for approval. Floor nominations can be allowed at the discretion of the presiding Bishop.

Rule 34: When a resolution is properly before the body of the Annual Conference, any member of the Conference may call for a paper ballot. This will require a 2/3 vote of the body. Then, when the Annual Conference is ready to vote, a paper ballot shall be used to decide the resolution.

**RULES AND GUIDELINES FOR THE CONFERENCE
COMMITTEE ON CLERGY AND LAY LEADERSHIP**

I.

1. That the Peninsula-Delaware Conference again records its faith in the Principle of Rotation and adherence to the Book of Discipline of The United Methodist Church.
2. That the Committee on Clergy and Lay Leadership be 28 – 32 persons.
That the Committee on Clergy and Lay Leadership be composed of the following persons:
 - Insofar as possible a balanced number of lay and clergy representatives from each District
 - Director of Connectional Ministries
 - Conference Lay Leader or designate
 - Two Young People's representatives

Members will be selected to assure inclusiveness. The facilitators will be selected from the members of the committee.
3. That the following guidelines be used by the Conference Committee on Clergy and Lay Leadership:
 - a) Nominations will be based upon a person's passion, gifts, abilities, and leadership
 - b) Priority will be given to assure inclusiveness
 - c) The Committee will operate by consensus
 - d) The Committee's Covenant and Prayerful discernment will be the framework for the work of the Committee
 - e) See section B for process for securing leadership

Local Churches and District organizations are encouraged to use the same guidelines wherever appropriate.

4. That, since the quadrennial system is an established part of the United Methodist economy, all members of boards, Vision Team and Resource Teams shall be elected for a quadrennium unless restricted by Discipline, charter, or some other legal requirement. In the event of such legal restrictions, the Principle of Rotation is still to be observed.
5. **Guidelines for Conference Positions:** That no member of any board, Vision Team, or Resource Team shall serve more than two consecutive quadrennia on said board, Vision Team or Resource Team or be eligible to be re-elected until after one quadrennium has elapsed, except that members of boards and Teams elected for three-year terms may serve three consecutive terms and shall then be ineligible to be re-elected until after one term has elapsed and except further that, when a member is elected to fill an unexpired quadrennium or term, completion of that quadrennium or term shall count as one full quadrennium or term (Conference Rule #23, page 271, 2011 Conference Journal). Persons elected to the Board of Ordained Ministry may serve a maximum of three consecutive four-year terms.
6. That no member of the Conference, lay or clergy, shall serve on more than two boards or Resource Teams concurrently except for the following: committees elected or appointed for the Annual Conference Session, District committees and specified ex-officio persons. Insofar as possible, persons should be limited to serving on one board or Resource Team. Persons serving in Conference leadership positions are encouraged to give priority to their local church. Ex-officio membership on Conference boards or agencies in excess of two shall be permissible. The following shall not be under the Conference rotation system nor counted in the above total: Wesley College Trustees, Board of Directors of the Wesley Foundations, Board of Trustees of Peninsula United Methodist Homes, Inc., and the Committee on Investigation. In the case of the Board of Ordained Ministry, the Committee on Clergy and Lay Leadership is to request the courtesy of the bishop to inform it as to those persons who will be named to the Board of Ordained Ministry, in order to assist the committee in equal distribution of responsibility on the part of the Conference members. The committee will consider

membership on the Board of Ordained Ministry as one of two memberships permitted to each person. No member of the Conference Council on Finance and Administration shall serve on another team, board or task force that receives financial support from the budget of the Annual Conference. (2008 Book of Discipline of the United Methodist Church, ¶612.2.b)

7. Insofar as possible, the membership on Councils, Boards, Vision Team, and Resource Teams of the Annual Conference shall include one-third clergy, one-third laywomen, and one-third laymen, in keeping with policies for general church agencies, except for the Board of Ordained Ministry.
8. That clergy membership on Annual Conference boards, agencies, Vision Team, and Resource Teams shall be limited to full Conference members, probationary members, associate members, affiliate members, and full time and part-time local pastors under appointment in the Peninsula-Delaware Annual Conference. In order to be eligible to serve on the Conference boards, agencies, ministry teams, and Resource Teams, lay members shall be members of a local church within the Annual Conference. The Conference Committee on Clergy and Lay Leadership may select other persons as affiliate members without vote.
9. "In recognition of the Rights of the Aging" as stated in the Social Principles of The United Methodist Church (Para. 162.E of the *2016 Book of Discipline*), age should not be a barrier to serve on any board, council, or agency of the Annual Conference. However, the Conference Committee on Clergy and Lay Leadership shall give careful attention to assuring that younger members of the Conference are given full opportunity for service.
10. That a conscientious effort shall be made to distribute membership geographically. No fixed number shall be assigned, however, to any one District, since this could become artificial and impractical. Consideration shall be given to the inclusion of lay and clergy persons from small membership churches.
11. That failure to attend the particular board, agency, or Resource Team to which one is assigned for at least one called meeting during the year, without written explanation, or statement of intended activity to the chairperson of that board, agency, or Resource Team will subject persons to automatic removal in the next Clergy and Lay Leadership report. A report of the board, agency, and Resource Team chairperson to the Committee on Clergy and Lay Leadership by March 1st will include the attendance record of this board, agency, Vision Team, or Resource Team.
12. In order to model partnering in ministry, both lay and clergy shall be nominated for leadership positions on boards, agencies and Resource Teams, except where The Book of Discipline of the United Methodist Church mandates that the ministry group elect their own leadership. Boards, agencies, Vision Team, and Resource Team members will be notified in advance of their nomination. Insofar as possible, the Conference Committee on Clergy and Lay Leadership will dialogue with persons about their passion, gifts and experience prior to nominating them for leadership positions. The members of each unit will elect additional officers. The officers elected at the meeting shall serve for the quadrennium.

The following Criteria for Leadership shall be used in the selection of chairpersons:

- a) Demonstrate passion, spiritual gifts or expertise needed for the specific area of ministry;
- b) A demonstrated leadership ability in the local church;
- c) Committed to the Vision and Mission of the Peninsula-Delaware Conference;
- d) Willingness to commit time as required by the position;
- e) Willingness to commit time for training for the responsibilities of the office;
- f) Have an understanding of and a willingness to support the polity of The United Methodist Church;
- g) Willingness to participate in nurturing their faith through prayer, study, fasting, service, and worship;

That the date of the quadrennium in which a person is elected to any board, agency, Vision Team, or Resource Team member be clearly indicated in the journal.

14. That in every case a nominee of any board, agency, Vision Team, or Resource Team member shall be notified and consent to serve before the name is placed before the Conference. When vacancies occur in the report, nominations may be made from the floor, provided that the nominee is present and agrees to serve.
15. Guideline for District positions: That recognizing again the belief in the principle of rotation in order to involve greater leadership, all District committees and officers shall be elected to four-year terms with a maximum of eight years and persons shall be ineligible for re-election until after a four-year term has elapsed, with the exception of the District Committee of Ordained Ministry and the District Board of Church Location and Building.

II.

For Information Only:

Concerning the Committee on Clergy and Lay Leadership, its report and the securing of talent

1. That the report of the Committee on Clergy and Lay Leadership to the Annual Conference session will reflect a complete adherence to all the guidelines established by the Annual Conference.
2. The Committee on Clergy and Lay Leadership shall distribute copies of its report to the Annual Conference on the day before the report is to be voted on by the Conference.
3. Vacancies in leadership will be communicated to each District Superintendent and to the Bishop to obtain recommendations. Vacancies will also be communicated to Conference and District Lay Leaders, and the Conference Resource Teams for consideration and recommendations. A description of the responsibilities of the vacant position will be included along with a list of gifts and talents required for leadership position. Each recommendation will require submitting a profile describing an individual's spiritual gifts, talents, leadership experience, involvement in their local church, and areas of interest. These profiles shall be returned to the secretary of the Conference Committee on Clergy and Lay Leadership.
4. That the above-adopted guidelines for the Committee on Clergy and Lay Leadership of the Annual Conference shall become a printed part of its report at each Annual Conference session.
5. Titles such as "Mrs.," "Miss," "Mr.," "Rev.," or "Dr." shall not be used in the preparation of the Committee on Clergy and Lay Leadership report.
6. In so far as possible, young people shall be members of all boards, Vision Team, and Resource Teams in the Conference in consultation with the Young People's Ministry.
